2. Ledelsespåtegning / Statement by Management on the annual report

Likvidator har dags dato behandlet og godkendt årsrapporten for regnskabsåret 1. januar – 31. december 2017 for Fonden MYC4 Foundation under frivillig likvidation.

Årsrapporten er udarbejdet i overensstemmelse med årsregnskabsloven. Årsregnskabet giver efter min opfattelse et retvisende billede af fondens aktiver, passiver og finansielle stilling pr. 31. december 2017 samt af resultatet af fondens aktiviteter for 2017.

Vi anser ligeledes ledelsesberetningen for at give en retvisende præsentation af udviklingen i MYC4 Foundation's aktiviteter og økonomi, resultat for året, den overordnede finansielle stilling tilligemed en beskrivelse af de mest væsentlige risici og elementer af usikkerhed i MYC4 Foundation.

Vi anbefaler Årsrapporten til godkendelse på Fondens årsmøde.

The Liquidator have today considered and adopted the Annual Report of MYC4 Foundation under voluntary liquidation for the financial year January 1 to December 31, 2017.

3. Den uafhængige revisors erklæringer / Independent auditor's review report ***Den uafhængige revisors revisionspåtegning***

Til likvidator af Fonden MYC4 Foundation under frivillig likvidation

Konklusion

Det er vores opfattelse, at årsregnskabet giver et retvisende billede af fondens aktiver, passiver og finansielle stilling pr. 31. december 2017 samt af resultatet af fondens aktiviteter for regnskabsåret 1. januar - 31. december 2017 i overensstemmelse med årsregnskabsloven.

Vi har revideret årsregnskabet for Fonden MYC4 Foundation under frivillig likvidation for regnskabsåret 1. januar - 31. december 2017, der omfatter resultatopgørelse, balance og noter, herunder anvendt regnskabspraksis.

Grundlag for konklusion

Vi har udført vores revision i overensstemmelse med internationale standarder om revision og de yderligere krav, der er gældende i Danmark. Vores ansvar ifølge disse standarder og krav er nærmere beskrevet i revisionspåtegningens afsnit *Revisors ansvar for revisionen af regnskabet*. Vi er uafhængige af fonden i overensstemmelse med internationale etiske regler for revisorer (IESBA's Etiske regler) og de yderligere krav, der er gældende i Danmark, ligesom vi har opfyldt vores øvrige etiske forpligtelser i henhold til disse regler og krav. Det er vores opfattelse, at det opnåede revisionsbevis er tilstrækkeligt og egnet som grundlag for vores konklusion.

Udtalelse om likvidators beretning

Likvidator er ansvarlig for likvidators beretning.

Vores konklusion om regnskabet omfatter ikke likvidators beretning, og vi udtrykker ingen form for konklusion med sikkerhed om likvidators beretning.

I tilknytning til vores revision af regnskabet er det vores ansvar at læse likvidators beretning og i den forbindelse overveje, om likvidators beretning er væsentligt inkonsistent med regnskabet eller vores viden opnået ved revisionen eller på anden måde synes at indeholde væsentlig fejlinformation.

Vores ansvar er derudover at overveje, om likvidators beretning indeholder krævede oplysninger i henhold til årsregnskabsloven.

Baseret på det udførte arbejde er det vores opfattelse, at likvidators beretning er i overensstemmelse med årsregnskabet og er udarbejdet i overensstemmelse med årsregnskabslovens krav. Vi har ikke fundet væsentlig fejlinformation i likvidators beretning.

Likvidators ansvar for regnskabet

Likvidator har ansvaret for udarbejdelsen af et årsregnskab, der giver et retvisende billede i overensstemmelse med årsregnskabsloven. Likvidator har endvidere ansvaret for den interne kontrol, som likvidator anser for nødvendig for at udarbejde et regnskab uden væsentlig fejlinformation, uanset om denne skyldes besvigelser eller fejl.

Ved udarbejdelsen af regnskabet er likvidator ansvarlig for at vurdere fondens evne til at fortsætte driften; at oplyse om forhold vedrørende fortsat drift, hvor dette er relevant; samt at udarbejde regnskabet på grundlag af

regnskabsprincippet om fortsat drift, medmindre likvidator enten har til hensigt at likvidere fonden, indstille driften eller ikke har andet realistisk alternativ end at gøre dette.

