## Uavhengig revisors beretning

Til generalforsamlingen i Atpi Nordic AS

### Konklusjon

Vi har revidert årsregnskapet til Atpi Nordic AS.

#### Årsregnskapet består av:

- Balanse per 31. desember 2022,
- Resultatregnskap 2022
- Kontantstrømpoppstilling for regnskapsåret avsluttet per 31. desember 2022
- Noter til årsregnskapet, herunder et sammendrag av viktige regnskapsprinsipper.

#### Etter vår mening:

- Oppfyller årsregnskapet gjeldende lovkrav, og
- Gir årsregnskapet et rettviseende bilde av selskapets finansielle stilling per 31. desember 2022 og av dets resultater og kontantstrømmer for regnskapsåret i samsvar med regnskapslovens regler og god regnskapskikk i Norge.

### Grunnlag for konklusjonen

Vi har gjennomført revisjonen i samsvar med International Standards on Auditing (ISA-ene). Våre oppgaver og plikter i henhold til disse standardene er beskrevet nedenfor under Revisors oppgaver og plikter ved revisjonen av årsregnskapet. Vi er uavhengige av selskapet i samsvar med kravene i relevante lover og forskrifter i Norge og International Code of Ethics for Professional Accountants (inkludert internasjonale uavhengighetsstandarder) utstedt av International Ethics Standards Board for Accountants (IESBA-reglene), og vi har overholdt våre øvrige etiske forpliktelser i samsvar med disse kravene. Innhentet revisjonsbevis er etter vår vurdering tilstrekkelig og hensiktsmessig som grunnlag for vår konklusjon.

### Annen informasjon

Styret og daglig leder (ledelsen) er ansvarlig for annen informasjon. Annen informasjon består av årsberetningen. Vår konklusjon om årsregnskapet ovenfor dekker ikke annen informasjon.

I forbindelse med revisjonen av årsregnskapet er det vår oppgave å lese annen informasjon. Formålet er å vurdere hvorvidt det foreligger vesentlig inkonsistens mellom annen informasjon og årsregnskapet og den kunnskap vi har opparbeidet oss under revisjonen av årsregnskapet, eller hvorvidt informasjon i annen informasjon ellers fremstår som vesentlig feil. Vi har plikt til å rapportere dersom annen informasjon fremstår som vesentlig feil. Vi har ingenting å rapportere i så henseende.

### Konklusjon om årsberetningen

Basert på kunnskapen vi har opparbeidet oss i revisjonen, mener vi at årsberetningen

- er konsistent med årsregnskapet og
- inneholder de opplysninger som skal gis i henhold til gjeldende lovkrav.

## Styret og daglig leders ansvar for årsregnskapet

---

Styret og daglig leder (ledelsen) er ansvarlig for å utarbeide årsregnskapet og for at det gir et rettviseende bilde i samsvar med regnskapslovens regler og god regnskapskikk i Norge. Ledelsen er også ansvarlig for slik intern kontroll som den finner nødvendig for å kunne utarbeide et årsregnskap som ikke inneholder vesentlig feilinformasjon, verken som følge av misligheter eller utilsiktede feil.

Ved utarbeidelsen av årsregnskapet må ledelsen ta standpunkt til selskapets evne til fortsatt drift og opplyse om forhold av betydning for fortsatt drift. Forutsetningen om fortsatt drift skal legges til grunn for årsregnskapet så lenge det ikke er sannsynlig at virksomheten vil bli avvirket.

## Revisors oppgaver og plikter ved revisjonen av årsregnskapet

---

Vårt mål er å oppnå betryggende sikkerhet for at årsregnskapet som helhet ikke inneholder vesentlig feilinformasjon, verken som følge av misligheter eller utilsiktede feil, og å avgi en revisjonsberetning som inneholder vår konklusjon. Betryggende sikkerhet er en høy grad av sikkerhet, men ingen garanti for at en revisjon utført i samsvar med ISA-ene, alltid vil avdekke vesentlig feilinformasjon. Feilinformasjon kan oppstå som følge av misligheter eller utilsiktede feil. Feilinformasjon er å anse som vesentlig dersom den enkeltvis eller samlet med rimelighet kan forventes å påvirke de økonomiske beslutningene som brukerne foretar på grunnlag av årsregnskapet.

