To the General Meeting of Hav Dyp AS

Independent Auditor's Report

Opinion

We have audited the financial statements of Hav Dyp AS (the Company), which comprise the balance sheet as at 31 December 2022, the income statement, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion

- the financial statements comply with applicable statutory requirements, and
- the financial statements give a true and fair view of the financial position of the Company as at 31 December 2022, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards as adopted by EU.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Board of Directors and the Managing Director (management) are responsible for the other information accompanying the financial statements. The other information comprises information in the annual report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information accompanying the financial statements.

In connection with our audit of the financial statements, our responsibility is to read the other information. The purpose is to consider if there is material inconsistency between the other information and the financial statements or our knowledge obtained in the audit, or whether the other information appears to be materially misstated. We are required to report if there is a material misstatement in the other information. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards as adopted by the EU, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

PricewaterhouseCoopers AS, Kanalsletta 8, Postboks 8017, NO-4068 Stavanger

T: 02316, org. no.: 987 009 713 MVA, www.pwc.no

Statsautoriserte revisorer, medlemmer av Den norske Revisorforening og autorisert regnskapsførerselskap

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Hav Dyp AS

Directors' report for the year ended 31 December 2022

The Directors present their report on the affairs of Hav Dyp AS ("the Company") for the year ended 31 December 2022.

Principal activities

The main office of the Company is located in Stavanger, Norway. The Company's principal activity is to operate as a shipping business for fellow Group companies which provide a full range of subsea services for the offshore oil, gas and renewables industry. Fellow Group companies hold strong engineering, procurement, construction and installation expertise within the subsea, umbilical's, risers and flowlines segment. The Company does not employ staff.

Historically the Company has generated income from fellow Group companies. Income was generated by entering into charters for third-party vessels and charging the use of the vessel, plus a mark-up, to fellow Group Companies. It is expected that Hav Dyp AS may be used in the future for similar arrangements.

The Company is not engaged in research and development.

Business review

The Company has not traded during 2022.

Key risks and uncertainties

The Company's international operations expose it to financial risks that include the effects of changes in foreign currency exchange rates and interest rates. These risks are discussed in note 11 to the financial statements.

Financial risk

The Company's policies with regard to financial risk management are clearly defined and consistently applied. The policies are a fundamental part of the Ocean Installer Group's long term strategy covering areas such as foreign exchange risk, interest rate risk, credit risk, liquidity risk and capital management.

Results and dividends

The Company has made a loss for the year of NOK 6.2 million (2021: NOK 2.5 million). The Company is in a position of net liabilities of NOK 34.8 million (2021: NOK 28.5 million). Cash flow generated from operations is nil (2021: nil).

The Directors' have noted that the Company is in a position of net liabilities. Intercompany debt will not be collected until the Company is in a position to do so.

The Directors do not recommend any distribution of dividends.

The audited financial statements for the year ended 31 December 2022 are set out on pages 6 to 16.

Substantial shareholdings

The Company's shareholder is Ocean Installer II AS. At 31 December 2022, Ocean Installer II AS held 100% of the ordinary share capital.

Hav Dyp AS

Directors

The members of the Board of Directors are:

Odd-Arne Kleveland (Chair)

Trine Krey

Håvard Strand

Environment

The Company provides offshore services. In the execution of these services environmental risk assessments and site appraisals are undertaken as standard. These assessments are discussed with clients to improve the environmental performance of the operation as a whole, through the preparation and implementation of site specific environmental plans. All operations are planned to minimise adverse environmental impacts.

Going Concern

The directors believe that preparing the accounts on the going concern basis is appropriate due to the continued financial support of the ultimate parent company Ocean Installer Holding AS. The directors have received confirmation that Ocean Installer Holding AS intends to support the Company for at least one year after these financial statements are signed.

Hav Dyp AS

Notes to the financial statements for the year ended 31 December 2022

1 Reporting entity

Hav Dyp AS (the "Company") is a company domiciled in Norway. The Company's registered office is Hav Dyp AS, P.O.Box 8070, 4068 Stavanger, Norway.

2 Basis of preparation

(a) **Statement of compliance**

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS), as adopted by the EU.

The financial statements were approved by the Company's Board of Directors on 22nd June 2023.

