## **NOVOZYMES BIOINDUSTRIAL A/S**

Krogshøjvej 36, 2880 Bagsværd

CVR No 24 25 79 08

## **ANNUAL REPORT 2024**

## **Management's Statement**

The Executive Board and the Board of Directors have today considered and adopted the Annual Report of Novozymes Bioindustrial A/S for the financial year 1 January - 31 December 2024.

The Annual Report is prepared in accordance with the Danish Financial Statements Act. We consider the accounting policies applied appropriate and the estimates made reasonable.

In our opinion, the Financial Statements give a true and fair view of the financial position at 31 December 2024 of the Company and of the results of the Company operations for 2024.

In our opinion, Management's Review includes a true and fair account of the matters mentioned and describes the most significant risks and elements of uncertainty facing the Company.

We recommend that the Annual Report be adopted at the Annual Shareholders' Meeting.

Bagsværd, June 4, 2025

## Independent auditor's report

To the shareholders of Novozymes Bioindustrial A/S

### Opinion

We have audited the financial statements of Novozymes Bioindustrial A/S for the financial year 1 January – 31 December 2024, which comprise accounting policies, income statement, balance sheet, statement of changes in equity and notes. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2024 and of the results of the Company's operations for the financial year 1 January – 31 December 2024 in accordance with the Danish Financial Statements Act.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

### Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

### **Independent auditor's report**

As part of an audit conducted in accordance with ISAs and additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements, including the note disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Statement on the Management's review**

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements, or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the Management's review.

## **Management Review**

The purpose of the company is to operate and invest in research and development, production and trade with biological solutions, including biotechnological products and processes, as well as any business related to this as determined by the Board of Directors. The company strives to operate on a sustainable and responsible way, both financially, socially and environmentally.

For the financial year 2024 the company has realized a loss of DKK 41,700, which is line with expectations as there were no impairments in 2024.

Equity as of December 31, 2024 was DKK 24,935,237.

### **Expectations for 2025**

Expectations for 2025 are to achieve an operating loss between DKK 0 and DKK 100,000.

## **Accounting policies**

The Annual Report has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to small enterprises of reporting class B, with some voluntary additions from class C.

Accounting policies are unchanged compared to last year. The financial statements are presented in Danish Kroner (DKK).

With reference to section 112 of the Danish Financial Statements Act, the Company has omitted to prepare consolidated financial statements as Novozymes Bioindustrial A/S and group enterprises are included in the consolidated financial statements of Novozymes A/S, Bagsværd, CVR No 10 00 71 27.

### **Recognition and measurement**

The Company's income is recognized in the Annual Report as earned and expenses are recognized when incurred.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

### **Translation policies**

Transactions in foreign currencies are translated into DKK at the exchange rates at the dates of transaction. Monetary items in foreign currencies are translated into DKK at the exchange rates at the balance sheet date. Realised as well as unrealised exchange gains and losses are recognised in financial income and expenses in the income statement.

### **Other external expenses**

Other external expenses comprise items secondary to the Company's activities, including administration, audit etc.

### **Financial income and expenses**

Financial income and expenses include interest, as well as gains and losses on financial assets, liabilities and transactions in foreign currency.

### **Tax**

Tax on profit for the year which comprises current tax for the year, change in deferred tax as well as any adjustments of previous years is recognised in the income statement. Deferred tax is measured under the balance sheet liability method and comprises all temporary differences between the carrying amount and the tax base of assets and liabilities.

Deferred tax is measured on the basis of applicable tax rules and at the tax rate expected to be effective when the temporary differences are eliminated. Any changes in deferred tax due to changes to the tax rates are recognised in the income statement.

The Company is jointly taxed with the Danish enterprises in the Novo Holdings A/S Group.

The tax of the individual enterprises is fully allocated on the basis of the expected taxable income.

### **Investments in subsidiaries, associates and other investments**

Investments in subsidiaries, associates and other investments are recognised at the cost of the shares. Investments are subject to impairment test requirements if there are indications of impairment. Impairment losses on the investments are recognised, where the impairment is considered to be of a permanent nature.

Dividends received are recognized in the income statement as income from subsidiaries and other investments. If the cost is higher than the subsidiaries net assets, or if dividends from the subsidiary are larger than the accumulated profits in the ownership period of the subsidiary, this is an impairment indicator, and in these situations an impairment test is performed.

### **Financial liabilities**

Financial liabilities are measured at amortised cost, substantially corresponding to nominal value. Financial liabilities include trade payables and intercompany payables.

<b>Cost at December 31</b>	<b>39,128,553</b>
Impairment January 1	39,123,983
<b>Impairment December 31</b>	<b>39,123,983</b>
 <b>Carrying amount December 31</b>	 <b>4,570</b>

No impairment was recognized in 2024. The result for 2023 was impacted by an impairment in Novozymes BioAg S.A, Argentina of DKK 6,793,983 due to currency development and financial development in the entity.

## **Notes to the Annual Report**

### **8 Share capital**

Share capital amounts to DKK 4,600,000 on shares of DKK 1,000 DKK or multiples hereof.

### **9 Related parties**

Novozymes Bioindustrial A/S is a wholly-owned subsidiary of Novozymes A/S, Bagsværd and is included in the consolidated financial statements of Novozymes A/S. The ultimate parent company preparing consolidated financial statements is the Novo Nordisk Foundation, Gentofte.

The Novo Nordisk Foundation and its subsidiaries, i.e. the Novo Holdings Group and the Novo Nordisk Group, members of the executive boards of these entities and the management of Novozymes A/S as well as their close family members are considered related parties. Related parties moreover comprise enterprises in which the above-mentioned group of people hold considerable interests.

### **10 Contingent liabilities**

The company has no contingent liabilities.

The company is jointly taxed with the Danish companies of the Novo Holdings A/S Group, and is individually liable for the joint taxation liability.

### **11 Events after the reporting date**

No events have occurred after the reporting date of importance to the financial statements for 2024.
