Management commentary

Primary activities

The company's purpose is to run a social economic enterprise that helps families with children with both mental and physical difficulties or disabilities, in order to facilitate each family's everyday life and give the families with children some good experiences, as well as any business that the management deems related to this.

The company is run with the influence of the families, employees, business partners and other stakeholders in order to be as inclusive and responsible as possible in its work as a social economic enterprise in accordance with the above objectives.

The company's operations must at all times be in accordance with the rules laid down in the Act on the Registration of Social Economic Enterprises.

Uncertainty relating to recognition and measurement

The Company has a receivable from its parent company, Cluedin ApS, totalling DKK 453 thousand, recognised under the line item "Receivables from group enterprises". After the balance sheet date, it has been determined that there is a material uncertainty related to Cluedin ApS's ability to continue as a going concern.

Management expects that Cluedin ApS will secure additional financing to support operations in the financial year 2025/26 and, over time, generate positive cash flows from operations. On this basis, management has concluded that no impairment of the receivable is required, despite Cluedin ApS's loss for the financial year 2024/25 and the material going concern uncertainty due to increased capital requirements. Therefore, there is uncertainty associated with the recognition and measurement of receivables from group enterprises, which depends on the achievement of future budgets and completion of the financing round. Management's clear expectation is that this is realistic.

Basis for financial statements

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class B enterprises with addition of a few provisions for reporting class C.
