### Explanation of the financial statement

#### Parent company

Gondol Holding AS has no sales in 2022. The net loss after tax is TNOK -138.

The combined cash flow from operational activities in the parent company is TNOK -90. The operating loss is TNOK -167. The combined cash flow from investment activities is TNOK -1 306 456 and the combined cash flow from financial activities is TNOK 1 311 456.

The parent company's liquidity is TNOK 4 950 as of 31.12.2022.

The total assets by the end of the year are TNOK 4 956 compared to TNOK 40 the previous year.

The equity ratio as of 31.12.2022 99,9% compared to 100% as of 31.12.2021.

There has not been any research and development activities during the year.

#### The Group

The revenue of the Group is TNOK 1 044 656 for 2022. The net loss after tax is TNOK -374 141.

The combined cash flow from operational activities in the Group is TNOK 265 221. The operating loss is TNOK -357 396. The combined cash flow from investment activities is TNOK -3 615 141 and the combined cash flow from financial activities is TNOK 3 400 282.

The Group's liquidity is TNOK 50 362 as of 31.12.2022.

The total assets by the end of the year are TNOK 3 844 882.

The equity ratio as of 31.12.2022 is 51,4%.

#### Risks

##### Financial risk

The financial risk for the Group is mainly related to changes in currency rates (NOK against other currencies), changes in interest rates, credit risk from customers (accounts receivable) and liquidity risk.

The Group is exposed to currency risk from the operations of Active Brands's subsidiaries, and it's mainly USD (related to purchase of goods) and SEK, EUR, USD and DKK related to selling of goods. The Active Brands Group has established a hedging policy and uses future contract to mitigate the currency risk.

##### Credit risk

The risk related to accounts receivable is mitigated by closely monitoring the customers. In addition, the Active Brands Group holds credit insurances and non-recourse factoring for the majority of the customers.

##### Liquidity risk

Due to the reduced profit levels and an increase in net debt (caused primarily by inventory build-up), the Active Brands Group is found to have breached a covenant before the reporting date. The group had anticipated this breach and opened discussion with the lender related to the outstanding debt facilities and future covenants before year end. Subsequently, the group received a waiver for the year-end covenant breach.

During 2023, the owners of the Active Brands structure and the lender have reached an agreement on funding and financing structure for the group, including revised covenants. The steps taken ensure that the group will have access to sufficient liquidity to pay its short-term liabilities as they fall due.

##### Market risk

Market risk is related to the market conditions, the competitive situation, and the consumption behaviour in the markets in which the company operates. Most of the turnover consists of pre-orders from customers. This gives more visibility for future sales and reduces the risk of large inventory build-up. Most of the Group's products are produced in Asia.

##### Future development

Key risks and uncertainties are related to the general market conditions.

##### Environmental, Social, Governance (ESG)

Through the ESG work executed by Active Brands AS, the parent company and the Group demonstrate a strong commitment to addressing environmental and human rights risks by establishing clear requirements and taking responsibility for prioritized risks. The Group's efforts are outlined in Active Brands AS's 2022 ESG impact report, which is publicly available on the company's website, [www.activebrands.com/sustainability](http://www.activebrands.com/sustainability).

The report also highlights the company's climate accounting efforts and approach towards meeting the requirements of the Norwegian Transparency Act. Gondol Holding AS is covered by the transparency act since Active Brands AS, subsidiary in the same Group, is covered.

Employee and other ESG related organizational details which are not disclosed in the ESG report are outlined below:

Liability insurance has been entered by Active Brands AS into for the Board of Directors, to cover the legal liability that Board members and senior executives may face. Gondol Holding AS is also covered by this liability insurance. The insurance policy also covers the costs of processing any damages claims made, and documenting the facts related to these.

The Group works actively to promote equality, ensure equal opportunities and rights and prevent discrimination, and has a goal of being a workplace with full gender equality.

Both the parent company and the Group do not have any activity that substantially pollutes the external environment from the office activities. From the business and third-party impact on overall footprint, KPI's are closely tracked by ESG manager.

Gondol Holding AS does not have any employees. However, the majority of employees in the Group are in Active Brands AS. There is limited number of employees in the companies further down the Group.

