Floro, 19/3-2025

The board of Ramco Holdings Norway AS

Russel Timothy Davies  
Chairman of the board

Arild Moe  
Member of the board

Ramco Holdings Norway AS  
Notes to the financial statements  
Year ended 31 December 2024

## 1) Accounting policies

The financial statements have been prepared in accordance with the Norwegian Accounting Act of 1998 and generally accepted accounting principles in Norway.

The preparation of financial statements is in compliance with the accounting Act, which requires the use of estimates. The application of the company's accounting principles also require management to apply judgements. Areas which normally contain such judgements, a high degree of complexity, or areas in which judgements and estimates are significant for the financial statements, are described in the notes.

### Valuation and classification of assets and liabilities

Assets intended for long term ownership or use have been classified as fixed assets. Assets expected to be realised in, or which are intended for sale or consumption in, the entity's normal operating cycle have been classified as current assets. Receivables are classified as current assets if they are expected to be realised within twelve months after the transaction date. Similar criteria apply to liabilities. First year's instalment on long term liabilities and long term receivables are, however, not classified as short term liabilities and current assets.

### Shares in subsidiaries

Investments in subsidiaries are recognised in the balance sheet at acquisition cost. The investments are amortised to fair value if the impairment is not considered temporary and it is deemed necessary for good accounting practice. Dividends and group contributions from subsidiaries are recognised as other financial income.

### Bank deposits, cash and cash equivalents

Bank deposits and cash include cash, bank deposits, and other liquid assets where the term of payment is less than three months from the acquisition date.

### Trade and other receivables

Trade debtors are recognised in the balance sheet after provision for bad debts. The bad debt provision is made on the basis of an individual assessment of each debtor and an additional provision is made for other debtors to cover expected losses. Significant financial problems at the customers, the likelihood that the customer will become bankrupt or experience financial restructuring, postponements and insufficient payments, are considered indicators that a receivable debtor should be written down.

Other debtors, both current and long term, are recognised at the lower of nominal and net realisable value. Net realisable value is the present value of estimated future payments. When the effect of a write down is insignificant for accounting purposes this is, however, not carried out. Provisions for bad debts are valued in the same way as trade debtors.

### Taxes

The tax charge in the income statement includes both payable taxes for the period and changes in deferred tax. Deferred tax is calculated at relevant tax rates on the basis of the temporary differences which exist between accounting and tax values, and any carry forward losses for the tax purposes at the year end. Tax enhancing or tax reducing temporary differences, which are reversed or may be reversed in the same period, have been eliminated. The disclosure of deferred tax benefits on net tax reducing differences which have not been eliminated, and carry forward losses, is based on estimated future earnings. Deferred tax and tax benefits which may be shown in the balance sheet are presented net.

### Foreign currencies

Receivables and liabilities in foreign currencies are translated into Norske kroner at the exchange rate at the balance sheet date. Exchange gains and losses relating to sales and purchases in foreign currencies are recognised as financial income and expenses.

## 2) Reserves

	Share Capital	Share Premium	Other Equity	Total
At 1 January 2024	60 000	78 153 000	- 2 334 899	75 878 101
Loss for the financial year	-	-	4 195 051	4 195 051
Group contribution	-	-	18 580 821	18 580 821
Dividend	-	-	-	-
<b>Year ended 31 December 2024</b>	<b>60 000</b>	<b>78 153 000</b>	<b>- 16 720 669</b>	<b>61 492 331</b>

Ramco Holdings Norway AS  
Notes to the financial statements  
Year ended 31 December 2024

### 3) Investment

Company	Date of acquisition	Registered office	Voting shares	Ownership
Ramco Norway AS	26.04.2018	Floro	100 %	100 %

  

Company	Equity according to the latest accounts	Profit of the year according to the latest accounts
Ramco Norway AS	30 240 264	32 351 026

### 4) Intercompany balances with group companies

	2024	2023
Receivables from group companies		
Ultimate parent company	-	25 062 803
Related companies	-	7 800
	<u>-</u>	<u>25 070 603</u>
Liability to group companies		
Ultimate parent company	199 055 565	203 443 713
Related companies	-	6 306 288
	<u>199 055 565</u>	<u>209 750 001</u>

The intercompany balance against ultimate parent company has been charged with a 5,7% rate of interest.

The company is part of a group account agreement together with other group companies. The purpose of the arrangement is to allow the free flow of funds between companies belonging to the group in order to pool surplus cash within the group.

The company has issued guarantees in respect of all advances and obligations for which group companies may now or in the future be liable to Clydesdale Bank plc. The total Group borrowings as at 31 December 2024 were £8,784,539 (2023: £9,644,539).

A group contribution equivalent to 35,9 MNOK from Ramco Norway AS at 31.12.2024 is in the accounts settled towards the debt to the corresponding company.

### 5) Share capital and shareholder information

The company's shareholder at 31 December 2024 was:

Shareholder	Number of shares	Nom value pr share	Ownership (%)
Ramco Pipetech Holdings Limited	30 000	2	100

The company has one class of shares. No shares are owned by the managing director or members of the board.

