The financial statements for the Company have been prepared on the basis of going concern assumption in accordance with the Norwegian Accounting Act § 3-3a.

2. Summary of material accounting policies

General

The financial statements of the Company have been prepared in accordance with the Norwegian Accounting Act § 3-9 and Finance Ministry's prescribed regulations on simplified IFRS. Principally this means that recognition and measurement complies with the IFRS Accounting Standards as adopted by the EU and presentation and note disclosures are in accordance with the Norwegian Accounting Act and generally accepted accounting principles. In 2023 the financial statement was prepared in accordance with NGAAP for small entities.

The fiscal year is the same as the calendar year.

Group companies

DOF Group ASA companies are defined as DOF Group ASA and its subsidiaries including companies within the DOF Subsea Group.

Conversion of foreign currency

a) Foreign currency

The Company has ownership in companies with global operation with the main currency USD and the functional currency is USD. The statements are presented in USD thousand.

b) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the transaction date. Foreign exchange gains and losses resulting from the settlement of such transactions are presented as realised currency gain/loss under financial items. Similarly, the conversion at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised as unrealised currency gain/loss.

Classification of assets and liabilities

Assets are classified as current assets when:

- the asset forms part of the entity's operating cycle, and is expected to be realised or consumed over the course of the entity's normal operations; or

- the asset is expected to be realised within 12 months after the reporting period

All other assets are classified as non-current assets.

Liabilities are classified as current liabilities when:

- the liability forms part of the entity's operating cycle, and is expected to be realised or consumed over the course of the entity's normal operations; or
- the liability is held for trading; or
- settlement of the liability has been agreed upon within 12 months after the reporting period; or
- the entity does not have an unconditional right to postpone settlement of the liability until at least 12 months after the reporting period

All other liabilities are classified as non-current liabilities.

Statement of cash flows

The statement of cash flow is prepared in accordance with the indirect model.

New standards, amendments and interpretations

There were no new material or amended standards, or interpretations, that are relevant for the Company in 2024.

New standards, amendments and interpretations not yet adopted

There are no new material or amended standards, or interpretations not yet adopted, that are relevant for the Company in 2024.

Other material accounting policies

Other material accounting policies are presented directly in the relevant disclosures.

3. Financial risk management

Financial risk factors

The Company is exposed to various types of financial risk relating to its ongoing business operations: foreign exchange risk, credit and liquidity risk, and cyber risk. The Company's governing risk management strategy focuses on minimising the potential negative effects on the Company's results.

Foreign exchange risk

Foreign exchange risk arises when future commercial transactions, contractual obligations, non-current liabilities and investments are in different currencies than USD. The Company aims to achieve a natural hedge between cash inflows and cash outflows and manages remaining foreign exchange risk arising from commercial transactions, assets and liabilities by forward contracts and similar instrument as appropriate.

Foreign exchange rate changes in receivables and liabilities are recognised in the net financial income/loss section in the statement of profit or loss. Fluctuations in foreign exchange rates will therefore influence the Company's statement of profit or loss and balance sheet.

Credit and liquidity risk

Credit and liquidity risk arises from cash and cash equivalents, and deposits with banks. Liquidity risk management implies maintaining sufficient cash, marketable securities, available funding through committed and uncommitted credit facilities and ability to close

DOF Offshore Holding 2 AS

market positions. The Company has routines to report cash flow forecasts on a regular basis in order to monitor the Company's future liquidity positions.

Cyber risk

The ongoing digitalisation of routines and operations heightens the vulnerability of the Company's business information and communication systems to both external and internal cyber-attacks. To manage this risk, the Group works systematically to make the organization more resistant to cyberattacks and reduce the consequences of breaches. Cyber Security is an integrated part of the organization and internal training material.

4. Remuneration to Board of Directors, Executives, and Auditor

The Company has no employees. No salaries or other remuneration have been paid to the members of the Board of Directors. No loans or guarantees have been provided for the members of the Board of Directors.

6. Tax

Current and deferred income tax

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting date where the Company generate taxable income..