Til den ordinære Generalforsamlingen i  
ATPI Nordic AS

## Styrets årsberetning 2022

### Virksomhetens art

ATPI Nordic AS er et holdingselskap med kontor i Bergen. Selskapets portefølje består av 100 % eierskap i ATPI Norway AS, 100 % eierskap i ATPI Denmark A/S og 14,286 % eierskap i ATPI Greece Travel Marine S.A. Selskapet er et heleid datterselskap av Instone International Ltd. og inngår som medlem av ATPI-gruppen, en av verdens ledende reisebyråkjeder.

### Redegjørelse for fortsatt drift

Forutsetningen for fortsatt drift er til stede og årsregnskapet er avlagt under denne forutsetningen.

### Redegjørelse for årsregnskapet

Etter styrets og adm. direktørs oppfatning gir det fremlagte resultatregnskapet og balansen med tilhørende noter fyllestgjørende informasjon om årets drift og stillingen ved årsskiftet. Det er ikke inntrådt forhold etter regnskapsårets utgang som er av betydning for bedømmelsen av selskapets resultat og stilling.

Omsetningen i 2022 endte på NOK 6.027.108 mot null i omsetning for 2021. Ved årsskiftet 2019/2020 ble alle ansatte og all kommersiell aktivitet flyttet til datterselskap ATPI Norway AS. Med dette falt grunnlaget for inntekt i ATPI Nordic AS bort for 2021. Fra juli 2022 er imidlertid ledelsen i ATPI Norway AS igjen ansatt i ATPI Nordic AS, og omsetningen i 2022 utgjøres av godtgjørelse for management tjenester for datterselskap.

Resultatet før skatt var NOK 221.082 sammenlignet med null for foregående regnskapsår.

Totalkapitalen var pr. 31. desember 2022 NOK 25.651.274 sammenlignet med NOK 23.858.698 pr. 31. desember 2021. Egenkapitalandelen var 93,67 % pr. 31. desember 2022 sammenlignet med 100 % pr. 31. desember 2021. Selskapets likviditetsmessige stilling er tilfredsstillende.

### Finansiell risiko

ATPI Nordic AS har ikke egen eksponering i finansielle instrumenter. Selskapets likviditet holdes i form av bankinnskudd. Valutarisikoen anses som ikke vesentlig.

### Styreansvarsforsikring

Det er på gruppenivå tegnet forsikringer for styrets medlemmer og daglig leder for deres mulige ansvar overfor foretaket og tredjepersoner. En primærforsikring dekker krav inntil £5m og en tilleggsforsikring dekker krav i intervallet £5m - £10m.

## Arbeidsmiljø, likestilling og påvirkning av det ytre miljøet

Det har ikke vært registrert sykefravær av betydning i 2022. Styret anser arbeidsmiljøet i selskapet som godt, men vil fortløpende vurdere behovet for forbedringstiltak. Det har ikke forekommet eller blitt rapportert alvorlige arbeidsuhell eller ulykker i løpet av året.

Det har i løpet av regnskapsåret ikke vært konstatert tilfeller av brudd på likestillingsprinsipper i selskapet. Styret og ledelsen vektlegger likestilling, og tilstreber å tilrettelegge for dette gjennom sin personalpolitikk. Av selskapets ni ansatte er syv kvinner. Samtlige av styrets medlemmer er imidlertid menn.

Det foreligger ikke konkrete planer for å hindre diskriminering på grunn av nedsatt funksjonsevne, etnisitet, nasjonal opprinnelse, avstamning, hudfarge, språk, religion eller livssyn. Styret og ledelsen er av den oppfatning at slike tiltak ikke er påkrevet på nåværende tidspunkt, men vil fortløpende vurdere behovet for slike tiltak.

