## **Management's statement**

Today, the Executive Board and the Board of Directors have considered and adopted the annual report of Better Energy Impact II International A/S for the financial year 1 January 2024 - 31 December 2024.

The annual report is presented in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the assets, liabilities and financial position of Better Energy Impact II International A/S at 31 December 2024 and of the results of the company's operations for the financial year 1 January 2024 - 31 December 2024.

In our opinion, the management's review includes a true and fair account of the matters addressed in the review.

We recommend that the annual report be adopted at the Annual General Meeting.

Frederiksberg, 30 June 2025

## **Independent auditor's report**

### **To the shareholders of Better Energy Impact II International A/S**

#### **Opinion**

We have audited the financial statements of Better Energy Impact II International A/S for the financial year 1 January 2024 - 31 December 2024, which comprise the income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31 December 2024 and of the results of its operations for the financial year 1 January 2024 - 31 December 2024 in accordance with the Danish Financial Statements Act.

#### **Basis of opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of this auditor's report. We are independent of the Entity in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Management's responsibilities for the financial statements**

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Entity's ability to continue as a going concern, for disclosing, as applicable, matters related to going concern, and for using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- \* Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- \* Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.

## **Independent auditor's report**

- \* Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- \* Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- \* Evaluate the overall presentation, structure and content of the financial statements, including the disclosures in the notes, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.
- \* Plan and perform the audit of the financial statements to obtain sufficient appropriate audit evidence regarding the consolidated financial information of the entities or business units as a basis for forming an opinion on the financial statements. We are responsible for the direction, supervision and review of the audit work performed. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Statement on Management's review**

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's Review is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required by the relevant law and regulations.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements in the relevant law and regulations. We did not identify any material misstatement of the Management's Review.

## **Management's review**

### **The company's principal activities**

The main activities of Better Energy Impact II International A/S is to be a holding company for foreign acquisitions including directly and indirectly to develop, construct, operate, own, acquire and sell energy producing assets in corporate form.

### **Development in activities and financial matters**

Better Energy Impact II International A/S's income statement for the financial year 1 January 2024 - 31 December 2024 shows a result of DKK -200,133,568 and the balance sheet at 31 December 2024 a balance sheet total of DKK 448,795,174 and an equity of DKK -190,104,809.

In 2024, the company's subsidiaries expanded its operational portfolio in Poland and added its first operational solar parks in Sweden, connecting four large-scale projects to the grid:

- In Poland, the Chelmno and Resko projects (totaling 57 MWp) were brought online.
- In Sweden, Studsvik and Lidköping Airport projects (totaling 102 MWp) were connected to the grid.

At year-end, construction was ongoing on two additional Polish subsidiaries projects Chociwel and Wagrowiec with a combined capacity of approximately 83 MWp. Both were mechanically completed but not yet grid connected as of 31 December 2024.

As the company owns subsidiaries operating solar parks the value of the subsidiaries is affected by weather conditions and fluctuations in electricity prices. In 2024 production from solar power plants in Denmark has been suffering from both lower irradiation and an increased amount of negative spot prices, leading to curtailed production.

In 2024 the Company has recognised an impairment of DKK 212.8 million regarding solar parks in subsidiaries including additional purchase price.

At the balance sheet date, the company has lost more than 50% of its share capital.

The management assesses that the going concern assumption is appropriate. This assessment is based on expectations that the capital base can be reestablished through future operating profits, a capital injection, or conversion of intra-group debt to equity. The Owners have confirmed its continued financial support of the company's activities. In order to support the Company's continued operations, the Company has received a letter of support from Better Energy Impact II K/S (Business Registration No.: 43710389) regarding the intercompany loan of DKK 572.4 million.

On this basis, the financial statements are prepared under the going concern assumption.

### **Post financial year events**

Since year-end, the following projects in subsidiaries have been successfully grid connected and are now operational:

- Chociwel (PL)
- Wagrowiec (PL)

No other events have occurred after the balance sheet date that would affect the evaluation of this annual report.

The Owners have confirmed its continued financial support of the company's activities. In order to support the Company's continued operations, the Company has received a letter of support from Better Energy Impact II K/S (Business Registration No.: 43710389) regarding the intercompany loan of DKK 572.4 million.

On this basis, the financial statements are prepared under the going concern assumption.

## Notes

### **9. Significant events occurring after end of reporting period**

Since year-end, the following projects in subsidiaries have been successfully grid connected and are now operational:

- Chociwel (PL)
- Wagrowiec (PL)

No other events have occurred after the balance sheet date that would affect the evaluation of this annual report.

### **10. Group relations**

No parent company submits consolidated financial statements.

### **11. Staff cost**

The entity has no employees and the management has not received any remuneration.

## **Accounting policies**

### **Reporting class**

The annual report of Better Energy Impact II International A/S for 2024 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B with addition of certain provisions for reporting class C.

The accounting policies applied remain unchanged from last year.

### **Reporting currency**

The annual report is presented in Danish kroner (DKK).

### **Consolidated financial statements**

Referring to 110(1) of the Danish Financial Statements Act, no consolidated financial statements have been prepared.

