Management's Review

Major Activities

The company's activities are the production of clothing and providing consultancy services

Reasons for any major changes in your Company's activities or economy

The result in 2022 has been the best year so far. We had a London & African based client that we provided consultancy services for with the help of subcontractors.

Still no profit, but we are investing much of the revenue in R&D to further develop our offering.

Management considers the conditions for opting out of audit to be met.
