KNUTSEN PRESSURIZED NATURAL GAS KS

**ANNUAL REPORT
2018**

**KNUTSEN PRESSURIZED NATURAL GAS KS
REPORT OF THE BOARD OF DIRECTORS 2018**

Knutsen Pressurized Natural Gas KS (Knutsen PNG KS) aims to develop the PNG technology, develop applicable projects for application of the PNG technology and commercialize the PNG technology by way of owning and operating PNG Carriers for marine transportation of compressed natural gas and to licence the technology when applicable. After a capital increase of NOK 10 million, the company has a total company partnership capital of NOK 23 million of which NOK 9,2 million is restricted capital and 20 million has been paid in. The General Partner participates with the capital of NOK 20,470 million equivalent to 89% of the total partnership capital.

There are no employees in the company and the daily operations are handled by Knutsen OAS Shipping AS in Haugesund, according to a separate agreement.

The company's activity

Knutsen PNG KS launched in autumn 2001 a new technical solution for the transportation of gas, named Knutsen PNG (Pressurised Natural Gas) a concept that represents a complementary approach to today's main concept for gas transport, LNG (Liquified Natural Gas). Instead of cooling the gas to liquid form, PNG is based on the compression of gas for transport under high pressure.

Technically the company has in close cooperation with DNV-GI and Europipe GMBH brought the PNG technology to a technical and commercial level where it can be implemented for gas transport

During 2018, interest have been shown to use the PNG technology for high pressure oil transport in combination with PNG gas transport. A feasibility study shows that this may evolve into a pre-feed study during 2019.

Transport of CO₂ on ships using the PNG technology may also be of interest to further consider during 2019 using the PNG technology.

To use the PNG technology to store gas on tankers to minimize VOC emissions was evaluated.

Result of the year

The company had an operating loss in 2018 of NOK 390.121, compared to a loss of NOK 745.834, the previous year. The company's net financial expenses were NOK 1.332.587, compared to net expenses of NOK 1.279.664 the year before. The final result for the year shows a loss of NOK 1.722.708, compared to a net loss of NOK 2.025.498 in 2017.

The Board of Directors suggests the loss for the year be transferred to loss carried forward. The company's equity was lost per 31.12.2018. The parent company have provided a subordinated loan with a borrowing limit of NOK 28.000.000. The parent company TS Shipping Invest AS has issued a guarantee for adequate capital inflow and continued operations until 31.12.2019. The financial accounts are settled on the assumption of a going concern. The board confirms the assumption of a going concern.

The environment safety and quality control

The Board is not aware of circumstances indicating that the company pollutes the environment significantly.

The company has no employees and hire workers from its sister company, Knutsen OAS Management AS.

Future prospects.

Use of the technology for high pressure crude oil transport may become the method where the PNG technology finally are to be implemented.

KNUTSEN PRESSURIZED NATURAL GAS KS

Notes to financial statements 31.12.2018

1 Accounting Principles

The financial statement is prepared in accordance with the fundamental accounting principles and generally accepted accounting standards for small business in Norway.

Current Assets/Current Liabilities

Current assets and liabilities include items that are due for payment within one year. Other items are classified as fixed assets/long-term liabilities. Current assets are valued at the lower of cost and fair value. Short-term liabilities are recorded at nominal value at the time of the entering. The fixed assets are valued to the lowest of the depreciated value and the market value unless the fall in value is assumed to be temporary. Long-term debt is stated at nominal value.

Tax

Knutsen Pressurized Natural Gas KS is not tax liable as each partner is taxed directly on its share of the partnership. Consequently the company does not calculate and record deferred tax in the Profit & Loss account.

Tax income is calculated based on accounting earnings and the permanent and temporary differences between accounting and tax values at the end of the financial year.

Accounts Receivable

Accounts receivable are recorded at nominal value, net of provisions for doubtful debts. Any provision for doubtful debts is made based on evaluation of each receivable.

Transactions in Foreign Currency

All current assets and current liabilities in foreign currency are registered at the rate of exchange as per 31.12. Realised foreign exchange gain and loss are registered as financial items.

