CHAMPION TANKERS AS
Financial statements 2022

CHAMPION TANKERS AS

Directors' Report 2022

Operating activities

Champion Tankers AS is a ship operator running a pool of MR size chemical/product tankers. The company is located in Bergen, Norway.

The company operates at any given time 20-24 vessels within the Edible oil/Fertilizer/Caustic Soda market and is firmly established as one of the leading and most reputable commercial operators in this niche. This reputation is a result of close co-operation with several of the major industrial charterers in our trade.

Financial review

In 2022 Champion Tankers AS generated gross operating revenue of USD 384,7 mill compared to USD 185,1 mill for the year 2021.

Operating profit (EBIT) in 2022 is USD 2 272 649, up from USD 175 934 mill in 2021.

The net profit for the year is USD 3 380 526 compared to USD 183 651 mill for the previous year.

A very strong freight market in combination with increased number of vessel running days caused the increase in profit from 2021 to 2022.

Employees

The working environment is considered to be good, and efforts for improvements are made on an ongoing basis. No incidences or work related accidents occurred during the year. Total absence due to sickness was 25 days, which is 0,8%.

Equality

The company has 12 employees, 4 women and 8 men. The board of directors consists of 2 men. Based on an assessment of the number of employees and job categories, the board has not found it necessary to implement special measures with regard to gender equality. Our policy is to treat all employees equally, irrespective of ethnic background, gender, religion or age.

Environmental risk

Operation of vessels has an impact on the environment in general. The technical operations of the vessels are handled by recognised managers with extensive experience. Constant focus on preventing environmental impact is a natural part of our activities in which we invest substantial resources. Through the company's own internal control procedures and the technical managers' Quality Assurance Systems, all procedures and routines for preventing pollution and environmental impact, are continuously monitored.

Financial risk and risk management

The company is exposed to financial risk in different areas. The company is exposed to risk related to fluctuations in market freight rates due to trading in the spot market. The company has reduced this risk to a certain degree by entering into long-term contracts of affreightment (COAs).

All revenues are denominated in USD. There is currency risk related to payroll- and administration expenses in NOK. The company's strategy include the use of currency forward contracts when the timing is correct.

CHAMPION TANKERS AS ***Directors' Report 2022***

Credit risk is considered low based on historical low losses on receivables. Liquidity risk is considered low due to a stable cash position and satisfactory cash management.

The company does not have an insurance to cover the liabilities of the board members or general manager.

The Transparency Act

On 1st of July 2022 The Norwegian Transparency Act came into force. The Act shall promote enterprises' respect for fundamental human rights and decent working conditions. In compliance with the new requirements, we will publish our transparency report on our website within 30th of June 2023.

Market outlook

Our market segment is influenced by the Clean Petroleum Product (CPP) market in general. In 2021 the COVID-19 virus outbreak had impact on the world trade in general resulting in lower demand for CPP and lower freight rates. In 2022 we have seen a bounce-back in seaborne trade volumes as oil demand has recovered as a result of Covid-19 vaccination programmes worldwide. From February 2022 the Russian invasion of Ukraine has affected the world trade and the transport industry resulting in changed trade flows and increasing ton-miles. The order book of newbuildings are historically low, and refined product inventories in the western hemisphere at all-time low levels. Based on this the outlook for our market remains very strong in 2023.

Going concern

The Board of Directors confirms that the annual accounts for 2022 have been prepared on a going concern basis.

It is the Board's opinion that the financial statements provide a fair view of the Company's assets and liabilities, financial position and results.

Champion Tankers AS

Notes to the financial statements 2022

Note 1 – Accounting principles

The company is a part of the Nesttun Invest Group. The parent company, Nesttun Invest AS of Tveiter-aasveien 12, 5232 Paradis, Norway, prepares group accounts. The group accounts are available at the business address of Nesttun Invest AS.

The financial statements are prepared in accordance with The Norwegian Accounting Act of 1998 § 3-9 and the corresponding regulations for simplified IFRS (2014) approved by the Norwegian Ministry of Finance on 3rd of November 2014. This implies that the Financial Statements are prepared in accordance with the International Financial Reporting Standards (IFRS) approved by the EU for measurement and recognition purposes. However, presentation and note disclosures are prepared in accordance with The Norwegian Accounting Act and Norwegian Generally Accepted Accounting Principles.

The financial statements are based on historical cost save for financial instruments which are carried at fair value.

The accounting principles are described below.

Principal rule for valuation and classification of assets and liabilities

Assets meant for permanent ownership or use in the business are classified as non-current assets. Other assets are classified as current assets. Accounts receivables due within one year are classified as current assets. The classification of current and non-current liabilities is based on the same criteria.

Non-current assets are carried at historical cost, but are written down if a decline in fair value below the carrying amount is expected to be permanent. Non-current assets with a limited economic life are depreciated in accordance with a reasonable depreciation schedule.

Functional currency and presentation currency

These financial statements are presented in USD which is the functional currency of the company. All figures in the notes are expressed in USD.

Financial instruments

Financial instruments are recognised at the fair value on the balance sheet date. The fair value is obtained from third party quotes. Changes in the fair value are recognised in profit or loss. For cash and cash equivalents and current liabilities, the carrying amount is considered to be best estimate of fair value due to short maturity date and valid terms.

Leases

The company recognises a right of use asset and a lease liability at the lease commencement date. The right of use asset is initially recognised at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses. Depreciation is calculated using a straight-line method from the commencement date to the end of the lease term.

