Management's Statement

The Executive Board and Board of Directors have today considered and adopted the Annual Report of CAE Centre Copenhagen A/S for the financial year 1 April 2023 - 31 March 2024.

The Annual Report is prepared in accordance with the Danish Financial Statements Act.

In our opinion the Financial Statements give a true and fair view of the financial position as at 31 March 2024 of the Company and of the results of the Company operations for 1 April 2023 - 31 March 2024.

We recommend that the Annual Report be adopted at the Annual General Meeting.

The Independent Practitioner's Report

The Independent Practitioner's Report

To the Shareholder of CAE Centre Copenhagen A/S

Conclusion

We have performed an extended review of the Financial Statements of CAE Centre Copenhagen A/S for the financial year 1 April 2023 – 31 March 2024, which comprise income statement, balance sheet, statement of changes in equity, notes and a summary of significant accounting policies. The Financial Statements are prepared in accordance with the Danish Financial Statements Act.

Based on the work performed, in our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 March 2024 and of the results of the Company operations for the financial year 1 April 2023 - 31 March 2024 in accordance with the Danish Financial Statements Act.

Basis for conclusion

We conducted our extended review in accordance with the Danish Business Authority's Assurance Standard for Small Enterprises and FSR – Danish Auditors' standard on extended review of financial statements prepared in accordance with the Danish Financial Statements Act. Our responsibilities under those standards and requirements are further described in the "Practitioner's responsibilities for the extended review of the financial statements" section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

Management's responsibility for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Practitioner's responsibilities for the extended review of the Financial Statements

Our responsibility is to express a conclusion on the Financial Statements. This requires that we plan and perform procedures to obtain limited assurance in respect of our conclusion on the Financial Statements and, moreover, that we perform supplementary procedures specifically required to obtain additional assurance in respect of our conclusion.

An extended review consists of making inquiries, primarily of Management and others within the enterprise, as appropriate, and applying analytical procedures and the supplementary procedures specifically required as well as assessing the evidence obtained.

An extended review is less in scope than an audit and, consequently, we do not express an audit opinion on the Financial Statements.

Notes to the Financial Statements

1 Going concern

The financial statements have been prepared on the going concern basis which assumes that the company will continue to operate in the foreseeable future. As a result of the net current liabilities position as at 31st March 2024, the company has received an undertaking from the ultimate parent company CAE Inc, that it will continue to supply financial support as is required to meet its obligations and this understanding will remain in place for the foreseeable future and will not be withdrawn during the period of 12 months.

In conclusion the directors see no material uncertainty about going concern.

2 Key activities

The Company's key activities consist of providing educational services, training equipment, renting the flight simulators and other training equipment.

3 Special items

There have been no special items to report for the financial period.

9 Uncertainty in recognition and measurement

The company has at the balance sheet date a deferred tax asset of DKK 20.7 million.

The company's management expects to utilize the tax asset over a 5-year period. The expectation is supported by budgets. The estimates used are based on information and assumptions that management deems reasonable, but which are inherently subject to uncertainty and unpredictability. The actual events or circumstances are likely to differ from those assumed in the calculations, as preconditions for the underlying assumptions do not often occur as expected.

10 Prepayments

Prepayments consist of prepaid expenses concerning rent, insurance premiums, subscriptions, office equipment and an update to training equipment.

Notes to the Financial Statements

11 Equity

The share capital consists of 4,506 shares of a nominal value of DKK 1,000. No shares carry any special rights.

12 Contingent assets, liabilities, and other financial obligations

Contingent liabilities

The Company has entered into various operating lease agreements as detailed below:

A non-cancellable property rent, rent obligation per 31 March 2024 is DKK 3 million expiring in December 2031. Total rent obligation is DKK 26 million.

Notes to the Financial Statements

14 Accounting Policies

The Annual Report of CAE Centre Copenhagen A/S for 2023/24 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprise of reporting class B as well as selected rule applying to reporting class C.

The accounting policies applied remain unchanged from last year.

The Financial Statements for 2023/24 are presented in DKK.

Recognition and measurement

The Financial Statements have been prepared under the historical cost method.