Selskapets virksomhet er av en slik art at det kun har ubetydelig påvirkning på det ytre miljø, og er ikke regulert av konsesjoner eller pålegg av miljømessig karakter.

## Redegjørelse for foretakets utsikter

Styret forventer et stabilt marked for selskapets tjenester i årene fremover. Styret og adm. direktør forventer at selskapet vil oppnå gode finansielle resultater også i 2023.

## Disponeringer og overføringer

Styret foreslår ingen utbetaling av utbytte i 2022, og det foreslås at årsresultatet for 2022 på NOK 169.804 anvendes som følger:

|                                  |             |
|----------------------------------|-------------|
| Overføring fra annen egenkapital | NOK 169.804 |
|----------------------------------|-------------|

|  |                           |
|--|---------------------------|
| <b>Sum disponeringer og overføringer</b> | <b><u>NOK 169.804</u></b> |
|--|---------------------------|

Foretakets frie egenkapital pr. 31. desember 2022 er på NOK 21.128.503 (etter disponering).

## Noter til regnskapet 2022

### Regnskapsprinsipper - Accounting principles

Årsregnskapet er satt opp i samsvar med regnskapsloven og god regnskapsskikk for øvrige foretak.  
*The annual accounts have been prepared in accordance with the Accounting Act and generally accepted accounting principles.*

Forutsetningen om fortsatt drift er lagt til grunn ved avleggelse av regnskapet.  
*The financial statements are prepared based on the going concern assumption*

### Salgsinntekter - Revenue

Inntekter ved salg av tjenester vurderes til virkelig verdi av vederlaget.

Salg av tjenester inntektsføres etter hvert som de er levert.

*Income from sale of goods and services are recognised at fair value.*

*Revenues for services are recognised when the services are performed and the company has a right to payment for performed.*

### Klassifisering og vurdering av balanseposter - Classification and assessment of balance sheet items

Eiendeler bestemt til varig eie eller bruk er klassifisert som anleggsmidler. Anleggsmidler er vurdert til anskaffelseskost. Omløpsmidler og kortsiktig gjeld omfatter normalt poster som forfaller til betaling innen ett år etter balansedagen. Omløpsmidler vurderes til laveste verdi av anskaffelseskost og antatt virkelig verdi.

Fordringer klassifiseres som omløpsmidler hvis de skal tilbakebetales i løpet av ett år. For gjeld er analoge kriterier lagt til grunn. Første års avdrag på langsiktige fordringer og langsiktig gjeld klassifiseres likevel ikke som omløpsmiddel og kortsiktig gjeld.

*Assets intended for long term ownership or use are classified as fixed assets. Assets relating to the operating cycle have been classified as current assets. Other receivables are classified as current assets if they are to be repaid within one year after the transaction date. Similar criteria apply to liabilities. First year's instalment on long term liabilities and long term receivables are, however, not classified as short term liabilities and current assets.*

### Nedskrivning av anleggsmidler - Impairment of fixed assets

Ved indikasjon på at balanseført verdi av et anleggsmiddel er høyere enn virkelig verdi, foretas det test for verdifall. Testen foretas for det laveste nivå av anleggsmidler som har selvstendige kontantstrømmer. Hvis balanseført verdi er høyere enn både salgsverdi og gjenvinnbart beløp, foretas det nedskrivning til det høyeste av salgsverdi og gjenvinnbart beløp. Gjenvinnbart beløp er det høyeste av netto salgsverdi og bruksverdi. Bruksverdi er nåverdi av fremtidige kontantstrømmer knyttet til eiendelen.

Tidligere nedskrivninger, med unntak for nedskrivning av goodwill, reverseres hvis grunnlaget for nedskrivningen ikke lenger er til stede.