Revisors ansvar for revisionen af regnskabet

Vores mål er at opnå høj grad af sikkerhed for, om regnskabet som helhed er uden væsentlig fejlinformation, uanset om denne skyldes besvigelser eller fejl, og at afgive en revisionspåtegning med en konklusion. Høj grad af sikkerhed er et højt niveau af sikkerhed, men er ikke en garanti for, at en revision, der udføres i overensstemmelse med internationale standarder om revision og de yderligere krav, der er gældende i Danmark, altid vil afdække væsentlig fejlinformation, når sådan findes. Fejlinformationer kan opstå som følge af besvigelser eller fejl og kan betragtes som væsentlige, hvis det med rimelighed kan forventes, at de enkeltvis eller samlet har indflydelse på de økonomiske beslutninger, som brugerne træffer på grundlag af regnskabet.

Som led i en revision, der udføres i overensstemmelse med internationale standarder om revision og de yderligere krav, der er gældende i Danmark, foretager vi faglige vurderinger og opretholder professionel skepsis under revisionen. Herudover:

- Identificerer og vurderer vi risikoen for væsentlig fejlinformation i regnskabet, uanset om denne skyldes besvigelser eller fejl, udformer og udfører revisionshandlinger som reaktion på disse risici samt opnår revisionsbevis, der er tilstrækkeligt og egnet til at danne grundlag for vores konklusion. Risikoen for ikke at opdage væsentlig fejlinformation forårsaget af besvigelser er højere end ved væsentlig fejlinformation forårsaget af fejl, idet besvigelser kan omfatte sammensværgelser, dokumentfalsk, bevidste udeladelser, vildledning eller tilsidesættelse af intern kontrol.
- Opnår vi forståelse af den interne kontrol med relevans for revisionen for at kunne udforme revisionshandlinger, der er passende efter omstændighederne, men ikke for at kunne udtrykke en konklusion om effektiviteten af fondens interne kontrol.
- Tager vi stilling til, om den regnskabspraksis, som er anvendt af likvidator, er passende, samt om de regnskabsmæssige skøn og tilknyttede oplysninger, som likvidator har udarbejdet, er rimelige.
- Tager vi stilling til den samlede præsentation, struktur og indhold af regnskabet, herunder noteoplysningerne, samt om regnskabet afspejler de underliggende transaktioner og begivenheder på en sådan måde, at der gives et retvisende billede heraf.

Vi kommunikerer med likvidator om blandt andet det planlagte omfang og den tidsmæssige placering af revisionen samt betydelige revisionsmæssige observationer, herunder eventuelle betydelige mangler i intern kontrol, som vi identificerer under revisionen.

3. Independent auditor's review report (in English)

Independent Auditor's Report

To the Liquidator of Fonden MYC4 Foundation under voluntary liquidation

Opinion

In our opinion, the Financial Statements give a true and fair view of the financial position of the Foundation at 31 December 2017, and of the results of the Foundation's operations for the financial year 1 January - 31 December 2017 in accordance with the Danish Financial Statements Act.

We have audited the Financial Statements of Fonden MYC4 Foundation under voluntary liquidation for the financial year 1 January - 31 December 2017, which comprise income statement, balance sheet and notes, including a summary of significant accounting policies.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Statement on Liquidator's Review

The Liquidator is responsible for Liquidator's Review.

Our opinion on the Financial Statements does not cover Liquidator's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read Liquidator's Review and, in doing so, consider whether Liquidator's Review is materially inconsistent with the Financial Statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Liquidator's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Liquidator's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Liquidator's Review.

Liquidator's Responsibilities for the Financial Statements

The Liquidator is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as the Liquidator determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Liquidator is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless the Liquidator either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Liquidator.
- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with the Liquidator regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

4. Ledelsesberetning / Liquidator's review of activities

4.1 Formål

Fonden "MYC4 Foundation" blev stiftet i December 2008 og fik endelig godkendelse fra den danske Erhvervs- og Selskabsstyrelse i September 2009. Baggrunden for dannelsen af Fonden var at sikre beskyttelsen af investorernes midler indskudt på MYC4.COM platformen ved at separere deres midler fra MYC4 A/S' egne operationelle aktiviteter.

Hovedformålene med MYC4 Foundation er at hjælpe med at udslette fattigdom gennem:

1. Modtage midler deponeret af investorer og sikre disse indtil de er blevet investeret i lån til virksomheder i Afrika eller andre udviklingslande via MYC4.COM platformen
2. Modtage midlerne igen når lånene tilbagebetales fra låntagerne og sikre disse indtil de er blevet geninvesteret i nye lån via MYC4.COM platformen eller trækkes ud igen af af investorerne.
3. Investere fondens egne midler inklusive modtagne gaver etc. i Afrika eller at andet geografisk område via MYC4.COM platformen.

