Statement by Management on the annual report

Today, the Management has approved the Annual Report of Wagner Family Holding ApS for the financial year 1 January - 31 December 2023.

The annual report is presented in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Company's financial position at 31 December 2023 and of the results of the Company's operations for the financial year 1 January - 31 December 2023.

We recommend that the Annual Report be approved at the Annual General Meeting.

Copenhagen, 31 May 2024

Management:

.....
Flemming Wagner
CEO

Independent auditor's report

To the shareholders of Wagner Family Holding ApS

Opinion

We have audited the financial statements of Wagner Family Holding ApS for the financial year 1 January – 31 December 2023, which comprise a summary of significant accounting policies, income statement, balance sheet, statement of changes in equity and notes. The financial statements are prepared in accordance with the Danish Financial Statements Act.

We have audited the financial statements of Wagner Family Holding ApS for the financial year 1 January – 31 December 2023, which comprise income statement, balance sheet, statement of changes in equity and notes, including accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2023 and of the results of the Company's operations for the financial year 1 January – 31 December 2023 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit conducted in accordance with ISAs and additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

Independent auditor's report

- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- ▶ Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and contents of the financial statements, including the note disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the Management's review

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the Management's review.

Charges and security

Wagner Family Holding ApS has pledged the shares in Abacus Medicine A/S as security for the bank loan of Abacus Medicine A/S. The bank loan totals EUR 60.5 million as per 31 December 2023 (2022: EUR 39.7 million). Wagner Family Holding ApS has issued a declaration of withdrawal to the bank of Abacus Medicine A/S regarding current and future receivables. Wagner Family Holding ApS guarantees for a factoring agreement Abacus Medicine A/S has with AL Finans which per 31 December 2023 has a limit of EUR 188 million. Further Wagner Family Holding ApS is guarantor for the bankaccount in DayDose ApS.

The Danish group companies are jointly and severally liable for tax on the jointly taxed incomes etc. of the Group. Moreover, the Danish group companies are jointly and severally liable for Danish withholding taxes by way of dividend tax, tax on royalty payments and tax on unearned income. Any subsequent adjustments of corporation taxes and withholding taxes may increase the Company's liability.

7 Events after the reporting period

No events have occurred after the balance sheet date which could have a material effect on Wagner Family Holding ApS' financial position at 31 December 2023.

Notes to the Financial Statements

8 Accounting policies

The Financial statements of Wagner Family Holding ApS for 2023 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B with the adoption of individual requirements for class C.

Consolidated financial statements and cash flow

Under Section 112 of the Danish Financial Statements Act, consolidated financial statements are not presented. Wagner Family Holding ApS and its subsidiaries are included in the consolidated financial statement for FTW Holding ApS (cvr. 39 87 33 89), domiciled in Copenhagen.

Basis of preparation

The financial statements have been prepared on a historical cost basis.

Translation policies

EUR is used as the presentation currency. All other currencies are regarded as foreign currencies. Transactions in foreign currencies are translated at the exchange rates at the dates of transaction. Exchange differences arising due to differences between the transaction date rates and the rates at the dates of payment are recognised in financial income and expenses in the income statement. Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the rates at the time when the receivable or the debt arose are recognised in financial income and expenses in the income statement.

Income Statement

Other external expenses

Other external expenses comprise audit, legal expenses and other administration expenses.

Financial income and expenses

Financial income and expenses are recognised in the income statement at the amounts relating to the financial year.

Tax on profit/loss for the year

Tax for the year consists of current tax for the year and changes in deferred tax for the year. The tax attributable to the profit for the year is recognised in the income statement, whereas the tax attributable to equity transactions is recognised directly in equity.

Notes to the Financial Statements

8 Accounting policies (continued)

Balance Sheet

Investments in Group subsidiaries

The investments in its subsidiaries are accounted for using the equity method. Wagner Family Holding ApS has chosen to consider the equity method as a consolidation method.

Under the equity method, the investment in the subsidiary is initially recognised at cost. The carrying amount of the investment is adjusted to recognize changes in the Company's share of net assets of the subsidiary since the acquisition date. Goodwill relating to the subsidiary is included in the carrying amount of the investment and is not tested for impairment separately, however the carrying amount of the investments in subsidiaries is subject to an annual test for indications of impairment. Goodwill in subsidiaries is amortised over 10 years.

The statement of profit or loss reflects the Company's share of the results of operations of the subsidiaries. In addition, when there has been a change recognised directly in the equity of the subsidiary, the Company recognizes its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Company and the subsidiary are eliminated.

Investments in enterprises with negative net asset values are measured at EUR 0 (nil). The enterprise's proportionate share of any negative equity is set off against receivables from the investment to the extent the receivable is deemed irrecoverable. If the Parent Company has a constructive obligation to cover a deficit that exceeds the amount owed, the remaining amount is recognised under provisions.

Net revaluations of the investments in subsidiaries are transferred to the reserve for net revaluation, according to the equity method, to the extent that the carrying amount exceeds the acquisition value.

Receivables

Receivables are measured in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts.

Taxation

Current income tax and deferred tax

Current tax payable and receivable is recognised in the balance sheet as tax computed on the expected taxable income for the year, adjusted for tax on the taxable income of prior years and for prepaid tax.

Provisions for deferred tax are calculated, based on the liability method, of all temporary differences between carrying amounts and tax values, with the exception of temporary differences occurring at the time of acquisition of assets and liabilities neither affecting the results of operations nor the taxable income.

Deferred tax is measured according to the tax rules and at the tax rates applicable at the balance sheet date when the deferred tax is expected to crystallise as current tax. Deferred tax assets are recognised at the expected value of their utilisation; either as a set-off against tax on future income or as a set-off against deferred tax liabilities.

Joint taxation contribution payable and receivable is recognised in the balance sheet as "Corporation tax receivable" or as "Corporation tax payable".

Financial debts

Loans, such as loans from credit institutions, are recognised initially at the proceeds received net of transaction expenses

Other liabilities are measured at amortised cost, substantially corresponding to nominal value.