Realised and unrealised foreign exchange loss are recorded under financial items. Foreign exchange gain is recorded as a financial income when actually realised.

Income

Income is recorded to the Profit & Loss account as it is earned.

2 Bank deposits

The entity does not have restricted funds per 31.12.18.

3 Current activity

The company was founded 20.11.2001, and it aims to own, operate and develop patents and business which is related to it.

INDEPENDENT AUDITOR'S REPORT

To the Partnership meeting of Knutsen Pressurized Natural Gas KS

Report on the audit of the financial statements

Opinion

We have audited the financial statements of Knutsen Pressurized Natural Gas KS, which comprise the balance sheet as of 31 December 2018, and the profit and loss account for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements have been prepared in accordance with laws and regulations and present fairly, in all material respects, the financial position of the Company as at 31 December 2018 and its financial performance for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

Basis for opinion

We conducted our audit in accordance with laws, regulations, and auditing standards and practices generally accepted in Norway, including International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Norway, and we have fulfilled our ethical responsibilities as required by law and regulations. We have also complied with our other ethical obligations in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

Other information consists of the information included in the Company's annual report other than the financial statements and our auditor's report thereon. The Board of Directors and Chief Executive Officer (management) are responsible for the other information. Our opinion on the audit of the financial statements does not cover the other information, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information, and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an

audit conducted in accordance with laws, regulations, and auditing standards and practices generally accepted in Norway, including International Standards on Auditing (ISAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with law, regulations and generally accepted auditing principles in Norway, including ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

Opinion on registration and documentation

Based on our audit of the financial statements as described above, and control procedures we have considered necessary in accordance with the International Standard on Assurance Engagements (ISAE) 3000, *Assurance Engagements Other than Audits or Reviews of Historical Financial Information*, it is our opinion that management has fulfilled its duty to ensure that the Company's accounting information is properly recorded and documented as required by law and bookkeeping standards and practices accepted in Norway.

**Søknad:**

Fra deres brev gjengis:

"TS Shipping Invest AS ønsker å omfatte flere av selskapene i konsernet til å kunne utarbeide regnskaper og årsberetning på engelsk fra og med regnskapsåret 2010. Alle selskapene i konsernet er norske selskaper som driver virksomhet innen internasjonal shipping. Selskapene og konsernet har engelsk som arbeidsspråk inklusive datterselskaper. Denne søknad omfatter en rekke komplementarer, management selskaper og selskaper som driver teknologiutvikling i tilknytning til shippingvirksomheten.

Brukerne av regnskapene hovedsakelig aksjonærer, banker samt interessegrupper tilknyttet driften (ansatte, kunder, leverandører etc.). Kunder og leverandører og andre brukere har engelsk som sitt naturlige språk/forretningsspråk. Aksjonærstrukturen er begrenset, og for de fleste selskapene kontrollerer TS Shipping Invest 100 % av aksjene, mens for noen selskaper er ansatte i TS Shipping Invest konsernet representert med beskjedne eierposter."

Skattedirektoratets vurdering og konklusjon

Etter regnskapsloven § 3-4 tredje ledd skal "årsregnskapet og årsberetningen ... være på norsk. Departementet kan ved ... enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk."

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap m.v., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

"Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon."

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til "informative regnskaper for ulike grupper av regnskapsbrukere". Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter Skattedirektoratets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir negativt berørt ved en eventuell dispensasjon.

De samme fakta og argument for dispensasjon foreligger i denne søknaden som ble vurdert ved innvilgelse av dispensasjon for konsernspissen og enkelte søsterselskap. Selskapenes aktivitet er knyttet til en internasjonal bransje hvor engelsk språk benyttes både internt i selskapene samt mot aksjonærer, og i kommunikasjon med eksterne forretningspartnere.

Skattedirektoratet gir på bakgrunn av en helhetsvurdering de ovenfor nevnte selskapene dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk, jf. regnskapsloven § 3-4 tredje ledd.

Dispensasjonen forutsetter at engelsk språk benyttes i stedet ved utarbeidelsen, og at øvrige opplysninger som vedtaket baserer seg på, heller ikke endres vesentlig.

Vennligst oppgi vår referanse ved henvendelser i anledning saken.