*Impairment tests are carried out if there is indication that the carrying amount of an asset exceeds the estimated recoverable amount. The test is performed on the lowest level of fixed assets at which independent ingoing cashflows can be identified. If the carrying amount is higher than both the fair value less cost to sell and the value in use (net present value of future use/ ownership), the asset is written down to the highest of fair value less cost to sell and the value in use.*

*Previous impairment charges, except write-down of goodwill, are reversed in later periods if the conditions causing the write-down are no longer present.*

### Investeringer i andre selskaper - Investments in other companies

Kostmetoden brukes som prinsipp for investeringer i andre selskaper. Kostprisen økes når midler tilføres ved kapitalutvidelse, eller når det gis konsernbidrag til datterselskap. Mottatte utdelinger resultatføres i utgangspunktet som inntekt. Utbytte/ konsernbidrag fra datterselskap regnskapsføres det samme året som datterselskapet avsetter beløpet. Utbytte fra andre selskaper regnskapsføres som finansinntekt når utbyttet er vedtatt.

Investeringene blir nedskrevet til virkelig verdi dersom verdifallet ikke er forbigående.

*The cost method is applied to investments in other companies. The carrying amount is increased when funds are added through capital increases or when group contributions are made to subsidiaries.*

## Noter til regnskapet 2022

*Dividends received are generally recognised as income. Dividends/group contribution from subsidiaries are booked in the same year as the subsidiary makes the provision for the amount. Dividends from other companies are reflected as financial income when the dividends are approved. Investments are written down to fair value if the fair value is lower than the carrying amount.*

### **Fordringer - Receivables**

Kundefordringer og andre fordringer er oppført i balansen til pålydende etter fradrag for avsetning til forventet tap. Avsetning for tap gjøres på grunnlag av individuelle vurderinger av de enkelte fordringene. I tillegg gjøres det for øvrige kundefordringer en uspesifisert avsetning for å dekke antatt tap. *Accounts receivables and other receivables are recorded in the balance sheet at face value after deduction of provisions for expected loss. Provisions for losses are made on the basis of individual assessments of the individual receivables. Additionally, for accounts receivables, an unspecified provision is made to cover expected losses*

### **Pensjoner - Pensions**

Selskapet har innskuddsbasert pensjonsordning. Ved innskuddsplaner betaler selskapet innskudd til et forsikringselskap. Selskapet har ingen ytterligere betalingsforpliktelse etter at innskuddene er betalt. Innskuddene regnskapsføres som lønnskostnad. Eventuelle forskuddsbetalte innskudd balanseføres som eiendel (pensjonsmidler) i den grad innskuddet kan refunderes eller redusere framtidige innbetalinger. *The company has a defined contribution pension scheme. With a defined contribution plan the company pays contributions to an insurance company. After the contribution has been made the company has no further commitment to pay. The contribution is recognised as payroll expenses. Prepaid contributions are reflected as an asset (pension fund) to the degree the contribution can be refunded or will reduce future payments.*

### **Skatt - Tax**

Skattekostnaden i resultatregnskapet omfatter både periodens betalbare skatt og endring i utsatt skatt. Utsatt skatt beregnes med 22 % på grunnlag av de midlertidige forskjeller som eksisterer mellom regnskapsmessige og skattemessige verdier, samt eventuelt ligningsmessig underskudd til fremføring ved utgangen av regnskapsåret. Skatteøkende og skattereduserende midlertidige forskjeller som reverserer eller kan reversere i samme periode er utlignet og nettoført. Utsatt skatt på merverdier i forbindelse med oppkjøp av datterselskap blir ikke utlignet.

Oppføring av utsatt skattefordel på netto skattereduserende forskjeller som ikke er utlignet og underskudd til fremføring, er begrunnet med antatt fremtidig inntjening. Utsatt skattefordel som kan balanseføres og utsatt skatt er oppført netto i balansen.

