Tillatelse til å utarbeide årsberetning og årsregnskap på engelsk språk

Vi viser til deres brev av 28. januar 2019 der det søkes om dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk for følgende selskaper:

DEEP OCEAN HOLDING AS	org.nr. 815 526 252
OCEAN HARVEST INVEST AS	org.nr. 915 526 373
ESTREMAR HOLDING AS	org.nr. 993 236 829
OCEAN HARVEST AS	org.nr. 919 849 975
PESCAMAR HOLDING II AS	org.nr. 920 387 241
OCEAN FINANCE AS	org.nr. 920 387 233

Skattedirektoratet gir på bakgrunn av en konkret helhetsvurdering selskapene nevnt ovenfor dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk, jf. regnskapsloven § 3-4 tredje ledd. Dispensasjonen gjelder så lenge opplysningene som vedtaket baserer seg på ikke endres vesentlig.

Kopi av dette brevet må sendes Regnskapsregisteret i Brønnøysund sammen med årsregnskapet. Det påligger den regnskapspliktige å dokumentere ved dette brev at tillatelsen er gitt.

Bakgrunn

Fra søknaden gjengis:

OCEAN HARVEST INVEST AS og ESTREMAR HOLDING AS har allerede fått innvilget dispensasjon.

OCEAN HARVEST INVEST AS ble etablert sommeren 2015 som et holdingselskap for eierskapet til ESTREMAR HOLDING AS. DEEP OCEAN HOLDING AS kjøpte aksjemajoriteten i selskapet høsten 2017 og har siden vært konsernspiss med en eierandel på 82,5%.

DEEP OCEAN HOLDING AS er konsernspissen hvor konsernet pr. 31.12.2018 består av selskapene: OCEAN HARVEST INVEST AS, org. nr. 915 526 373, ESTREMAR HOLDING AS,

org. nr. 993 236 829, OCEAN HARVEST AS, org. nr. 919 849 975, PESCAMAR HOLDING II AS, org. nr. 920 387 241 og OCEAN FINANCE AS, org. nr. 920 387 233 og Estremar S.A (Argentina)

DEEP OCEAN HOLDING AS - Konsernspiss med en eierandel på 82,5 % etter at selskapet kjøpte aksjemajoriteten i Ocean Harvest Invest AS høsten 2017.

OCEAN HARVEST INVEST AS - Holdingselskap til Estremar Holding AS, Pescamar holding II AS, Ocean Finance AS og Ocean finance AS i tillegg til management tjenester til konsernselskaper.

ESTREMAR HOLDING AS - Selskapet er holdingselskap med eierandelene i Estremar S.A.U. i Argentina. ESTREMAR S.A.U. - Operer frysetrâleren Centurion del Atlântico som driver fiske under Argentinsk flagg innenfor Argentinsk økonomisk sone. Selskapet driver fiskerivirksomhet med ombordproduksjon, hvor all fisk som eksporteres ut av Argentina selges gjennom Ocean Harvest AS. Selskapet har betydelige fiskekvoter og de om lag 85 ansatte har en rekke nasjonaliteter et internasjonalt preg. Alle ansatte må beherske engelsk for å utføre sitt arbeid.

OCEAN HARVEST AS - Selskapet leverer management tjenester for Estremar SA i Argentina samt kjøp og salg av fisk - hovedsakelig Patagonia Toothfish, Hoki og Southern Blue Whiting som selges hovedsakelig til kunder idet amerikanske markedet. I løpet av 2019 vil selskapet levere tilsvarende tjenester til Pescamar Holding II AS.

PESCAMAR HOLDING II AS - Selskapet er opprettet for å bli eier av en Argentinsk Surimi-produzent. Avtale er inngått og overtagelse er forventet å skje i første kvartal 2019.

OCEAN FINANCE AS - Selskapet er opprettet med fokus på finansiering av fiskebåter, i første omgang i Argentina. Konsempråket som benyttes er engelsk, den funksjonelle rapporteringsvalutaen er USD og all rapportering og kommunikasjon med eierne og styret foregår på engelsk. Ved utarbeidelse av årsregnskapet og årsberetningen for selskapene vil det være både uheldig og uhensiktsmessig å måtte en foreta oversettelse til engelsk for at brukerne av informasjon skal kunne forholde seg til informasjonen.

Konsernets 2 kredittyttere er Aker Capital AS (NO) og Catepillar Financial Services (US). Begge låneforholdene er etablert i USD og begge långivere krever at selskapene og konsernet skal rapportere på engelsk. Alle konsernets største kunder og leverandører er utenlandske. Konsernets hovedbankforbindelse er DnB som må anses å være en profesjonell aktør med hensyn til lesing av årsregnskap.

Skattedirektoratets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal "årsregnskapet og årsberetningen ... være på norsk. Departementet kan ved ... enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk."

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap m.v., er det uttalt følgende om

regnskapslovens formål, jf. pkt. 1.1:

"Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon."

