## **Statement by Management on the annual report**

The Board of Directors and the Executive Board have today considered and approved the annual report of SCE Solar EL Redondo 2007 Nr. 18 ApS for the financial year 01.01.2014 - 31.12.2014.

The annual report is presented in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2014 and of the results of its operations for the financial year 01.01.2014 - 31.12.2014.

We believe that the management commentary contains a fair review of the affairs and conditions referred to therein.

We recommend the annual report for adoption at the Annual General Meeting.

Copenhagen, 30.05.2015

### **Executive Board**

Jan Andresen

## **Independent auditor's reports**

### **To the owners of SCE Solar EL Redondo 2007 Nr. 18 ApS**

#### **Report on the financial statements**

We have audited the financial statements of SCE Solar EL Redondo 2007 Nr. 18 ApS for the financial year 01.01.2014 - 31.12.2014, which comprise the accounting policies, income statement, balance sheet, statement of changes in equity and notes. The financial statements are prepared in accordance with the Danish Financial Statements Act.

#### **Management's responsibility for the financial statements**

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's responsibility**

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing and additional requirements under Danish audit regulation. This requires that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Management, as well as the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Our audit has not resulted in any qualification.

#### **Opinion**

In our opinion, the financial statements give a true and fair view of the Company's financial position at 31.12.2014 and of the results of its operations for the financial year 01.01.2014 - 31.12.2014 in accordance with the Danish Financial Statements Act.

#### **Emphasis of matter affecting the financial statements**

Without modifying our opinion, we draw your attention to the fact that there is an uncertainty that may raise doubts about the going concern of the Company. We refer to the information in note 1. At the presentation of the financial statements Management has presupposed that the present financing be maintained and on the present basis we have not found any reason to adopt another view.

#### **Statement on the management commentary**

Pursuant to the Danish Financial Statements Act, we have read the management commentary. We have not performed any further procedures in addition to the audit of the financial statements.

## **Independent auditor's reports**

On this basis, it is our opinion that the information provided in the management commentary is consistent with the financial statements.

## **Management commentary**

### **Primary activities**

The company's primary activity is, through investment in a German holding company, to own Spanish companies which own PV systems in Spain.

### **Development in activities and finances**

The loss for the year amounts to EUR (515k), after which the Company's equity amounts to EUR 529k.

### **Events after the balance sheet date**

No events have occurred after the balance sheet date to this date which would influence the evaluation of this annual report.

## **Accounting policies**

### **Reporting class**

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class B enterprises with addition of certain provisions for reporting class C.

The annual report is presented in EUR.

The accounting policies applied for these financial statements are consistent with those applied last year.

### **Recognition and measurement**

Assets are recognised in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Entity, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when the Entity has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the Entity, and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is effected as described below for each financial statement item.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognised in the income statement when earned, whereas costs are recognised by the amounts attributable to this financial year.

### **Foreign currency translation**

On initial recognition, foreign currency transactions are translated applying the exchange rate at the transaction date. Receivables, payables and other monetary items denominated in foreign currencies that have not been settled at the balance sheet date are translated using the exchange rate at the balance sheet date. Exchange differences that arise between the rate at the transaction date and the one in effect at the payment date, or the rate at the balance sheet date are recognised in the income statement as financial income or financial expenses. non-monetary assets that have been purchased in foreign currencies are translated using historical rates.

### **Income statement**

#### **Other external expenses**

Other external expenses include expenses relating to the Entity's ordinary activities, including expenses for office supplies, management fees, etc.

## Accounting policies

### Other financial income

Other financial income comprises, interest income, including interest income on receivables from group enterprises, net capital gains on payables and transactions in foreign currencies, amortisation of financial assets as well as tax relief under the Danish Tax Prepayment Scheme etc.

### Impairment of financial assets

Impairment of financial assets comprises impairment of financial assets which are not measured at fair value on a current basis.

### Other financial expenses

Other financial expenses comprise interest expenses, including interest expenses on payables to group enterprises, net capital losses on payables and transactions in foreign currencies, amortisation of financial liabilities as well as tax surcharge under the Danish Tax Prepayment Scheme etc.

### Income taxes

Tax for the year, which consists of current tax for the year and changes in deferred tax, is recognised in the income statement by the portion attributable to the profit for the year and recognised directly in equity by the portion attributable to entries directly in equity.

The Entity is jointly taxed with Kaiserwetter Solar Invest ApS. The current Danish income tax is allocated among the jointly taxed entities proportionally to their taxable income (full allocation with a refund concerning tax losses).

## Balance sheet

### Receivables

Receivables are measured at amortised cost, usually equalling nominal value less write-downs for bad and doubtful debts.

### Cash

Cash comprises cash in hand and bank deposits.

### Other financial liabilities

Other financial liabilities are measured at amortised cost, which usually corresponds to nominal value.

### Income tax receivable or payable

Current tax payable or receivable is recognised in the balance sheet, stated as tax calculated on this year's taxable income, adjusted for prepaid tax.