Champion Tankers AS

Notes to the financial statements 2022

Note 1 continued – Accounting principles

Pension plans

Pension liabilities covered by insurance companies are not recognised in the balance sheet. All premiums paid to insurance companies are recognised as pension expenses in the income statement.

Income taxes

The tax expense consists of current income tax expense and change in net deferred tax. The tax expense is allocated to ordinary income and the effect of extraordinary items in accordance with the tax base. Deferred tax liabilities and deferred tax assets are presented in the balance sheet as a net amount.

Revenue recognition

The company operates a pool of MR product tankers through a commercial management agreement.

The company acts as a principal for the vessels in the pool according to IFRS 15. The company acts as a principal for the vessels in the pool due to the fact that the freight services delivered to the customers are controlled by Champion Tankers. Revenue generated from all vessels in the pool is recognised as gross revenue in the income statement.

Freight revenue

Revenue from voyage charters is recognised rateably on a loading-to discharge basis. Revenue from time charter contracts is recognised over the term of the charter based on onhire days. Revenue on cutoff voyages is recognised based on the number of days before and after the balance sheet date.

Other operating income

Other operating income is recognised in the income statement when the income generating activities have been carried out on the basis of a binding agreement. The income is measured to the price at the time of the transaction.

Operating expenses

Operating expenses are recognised in the income statement in the same period as the corresponding income.

Note 2 - Related parties transactions

USD 1,5 mill of operational margin is related to group companies and joint ventures.

Note 3 – Other operating income

Other operating income consists of commercial management fees and administration fees.

Champion Tankers AS

To the General Meeting of Champion Tankers AS

INDEPENDENT AUDITOR'S REPORT

Opinion

We have audited the financial statements of Champion Tankers AS (the Company), which comprise the balance sheet as at 31 December 2022, the income statement, statement of comprehensive income and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion

- the financial statements comply with applicable statutory requirements, and
- the financial statements give a true and fair view of the financial position of the Company as at 31 December 2022, and its financial performance and its cash flows for the year then ended in accordance with simplified application of international accounting standards according to section 3-9 of the Norwegian Accounting Act.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Board of Directors and the Managing Director (management) are responsible for the information in the Board of Directors' report. The other information comprises information in the annual report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the information in the Board of Directors' report.

In connection with our audit of the financial statements, our responsibility is to read the Board of Directors' report. The purpose is to consider if there is material inconsistency between the Board of Directors' report and the financial statements or our knowledge obtained in the audit, or whether the Board of Directors' report otherwise appears to be materially misstated. We are required to report if there is a material misstatement in the Board of Directors' report. We have nothing to report in this regard.

Based on our knowledge obtained in the audit, it is our opinion that the Board of Directors' report

- is consistent with the financial statements and
- contains the information required by applicable statutory requirements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with simplified application of International Accounting Standards according to the Norwegian Accounting Act section 3-9, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited ("DTTL"), its global network of member firms, and their related entities (collectively, the "Deloitte organization"). DTTL (also referred to as "Deloitte Global") and each of its member firms and related entities are legally separate and independent entities, which cannot obligate or bind each other in respect of third parties. DTTL and each DTTL member firm and related entity is liable only for its own acts and omissions, and not those of each other. DTTL does not provide services to clients. Please see www.deloitte.no to learn more.

Page 2
Independent Auditor's Report -
Champion Tankers AS

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error. We design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves a true and fair view.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

CHAMPION TANKERS AS
Postboks 413 Nesttun
5853 BERGEN

Tillatelse til å utarbeide årsregnskap og årsberetning på engelsk språk

Vi viser til deres brev av 5. desember 2016 der det søkes om dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk for følgende selskaper:

Champion Shipping AS	org.nr. 967 074 888
Champion Tankers AS	org.nr. 980 512 738
Trust AS	org.nr. 996 330 389
Ebony AS	org.nr. 814 720 942

Skattedirektoratet gir på bakgrunn av en konkret helhetsvurdering de ovennevnte selskapene dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk, jf. regnskapsloven § 3-4 tredje ledd. Dispensasjonen forutsetter at opplysningene som vedtaket baserer seg på ikke endres vesentlig.

Kopi av dette brevet må sendes Regnskapsregisteret i Brønnøysund sammen med årsregnskapet. Det påligger den regnskapspliktige å dokumentere ved dette brev at tillatelsen er gitt.

Bakgrunn

Selskapene inngår i Nesttun Invest konsernet der konsernspissen er Nesttun Invest AS. Konsernet driver med rederivirksomhet. Virksomheten foregår i utlandet. Arbeidsspråket er engelsk. Alle sentrale aktører og samarbeidspartnere innen denne bransjen behersker og benytter engelsk. En norsk oversettelse vil kun ha til formål å oppfylle regnskapslovens språkkrav.

Skattedirektoratets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal *"årsregnskapet og årsberetningen ... være på norsk. Departementet kan ved ... enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk."*

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap m.v., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

"Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som

Postadresse Postboks 9200 Grønland 0134 Oslo	Besøksadresse: Se www.skatteetaten.no Org.nr: 996250318 E-post: skatteetaten.no/sendepost	Sentralbord 800 80 000 Telefaks 22 17 08 60
----------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------

tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon.”

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til “*informative regnskaper for ulike grupper av regnskapsbrukere*”. Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter Skattedirektoratets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Det er særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I denne vurderingen har Skattedirektoratet lagt vekt på at selskapene inngår i et konsern. Eierkretsen er begrenset. Arbeidsspråket er engelsk. Videre er det vektlagt at alle sentrale aktører og samarbeidspartnere innen denne bransjen behersker og benytter engelsk.

Vennligst oppgi vår referanse ved henvendelser i saken.
