Statement by Management

The Executive Board has today considered and approved the annual report of NB FP Investment II K/S for the financial year 01.01.2024 - 31.12.2024.

The annual report is presented in accordance with the Danish Financial Statements Act.

In my opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2024 and of the results of its operations for the financial year 01.01.2024 - 31.12.2024.

I believe that the management commentary contains a fair review of the affairs and conditions referred to therein.

I recommend the annual report for adoption at the Annual General Meeting.

Copenhagen, 14.05.2025

On behalf of NB FP Investment General Partner ApS

Florian Schönharting

Independent auditor's report

To the shareholders of NB FP Investment II K/S

Opinion

We have audited the financial statements of NB FP Investment II K/S for the financial year 01.01.2024 - 31.12.2024, which comprise the income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2024 and of the results of its operations for the financial year 01.01.2024 - 31.12.2024 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of this auditor's report. We are independent of the Entity in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Entity's ability to continue as a going concern, for disclosing, as applicable, matters related to going concern, and for using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures in the notes, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the management commentary

Management is responsible for the management commentary.

Our opinion on the financial statements does not cover the management commentary, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the management commentary and, in doing so, consider whether the management commentary is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the management commentary provides the information required by relevant law and regulations.

Based on the work we have performed, we conclude that the management commentary is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the management commentary.

Management commentary

Primary activities

NB FP Investment II K/S is a venture capital company focusing on investments in the biotech industry.

Development in activities and finances

The income statement for 2024 shows a profit of EUR 672 thousand against a profit of EUR 6 thousand last year, and the balance sheet at 31 December 2024 shows equity of EUR 842 thousand.

The activities for the year are impacted by the positive fair value adjustment of the Limited Partnership's investment in Forward Pharma A/S amounting to EUR 674 thousand.

Forward Pharma A/S

Forward Pharma A/S has focused on maximizing royalty payments from its original patent estate based on dimethyl fumarate and maximizing cash returns on its financial portfolio. Forward Pharma A/S is under liquidation.

Uncertainty relating to recognition and measurement

The Limited Partnership measures all of its investments at fair value in accordance with the valuation guidelines recommended by Invest Europe (currently the IPEV valuation guidelines). The valuations in the annual report are subject to inherent uncertainty because they, among others, are based on assumptions that are to a wide extent judgmental.

Statutory report on corporate social responsibility

The investments underlying this financial product do not take into account the EU criteria for environmentally sustainable economic activities.

Events after the balance sheet date

In February 2025, after the conclusion of the MAP in October 2024, Forward Pharma A/S received a refund of overpaid taxes from Denmark. Additionally, the board of directors of Forward Pharma A/S decided to discontinue operations and liquidate the company. The decision was confirmed by the company's shareholders at an extraordinary general meeting on 25 February 2025, and the liquidation process was initiated.

Subsequent to 31 December 2024, there were no events that are required to be reported except for the above mentioned.

The Partners have committed themselves to contributing up to EUR 8,502 thousand into the Fund, when new capital is required for making investments, paying fund costs etc. Of the total committed capital, the Partners have paid-in net EUR 8,423 thousand at 31.12.2024, and the remaining contribution balance is EUR 79 thousand.

Notes

1 Income from financial assets

The fair value adjustment includes NB FP Investment II K/S' share in the portfolio company Forward Pharma A/S.

Forward Pharma A/S has been unlisted from Nasdaq in 2023. As a result, the valuation is associated with uncertainty, just as the valuation is dependent on the future events.

The fair value has been assessed by the management and the enterprise value is determined based on methods which best reflect Forward Pharma A/S' potential, risk and life cycle. The valuation management has conducted is based on an analysis of Forward Pharma A/S last known equity valuation taken the given tax uncertainties into account.

2 Employees

The entity has no employees.

The management has not received remuneration from the entity.

3 Fair value information

	Listed Investments '000EUR
Fair value end of year	842
Unrealised fair value adjustments recognised in the income statement	674

4 Contingent liabilities

At the balance sheet date, the Limited Partnership has not assumed obligations to make further investments in portfolio companies or any other contingent liabilities.

5 Related parties with controlling interest

The General Partner is NB FP Investment General Partner ApS.

Accounting policies

Reporting class

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class B enterprises with addition of a few provisions for reporting class C.

The accounting policies applied to these financial statements are consistent with those applied last year.

Recognition and measurement

Assets are recognised in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Entity, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when the Entity has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the Entity, and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is effected as described below for each financial statement item.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognised in the income statement when earned, whereas costs are recognised by the amounts attributable to this financial year.

Foreign currency translation

On initial recognition, foreign currency transactions are translated applying the exchange rate at the transaction date. Receivables, payables and other monetary items denominated in foreign currencies that have not been settled at the balance sheet date are translated using the exchange rate at the balance sheet date. Exchange differences that arise between the rate at the transaction date and the rate in effect at the payment date, or the rate at the balance sheet date, are recognised in the income statement as financial income or financial expenses.

Income statement

Other external expenses

Other external expenses include expenses relating to the Entity's ordinary activities.

Income from other fixed asset investments

Income from other fixed asset investments comprises fair value adjustments of investments in portfolio companies for the financial year.

Balance sheet

Other investments

Other investments comprise listed securities which are measured at fair value at the balance sheet date in accordance with the Danish Financial Statements Act § 37. Value adjustments are recognized in the income statement.

Cash

Cash comprises cash in bank deposits.

Dividend

Dividends or distributions are recognized as negative equity at the time of payment of the distribution.

Other financial liabilities

Other financial liabilities are measured at amortised cost, which usually corresponds to nominal value.