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til "informative regnskaper for ulike grupper av regnskapsbrukere". Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter Skattedirektoratets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Som nevnt ovenfor er det er særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I denne vurderingen har Skattedirektoratet lagt vekt på at selskapene er en del av et konsern, hvor noen av konsernselskapene allerede har fått innvilget dispensasjon fra språkkravet i regnskapsloven. Driften foregår hovedsakelig i utlandet. Arbeidsspråket er engelsk. I tillegg opererer selskapene i en internasjonal bransje, hvor alle sentrale aktører og samarbeidspartnere innen denne bransjen behersker og benytter engelsk.

To the General Meeting of Ocean Finance AS

Independent auditor's report

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Ocean Finance AS showing a loss of USD 576. The financial statements comprise the balance sheet as at 31 December 2020, the income statement and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are prepared in accordance with law and regulations and give a true and fair view of the financial position of the Company as at 31 December 2020, and its financial performance and its cash flows for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

Basis for Opinion

We conducted our audit in accordance with laws, regulations, and auditing standards and practices generally accepted in Norway, including International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company as required by laws and regulations, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

Management is responsible for the other information. The other information comprises information in the annual report, except the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Board of Directors and the Managing Director for the Financial Statements

The Board of Directors and the Managing Director (management) are responsible for the preparation in accordance with law and regulations, including fair presentation of the financial statements in accordance with the Norwegian Accounting Act and accounting standards and practices generally

accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern. The financial statements use the going concern basis of accounting insofar as it is not likely that the enterprise will cease operations.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with laws, regulations, and auditing standards and practices generally accepted in Norway, including ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with laws, regulations, and auditing standards and practices generally accepted in Norway, including ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error. We design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Opinion on the Board of Directors' report

Based on our audit of the financial statements as described above, it is our opinion that the information presented in the Board of Directors' report concerning the financial statements, the going

concern assumption and the proposed allocation of the result is consistent with the financial statements and complies with the law and regulations.

Opinion on Registration and Documentation

Based on our audit of the financial statements as described above, and control procedures we have considered necessary in accordance with the International Standard on Assurance Engagements (ISAE) 3000, *Assurance Engagements Other than Audits or Reviews of Historical Financial Information*, it is our opinion that management has fulfilled its duty to produce a proper and clearly set out registration and documentation of the Company's accounting information in accordance with the law and bookkeeping standards and practices generally accepted in Norway.

ACCOUNTING PRINCIPLES

ACCOUNTING PRINCIPLES, BASIS FOR PREPARATION AND ESTIMATES

The annual financial statements have been prepared in accordance with the Norwegian Accounting Act and generally accepted accounting practice in Norway.

Accounting principles

The accounting principles presented below have been applied consistently for all periods and companies presented in the financial statements. In the case of significant changes, comparative figures have been reclassified in accordance with this year's presentation.

Classification and valuation of balance sheet items

Current assets and liabilities relate to items that fall due for payment within one year of the time they are acquired or incurred, and items connected to the circulation of goods. Other items are classified as non-current assets/liabilities. Current assets are valued at the lower of cost and fair value. Current liabilities are recognized in the balance sheet at their nominal amount at the time they are incurred. Non-current assets are recorded at cost, but written down to fair value when any impairment is not considered to be of a temporary nature. Non-current liabilities are recognized in the balance sheet at their nominal amount at the time they are incurred.

Receivables

Trade and other receivables are recognized at nominal value in the balance sheet less provisions for expected bad debts. Bad debt provisions are based on an individual assessment of each receivable. A non-specific provision is also recognized to cover expected bad debts on other trade receivables.

Foreign currency

Monetary items denoted in foreign currency are valued at the rate in force at the end of the financial year.

Taxes

The tax expense in the income statement comprises both taxes payable for the period and changes in deferred tax liabilities/assets. The tax rate for 2020 is 22%. Deferred tax is calculated as 22% of the basis of temporary differences that exist at the end of the financial year between the accounting and tax written down values, and tax loss carried forward. Tax-reducing and tax-increasing temporary differences that reverse or could reverse in the same period are set off. Net deferred tax assets are recognized in the balance sheet to the extent that it is probable that these can be utilized.

To the extent that group contributions are not recognized in the income statement, the tax effect of the group contributions is recognized directly against the investment in the balance sheet

Statement of cash flow

The cash flow statement has been prepared in accordance with the indirect method. Cash and cash equivalents include cash, bank deposits and other current liquid investments.

ANNUAL REPORT 2020 | Ocean Finance AS

ACCOUNTING PRINCIPLES

Use of estimates

The preparation of the annual financial statements in accordance with generally accepted accounting practice requires management to make estimates and assumptions that affect the reported amounts in the income statement, the valuation of assets and liabilities and information on contingent assets and liabilities at the balance sheet date. Probable and quantifiable contingent losses are expensed on an ongoing basis.

USD as functional currency

All transactions in other currencies than USD are calculated from transaction currency to USD on the daily actual date's exchange rates.
