STATEMENT BY MANAGEMENT ON THE ANNUAL REPORT

The executive board has today discussed and approved the annual report of Business Center City ApS for the financial year 1 January - 31 December 2024.

The annual report is prepared in accordance with the Danish Financial Statements Act.

In my opinion, the financial statements give a true and fair view of the company's financial position at 31 December 2024 and of the results of the company's operations for the financial year 1 January - 31 December 2024.

In my opinion, management's review includes a fair review of the matters dealt with in the management's review.

The financial statements have not been audited. Management considers the criteria for not auditing the financial statements to be met.

Management recommends that the annual report should be approved by the company in general meeting.

The company's income statement for the year ended 31 December 2024 shows a loss of DKK 974.452, and the balance sheet at 31 December 2024 shows negative equity of DKK 2.882.681.

Significant events occurring after the end of the financial year

No events have occurred after the balance sheet date which could significantly affect the company's financial position.

Material uncertainty related to going concern

The company has realized a loss in the financial year ending 31 December 2024 and the Company's current liabilities at this date exceed its current assets.

The company is dependent on IWG Group regularly provide sufficient and necessary liquidity to ensure that the company is able to fulfill its obligations and liabilities as they fall due until the annual general meeting where the annual report for 2024 will be approved.

No commitment in financial support has been provided from IWG Group, which indicate that a material uncertainty exist and may cast significant doubt on the Company's ability to continue as a going concern.

Management however expect that IWG Group have the ability and intention to provide necessary financial support as in previous years. On this basis the financial statements for the year ended 31 December 2024 has been prepared on a going concern basis.

Financial risks

The Company has budgetary and financial reporting procedures, supported by appropriate key performance indicators, to manage credit, liquidity and other financial risk.

Key performance indicators used by management include assessment of turnover, occupancy rates and profitability per unit.

ACCOUNTING POLICIES

The annual report of Business Center City ApS for 2024 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B.

The accounting policies applied are consistent with those of last year.

The annual report for 2024 is presented in DKK

Basis of recognition and measurement

Income is recognised in the income statement as earned, including value adjustments of financial assets and liabilities. All expenses, including amortisation, depreciation and impairment losses, are also recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits will flow to the company and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow from the company and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. On subsequent recognition, assets and liabilities are measured as described below for each individual accounting item.

Certain financial assets and liabilities are measured at amortised cost using the effective interest method. Amortised cost is calculated as the historic cost less any installments and plus/less the accumulated amortisation of the difference between the cost and the nominal amount.

On recognition and measurement, allowance is made for predictable losses and risks which occur before the annual report is presented and which confirm or invalidate matters existing at the balance sheet date.

Income statement

Gross profit

In pursuance of section 32 of the Danish Financial Statements Act, the company does not disclose its revenue.

Gross profit reflects an aggregation of revenue, consumables and other external expenses.

Revenue

Income from the sale of goods for resale and finished goods is recognised in the income statement, provided that the transfer of risk, usually on delivery to the buyer, has taken place and that the income can be measured reliably and is expected to be received.

Other external expenses

Other external expenses include expenses related to distribution, sale, advertising, administration, premises, bad debts, payments under operating leases, etc.

ACCOUNTING POLICIES

Depreciation, amortisation and impairment

Amortisation, depreciation and impairment losses comprise the year's amortisation, depreciation and impairment of intangible assets and property, plant and equipment.

Financial income and expenses

Financial income and expenses are recognised in the income statement at the amounts that relate to the financial year. Net financials include interest income and expenses, financial expenses relating to finance leases, realised and unrealised capital/exchange gains and losses on securities, liabilities and foreign currency transactions, amortisation of financial assets and liabilities and surcharges and allowances under the Danish Tax Prepayment Scheme, etc.

Tax on profit/loss for the year

The company is subject to the Danish rules on compulsory joint taxation of the Group's Danish subsidiaries. Subsidiaries participate in the joint taxation arrangement from the time when they are included in the consolidated financial statements and until the time when they withdraw from the consolidation.

On payment of joint taxation contributions, the current Danish income tax is allocated between the jointly taxed entities in proportion to their taxable income. Entities with tax losses receive joint taxation contributions from entities that have been able to use tax losses to reduce their own taxable profits.

Tax for the year, which comprises the current tax charge for the year and changes in the deferred tax charge, is recognised in the income statement as regards the portion that relates to the profit/loss for the year and directly in equity as regards the portion that relates to entries directly in equity.

Balance sheet

Tangible assets

Items of plant and machinery and fixtures and fittings, tools and equipment are measured at cost less accumulated depreciation and impairment losses.

The depreciable amount is cost less the expected residual value at the end of the useful life.

Cost comprises the purchase price and any costs directly attributable to the acquisition until the date when the asset is available for use. The cost of self-constructed assets comprises direct and indirect costs of materials, components, sub-suppliers and wages.

Straight-line depreciation is provided on the basis of the following estimated useful lives of the assets:

	Useful life
Leasehold improvements	3-10 years
Other fixtures and fittings, tools and equipment	10 years or lease period years

Assets costing less than DKK 33.100 are expensed in the year of acquisition.

Receivables

Receivables are measured at amortised cost.

ACCOUNTING POLICIES

Equity

Dividends

Proposed dividends are disclosed as a separate item under equity. Dividends are recognised as a liability when declared by the annual general meeting of shareholders.

Income tax and deferred tax

Current tax liabilities and current tax receivables are recognised in the balance sheet as the estimated tax on the taxable income for the year, adjusted for tax on the taxable income for previous years and tax paid on account.

Deferred tax is measured according to the liability method in respect of temporary differences between the carrying amount of assets and liabilities and their tax base, calculated on the basis of the planned use of the asset and settlement of the liability, respectively. Deferred tax is measured at net realisable value.

Deferred tax is measured according to the tax rules and at the tax rates applicable in the respective countries at the balance sheet date when the deferred tax is expected to crystallise as current tax. Deferred tax adjustments resulting from changes in tax rates are recognised in the income statement, with the exception of items taken directly to equity.

Liabilities

Liabilities, which include trade payables, payables to group entities and other payables, are measured at amortised cost, which is usually equivalent to nominal value.

Deferred income

Deferred income recognised under 'Current liabilities' comprises payments received concerning income in subsequent financial years.

NOTES

1 UNCERTAINTY ABOUT THE CONTINUED OPERATION (GOING CONCERN)

The company has incurred a net loss during the year ended December 31, 2024 and, as of that date, the Company's current liabilities exceeded its current assets.

The company is dependent on that the IWG Group regularly provides the necessary liquidity to ensure that the company is able to meet its liabilities as they fall due until the annual general meeting where the annual report of 2024 is approved.

No commitments on financial support has been given from the owners, which indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

Management however expects that the owners have the ability to pay, for which reason the financial statements for the year ended 31 December 2024 have been prepared on a going concern basis.