(b) **Basis of measurement**

The financial statements have been prepared on the historical cost basis.

(c) **Functional and presentation currency**

These financial statements are presented in Norwegian Kroner (NOK), which is the Company's functional currency. All financial information presented in NOK has been rounded to the nearest thousand.

(d) **Use of estimates and judgements**

The preparation of financial statements in compliance with the Accounting Act requires the use of estimates. The application of the Company's accounting principles also require management to apply judgements. Areas which to a great extent contain such judgements, a high degree of complexity, or areas in which judgements and estimates are significant for the financial statements, are described in the notes.

3 Going Concern

The directors believe that preparing the accounts on the going concern basis is appropriate due to the continued financial support of the ultimate parent company Ocean Installer Holding AS. The directors have received confirmation that Ocean Installer Holding AS intend to support the Company for at least one year after these financial statements are signed.

4 Adoption of new accounting standards

(i) **Effective new accounting standards**

There were no EU-endorsed IFRSs, amendments or interpretations which had a material impact on the company and were effective for the reporting period beginning 1 January 2022.

(ii) **New standards and interpretations issued but not yet effective**

There are no IFRSs or IFRIC interpretations that are issued but not yet effective which are expected to have a material impact on the company.

Hav Dyp AS

5 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated.

a) Foreign currency

Transactions in foreign currencies are translated to the functional currency at the exchange rate at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the reporting date are retranslated to the functional currency at the exchange rate at that date. Non-monetary assets and liabilities denominated in foreign currencies that are measured at historic cost are retranslated to the functional currency at the exchange rate at the date that the historic was determined. Foreign currency differences arising on retranslation are recognised in income or expense.

b) Financial instruments

(i) Non-derivative financial instruments

Non-derivative financial instruments comprise investments in equity and debt securities, trade and other receivables, cash and cash equivalents, loans and borrowings, and trade and other payables.

Non-derivative financial instruments are recognised initially at fair value plus, for instruments not at fair value through income or expense, any directly attributable transaction costs. Subsequent to initial recognition non-derivative financial instruments are measured as described below.

Cash and cash equivalents comprise cash balances and call deposits.

(ii) Derivative and compound financial instruments

The Company does not hold derivative or compound financial instruments.

(iii) Share capital

Ordinary shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of ordinary shares and share options are recognised as a deduction from equity, net of any tax effects.

c) Revenue

(i) Goods sold

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably.

(ii) Services

Revenue from services rendered is recognised in income or expense in proportion to the stage of completion of the transaction at the reporting date. The stage of completion is assessed by reference to surveys of work performed.

d) Finance income and expenses

Finance income comprises interest income on funds invested. Interest income is recognised as it accrues in income or expense.

Finance expense comprise interest expense on borrowings.

Foreign currency gains and losses are reported on a net basis, as a financial item.

5 Summary of significant accounting policies

e) Income tax

The tax expense for the period comprises current and deferred tax. Tax is recognised in the income statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax expense is also recognised in other comprehensive income or directly in equity, respectively.

Deferred income tax is recognised on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements and tax losses carry forward. Deferred income tax is determined using tax rates (and laws) applicable at the balance sheet date. Deferred income tax assets and liabilities are offset where there is a legally enforceable right to offset current tax assets against current tax liabilities. Deferred income tax assets are recognised only to the extent that it is probable that future taxable profit will be available against which the temporary difference can be utilised.

Tax reduction on group contributions given and tax on group contribution received, booked as a reduction of cost price or taken directly to equity, are booked directly against tax in the balance sheet (offset against payable taxes if the group contribution has affected payable taxes, and offset against deferred taxes if the group contribution has affected deferred taxes).

Deferred tax assets/liabilities are recognised at nominal amount.

f) Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, deposits with short term maturity held at bank and bank overdrafts.

g) Trade receivables

Trade receivables are carried at the original invoice amount less a provision for doubtful receivables, if applicable. A provision for the impairment of trade receivables is established using expected losses based on current and historical information.

h) Trade payables

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business if longer). If not, they are presented as non-current liabilities.

