## Accounting principles

The annual accounts have been prepared in conformity with the Accounting Act and NRS 8 - Good accounting practice for small companies.

### Tax

The tax charge in the profit and loss account consists of tax payable for the period and the change in deferred tax. Deferred tax is calculated at the tax rate at 22 % on the basis of tax-reducing and tax-increasing temporary differences that exist between accounting and tax values, and the tax loss carried forward at the end of the accounting year. Tax-increasing and tax-reducing temporary differences that reverse or may reverse in the same period are set off and entered net.

### Classification and valuation of current assets

Current assets and short-term liabilities normally include items that fall due for payment within one year of the balance sheet date, as well as items that relate to the stock cycle. Current assets are valued at the lower of acquisition cost and fair value.

## Note 1 Salary costs and benefits

Harald Hårfagre AS hasn't had any salary costs or benefits in 2024 and there are no such obligations.
