## Management's statement

The Executive Board has today considered and adopted the Annual Report of Tönnies Meat Verwaltungs ApS for the financial year 1 January - 31 December 2024.

The Annual Report is prepared in accordance with the Danish Financial Statements Act. The Company complies with the exemption provisions governing the omission to have its Financial Statements audited.

In my opinion the Financial Statements give a true and fair view of the financial position at 31 December 2024 of the Company and of the results of the Company operations for 2024.

I recommend that the Annual Report be adopted at the Annual General Meeting.

## Notes to the Financial Statements

### 1. Going concern

It is management's expectation that the company's capital will be reestablished through capital from the parent company.

### 2. Key activities

The purpose of the company is to acquire, hold and manage investments in other companies as well as to take over the personal liability and management of other companies, including Tönnies Meat ApS and Co. KG and related business.

### 3. Staff

	2024	2023
Average number of employees	0	0

### 4. Contingent assets, liabilities and other financial obligations

#### Other contingent liabilities

As complementary in Tönnies Meat ApS & Co. KG the company is unlimitedly liable for the debt and liabilities of Tönnies Meat ApS & Co. KG.

## Notes to the Financial Statements

### 5. Accounting policies

The Annual Report of Tönnies Meat Verwaltungs ApS for 2024 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B as well as selected rules applying to reporting class C.

The Financial Statements for 2024 are presented in DKK.

#### **Recognition and measurement**

Revenues are recognised in the income statement as earned. Furthermore, value adjustments of financial assets and liabilities measured at fair value or amortised cost are recognised. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement, including depreciation, amortisation, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits attributable to the asset will flow to the Company, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow out of the Company, and the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

#### **Translation policies**

Danish kroner is used as the presentation currency. All other currencies are regarded as foreign currencies.

Transactions in foreign currencies are translated at the exchange rates at the dates of transaction. Exchange differences arising due to differences between the transaction date rates and the rates at the dates of payment are recognised in financial income and expenses in the income statement. Where foreign exchange transactions are considered hedging of future cash flows, the value adjustments are recognised directly in equity.

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the rates at the time when the receivable or the debt arose are recognised in financial income and expenses in the income statement.

Fixed assets acquired in foreign currencies are measured at the transaction date rates.

### **Income statement**

#### **Other external expenses**

Other external expenses comprise indirect production costs and expenses for office expenses, etc.

#### **Other operating income and expenses**

Other operating income and other operating expenses comprise items of a secondary nature to the main activities of the Company.

#### **Financial income and expenses**

Financial income and expenses are recognised in the income statement at the amounts relating to the financial year.

## Notes to the Financial Statements

### 5. Accounting policies (continued)

#### **Tax on profit/loss for the year**

Tax for the year consists of current tax for the year and changes in deferred tax for the year. The tax attributable to the profit for the year is recognised in the income statement, whereas the tax attributable to equity transactions is recognised directly in equity.

#### **Balance sheet**

##### **Receivables**

Receivables are measured in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts.

##### **Financial liabilities**

Other debts are measured at amortised cost, substantially corresponding to nominal value.
