## Management's Review

### **Principal activities**

The company's main activities are to act as a holding company.

### **Developments in activities and financial conditions**

The company's income statement for 2021/22 shows a result of DKK 310,086 and the company's balance as of March 31, 2022, shows equity was DKK 664,885. Which is considered a satisfying result by management.

### **Events after the balance sheet date**

Subsequent to the balance sheet date no events have occurred after the financial year-end, which could significantly affect the company's financial position.

# Accounting Policies

The annual report has been prepared in accordance with the regulation applying to Reporting class B.

## **Income statement**

### **Gross profit**

Pursuant to Section 32 of the Financial Statements Act, the Company has decided only to disclose gross profit.

### **Other external costs**

Other external costs comprise costs for administration.

### **Income from other equity investments and securities**

Income from other equity investments and securities comprises realised capital gains and losses from other equity investments and securities recognised as investments or current assets in the balance sheet.

## **Balance sheet**

### **Equity investment in associates**

Equity investments in associates are measured at fair value. If the fair value cannot be determined reliably equity investments in associates are recognised at cost. If cost exceeds the net realisable value, write-down is made to this lower value.

### **Equity**

#### **Net revaluation reserve according to the equity method**

Net revaluation reserve according to the equity method comprises net revaluation of equity investments in group entities and associates in proportion to cost.

### **Liabilities other than provisions**

Other liabilities are measured at amortised cost, which usually corresponds to nominal value.
