### Report on the audit of the annual accounts

#### Opinion

We have audited the annual accounts of Amazon Web Services EMEA S.à r.l. (the "Company"), which comprise the balance sheet as at 31 December 2021, and the profit and loss account for the year then ended, and the notes to the annual accounts, including a summary of significant accounting policies.

In our opinion, the accompanying annual accounts give a true and fair view of the financial position of the Company as at 31 December 2021, and of the results of its operations for the year then ended in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts.

#### Basis for Opinion

We conducted our audit in accordance with the Law of 23 July 2016 on the audit profession (the "Law of 23 July 2016") and with International Standards on Auditing ("ISAs") as adopted for Luxembourg by the "Commission de Surveillance du Secteur Financier" ("CSSF"). Our responsibilities under the Law of 23 July 2016 and ISAs as adopted for Luxembourg by the CSSF are further described in the "responsibilities of the "réviseur d'entreprises agréé" for the audit of the annual accounts" section of our report. We are also independent of the Company in accordance with the International Code of Ethics for Professional Accountants, including International Independence Standards, issued by the International Ethics Standards Board for Accountants ("IESBA Code") as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the annual accounts, and have fulfilled our other ethical responsibilities under those ethical requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other information

The Board of Managers is responsible for the other information. The other information comprises the information included in the board of Managers report but does not include the annual accounts and our report of the "réviseur d'entreprises agréé" thereon.

Our opinion on the annual accounts does not cover the other information and we do not express any form of assurance conclusion thereon.

**Building a better  
working world**

In connection with our audit of the annual accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the annual accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report this fact. We have nothing to report in this regard.

### **Responsibilities of the Board of Managers and those charged with governance for the annual accounts**

The Board of Managers is responsible for the preparation and fair presentation of these annual accounts in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts, and for such internal control as the Board of Managers determines is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the Board of Managers is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Managers either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

### **Responsibilities of the “réviseur d'entreprises agréé” for the audit of the annual accounts**

Our objectives are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue a report of the “réviseur d'entreprises agréé” that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

As part of an audit in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual accounts, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Managers.

Building a better  
working world

- Conclude on the appropriateness of Board of Managers use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report of the "réviseur d'entreprises agréé" to the related disclosures in the annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report of the "réviseur d'entreprises agréé". However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual accounts, including the disclosures, and whether the annual accounts represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **Report on other legal and regulatory requirements**

The board of managersThe board of managers report is consistent with the annual accounts and has been prepared in accordance with applicable legal requirements.

**Note 2 - Significant accounting policies**

*General principles*

The annual accounts are drawn up in conformity with the Luxembourg legal and regulatory requirements and according to generally accepted accounting principles applicable in Luxembourg.

*Tangible and intangible fixed assets*

Tangible and intangible fixed assets are stated at cost less accumulated depreciation and amortization and any impairment adjustments. Depreciation and amortization are calculated on a straight line basis over the estimated useful life of the assets (3 to 10 years for tangible fixed assets and 2.5 to 5 years for intangible fixed assets). The carrying values of tangible and intangible fixed assets are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

*Financial fixed assets*

Shares in affiliated undertakings are valued at their historical cost.

When management considers that a permanent impairment in the value of financial fixed assets exists, a value adjustment is recognized, so that they are valued at the lower value to be attributed to them at the balance sheet date. These value adjustments may not be continued if the events for which the value adjustments were made have ceased to apply.

**Note 2 - Significant accounting policies (continued)**

*Debtors*

Debtors are recorded at their nominal value. A value adjustment is made when their reimbursement is partly or completely in doubt. These value adjustments may not be continued if the reasons for which the value adjustments were made have ceased to apply.

*Cash at bank and in hand*

Cash at bank and in hand consists of cash with banks.

*Creditors*

Debts are recorded at their repayment value.

*Revenue recognition*

Revenue is measured based on the amount of consideration that the Company expects to receive, reduced by estimates for promotional discounts and rebates.

AWS arrangements include sales of compute, storage, database, and other services. Revenue is allocated to services using stand-alone selling prices and is primarily recognized when the customer uses these services.

*Foreign currency translation*

The Company maintains its books and records in EUR. Transactions in other currencies are translated into EUR at the rates of exchange prevailing on the dates of the transactions.

Non-monetary assets and liabilities denominated in other currencies are translated into EUR at the historical exchange rate. Other assets and liabilities denominated in other currencies are translated into EUR at the exchange rate at the balance sheet date. Realized exchange gains and losses and unrealized exchange losses are reflected in the profit and loss account. Unrealized exchange gains are recorded in Capital and reserves under "Revaluation reserve".

The Company has business units which transact most of their business in their own functional currency. For purposes of including these business units into the annual accounts of the Company, the balance sheet is translated from non-EUR functional currencies to EUR using the closing rate method, including amounts owed between the non-EUR functional currency business units and EUR business units. Profit and loss accounts are translated at average exchange rates prevailing throughout the year. Exchange differences arising from this translation are recorded in Capital and reserves under "Revaluation reserve".

*Use of estimates*

The preparation of annual accounts in conformity with the Luxembourg legal and regulatory requirements requires estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses, and related disclosures of contingent liabilities in the annual accounts. Estimates are used for, but not limited to, useful lives of fixed assets, valuation and impairment of investments, collectability of receivables, income taxes and contingencies. Actual results could differ materially from those estimates.

*Subscribed capital*

As at 31 December 2021, the subscribed capital amounts to TEUR 25 divided into 2 shares with a par value of TEUR 12.5 each.

*Legal reserve*

In accordance with the Luxembourg company law, the Company is required to transfer a minimum of 5% of its net profit for each financial year to a legal reserve. This requirement ceases to be necessary once the legal reserve reaches 10% of the issued subscribed capital. The legal reserve is not available for distribution to the shareholder.

*Other non available reserves*

In accordance with Luxembourg tax law, the Company allocated under "other non available reserves" amounts that corresponded to five times the amount of the Net Wealth Tax. This reserve is non-distributable for a period of five years from the year following the one during which the Net Wealth Tax was reduced.

**Note 20 - Contingencies**

The Company is from time to time subject to various claims, litigation, and other proceedings, in the course of its operations. The outcomes of such proceedings and other contingencies are inherently unpredictable, subject to significant uncertainties, and could be material to the Company's balance sheet and profit and loss account for a particular period. The Company evaluates, on a regular basis, developments in its proceedings and other contingencies that could affect the Company's estimates and assumptions, and makes adjustments and changes to its position as appropriate. Until the final resolution of such matters, if any of these estimates and assumptions change or prove to have been incorrect, the Company may recognize charges which could have a material effect on its balance sheet and profit and loss account.

**Note 21 - Commitments**

At 31 December 2021, the operating lease commitment amounts to TEUR 224,285 (2020: TEUR 131,863).
