Søknad om tillatelse til å utarbeide årregnskap og årsberetning på engelsk språk for COSL Norwegian AS inklusive datterselskaper

Det vises til Deres brev av 17. desember 2009. De søker på vegne av COSL Norwegian AS inklusive datterselskaper om dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk.

Søknaden gjelder for følgende selskaper;

COSL Norwegian AS	992 831 510
COSL Drilling Europe AS	987 861 894
COSL Oil & Gas AS	947 362 089

COSL Craft AS	987 862 932
COSL Craft Ltd	991 594 035
COSL Strike Ltd	991 594 043
Premium Drilling AS	988 294 187

COSL Norwegian AS er morselskap til det norske underkonsernet. Selskapet er et heleid datterselskap av China Oilfield Services Limited ("COSL"), som er hjemmehørende i Kina og er registrert på hovedlisten på børsen i Shanghai (SSE) og på børsen i Hong Kong (HKSE). Selskapene er i det vesentlige finansiert av morselskapet i Kina. I søknaden er det nevnt at arbeidsspråket i selskapet er engelsk da flere av styremedlemmene og flere av de ansatte i selskapet er kinesiske eller innleide utenlandske konsulenter. I hovedsak skjer all internrapportering, inkludert månedlig rapportering til morselskapet i Kina, på engelsk.

Etter regnskapsloven § 3-4 tredje ledd skal "årsregnskapet og årsberetningen ... være på norsk. Departementet kan ved ... enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk."

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap m.v., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

"Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon."

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til "informative regnskaper for ulike grupper av regnskapsbrukere". Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet. Offentlige myndigheter må også anses som en sentral regnskapsbruker, idet ulike myndigheter, som lignings- og tilsynsmyndigheter, benytter regnskapene som sentrale verktøy i sin kontrollvirksomhet.

Det er etter Skattedirektoratets vurdering derfor avgjørende at spørsmål om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk, ikke på vesentlige områder fraviker fra hensynet til brukere av regnskapsinformasjon. Søkeren må som et utgangspunkt for vurderingen ha en særlig interesse for kun å utarbeide årsregnskap og/eller årsberetning på et annet språk enn norsk.

Som nevnt ovenfor er det særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. Selskapet er et heleid datterselskap av China Oilfield Services Limited ("COSL"), som er hjemmehørende i Kina og er registrert på hovedlisten på børsen i Shanghai (SSE) og på børsen i Hong Kong (HKSE). Selskapene er i det vesentlige finansiert av morselskapet i Kina. Arbeidsspråket i selskapet er engelsk da flere av styremedlemmene og flere av de ansatte i selskapet er kinesiske eller innleide utenlandske konsulenter. I hovedsak skjer all internrapportering, inkludert månedlig rapportering til morselskapet i Kina, på engelsk. Skattedirektoratet legger derfor til grunn at det i dette tilfellet ikke syntes å være brukere av selskapenes regnskapsinformasjon som har en særlig interesse i å få dette på norsk språk.

Skattedirektoratet gir på bakgrunn av en helhetsvurdering de ovennevnte selskaper dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk, jf. regnskapsloven § 3-4 tredje ledd.

Dispensasjonen er gitt under den forutsetning at de ovennevnte opplysninger som vedtaket baserer seg på ikke endres vesentlig.

COSL Rig Ltd

Notes to the accounts, year ended 31 December 2023

Note 1 Accounting policies

The financial statements have been prepared in accordance with the Norwegian Accounting Act of 1998 and generally accepted accounting principles in Norway.

The company has received approval from the Register of Business Enterprises in Norway to prepare the financial statements in English.

All amounts are in NOK unless otherwise stated.

Valuation and classification of assets and liabilities

Assets intended for permanent ownership or use in the business are classified as non-current assets. Other assets are classified as current assets. Receivables due within one year are classified as current assets. The classification of current and non-current liabilities is based on the same criteria.

Current assets are valued at the lower of historical cost and fair value.

Fixed assets are carried at historical cost, but are written down to their recoverable amount if this is lower than the carrying amount and the decline is Other long-term liabilities, as well as short-term liabilities, are valued at nominal value.

Foreign currency

All balance sheet items denominated in foreign currencies are translated into NOK at the exchange rate prevailing at the balance sheet date.

Income taxes

Tax expenses are matched with operating income before tax. Tax related to equity transactions e.g. group contribution, is recognised directly in equity.

Tax expense consists of current income tax expense and change in net deferred tax. The tax expense is allocated to ordinary income and the effect of extraordinary items in accordance with the respective taxable income. Deferred tax liabilities and deferred tax assets are presented net in the balance sheet.

Deferred tax assets are not recognized to the extent where future recoverability is uncertain.

Comparative figures

The presentation of the comparative figures has been updated to reflect a like-to-like comparison with current year figures.

Cash flow statement

The cash flow statement is presented using the indirect method. Cash and cash equivalents includes cash, bank deposits and other short term, highly liquid investments with maturities of three months or less. Group cashpool accounts are presented as part of cash and cash equivalents in the cash flow statement. The company does not have a bank account in 2023.

INDEPENDENT AUDITOR'S REPORT

To the Annual Shareholders' Meeting of COSL Rig Ltd

Opinion

We have audited the financial statements of COSL Rig Ltd (the Company), which comprise the balance sheet as at 31 December 2023, the income statement and statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion the financial statements comply with applicable legal requirements and give a true and fair view of the financial position of the Company as at 31 December 2023 and its financial performance and cash flows for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Company in accordance with the requirements of the relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)* (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

Other information consists of the information included in the annual report other than the financial statements and our auditor's report thereon. Management (the board of directors) is responsible for the other information. Our opinion on the financial statements does not cover the other information, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information, and, in doing so, consider whether the board of directors' report contains the information required by legal requirements and whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information or that the information required by legal requirements is not included, we are required to report that fact.

We have nothing to report in this regard, and in our opinion, the board of directors' report is consistent with the financial statements and contains the information required by applicable legal requirements.

Responsibilities of management for the financial statements

Management is responsible for the preparation of the financial statements that give a true and fair view in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the

Building a better
working world

going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