The company's shareholder is represented in the board by the Chairman of the Board and Board member Russel Davies.

The company's ultimate parent company is Ramco Pipetech Holdings Limited. Copies of the ultimate parent company financial statements can be obtained from Companies House, 139 Fountainbridge, Edinburgh.

On 26 February 2018 Ramco Oil Services International Limited established Ramco Holdings Norway AS, a company incorporated in Norway as a 100% subsidiary. On 30 January 2023, the whole of the share capital of the company was sold by the previous shareholder, Ramco Oil Services International Limited to Ramco Pipetech Holdings Limited.

10) Payroll expenses, number of employees, remuneration, loans to employees etc.

There have not been any employees in the company in 2024. Therefore, the company is not obliged to have a pension scheme according to the Act "Lov om obligatorisk tjenestepensjon". No remuneration has been paid to the board of directors in 2024.

## DIRECTORS ANNUAL REPORT 2024

### Ramco Holdings Norway AS

Org.nr. 920 537 359

#### Nature of business

Ramco Holdings Norway AS holds 100% of the share capital of Ramco Norway AS, which has operations located at Tananger, Risavika, Florø, and Sandnessjøen, providing tubular services including inspection, maintenance and preparation. Following the year end, a further operation at Hammerfest commenced.

#### Development in result and position

The company's operating subsidiary, Ramco Norway AS, is a major participant in the Norwegian OCTG market. The Board considers the operating subsidiary's profit on ordinary activities, coupled with strong operating cash generation from trading, to be satisfactory.

The equity ratio in 2024 is 24%, and was 27% in 2023, and the liquidity is considered as satisfactory.

Ramco Norway AS continues to have long-standing relationship with its key customers. The overall activity in 2024 was 17% higher than 2023. New contracts were entered into with 3 clients during 2024 which secured volumes under those contracts. The directors expect the general level of activity to be maintained in the forthcoming year from existing operations, with growth provided by increasing client activity levels under a fourth contract and stable activity under other contracts. The subsidiary company's substantial costs are directly or indirectly related to production and the scale of turnover. The Board believes that the company is well equipped to manage its business possibilities, obligations and risk. The Company has adequate financial resources to continue in operational existence for the foreseeable future.

No significant process changes were implemented during the year but the company continues to pursue improvements and efficiencies within its operations.

The financial risk related to assets, liabilities, financial position, and result, is considered as relatively low. Of total liabilities of NOK 199,124,865, NOK 199,055,565 relates to amounts due to group companies. Bank balance at end of year was NOK 7,197.

In cooperation with other companies in the group, a careful management of the company's liquidity is performed.

The market risk relates partly to the development of the oil market and partly to maintaining the framework agreements with existing customers. The customers are large companies, thus the credit risk is deemed limited. Liquidity risk is also deemed limited.

The Board of Directors of the operating subsidiary proposed the following allocation of the year's profit.

Profit of the year	NOK. 4,195,051
Transferred to other equity	NOK. (14,385,771)
Proposed dividend	NOK. 0
Group contribution	NOK. 18,580,821

## **Going concern**

The board are of the opinion that the company is in a strong position to retain existing contract scopes as they come up for renewal or re-tender and has indeed secured renewal of the contract with its largest client. Notwithstanding this view, failure to secure significant portions of the current contract scopes at renewal would be accommodated by flexing the size of the organization, as well as through seeking alternative opportunities for the business.

The opinion of the Board is that the accounts give a true and fair view of the company's assets, liabilities, financial position and results. The preparation of the accounts is based on assumption of going concern, and it is confirmed that this assumption is present.

## **Health and environment**

Ramco Holdings Norway AS has no employees. The comments in this section of the report relate to Ramco Norway AS, the operating subsidiary of the company.

The working environment is deemed acceptable. The absence due to sickness in 2024 was 7,01 % of available working days. Absence was due to own and children's sickness, 2,85% was due to short-term absence and 4,62% due to long-term absence. Long-term absence relates to convalescence after personal medical treatments. Absence due to sickness amounted to 6,42 % in 2023 and so slightly increased from 2023.

There have been no cases of lost time incidents in Ramco Norway AS in 2024. There were 89 observations and suggestions for improvement registered across the company in 2023, all were investigated, and actions implemented to maintain efficiency, manage risks and capture opportunities. Ramco Norway AS has as core objective to operate without personal injuries.

Ramco Norway AS uses some chemical products in its business. There has been no discharge of chemicals to the environment in 2024.

Ramco Norway AS is environmentally conscious; hence, the chemical products are collected and processed by a company which specializes in waste treatment. However, the company make a conscious effort to reduce waste. Ramco Norway AS use the best possible environmentally friendly chemical products.

Lloyds Register Quality Assurance (LRQA) have audited Ramco Norway AS's certification in 2023, and the company is certified against ISO 14001:2015 and ISO 9001:2015. It is part of the company's objective to reduce density of refuse generated by the company. The company does not pollute its environment.

