BALANCE SHEET

Investments in subsidiaries

Investments in subsidiaries are measured at cost. The investments are written down to recoverable amount i.e., the higher of fair value less costs of disposal and value in use, if it is lower than the carrying amount. Impairment is recognised in the income statement under Impairment on investments.

Dividends received from subsidiaries are recognised in the income statement under Income from affiliates and subsequently, the investments are tested for impairment in accordance with the IFRS method.

Gains and losses on sale of investments in subsidiaries are recognised in the income statement under Income from affiliates.

Deferred tax

Deferred tax is calculated on temporary differences between the carrying amounts and tax bases of assets and liabilities. Deferred tax assets are recognised solely to the extent that the tax asset is likely to be utilised within the near future.

Receivables

Receivables are generally recognised at nominal value, substantially corresponding to amortised cost and impaired for expected losses based on the expected loss model as described in IFRS 9.

Cash and bank balances

Cash and bank balances comprise cash at bank.

Liabilities

Other financial liabilities are measured at amortised cost, substantially corresponding to nominal value.

MANAGEMENT'S STATEMENT

Copenhagen, 27 March 2026

Executive Board

Maria Tehreem Ilyas

Board of Directors

Jan Thorsgaard Nielsen
Chair

Martin Nørkjær Larsen

Morten Vested Stakroge

The Executive Board and Board of Directors have today considered and adopted the Annual Report of APMH Invest XIII ApS for the financial year 1 January–31 December 2025.

The Annual Report is prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position at 31 December 2025 of the company and of the results of the company's operations for 2025.

We recommend that the Annual Report be adopted at the Annual General Meeting.

INDEPENDENT AUDITOR'S REPORT

To the shareholders of APMH Invest XIII ApS

OPINION

In our opinion, the financial statements give a true and fair view of the financial position of the company at 31 December 2025, and of the results of the company's operations for the financial year 1 January-31 December 2025 in accordance with the Danish Financial Statements Act.

We have audited the financial statements of APMH Invest XIII ApS for the financial year 1 January-31 December 2025, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies (financial statements).

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the International Ethics Standards Board for Accountants' Code

of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

MANAGEMENT'S RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless management either intends

to liquidate the company or to cease operations, or has no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.