### **Recognition and measurement**

Assets are recognised in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the company, and the value of the assets can be measured reliably.

Liabilities are recognised in the balance sheet when the company has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the company, and the value of the liabilities can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is affected as described below for each financial statement item. Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognised in the income statement when earned, whereas costs are recognised by the amounts attributable to this financial year.

### **Foreign currency translation**

On initial recognition, foreign currency transactions are translated applying the exchange rate at the transaction date. Receivables, payables and other monetary items denominated in foreign currencies that have not been settled at the balance sheet date are translated using the exchange rate at the balance sheet date.

Exchange differences that arise between the rate at the transaction date and the one in effect at the payment date or the rate at the balance sheet date are recognised in the income statement as financial income or financial expenses. Property, plant and equipment, intangible assets, inventories and other non-monetary assets that have been purchased in foreign currencies are translated using historical rates.

## **Income statement**

### **Gross profit/loss**

The company has decided to aggregate certain items of the income statement in accordance with the provisions of Section 32 of the Danish Financial Statements Act.

Gross profit or loss comprises other external expenses.

### **Other external expenses**

Other external expenses include expenses for operation and administration.

## **Accounting policies**

### **Income from investments in group enterprises and associates**

The items 'Income from investments in group enterprises and associates' in the income statement include the proportionate share of the profit or loss for the year and depreciation of the additional purchase price depreciated over a period of 30 years. Internal profits/losses are eliminated in full for subsidiaries and proportionately for associates.

### **Financial income**

Financial income comprises interest income, including interest income on receivables from group enterprises, amortisation of financial assets, payables and transactions in foreign currencies, fair value adjustments of financial interests as well as tax relief under the Danish Tax Prepayment Scheme etc.

### **Financial expenses**

Financial expenses comprise interest expenses, including interest expenses on payables to group enterprises, amortisation of financial liabilities, payables and transactions in foreign currencies, fair value adjustments of financial interests as well as tax surcharge under the Danish Tax Prepayment Scheme etc.

### **Tax on profit for the year**

Tax on net profit/loss for the year comprises current tax on expected taxable income of the year and the year's adjustment of deferred tax less the part of the tax of the year that relates to changes in equity. Current and deferred tax regarding changes in equity is recognised directly in equity.

## **Balance sheet**

### **Financial fixed assets**

#### **Equity investments in group enterprises and associates**

Enterprises in which the Company, directly or indirectly, holds more than 50% of the voting rights and exercises controlling influence are regarded as subsidiaries. Enterprises in which the Company, directly or indirectly, holds between 20% and 50% of the voting rights and exercises significant, but not controlling, influence are regarded as associates.

Investments in subsidiaries and associates are recognised and measured according to the equity method. This means that investments are measured at the pro rata share of the enterprises' equity value and additional purchase price plus unamortised goodwill and plus or minus unrealised intra-group profits or losses.

Any receivables from these enterprises are written down to net realisable value based on a specific assessment. If the Company has a legal or constructive obligation to cover the liabilities of the relevant enterprise, and it is probable that such obligation is imminent, a provision is recognised that is measured at present value of the costs deemed necessary to incur to settle the obligation.

Upon distribution of profit or loss, net revaluation of investments in subsidiaries and associates is transferred to reserve for net revaluation according to the equity method under equity.

Investments in subsidiaries and associates are written down to the lower of recoverable amount and carrying amount.

### **Current assets**

#### **Receivables**

Receivables are measured at amortised cost, usually equalling nominal value, less writedowns for bad and doubtful debts.

Impairment of accounts receivables past due is established on individual assessment of receivables.

## **Accounting policies**

### **Cash and cash equivalents**

Cash and cash equivalents comprise cash.

### **Equity**

#### **Proposed dividends**

Proposed dividends for the year are recognised as a separate item under equity. Proposed dividends are recognised as a liability when approved by the Annual General Meeting.

#### **Deferred tax**

Deferred tax is recognised on all temporary differences between the carrying amount and the tax-based value of assets and liabilities, for which the tax-based value is calculated based on the planned use of each asset or the planned settlement of each liability.

Deferred tax assets, including the tax base of tax loss carryforwards, are recognised in the balance sheet at their estimated realisable value, either as a set-off against deferred tax liabilities or as net tax assets.

#### **Current tax liabilities**

Current tax liabilities

Current tax liabilities and receivables are recognised in the balance sheet as the expected taxable income for the year adjusted for tax on taxable incomes for prior years and tax paid on account. Extra payments and repayment under the on-account taxation scheme are recognised in the income statement in financial income and expenses.

#### **Liabilities**

Financial liabilities are recognised initially at the proceeds received net of transaction expenses incurred. In subsequent periods, financial liabilities are measured at amortised cost, corresponding to the capitalised value using the effective interest method, so that the difference between the proceeds and the nominal value is recognised in the Income Statement over the life of the financial instrument.

Other liabilities, comprising deposits, trade payables and other accounts payable, are measured at amortised cost, which usually corresponds to the nominal value.
