Management's statement

The Management have today discussed and approved the annual report of Seed Capital Denmark II 2019 K/S for the financial year 1 January – 31 December 2023.

The annual report has been prepared in accordance with the Danish Financial Statements Act.

It is our opinion that the financial statements give a true and fair view of the Company's assets, liabilities and financial position at 31 December 2023, statement of cashflow and of the results of the Company's operations for the financial year 1 January – 31 December 2023.

Further, in our opinion, the Management's review gives a fair review of the development in the Company's operations and financial matters and the results of the Company's operations and financial position.

We recommend that the annual report be approved at the annual general meeting.

Copenhagen, 29 April 2024

Adopted at the Meeting on 29 April 2024

Chairman

Independent Auditors' Report

To the Limited Partners of Seed Capital Denmark II 2019 K/S

Opinion

We have audited the financial statements of Seed Capital Denmark II 2019 K/S for the financial year 1 January – 31 December 2023, which comprise income statement, balance sheet, statement of changes in equity and notes, including accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2023 and of the results of the Company's operations for the financial year 1 January – 31 December 2023 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

Independent auditor's report

As part of an audit conducted in accordance with ISAs and additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- ▶ Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and contents of the financial statements, including the note disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the Management's review

Management is responsible for the Management's review.

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the Management's review.

Management's Review

This annual report relates to the fifth financial year of Seed Capital Denmark II 2019 K/S for the period 1 January – 31 December 2023.

Objective

Seed Capital Denmark II 2019 K/S' objective is a co-investment in a specific portfolio company in the fund Seed Capital Denmark II K/S (company registration number 32 76 50 76).

Capital

Seed Capital Denmark II 2019 K/S has a total committed capital base of DKK 28 million, which is fully paid-in. Thus, 100% of the total committed capital had been contributed at year end. At 31 December 2023, DKK 42 million had been distributed to the limited partners and the general partners.

The management of the Company

Seed Capital Denmark II 2019 K/S has no employees. A management agreement has been entered into between Seed Capital Denmark II 2019 K/S and Seed Capital Management I/S under which Seed Capital Management I/S (hereinafter referred to as the management company) will be in charge of operations in Seed Capital Denmark II 2019 K/S.

Activities in 2023

Seed Capital Denmark II 2019 K/S is a fund investing in IT technology portfolio companies. No follow-up investments were made in 2023. Following a 2022, with major decline in the valuation of public stock markets, especially within the Tech industry, also resulting in a large drop in the value of the remaining shares held in Trustpilot, the share price has regained some of the value in 2023. The year 2023 started with a continued decline in the share price, but in the second half of 2023 the share price almost doubled. This positively impacted the fund's performance.

The result for the year was a gain of DKK 5.6 million.

Events after the balance sheet date

No events have occurred after the balance sheet date, which may materially affect the assessment of the company's financial position.

Business development and outlook

The financial result is expected to be positive in the coming years with new milestones reached in the portfolio and with new funding at higher valuations. It should be noted, that investing in high-growth venture capital companies is connected with relative high risk.

Profit and loss account for the year ended 31 December 2023

	Note	2023 (000 DKK)	2022 (000 DKK)
Income from investments in portfolio companies		5,636	-25,881

Notes to the financial statement

1 Accounting policies

The Annual Report of Seed Capital Denmark II 2019 K/S has been presented in accordance with the provisions in the Danish Financial Statements Act regarding reporting class B enterprises, adjusted to the Company's special activities as a venture company.

The accounting policies used in the preparation of the Annual Report are consistent with those of last year.

To give a fair view of the activities in the Company as a venture company, unrealized and realized gains and losses of portfolio companies has been included in the Operating Profit/Loss.

Recognition and measurement

Income is recognised in the profit and loss account as earned, including value adjustments of financial assets and liabilities. Equally, costs incurred to generate the year's earnings are recognised, including depreciation, amortisation, impairment and provisions.

Assets are recognised in the balance sheet when it is probable that future economic benefits will flow to the Company and the value of the asset can be reliably measured.

Liabilities are recognised in the balance sheet when an outflow of economic benefits is probable and when the liability can be reliably measured.

On initial recognition, assets and liabilities are measured at cost. Subsequently, assets and liabilities are measured as described below for each individual item.

Profit and loss account

Unrealised and realised results of investments in portfolio companies

Unrealized and realized gains or losses from exits, distributions in investments in portfolio companies are included in the Profit and Loss account under Operating Profit/Loss.

Interest income and expense and similar items

Interest income and expense and similar items comprise interest income and expense, gains and losses on securities (excluding income or expenses from portfolio companies) as well as payables and transactions denominated in foreign currencies.

Administration costs

Administration costs include costs incurred in the year for company management and administration.

Tax

The Company is not a tax-paying entity; thus, no tax has been expensed.

Balance sheet**Investments**

Investments in portfolio companies are recognized according to “International Private Equity and Venture Capital” (IPEV) “Valuation Guidelines”, in which investments are recognized at market value at the balance sheet date under section 38 of the Danish Financial Statements Act.

Exchange rate adjustments of investments in portfolio companies are recognized in the profit and loss account under “Income from investments in portfolio companies”.

Liabilities

Liabilities are measured at net realizable value.

Contingent liabilities

Contingencies are not recognized in the balance sheet but disclosed in the notes only. Liabilities which exist at the balance sheet date, but which cannot be measured, are considered contingent liabilities.
