## THE INDEPENDENT AUDITOR'S REPORT

*To the Shareholders of BRANACH EUROPE A/S*

### **Conclusion**

*We have performed an extended review of the Financial Statements of BRANACH EUROPE A/S for the financial year 1 January - 30 June 2020, which comprise income statement, Balance Sheet and notes, including a summary of significant accounting policies. The Financial Statements are prepared under the Danish Financial Statements Act.*

*Based on the work performed in our opinion, the Financial Statements give a true and fair view of the Company's financial position at 30 June 2020 and of the results of the Company's operations for the financial year 1 January - 30 June 2020 in accordance with the Danish Financial Statements Act.*

### **Basis for Conclusion**

*We conducted our extended review in accordance with the Danish Business Authority's Assurance Standard for Small Enterprises and FSR - Danish Auditors' standard on extended review of Financial Statements prepared in accordance with the Danish Financial Statements Act. Our responsibilities under those standards and requirements are further described in the "Auditor's Responsibilities for the Extended Review of the Financial Statements" section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these rules and requirements. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.*

### **Management's Responsibilities for the Financial Statements**

*Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such Internal control as Management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.*

*In preparing the Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.*

### **Auditor's Responsibilities for the Extended Review of the Financial Statements**

*Our responsibility is to express a conclusion on the Financial Statements. This requires that we plan and perform procedures in order to obtain limited assurance for our conclusion on the Financial Statements and in addition perform specifically required supplementary procedures to obtain further assurance for our conclusion.*

*An extended review comprises procedures that primarily consist of making inquiries of Management and others within the Company, as appropriate, analytical procedures and the specifically required supplementary procedures as well as evaluation of the evidence obtained.*

*The procedures performed in an extended review are less than those performed in an audit, and accordingly, we do not express an audit opinion on the Financial Statements.*

### **Statement on the Management's Review**

*Management is responsible for the Management's Review.*

*Our conclusion on the Financial Statements does not cover the Management's Review, and we do not express any form of assurance conclusion thereon.*

## THE INDEPENDENT AUDITOR'S REPORT

*In connection with our extended review of the Financial Statements, our responsibility is to read the Management's Review and, in doing so, consider whether the Management's Review is materially inconsistent with the Financial Statements or our knowledge obtained during the extended review, or otherwise appears to be materially misstated.*

*Moreover, it is our responsibility to consider whether the Management's Review provides the information required under the Danish Financial Statements Act.*

*Based on the work we have performed, we conclude that the Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in the Management's Review.*

## MANAGEMENT COMMENTARY

### ***Principal activities***

The purpose of the company is trade with safety extension ladders, platforms and fall protection gear as well personalized safety equipment. Import and export of such goods. Training and education within the same product areas. Consultant and advice on fall protection and work in height as well as related business.

### ***Development in activities and financial and economic position***

Loss for the year is 196 DKK'000 which is unsatisfactory.

The comparative figures in the income statement cannot be compared with the current year, as this year is a conversion period of 6 months, while last year covers 12 months. The conversion has taken place due to adaptation to group conditions.

### ***Significant events after the end of the financial year***

No events have occurred after the end of the financial year of material importance for the company's financial position.

### ***Uncertainty with respect to going concern***

The company is covered by the Danish Private Companies Act, concerning capital loss. The capital is expected to be reestablished by earnings in the years to come. The parent company and main creditor, Branch Technology PTY Ltd., has confirmed that they will continue to support the company financially so that the company can continue operations in the coming year.

**NOTES****Note****Contingencies etc.****5****Contingent assets**

The company has an unactivated value of tax loss of 919 DKK´000.

**Contingent liabilities**

The Company has a leasecontract with a rent obligation on 116 DKK´000 that expire october 2021.

**Uncertainty with respect to going concern****6**

The company is covered by the Danish Private Companies Aet, concerning capital loss. The capital is expected to be reestablished by earnings in the years to come. The parent company and main creditor, Branach Technology PTY Ltd., has confirmed that they will continue to support the company financially so that the company can continue operations in the coming year.

## ACCOUNTING POLICIES

The Annual Report of BRANACH EUROPE A/S for 2020 has been presented in accordance with the provisions of the Danish Financial Statements Act for enterprises in reporting class B and certain provisions applying to reporting class C.

The Annual Report is prepared consistently with the accounting principles applied last year.

### **Comparative figures**

The comparative figures in the income statement cannot be compared with the current year, as this year is a conversion period of 6 months, while last year covers 12 months.

