To the General Meeting of Det Norske Veritas Holding AS

Independent Auditor's Report

Opinion

We have audited the financial statements of Det Norske Veritas Holding AS (the Company), which comprise the balance sheet as at 31 December 2024, the income statement and the statement of cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion

- the financial statements comply with applicable statutory requirements, and
- the financial statements give a true and fair view of the financial position of the Company as at 31 December 2024, and its financial performance and its cash flows for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Board of Directors and the Managing Director (management) are responsible for the information in the Board of Directors' report. The other information comprises information in the annual report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the information in the Board of Directors' report.

In connection with our audit of the financial statements, our responsibility is to read the Board of Directors' report. The purpose is to consider if there is material inconsistency between the Board of Directors' report and the financial statements or our knowledge obtained in the audit, or whether the Board of Directors' report otherwise appears to be materially misstated. We are required to report if there is a material misstatement in the Board of Directors' report. We have nothing to report in this regard.

Based on our knowledge obtained in the audit, it is our opinion that the Board of Directors' report

- is consistent with the financial statements and
- contains the information required by applicable statutory requirements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Norwegian Accounting Act and accounting standards and practices generally

accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern. The financial statements use the going concern basis of accounting insofar as it is not likely that the enterprise will cease operations.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error. We design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves a true and fair view.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Tillatelse til å utarbeide årsregnskap og årsberetning på engelsk språk for Det Norske Veritas Holding AS, org. nr. 999 231 950

Vi viser til deres brev av 16. oktober 2013 der det søker om dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk for Det Norske Veritas Holding AS.

Skattedirektoratet gir på bakgrunn av en konkret helhetsvurdering Det Norske Veritas Holding AS dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk, jf. regnskapsloven § 3-4 tredje ledd.

Dispensasjonen forutsetter at det benyttes engelsk språk ved utarbeidelsen av årsregnskapet og årsberetningen, og at øvrige opplysninger som vedtaket baserer seg på, heller ikke endres vesentlig.

Bakgrunn

Fra søknaden gjengis:

Det Norske Veritas Holding AS med datterselskaper tilbyr tjenester globalt innen klassifikasjon, verifikasjon og rådgivning samt innenfor sertifisering. Selskapet er en del av konsernet Det Norske Veritas og eierselskap for konsernets datterselskap. Konsernet er representert i omkring 100 land og har 17 000 ansatte hvorav 2 600 arbeider ved kontorer i Norge. Konsernspiss og morselskap, Stiftelsen Det Norske Veritas, er en selveiende stiftelse.

Konsernet opererer innenfor internasjonale industrisektorer, f.eks. maritim og olje og gass, hvor engelsk er det dominerende språket. Konsernets arbeidsspråk er engelsk og har vært det i en årrekke.

Det Norske Veritas Holding AS er et nystiftet eierselskap i konsernet som vil utarbeide selskapsregnskap og konsernregnskap på både engelsk og norsk. Det engelske regnskapet benyttes overfor kunder og kreditorer samt overfor konsernets internasjonale bank- og finansforbindelser. Det norske regnskapet utarbeides primært for å tilfredsstille kravene i regnskapsloven § 3-4 og for innsendelse til Brønnøysund.

Det er vår oppfatning at hensynet til alle brukere av regnskapet til Det Norske Veritas Holding AS vil være ivaretatt ved at årsregnskapet og årsberetningen avlegges på engelsk.

Skattedirektoratets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal årsregnskapet og årsberetningen være på norsk. Departementet kan ved forskrift eller ved enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk.

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap m.v., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon.

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til “informative regnskaper for ulike grupper av regnskapsbrukere”. Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter Skattedirektoratets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Som nevnt ovenfor er det særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I denne vurderingen har Skattedirektoratet lagt vekt på at selskapenes virksomhet er utpreget internasjonal og arbeidsspråket er engelsk. Videre er det vektlagt at selskapet kun har en eier.

Notes to the financial statements

1. Accounting principles

The financial statements have been prepared in accordance with the Norwegian Accounting Act of 1998 and generally accepted accounting principles in Norway.

Subsidiaries

Investments in subsidiaries are valued at the cost method in the financial statements of Det Norske Veritas Holding AS. The investment are valued as cost of acquiring shares in the subsidiary, provided write down is not required. Write down to fair value is carried out when the reduction in value is caused by circumstances which may not be regarded as incidental, and deemed necessary by generally accepted accounting principles. Write downs are reversed when the cause of the initial write down is no longer present. Dividends and group contributions are recorded as financial income.

Consolidated statements are not prepared for Det Norske Veritas Holding AS. Consolidated statements are prepared for Det Norske Veritas Holding AS's parent company, Stiftelsen Det Norske Veritas where Det Norske Veritas Holding AS and its subsidiaries are included. In the financial statements, the term 'group companies' include other companies in the DNV Group where Stiftelsen Det Norske Veritas directly or indirectly has controlling interest.

Classification and valuation of assets and liabilities

Assets meant for permanent ownership or use, are classified as fixed assets. Other assets are classified as current assets. Receivables to be paid within one year are always classified as current assets. Short- and long-term liabilities are classified correspondingly.

Current assets are valued at the lower of cost and net realisable value. Short-term debt is recognised at nominal value at time of establishment.

Tax

The tax expense in the income statement includes taxes payable and change in deferred taxes. Deferred taxes are calculated based on the temporary differences existing between book values and tax values, together with tax loss carry-forwards at the end of the accounting period. Tax increasing and tax reducing temporary differences expected to reverse in the same period are offset and calculated on a net basis. Deferred tax assets are recognised to the extent utilisation of these assets can be justified.

Cash flow statement

The cash flow statement is presented using the indirect method. Cash and cash equivalents includes cash, bank deposits and other short-term, highly liquid financial assets with maturities of three months or less.