Active Brands AS works actively to promote equality, ensure equal opportunities and rights and prevent discrimination, and has a goal of being a workplace with full gender equality. This is done both in internal and external recruiting processes and we encourage women to apply for vacancies in order to balance the gender distribution in the company, especially in senior positions. The chart shows the gender balance for 2022:

### Note 1 Accounting Principles

The Annual Accounts have been prepared in accordance with the Norwegian Accounting Act of 2023 and the Generally Accepted Accounting Practices in Norway.

#### Consolidation principles

The consolidated financial statements consist of Gondol Holding AS and its subsidiaries, where Gondol Holding AS has a controlling interest through legal or actual control. The consolidated Financial Statements are prepared according to uniform principles, implying that the same accounting principles as the parent company is applied on the subsidiaries. The consolidated financial statements are prepared as if the group's entities were one economic unit. All inter-transaction and inter-company balances between the units of the group are eliminated. Investments in companies where the group has significant influence (associate companies) are treated in accordance with the equity method in the consolidated financial statements. Significant influence normally exists when the group owns between 20 and 50 percent of the voting capital.

Shares in subsidiaries are eliminated in accordance with the acquisition method. This involves the acquired company's assets and liabilities being assessed at fair value on the date of acquisition, and any value added is classified as goodwill.

#### Accounting principles for shares in subsidiaries and affiliated companies

Subsidiaries are assessed according to the cost method in the Financial Statements. The investment is assessed as the cost of acquisition of the shares unless write-downs have been necessary. Write-downs to fair value are made when impairment is due to causes which cannot be assumed to be temporary, and it is considered necessary according to good accounting practice. Write-downs are reversed when the foundation of the write-down no longer occurs.

Dividends and other distributions are recognized the same year as the accrual in the subsidiary.

The Equity Method is used in the Consolidated Financial Statements as principle for investments in affiliated companies. By using the method, the recognized value in the balance sheet corresponds to the share of equity in the affiliated company, corrected for the possible remaining surplus values from the acquisition and unrealized internal profits. The share of net profit in the income statement is based on the share of net profit after tax in the affiliated company and is corrected for possible depreciations on surplus values and unrealized profits. In the income statement, the share of the net profit appears under financial items.

#### Valuation and classification of assets and liabilities

Assets intended for permanent ownership or use in the business are classified as non-current assets. Other assets are classified as current assets. Receivables due within one year are classified as current assets. The classification of current and non-current liabilities is based on the same criteria. Other assets are classified as current assets. Receivables due within one year are classified as current assets.

Current assets are valued at the lower of historical cost and fair value.

Fixed assets are carried at historical cost, but are written down to their recoverable amount if this is lower than the carrying amount and the decline is expected to be permanent. Fixed assets with a limited economic life are depreciated on a systematic basis in accordance with a reasonable depreciation schedule.

#### Foreign currency

All balance sheet items denominated in foreign currencies are translated into NOK at the exchange rate prevailing.

#### Intangible assets

Expenses relating to the development of intangible assets, including research and development expenses, are capitalized when it becomes probable that the future economic benefits arising from the assets will accrue to the company, and the cost of the assets can be reliably measured.

Intangible assets that are acquired separately, are recognized at historical cost. Intangible assets acquired in a business combination, are recognized at historical cost when the criteria for balance sheet recognition have been met.

Intangible assets with a limited economic life are amortized on a systematic basis. Intangible assets are written down to the recoverable amount if the expected economic benefits are not covering the carrying amount and any remaining development costs.

#### Fixed assets

Tangible fixed assets are recognized on the balance sheet and depreciated over the expected economic lifetime of the asset. Direct maintenance of the fixed assets is expensed under operating costs, while upgrades or improvements are added to the fixed assets acquisition cost and depreciated in line with the fixed asset. If the recoverable amount of the fixed assets is lower than the booked value, the fixed assets are written down to the recoverable value. A recoverable value is the highest of net sales value and value in use. Value in use is the net present value of the future cash flows the fixed assets will generate.

#### Hedging

The group has a strategy for currency hedging which is audited annually. The hedging is made with forward contracts in USD, EUR, SEK and DKK. The objective is to hedge the purchase of goods from suppliers in Asia and Europe, and to hedge revenue from sale to foreign customers. The duration of the forward contracts is 6 to 12 months. In 2022 the recorded loss from hedging was 67,5 MNOK. The gain has reduced sales and increased cost of goods sold.