## **INCOME STATEMENT**

### **Net revenue**

Net revenue from sale of merchandise and finished goods is recognised in the income statement if supply and risk transfer to purchaser has taken place before the end of the year and if the income can be measured reliably and is expected to be received. Net revenue is recognised exclusive of VAT, duties and less discounts related to the sale.

### **Cost of sales**

Cost of sales comprise costs incurred to achieve the net revenue for the year, including direct and indirect costs of raw materials and consumables.

### **Other external expenses**

*Other external expenses include cost of sales, advertising, administration, buildings, bad debts, operating lease expenses, etc.*

### **Staff costs**

Staff costs comprise wages and salaries, including holiday pay and pensions and other costs for social security etc. for the company's employees. Repayments from public authorities are deducted from staff costs.

### **Financial income and expenses**

Financial income and expenses include interest income and expenses, financial expenses of finance leases, realised and unrealised gains and losses arising from investments in financial assets, debt and transactions in foreign currencies, amortisation of financial assets and liabilities as well as charges and allowances under the tax-on-account scheme etc. Financial income and expenses are recognised in the income statement by the amounts that relate to the financial year.

### **Tax**

The tax for the year, which consists of the current tax for the year and changes in deferred tax, is recognised in the income statement by the portion that may be attributed to the profit for the year, and is recognised directly in the equity by the portion that may be attributed to entries directly to the equity.

## **BALANCE SHEET**

### **Tangible fixed assets**

Other plant, fixtures and equipment are measured at cost less accumulated depreciation and impairment losses.

The depreciation base is cost less estimated residual value after end of useful life.

The cost includes the acquisition price and costs incurred directly in connection with the acquisition until the time when the asset is ready to be used. As regards self-manufactured assets, the cost price includes cost of materials, components, subcontractors, direct payroll and indirect production costs.

**ACCOUNTING POLICIES**

Straight-line depreciation is provided on the basis of an assessment of the expected useful lives of the assets and their residual value:

	<i>Useful life</i>	<i>Residual value</i>
<i>Other plant, fixtures and equipment.....</i>	<i>5 years</i>	<i>0 %</i>

Profit or loss on disposal of tangible fixed assets is stated as the difference between the sales price less selling costs and the carrying amount at the time of sale. Profit or loss is recognised in the income statement as other operating income or other operating expenses.

***Fixed asset investments***

Deposits include rental deposits which are recognised and measured at amortised cost. Deposits are not depreciated.

***Impairment of fixed assets***

The carrying amount of tangible assets are valued on an annual basis for indications of impairment other than that reflected by amortisation and depreciation.

In the event of impairment indications, an impairment test is made for each asset or group of assets, respectively. If the recoverable amount is lower than the carrying amount, the asset is written down to the carrying amount.

The recoverable amount is calculated at the higher of net selling price and capital value. The capital value is determined as the fair value of the expected net cash flows from the use of the asset or group of assets and the expected net cash flows from sale of the asset or group of assets after the end of its useful life.

***Inventories***

Inventories are measured at cost using the FIFO-principle. If the net realisable value is lower than cost, the inventories are written down to the lower value.

The cost of merchandise as well as raw materials and consumables is calculated at acquisition price with addition of transportation and similar costs.

The net realisable value of inventories is stated at sales price less completion costs and costs incurred to execute the sale and is determined with due regard to marketability, obsolescence and development in expected sales price.

***Receivables***

Receivables are measured at amortised cost which usually corresponds to nominal value. The value is written down to meet expected losses.

## ACCOUNTING POLICIES

### ***Tax payable and deferred tax***

Current tax liabilities and receivable current tax are recognised in the balance sheet as the calculated tax on the taxable income for the year, adjusted for tax on the taxable income for previous years and taxes paid on account.

Deferred tax is measured on the temporary differences between the carrying amount and the tax value of assets and liabilities.

*Deferred tax assets, including the tax value of tax loss carry-forwards, are measured at the expected realisable value of the asset, either by set-off against tax on future earnings or by set-off against deferred tax liabilities within the same legal tax entity.*

Deferred tax is measured on the basis of the tax rules and tax rates that under the legislation in force on the balance sheet date will be applicable when the deferred tax is expected to crystallise as current tax. Any changes in the deferred tax resulting from changes in tax rates, are recognised in the income statement, except from items recognised directly in equity.

### ***Liabilities***

Financial liabilities are recognised at the time of borrowing by the amount of proceeds received less borrowing costs. In subsequent periods, the financial liabilities are measured at amortised cost equal to the capitalised value when using the effective interest, the difference between the proceeds and the nominal value being recognised in the Income Statement over the term of loan.

Amortised cost for short-term liabilities usually corresponds to the nominal value.