I henhold til Erhvervsstyrelsens retningslinier er fonden registreret som en erhvervsdrivende fond. Jeg betragter imidlertid ikke fonden som havende nogle egentlige erhvervs-mæssige aktiviteter.

Efter tilladelse fra Erhvervsstyrelsen er fonden trådt i frivillig likvidation den 4. august 2016 idet fondens formål anses som udtjent.

4.2 Hovedaktiviteter 2017

Året har været brugt på at inddrive investorernes tilgodehavender i Afrika, hvilken opgave er fortsat og forventes afsluttet i 2018, hvorefter den endelige likvidation forventelig kan vedtages.

MYC4 Foundation har indgået en administrationsaftale med MYC4 A/S om at eksekvere alle transaktioner på bankkontiene. Dette sker i henhold til investorernes instruktioner på MYC4.COM og mod et vederlag som oplyst i note 1.

Siden marts 2015 har investeringsplatformen MYC4.COM været lukket for nye lån og for investorers indskud af nye midler.

Transaktioner til og fra investor konti på MYC4.COM har været som følger:

	EUR in 2017	EUR in 2016
Tilbagebetalinger modtaget fra lån på MYC4.COM	9.355	54.114
Udgående betalinger fra investorkonti på MYC4.COM	-212.159	-475.619
Nettotransaktioner til og fra investor konti på MYC4.COM	-202.804	-421.505

4.3 Finansielle resultater 2017

Årets resulterede i et underskud på EUR 31.322 hvilket svarer til forventningerne som udtrykt i Årsrapporten for 2016. Resultatet foreslås overført til næste år, hvor der forventes et underskud i samme størrelse. Fonden forventes fortsat at være solvent ved likvidationens endelige afslutning.

4.4 Begivenheder efter regnskabsdatoen

Der er ikke fra balancedatoen og indtil i dag indtruffet begivenheder som kunne påvirke Årsrapporten.

4.5 Redegørelse for fondsledelsen

Redegørelse iht §60 i Lov om Erhvervsdrivende Fonde anses som irrelevant idet fonden er trådt i likvidation og derfor ikke længere har en bestyrelse.

Liquidator's review of activities (in English)

4.1 Purpose

The Foundation "MYC4 Foundation" was established December 2008, and attained final approval from The Danish Commerce and Companies Agency in September 2009. The background for the creation of The Foundation was to ensure the safeguarding of investors funds deposited on the MYC4.COM platform by separating their funds from MYC4's own funds.

The main purposes of The MYC4 Foundation are to assist with eradicating poverty by:

1. Receive funds deposited from investors and secure them until they have been invested in loans to businesses in Africa or other developing countries via the MYC4.COM platform.
2. Receive the funds again when the loans are being repaid from the borrowers and secure them until they are invested in new loans on the MYC4.COM platform or withdrawn by the investors.
3. Investing the funds of the Foundation, hereunder gifts etc., in Africa or another geographical area via the MYC4 platform.

In accordance with the regulations by Danish Business Authorities the Foundation is registered as carrying out business for profit. However, I don't consider the Foundation to have any real commercial activities.

Following a permission from Danish Business Authorities the Foundation entered into solvent liquidation as of 04 August 2016 as the purpose of the Foundation is considered exhausted.

4.2 Main Activities 2017

During the year efforts have been done to collect investors receivables in Africa. These efforts continues and are expected closed in 2018, whereafter the final liquidation is expected.

MYC4 Foundation has entered into a management agreement with MYC4 A/S to process all transactions on the bank accounts. This will happen in accordance with the investors' instructions at MYC4.COM for a fee as informed in note 1.

Since March 2015 the investment platform MYC4.COM has been closed for new loans and the possibilities for investors to upload further money has been disabled.

Transactions to and from Investor accounts on MYC4.COM have been as follows:

	EUR in 2017	EUR in 2016
Repayments received from loans on MYC4.COM	9.355	54.114
Outgoing payments from Investors accounts on MYC4.COM	-212.159	-475.619
Net transactions to and from Investor accounts on MYC4.COM	-202.804	-421.505

4.3 Financial Results 2017

The year resulted in a net loss of EUR 31.322 which is as per expectations expressed in the Annual report 2016. The loss is proposed carried forward into next year where the Foundation expects a loss at same level. The Foundation still expects to be solvent at its final liquidation.

4.4 Events after the Balance Sheet Date

No events have occurred after the balance sheet date to this date, which could influence the Annual report.

4.5 Statement of Foundation management

Statement according to §60 of the Danish Act on foundations carrying out business for profit is not considered relevant as the Foundation has entered into liquidation for which reason it no longer has a Board of Directors.

5. Anvendt regnskabspraksis / Accounting policies

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.
