Notes:

- To ensure the greatest possible applicability of this document, IAS/IFRS English terminology has been used.
- Please note that decimal points have not been used in the usual English way. This means that for instance DKK 146.940 means the amount of DKK 146,940, and that 23,5 % means 23.5 %.

Management's statement

Today, the Managing Director has approved the annual report of Side Vertex ApS for the financial year 1 April 2023 - 31 March 2024.

The annual report has been prepared in accordance with the Danish Financial Statements Act.

I consider the chosen accounting policy to be appropriate, and in my opinion, the financial statements give a true and fair view of the financial position of the Company at 31 March 2024 and of the results of the Company's operations for the financial year 1 April 2023 – 31 March 2024.

The Managing Director consider the conditions for audit exemption of the 2023/24 financial statements to be met.

Further, in my opinion, the Management's review gives a true and fair review of the matters discussed in the Management's review.

We recommend that the annual report be approved at the Annual General Meeting.

Management's review

Description of key activities of the company

The Company's main activities are to act as a holding company.

Development in activities and financial matters

The gross loss for the year totals DKK -4.000 against DKK -4.000 last year. Income or loss from ordinary activities after tax totals DKK 319.000 against DKK 326.000 last year. The development must be seen in light of the fact that, according to the annual report 2022/23, the company expected a gross profit for 2023/24 in the region of DKK and income or loss from ordinary activities after tax of DKK . Management considers the net profit or loss for the year satisfactory.

Events occurring after the end of the financial year

No events have occurred after the balance sheet date of material importance to the annual report for 2023/24.

Accounting policies

The annual report for Side Vertex ApS has been presented in accordance with the Danish Financial Statements Act regulations concerning reporting class B enterprises. Furthermore, the company has decided to comply with certain rules applying to reporting class C enterprises.

The accounting policies are unchanged from last year, and the annual report is presented in DKK.

Income statement

Gross loss

Gross loss comprises the revenue, changes in inventories of finished goods, and work in progress, own work capitalised, other operating income, and external costs.

The enterprise will be applying IAS 11 and IAS 18 as its basis of interpretation for the recognition of revenue.

Revenue is recognised in the income statement if delivery and passing of risk to the buyer have taken place before the end of the year and if the income can be determined reliably and inflow is anticipated. Revenue is measured at the fair value of the consideration promised exclusive of VAT and taxes and less any discounts relating directly to sales.

Other external expenses comprise expenses incurred for distribution, sales, advertising, administration, premises, loss on receivables, and operational leasing costs.

Results from investments in group enterprises and participating interest

After full elimination of intercompany profit or loss less amortised consolidated goodwill, the investment in the individual entities are recognised in the income statement as a proportional share of the entities' post-tax profit or loss.

After full elimination of intercompany profit or loss less amortised of consolidated goodwill, the investment in the individual participating interests are recognised in the income statement as a proportional share of the participating interest' post-tax profit or loss.

Statement of financial position

Investments

Investments in group enterprises and participating interest

Investments in group enterprises and participating interest are recognised and measured by applying the equity method. The equity method is used as a method of consolidation.

Accounting policies

Investments in group enterprises and participating interest are recognised in the statement of financial position at the proportionate share of the enterprise's equity value. This value is calculated in accordance with the parent's accounting policies with deductions or additions of unrealised intercompany gains and losses as well as with additions or deductions of the remaining value of positive or negative goodwill calculated in accordance with the acquisition method. Negative goodwill is recognised in the income statement at the time of acquisition of the equity investment. If the negative goodwill relates to contingent liabilities acquired, negative goodwill is not recognised until the contingent liabilities have been settled or lapsed.

Equity

Reserve for net revaluation according to the equity method

The reserve for net revaluation according to the equity method comprises net revaluation of equity investments in subsidiaries, associates and equity interests proportional to cost.

The reserve may be eliminated in the event of losses, realisation of equity investments, or changes in the accounting estimates.

The reserve cannot be recognised by a negative amount.

Liabilities other than provisions

Liabilities are measured at amortised cost.