#### Inventories

Inventories are recognized at the lower of cost in accordance with the FIFO method and net realizable value. For raw materials and work in progress, the net realizable value is based on estimated selling price of finished goods, less the remaining production and sales costs. Self-produced goods are recognized at the lower of full production cost and fair value.

#### Revenues

##### Sale of goods:

Revenue is recognized when it is earned, i.e. when both the risk and control have been mainly transferred to the customer. This will normally be the case when the goods are delivered to the customer. The revenue is recognized with the value of the remuneration at the time of transaction.

##### Sale of services:

Revenue is recognized when it is earned, i.e. when the claim to remuneration arises. This occurs when the service is performed, as the work is being done. The revenue is recognized with the value of the remuneration at the time of transaction.

2021 ID: ATP805AB-00ES-000E-128100010E10

## Receivables

Trade receivables and other receivables are recognised at nominal value, less the accrual for expected losses of receivables. The accrual for losses is based on an individual assessment of each receivable.

## Cash and equivalents

Cash and cash equivalents include cash, bank deposits and other monetary instruments with a maturity of less than three months at the date of purchase.

## Pensions

Defined contribution plans are accounted for according to the matching principle. Contributions to the pension plan are recorded as expenses. The pension scheme is financed through payments to an insurance company. Companies in the group which have employees has defined contribution pension scheme in accordance with local requirements.

## Cost of sales and other expenses

In principle, cost of sales and other expenses are recognised in the same period as the revenue to which they relate. In instances where there is no clear connection between the expense and revenue, the apportionment is estimated. Other exceptions to the matching criteria are disclosed where appropriate.

## Tax

The tax cost in the income statement includes both payable taxes for the period and changes in deferred tax. Deferred tax is calculated based on the temporary differences that exist between accounting and tax values, as well as any possible taxable loss carried forwards at the end of the accounting year. Tax-enhancing and tax-reducing temporary differences, which are reversed or may be reversed in the same period, have been offset. Deferred tax liabilities and deferred tax benefit are presented net in the balance sheet. To the extent that the group contribution is not recognized in the income statement, the tax effect of the group contribution is recognized directly against the investment on the balance sheet.

## Cash flow statement

The cash flow statement is prepared by the indirect method. Cash and cash equivalents consist of cash, bank deposits, and other short-term liquid positions.

#### Goodwill

Goodwill is related to the acquisition of Active Brands AS in 2022. The company has chosen an economic lifetime of 15 years for goodwill. It is natural that the goodwill is closely related to the group business, which can be classified as brand related business. The brands are valued separately, but goodwill is considered to be related to the future ability to grow through mergers and development of new brands in the group, as well as geographic presence. Further, the goodwill is related to the ability to win future customers through trade knowledge and sales competence. Thus, the company believes there is a clear connection between goodwill and brands and have therefore chosen an economic lifetime that exceeds 5 years.

#### Brand

Brand is related to the acquisition of Active Brands AS in 2022. The company has chosen an economic lifetime of 25 years for brands. The group is developing positively, and the brands are expected to have a good profitability going forward. There are no time limitations attached to these values, and there are material investments in marketing, design, and development to strengthen the brands both in Norway and internationally.

#### Client relations

Client relations are related to the acquisition of Active Brands AS in 2022. The company has chosen an economic lifetime of 15 years for client relations. The company has a churn rate close to 0 in the Nordic region today, but a change in trade pattern in terms of new e-commerce players, international growth as well as historical figures from the industry, implies that the rate is expected to rise. Hence, the economic lifetime is determined to 15 years.

## Note 6 Property, plant and equipment

To the General Meeting of Gondol Holding AS

## INDEPENDENT AUDITOR'S REPORT

### Opinion

We have audited the financial statements of Gondol Holding AS, which comprise:

- The financial statements of the parent company Gondol Holding AS (the Company), which comprise the balance sheet as at 31 December 2022, the income statement and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and
- The consolidated financial statements of Gondol Holding AS and its subsidiaries (the Group), which comprise the balance sheet as at 31 December 2022, the income statement and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion:

- the financial statements comply with applicable statutory requirements,
- the financial statements give a true and fair view of the financial position of the Company as at 31 December 2022, and its financial performance and its cash flows for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and
- the consolidated financial statements give a true and fair view of the financial position of the Group as at 31 December 2022, and its financial performance and its cash flows for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company and the Group as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other Information

The Board of Directors (management) is responsible for the information in the Board of Directors' report. The other information comprises information in the annual report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the information in the Board of Directors' report.

