Statement by Management

The Executive Board has today considered and approved the annual report of ADVANTAGE PE 2020 Management Invest K/S for the financial year 23.11.2020 - 31.12.2021.

The annual report is presented in accordance with the Danish Financial Statements Act.

In my opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2021 and of the results of its operations for the financial year 23.11.2020 - 31.12.2021.

I believe that the management commentary contains a fair review of the affairs and conditions referred to therein.

I recommend to the Annual General Meeting that the financial statements for the next financial year not be audited.

I recommend the annual report for adoption at the Annual General Meeting.

Copenhagen, 28.04.2022

Executive Board

ADVANTAGE Private Equity 2020 I GP ApS

Anders Stubbjær Dalhoff

Independent auditor's report

To the Limited Partners of ADVANTAGE PE 2020 Management Invest K/S

Opinion

We have audited the financial statements of ADVANTAGE PE 2020 Management Invest K/S for the financial year 23.11.2020 - 31.12.2021, which comprise the income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2021 and of the results of its operations for the financial year 23.11.2020 - 31.12.2021 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of this auditor's report. We are independent of the Entity in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Entity's ability to continue as a going concern, for disclosing, as applicable, matters related to going concern, and for using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures in the notes, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the management commentary

Management is responsible for the management commentary.

Our opinion on the financial statements does not cover the management commentary, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the management commentary and, in doing so, consider whether the management commentary is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the management commentary provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the management commentary is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the management commentary.

Management commentary

Primary activities

ADVANTAGE PE 2020 Management Invest K/S (ADVANTAGE PE 2020 Management) is a feeder fund-of fund for the fund-of-funds Advantage PE 2020 A K/S, Advantage PE 2020 I P/S, Advantage PE 2020 II A/S and Advantage PE 2020 III K/S (Advantage PE 2020 program) with a geographical focus on investments in North America. Commitments are made to mid-market buy-out funds only. ADVANTAGE PE 2020 program is fully committed to five portfolio funds. ADVANTAGE PE 2020 Management was established 23 November 2020 and this annual report therefore covers the period from 23 November 2020 to 31 December 2021.

Development in activities and finances

The financial year resulted in a loss of USD 5 thousand which is substantially better than management expectations. Even though the overall result of USD 3 thousand was strongly affected by the overall positive results of the underlying portfolio funds, the result was burdened by their management fee, establishment cost and due diligence cost associated with the completion of five underlying portfolio fund commitments.

Advantage PE 2020 Management's own external expenses amounted to USD 8 thousand.

In the financial year an aggregate amount of USD 98 thousand was paid-in by the limited partners corresponding to 68,3% of the limited partners' committed capital. An aggregate amount of USD 95 thousand was contributed to the portfolio funds during the financial year corresponding to 67.6% of the commitments to the portfolio fund. An amount of USD 0.0 million was distributed from portfolio funds during the financial year.

Particular risks

Financial risk

The objective of ADVANTAGE PE 2020 Management is to provide capital to Advantage PE 2020 programme, which objective is to provide capital to portfolio funds, and thereby finance the underlying investments in competitive companies in the North American mid-market. The highest factor of risk is the changes in the valuations of the companies in which ADVANTAGE PE 2020 program's portfolio funds invest in, which are based on both the development in earnings and the valuations of comparable listed companies. The portfolio valuations are based on an estimate and therefore subject to some degree of uncertainty.

Interest rate risk

ADVANTAGE PE 2020 Management is less sensitive to the changes in interest rate levels.

Foreign exchange currency risk

ADVANTAGE PE 2020 Management's portfolio fund commitments are all made in USD. As the capital in ADVANTAGE PE 2020 Management is also in USD, the currency risk is considered insignificant.

Liquidity risk

ADVANTAGE PE 2020 Management's cash resources as of 31 December 2021, include cash and cash equivalents and outstanding commitments from the limited partners and are deemed sufficient to cover ADVANTAGE PE 2020 Management's current liabilities.

Outlook

The recent development in Ukraine marks a historical event that has and further will redefine the global markets. The situation is unpredictable, but most likely will be prolonged and increase in severity. The situation has resulted in increased volatility for the global economy in terms of commodity prices, supply chain issues, inflation, interest rates etc. The ongoing conflict does not affect the valuations per 31 December 2021 and furthermore, management is not aware of any substantial effect on valuations after the balance sheet date.

The result for 2022 is expected to be negative to zero as a function of the expected so-called J-curve shape of a private equity portfolio.

Events after the balance sheet date

No events have occurred after the balance sheet date to this date, which would influence the evaluation of this annual report.

Income statement for 2020/21

Manager

Manager from 23.11.2020:

Advantage Private Equity 2020 I GP ApS, Bredgade 40, 1260 Copenhagen.

Transactions: General partner fee.

Accounting policies

Reporting class

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class B enterprises with addition of a few provisions for reporting class C.

Non-comparability

This is the Company's first financial year and comprise the period 23.11.2020 - 31.12.2021, and hence no comparative figures have been presented.

Recognition and measurement

Assets are recognised in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Entity, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when the Entity has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the Entity, and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is effected as described below for each financial statement item.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognised in the income statement when earned, whereas costs are recognised by the amounts attributable to this financial year.

Income statement

Fair value adjustments of other investment assets

Fair value adjustments of other investment assets comprise adjustments for the financial year of the Entity's investment assets measured at fair value at the balance sheet date.

Other external expenses

Other external expenses include expenses relating to the Entity's ordinary activities, including management fee, audit, etc.

Other financial income

Other financial income comprises interest, and net exchange rate adjustments on transactions in foreign currencies.

Balance sheet

Other investments

Other current asset investments comprise unlisted investments measured at fair value and are measured in accordance with the IPEV Valuation Guidelines or similar guidelines depending on the country of domicile of the portfolio funds, according to which investments are measured at the fair value. Revaluations are included in the profit and loss account.

Investments in unlisted private equity funds are valued on the basis of the latest reporting received from the respective sub-funds. The reports from the funds contain a valuation of the private equity fund, including a valuation of each individual portfolio company. The value of a private equity fund consists of the sum of the values of the portfolio companies in which the fund has invested in, and the value of other net assets.

Outstanding investment commitments at the balance sheet date are disclosed as contingent liabilities in the notes.

The Company only holds investments in unlisted equity.

Cash

Cash comprises cash in bank deposits.

Other financial liabilities

Other financial liabilities are measured at amortised cost, which usually corresponds to nominal value.