The Company periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and establishes provisions for uncertain tax positions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements per IAS 12 'Income taxes'. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the balance sheet date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. Deferred tax assets are recognised in the balance sheet

Group Contributions

Tax reduction on group contributions given and tax on group contribution received, taken directly to equity, are booked directly against tax in the Balance sheet (offset against payable taxes if the group contribution has affected payable taxes, and offset against deferred taxes if the group contribution has affected deferred taxes).

7. Investments in subsidiaries

The investment is valued as cost of the shares in the subsidiaries, less any impairment losses. An impairment loss is recognised if the impairment is not considered temporary, in accordance with generally accepted accounting principles.

To the General Meeting of DOF Offshore Holding 2 AS

Independent Auditor's Report

Opinion

We have audited the financial statements of DOF Offshore Holding 2 AS (the Company), which comprise the balance sheet as at 31 December 2024, the statement of profit or loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion the financial statements comply with applicable statutory requirements, and the financial statements give a true and fair view of the financial position of the Company as at 31 December 2024, and its financial performance and its cash flows for the year then ended in accordance with simplified application of international accounting standards according to section 3-9 of the Norwegian Accounting Act.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Board of Directors (management) is responsible for the information in the Board of Directors' report. The other information comprises information in the annual report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the information in the Board of Directors' report.

In connection with our audit of the financial statements, our responsibility is to read the Board of Directors' report. The purpose is to consider if there is material inconsistency between the Board of Directors' report and the financial statements or our knowledge obtained in the audit, or whether the Board of Directors' report otherwise appears to be materially misstated. We are required to report if there is a material misstatement in the Board of Directors' report. We have nothing to report in this regard.

Based on our knowledge obtained in the audit, it is our opinion that the Board of Directors' report

- is consistent with the financial statements and
- contains the information required by applicable statutory requirements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with simplified application of International Accounting Standards according to the Norwegian Accounting Act section 3-9, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. Permission to prepare the annual accounts and directors' report in English language

With reference to your letter of 7 January 2025 with respect to the above matter regarding:

DOF Offshore Holding AS org.nr. **932 170 434**
Dof Offshore Holding 2 AS org.nr. **932 170 086**

Based on a total evaluation, the view of the tax office is that the companies may make the directors' report and annual accounts in English language according to the Norwegian Accounting Act § 3-4 third paragraph. The exemption requires that the information the decision is based on, does not change significantly.

A copy of this letter must be sent to the Register of Company Accounts in Brønnøysund together with the financial statements. It is incumbent on the companies to document by this letter that the permit is granted.

Background

The companies are part of an international group which owns and operates a modern fleet of offshore/subsea vessels and owns engineering capacity to service the subsea market. The working language for the company group is English.

Condition for the permission

According to the Norwegian Accounting Act § 3-4, third paragraph shall "the directors' report and annual accounts (...) be in Norwegian. The Ministry can in an individual decision decide that the directors' report and/or annual accounts may be in another language".

Ot. prp. nr. 42 (1997-1998) About Act about annual accounts etc., says the following about the purpose of the Accounting Act, refer section 1.1:

"The aim of the Government with respect to the Accounting Act is that it shall contribute towards providing informative accounts for different users of accounts. The users of accounts include investors and creditors, which provide capital for the companies. Other

groups include those who have an interest in knowing how the companies are operated, for example employees and the local community. The information to the capital market is an important basis for the correct pricing of financial instruments. The correct pricing of stocks is an important factor in securing the best possible allocation of resources in the economy. High quality accounts will also make it more difficult for market participants to obtain speculative gains as a result of non-publicly available information.”

One of the main goals of the Accounting Act is to contribute to “informative accounts for different users of accounts”. The users of the accounts will include investors, creditors, employees and the local community.

Hence, it is the view of the Ministry that it is crucial that the question of dispensation from the general rule that the annual accounts and/or directors’ report should be prepared in Norwegian, not in any significant way deviate from the consideration of users of the accounts.

As mentioned above it is particularly the consideration of the users of the account information, which has to be taken into consideration when considering the application for permission. In this assessment, the tax office has emphasized that the companies are part of an international group. Furthermore, all key players and partners in this industry understand and use English.

Please state "our reference" (see above) in all written communication with the Norwegian Tax Authorities.

Yours sincerely,

Lars Waalorp
The Norwegian Tax Administration