22% (2021: 22%) tax on profit before tax	(1,762)	(702)
Tax credit	(1,762)	(702)

A deferred tax asset has been recognised on the balance sheet as management expect that it will reduce in the future. It is expected that tax losses carried forward will be surrendered to fellow profitable group companies in the future. Management have reviewed detailed budget, backlog and forecast information as part of the review of the deferred tax asset.

11 Financial instruments

The Company's international operations expose it to a variety of financial risks that include the effects of changes in foreign currency exchange rates and interest rates.

a) Market risk

(i) Foreign exchange risk

The Company's foreign exchange risks are primarily related to the US dollar, British Pound Sterling and Euro.

In order to mitigate the Company's currency risks the Company seeks to achieve natural hedging by ensuring that expenses are borne in the same currency as related income. The Company has not entered into any foreign exchange hedge contracts at 31 December 2022 (2021: none).

(ii) Interest rate risk

The Company is exposed to interest rate risk on its interest-bearing borrowings. The Company's policy is to monitor interest rates on borrowings closely to ensure these mitigate the interest rate risk. The Company had not entered into any interest rate swap contracts at 31 December 2022 (2021: none).

(iii) Price risk

The Company is not exposed to any significant price risk in relation to its financial instruments.

b) Credit risk

The Company's credit risk relates primarily to its trade debtors and receivables. The Company's customers have throughout 2022 primarily been Group companies.

c) Liquidity risk

The Company actively holds cash on deposit and has access to revolving credit facilities that are designed to ensure that the Company has sufficient available funds for operations and planned expansions.

The Company is included in the consolidated account structure, and hence has sufficient liquid resources to meet its on-going operating requirements.

d) Capital management

The Company monitors its capital structure using the ratio of book equity to total assets and on the basis that its working capital and free and unrestricted cash remain positive.

The table below analyses the Company's non-derivative financial liabilities into relevant maturity groupings based on the remaining period from the balance sheet date to the contractual maturity date.

MOTTATT 08 APR 2013

Tillatelse til å utarbeide årsregnskap og årsberetning på engelsk språk

Det vises til deres brev av 20. mars 2013 samt telefonsamtale i sakens anledning. Det søkes om dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk for følgende selskaper:

Ocean Installer Holding AS	org. nr. 995 930 064
Ocean Installer AS	org. nr. 996 713 156
Ocean Installer Shipping AS	org. nr. 996 713 199
Ocean Installer Equipment AS	org. nr. 997 992 989
Ocean Installer Shipping Invest AS	org. nr. 998 407 605
Ocean Installer CSV Shipping AS	org. nr. 998 407 656

Skattedirektoratet gir på bakgrunn av en konkret helhetsvurdering de overnevnte selskaper dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk, jf. regnskapsloven § 3-4 tredje ledd.

Dispensasjonen forutsetter at opplysningene som vedtaket baserer seg på ikke endres vesentlig.

Bakgrunn

Ocean Installer Holding AS er morselskap for de øvrige selskaper søknaden omfatter. Ocean Installer Holding AS er eiet av investeringsfondet Hitec Vision Asset Solutions LP som er registrert på Guernsey UK. Konsernet driver innen rederivirksomhet, marin entreprenørvirksomhet og installasjonsarbeid, samt konsulentvirksomhet, prosjektutvikling og prosjektledelse overfor den marine olje- og gassindustrien. Omsetningen foregår både i Norge og i utlandet. Selskapet driver virksomhet i en internasjonal bransje der alle sentrale aktører og samarbeidspartnere behersker og benytter engelsk. Arbeidsspråket er engelsk. En norsk oversettelse vil kun ha til formål å oppfylle regnskapslovens språkkrav.

Skattedirektoratets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal "årsregnskapet og årsberetningen ... være på norsk. Departementet kan ved ... enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk."

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap m.v., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

”Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon.”

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til *“informative regnskaper for ulike grupper av regnskapsbrukere”*. Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter Skattedirektoratets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Det er særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I denne vurderingen har Skattedirektoratet lagt særlig vekt på at konsernet er eiet av et investeringsfond som er registrert på Guernsey UK. Konsernets arbeidsspråk er engelsk og all kommunikasjon skjer på engelsk. Den operative driften og omsetningen foregår både i Norge og i utlandet. Videre er det vektlagt at selskapet driver virksomhet i en internasjonal bransje der alle aktører behersker og benytter engelsk språk.