## **Transparency Act**

Ramco Norway AS is subject to the Transparency Act. The company have comprehensive systems to ensure good working conditions and human rights. We map the supply chain and the group's various partners in relation to decent working conditions and the safeguarding of human rights (due diligence assessments). This process has resulted in a comprehensive report that includes the group's due diligence assessment, and which is open to the public, and is available on the company's website [www.ramco.no](http://www.ramco.no)

## **Organisation and equality**

The company and the group that it forms part of, maintain Directors and Officers Insurance.

The company had no employees, full time, part-time or temporary at any point during the year.

The company will ensure working conditions achieve the purpose of avoiding discrimination of employees, or with employment, due to ethnicity, national origin, descent, skin colour, language, religion or philosophy.

## Permission to prepare the annual accounts and directors' report in English language

With reference to your letter of 2 July 2018 with respect to the above matter regarding:

- Ramco Holdings Norway AS, org.no. 920 537 359
- Pipetech Holdings Norway AS, org.no. 920 539 440

Based on a total evaluation, the view of The Directorate of Taxes is that the above mentioned companies may state the directors' report and annual accounts in English language according to the Norwegian Accounting Act § 3-4 third paragraph. The exemption requires that the information the decision is based on, does not change significantly.

A copy of this letter must be sent to the Register of Company Accounts in Brønnøysund together with the financial statements. It is incumbent on the company to document by this letter that the permit is granted.

### Background

From the application:

*The Ramco Group utilises a central accounting function based within the United Kingdom for the preparation of the financial accounts, and for this reason, all accounts within the Group are prepared in English. At present, we hold exemptions to file accounts in English for the following three companies:*

- 934287525: Ramco Norway AS
- 947069802: Pipetech International AS
- 984217161: Pipetech Well Solution AS

*As such, we wish to apply for the same exemption to apply for Ramco Holdings Norway AS and Pipetech Holdings Norway AS, incorporated during 2018, in order to maintain consistency across the Group.*

The annual report and financial statements are required to be prepared each year in the Norwegian language only in order to satisfy the requirements of the Norwegian Accounting Act.

## **Permission to make the annual accounts and the directors' report in Norway in English language**

According to the Norwegian Accounting Act § 3-4, third paragraph shall *"the directors' report and annual accounts ... be in Norwegian. The Ministry can in an individual decision decide that the directors' report and/or annual accounts may be in another language"*.

Ot. prp. nr. 42 (1997-1998) About Act about annual accounts etc., says the following about the purpose of the Accounting Act, refer section 1.1:

*"The aim of the Government with respect to the Accounting Act is that it shall contribute towards providing informative accounts for different users of accounts. The users of accounts include investors and creditors which provide capital for the companies. Other groups include those who have an interest in knowing how the companies are operated, for example employees and the local community. The information to the capital market is an important basis for the correct pricing of financial instruments. The correct pricing of stocks is an important factor in securing the best possible allocation of resources in the economy. High quality accounts will also make it more difficult for market participants to obtain speculative gains as a result of non-publicly available information."*

Hence, one of the main aims of the Accounting Act is to contribute to *"informative accounts for different users of accounts"*. The users of the accounts will include investors, creditors, employees and the local community.

Hence, it is the view of the Ministry that it is crucial that the question of dispensation from the general rule that the annual accounts and/or directors' report should be prepared in Norwegian, not in any significant way deviate from the consideration of users of the accounts.

As mentioned above it is particularly the consideration of the users of the account information, which has to be taken into consideration when considering the application for permission. In this assessment, the Directorate of Taxes has emphasized that the companies are part of a Group company where the other Norwegian companies already hold exemptions to file accounts in English.

Please state "our reference" (see above) in all written communication with The Norwegian Tax Authorities.

Best regards

Torstein Kinden Helleland

To the General Meeting of Ramco Holdings Norway AS

## INDEPENDENT AUDITOR'S REPORT

### *Opinion*

We have audited the financial statements of Ramco Holdings Norway AS (the Company), which comprise the balance sheet as at 31 December 2024, the income statement, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion

- the financial statements comply with applicable statutory requirements, and
- the financial statements give a true and fair view of the financial position of the Company as at 31 December 2024, and its financial performance and its cash flows for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

### *Basis for Opinion*

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Other Information*

The Board of Directors (management) is responsible for the information in the Board of Directors' report. Our opinion on the financial statements does not cover the information in the Board of Directors' report.

In connection with our audit of the financial statements, our responsibility is to read the Board of Directors' report. The purpose is to consider if there is material inconsistency between the Board of Directors' report and the financial statements or our knowledge obtained in the audit, or whether the Board of Directors' report otherwise appears to be materially misstated. We are required to report if there is a material misstatement in the Board of Directors' report. We have nothing to report in this regard.

Based on our knowledge obtained in the audit, it is our opinion that the Board of Directors' report

- is consistent with the financial statements and
- contains the information required by applicable statutory requirements.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the

Deloitte AS and Deloitte Advokatfirma AS are the Norwegian affiliates of Deloitte NSE LLP, a member firm of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"). ## Deloitte.

Independent auditor's report  
Ramco Holdings Norway AS

preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern. The financial statements use the going concern basis of accounting insofar as it is not likely that the enterprise will cease operations.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error. We design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves a true and fair view.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
