Statement by Management

The Executive Board has today considered and approved the annual report of Jbf Nearshore ApS for the financial year 01.04.2024 - 31.03.2025.

The annual report is presented in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.03.2025 and of the results of its operations for the financial year 01.04.2024 - 31.03.2025.

We believe that the management commentary contains a fair review of the affairs and conditions referred to therein.

We consider the preconditions for not auditing the financial statements for the financial year 01.04.2024 - 31.03.2025 to be complied with.

We recommend the annual report for adoption at the Annual General Meeting.

Independent auditor's compilation report

To Management of Jbf Nearshore ApS

We have compiled the financial statements of Jbf Nearshore ApS for the financial year 01.04.2024 - 31.03.2025 based on the Entity's bookkeeping records and other information Management has provided.

These financial statements comprise the income statement, balance sheet, statement of changes in equity, notes and a summary of significant accounting policies.

We performed this compilation engagement in accordance with ISRS 4410, Compilation Engagements.

We have applied our expertise in accounting and financial reporting to assist Management in the preparation and presentation of these financial statements in accordance with the Danish Financial Statements Act. We have complied with relevant provisions of the Danish Public Accountants Act and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code), including principles of integrity, objectivity, professional competence and due care.

These financial statements and the accuracy and completeness of the information used to compile the financial statements are Management's responsibility.

Since a compilation engagement is not an assurance engagement, we are not required to verify the accuracy or completeness of the disclosures Management provided to us to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion about whether the financial statements have been prepared in accordance with the Danish Financial Statements Act.

4 Employees

The Entity has no employees other than the Executive Board. The Executive Officer has not received any remuneration.

5 Contingent liabilities

The Entity participates in a Danish joint taxation arrangement where Pakaa HoldCo ApS serves as the administration company. According to the joint taxation provisions of the Danish Corporation Tax Act, the Entity is therefore liable for income taxes etc for the jointly taxed entities, and for obligations, if any, relating to the

withholding of tax on interest, royalties and dividend for the jointly taxed entities. The jointly taxed entities' total known net liability under the joint taxation arrangement is disclosed in the administration company's financial statements.

Accounting policies

Reporting class

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class B enterprises with addition of a few provisions for reporting class C.

The accounting policies applied to these financial statements are consistent with those applied last year.

Non-comparability

The company has changed its accounting year in the previous accounting period to reflect that of its parent company. Therefore, this accounting period is the first full accounting period for the new accounting year which means that the financial statement lack's comparability to the previous years accounting period that only consists of 3 months.

Recognition and measurement

Assets are recognised in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Entity, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when the Entity has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the Entity, and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is effected as described below for each financial statement item.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognised in the income statement when earned, whereas costs are recognised by the amounts attributable to this financial year.

Foreign currency translation

On initial recognition, foreign currency transactions are translated applying the exchange rate at the transaction date. Receivables, payables and other monetary items denominated in foreign currencies that have not been settled at the balance sheet date are translated using the exchange rate at the balance sheet date. Exchange differences that arise between the rate at the transaction date and the rate in effect at the payment date, or the rate at the balance sheet date, are recognised in the income statement as financial income or financial expenses.

When recognising foreign subsidiaries and associates that are independent entities, the income statements are translated at average exchange rates for the months that do not significantly deviate from the rates at the transaction date. Balance sheet items are translated using the exchange rates at the balance sheet date. Goodwill is considered belonging to the independent foreign entity and is translated using the exchange rate at the balance sheet date. Exchange differences arising out of the translation of foreign subsidiaries' equity at the beginning of the year at the balance sheet date exchange rates and out of the translation of income statements from average rates to the exchange rates at the balance sheet date are recognised directly in the translation

reserve in equity.

Exchange adjustments of outstanding accounts with independent foreign subsidiaries, which are considered part of the total investment in the subsidiary in question, are recognised directly in the translation reserve in equity.

Income statement

Gross profit or loss

Gross profit or loss comprises other external expenses.

Other external expenses

Other external expenses include expenses relating to the Entity's ordinary activities, including expenses for legal assistance, audit fees, etc.

Other financial income

Other financial income comprises interest income on receivables from group enterprises.

Other financial expenses

Other financial expenses comprises interest expenses on payables to group enterprises.

Tax on profit/loss for the year

Tax for the year, which consists of current tax for the year and changes in deferred tax, is recognised in the income statement by the portion attributable to the profit for the year and recognised directly in equity by the portion attributable to entries directly in equity.

The Entity is jointly taxed with all Danish group enterprises. The current Danish income tax is allocated among the jointly taxed entities proportionally to their taxable income (full allocation with a refund concerning tax losses).

Balance sheet

Investments in associates

Investments in associates are measured at cost. Investments are written down to the lower of recoverable amount and carrying amount.

Investments in associates fall within the definitions of both participating interests and associates, yet in the financial statements they have been presented as investments in associates because this designation reflects more accurately the Company's involvement in the relevant entities.

Receivables

Receivables are measured at amortised cost, usually equalling nominal value less writedowns for bad and doubtful debts.

Cash

Cash comprises cash in hand and bank deposits.

Other financial liabilities

Other financial liabilities are measured at amortised cost, which usually corresponds to nominal value.