In connection with our audit of the financial statements, our responsibility is to read the Board of Directors' report. The purpose is to consider if there is material inconsistency between the Board of Directors' report and the financial statements or our knowledge obtained in the audit, or whether the Board of Directors' report otherwise appears to be materially misstated. We are required to report if there is a material misstatement in the Board of Directors' report. We have nothing to report in this regard.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited ("DTTL"), its global network of member firms, and their related entities (collectively, the "Deloitte organization"). DTTL (also referred to as "Deloitte Global") and each of its member firms and related entities are legally separate and independent entities, which cannot obligate or bind each other in respect of third parties. DTTL and each DTTL member firm and related entity is liable only for its own acts and omissions, and not those of each other. DTTL does not provide services to clients. Page 2  
Independent Auditor's Report -  
Gondol Holding AS

Based on our knowledge obtained in the audit, it is our opinion that the Board of Directors' report

- is consistent with the financial statements and
- contains the information required by applicable statutory requirements.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's and the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern. The financial statements use the going concern basis of accounting insofar as it is not likely that the enterprise will cease operations.

#### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error. We design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's and the Group's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company and the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and the Group to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves a true and fair view.
- obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

## Dispensasjon fra kravet om å utarbeide årsregnskap og årsberetning på norsk

Vi viser til søknad om dispensasjon fra kravet om å utarbeide årsregnskap og årsberetning på norsk for følgende selskaper:

Gondol Holding AS org.nr. 925 905 623  
Voss Investco AS org.nr.928 434 885  
Voss Holdco AS org.nr. 928 434 931  
Voss Bidco AS org.nr. 928 431 118

Skattekontoret gir på bakgrunn av en konkret helhetsvurdering selskapene dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk, jf. regnskapsloven § 3-4 tredje ledd. Dispensasjonen forutsetter at engelsk språk benyttes i stedet ved utarbeidelsen, og at øvrige opplysninger som vedtaket baserer seg på, heller ikke endres vesentlig.

Kopi av dette brevet må sendes Regnskapsregisteret i Brønnøysund sammen med årsregnskapet. Det påligger den regnskapspliktige å dokumentere ved dette brev at tillatelsen er gitt.

### Bakgrunn

Fra søknaden siteres:

*Active Brands konsernet står bak de merkevarene Kari Traa, Sweet Protection, Dæhlie, Johaug, Bula og Åsnes. I 2023 forventes det at ca 60% av omsetningen vil være utenfor Norge og konsernet har datterselskaper i alle Nordiske land, Tyskland, USA og Kina.*

*Bakgrunnen til ønsket for å om å levere årsregnskap på engelsk er som følger:*

- Eierne av konsernet er private equity selskapene FSN Capital Group og Verdane som er lokalisert på Jersey og i Stockholm*
- Styrene i selskapene består av både norske samt engelsktalende medlemmer fra USA, Tyskland og Sverige.*
- Konsernets arbeidsspråk er engelsk.*

- *Active Brands AS, som er datterselskap av Voss Bidco, utgjør hovedselskapet i konsernet fikk tillatelse til å innlevere engelsk årsregnskap i2019.*

### **Skattekontorets vurdering**

Etter regnskapsloven § 3-4 tredje ledd skal *"årsregnskapet og årsberetningen ... være på norsk. Departementet kan ved ... enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk."*

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap mv., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon.

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til *"informative regnskaper for ulike grupper av regnskapsbrukere"*. Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte, kunder og lokalsamfunnet.

Det er etter skattekontorets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Som nevnt ovenfor er det særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I dette tilfellet er det opplyst at selskapets eiere og flere av styremedlemmene er engelskspråklige og vil ikke ha mulighet for å forstå årsregnskap og årsberetning på norsk. Skattekontoret finner at disse forholdene samlet tilsier at dispensasjon fra kravet om å utarbeide årsregnskap og årsberetning på norsk kan gis.

Vennligst oppgi vår referanse ved henvendelse i saken.