Revenues are recognised in the income statement as earned. Furthermore, value adjustments of financial assets and liabilities measured at fair value or amortised cost are recognised. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement, including depreciation, amortisation, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits attributable to the asset will flow to the Company, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow out of the Company, and the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Recognition and measurement take into account predictable losses and risks occurring before the presentation of the Annual Report which confirm or invalidate affairs and conditions existing at the balance sheet date.

Translation policies

Transactions in foreign currencies are translated at the exchange rates at the dates of transaction. Exchange differences arising due to differences between the transaction date rates and the rates at the dates of payment are recognised in financial income and expenses in the income statement.

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the rates at the time when the receivable or the debt arose are recognised in financial income and expenses in the income statement.

Fixed assets acquired in foreign currencies are measured at the transaction date rates.

Notes to the Financial Statements

14 Accounting Policies (continued)

Income Statement

Revenue

Revenue from the sale of goods is recognised when the risks and rewards relating to the goods sold have been transferred to the purchaser, the revenue can be measured reliably, and it is probable that the economic benefits relating to the sale will flow to the Company.

Revenue is measured at the consideration received and is recognised exclusive of VAT and net of discounts relating to cost of sales.

Cost of sales

Cost of sales comprises costs incurred to achieve revenue for the year. Cost of sales comprises simulators parts and consumables and overhead expenses.

Other external expenses

Other external expenses comprise instructor fees, administration, cost of premises etc.

Gross profit/loss

With reference to section 32 of the Danish Financial Statements Act, gross profit/loss is calculated as a summary of revenue, other operating income, cost of goods sold and other external expenses.

Staff expenses

Staff expenses comprise wages and salaries as well as payroll expenses.

Amortisation, depreciation and impairment losses

Amortisation, depreciation, and impairment losses comprise amortisation, depreciation and impairment of property, plant, and equipment.

Other operating income and expenses

Other operating income and other operating expenses comprise items of a secondary nature to the main activities of the Company, including gains and losses on the sale of property, plant and equipment.

Financial income and expenses

Financial income and expenses are recognised in the income statement at the amounts relating to the financial year.

Tax on profit for the year

Tax for the year consists of current tax for the year and changes in deferred tax for the year. The tax attributable to the profit for the year is recognised in the income statement, whereas the tax attributable to equity transactions is recognised directly in equity.

Notes to the Financial Statements

14 Accounting Policies (continued)

Balance Sheet

Property, plant, and equipment

Property, plant and equipment are measured at cost less accumulated depreciation and less any accumulated impairment losses.

Cost comprises the cost of acquisition and expenses directly related to the acquisition up until the time when the asset is ready for use.

Depreciation based on cost reduced by any residual value, which is assessed annually, is calculated on a straight-line basis over the expected useful lives of the assets, which are:

The fixed assets' residual values are determined at nil.

Mock-ups, flight simulators, cockpit system simulators and cabin mock-ups	5-25 years
Other fixtures and fittings, tools and equipment and leasehold improvements	5-10 years
Other training equipment	3-5 years
IT Equipment	3 years

Impairment of fixed assets

The carrying amounts of property, plant and equipment are reviewed on an annual basis to determine whether there is any indication of impairment other than that expressed by amortisation and depreciation.

If so, the asset is written down to its lower recoverable amount.

Receivables

Receivables are measured in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts.

Prepayments

Prepayments comprise prepaid expenses concerning subsequent financial year.

Deferred tax assets and liabilities

Deferred income tax is measured using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes on the basis of the intended use of the asset and settlement of the liability, respectively.

Deferred tax assets are measured at the value at which the asset is expected to be realised, either by elimination in tax on future earnings or by set-off against deferred tax liabilities within the same legal tax entity.

Deferred tax is measured on the basis of the tax rules and tax rates that will be effective under the legislation at the balance sheet date when the deferred tax is expected to crystallise as current tax. Any changes in deferred tax due to changes to tax rates are recognised in the income statement or in equity if the deferred tax relates to items recognised in equity.

Notes to the Financial Statements

14 Accounting Policies (continued)

Financial debts

Debts are measured at amortised cost, substantially corresponding to nominal value.

Deferred income

Deferred income comprises payments received in respect of income in subsequent years.