*The tax charge in the income statement includes both payable taxes for the period and changes in deferred tax. Deferred tax is calculated at 22 % on the basis of the temporary differences that exist between accounting and tax values, as well as any possible taxable loss carried forwards at the end of the accounting year. Tax enhancing or tax reducing temporary differences, which are reversed or may be reversed in the same period, have been offset and netted.*

*The disclosure of deferred tax benefits on net tax reducing differences which have not been eliminated, and tax losses varied forward losses, is based on estimated future earnings. Deferred tax and tax benefits which may be shown in the balance sheet are presented net.*

### **Kontantstrømoppstilling - Cash Flow statement**

Kontantstrømoppstillingen utarbeides etter den indirekte metoden. Kontanter og kontantekvivalenter omfatter kontanter, bankinnskudd og andre kortsiktige likvide plasseringer som umiddelbart og med uvesentlig kursrisiko kan konverteres til kjente kontantbeløp og med gjenværende løpetid mindre enn tre måneder fra anskaffelsesdato. *The cash flow statement has been prepared according to the indirect method. Cash and cash equivalents include cash, bank deposits, and other short term investments which immediately and with minimal exchange risk can be converted into known cash amounts, with due date less than three months from purchase date.*

## Noter til regnskapet 2022

### Note 1 Transaksjoner med nærstående parter

Ytelser til ledende ansatte er omtalt i note 2, og mellomværende med konsernselskaper er omtalt i note 6. Remuneration is explained in note 2 and intercompany balances in note 6.

| Transaksjon - Transaction      | Motpart -<br>counterparty | 2022             | 2021 |
|--------------------------------|---------------------------|------------------|------|
| Management Fee - salg/ revenue | ATPI Norway               | 6 027 108        | 0    |
| <b>Sum</b>                     |                           | <b>6 027 108</b> |      |

### Note 2 Lønnskostnader, antall ansatte, godtgjørelser, lån til ansatte m

| Lønnskostnader     | 2022             | 2021     |

## ATPI Holdings (Jersey) Limited

### Strategic report for the year ended 31 December 2022

---

The directors present their Strategic Report on the Group for the year ended 31 December 2022.

#### Principal activity and business model

ATPI Holdings (Jersey) Limited is registered in Jersey and its principal activity is that of a holding company and provider of management services to the group of companies under its common ownership "the Group". The principal activity of the Group is that of a travel management company, providing 24/7 corporate travel and events solutions to organisations operating in a variety of specialist sectors around the world.

#### Section 172 (1) Statement

While performing their duties, the directors of the Group have acted in accordance with Section 172 of the Companies Act 2006. The following summarises some of the key actions and considerations throughout the year with respect to the matters set out in section 172 (1) (a) to (f) of the Companies Act 2006:

##### *Our Culture*

As a specialist global travel and events business we strive to deliver what really matters to our customers. Our values underpin everything we do. They define us and how we go about our business.

**Integrity:** Holding ourselves to the highest standards.

**Empowerment:** Promoting accountability. Encouraging initiative. Recognising achievement.

**Innovation:** Always asking why. Always challenging. Always searching for a better way.

**Service:** Putting the customer first. Being proactive. Tailoring solutions. Striving for excellence.

##### *Employees*

For our business to be successful, we must manage and develop our talent pool, ensuring appropriate investment in training and skills development. The long-term success of the business is critical on the commitment of our employees as well as how they convey our values to the customer. Throughout the year, the Group engaged employees through training programs, webinars and surveys. The directors are mindful of the need to have shared common values in order to achieve the company's goals, and place importance on engaging employees actively. The Board were responsible for key decisions this year around remote working and developing policies on hybrid working and appropriate rates for cost of living increases. The Board will continue to monitor the impact of their decisions on the culture and staffing levels of the company.

##### *Engaging Shareholders and Banking Partners*

We believe that communication with our shareholders and lenders is key. Shareholders provide a vital source of capital to the business, which is important for the long term success of our business. In the year, a number of consultations and agreements between the business and our shareholders took place. The context of these meetings was to provide meaningful trade updates as well as discussion on future outlook and financing matters.

Banking partners provide the capability to enable the Group to operate internationally on a day-to-day basis. Communication with banking partners is on a perpetual basis and involves interactions on the subject of credit terms, facilities, bonding requirements as well as other financing areas.

##### *Suppliers*

Suppliers provide the resources to enable us to deliver high-quality services to satisfy our customers' expectations. Our strategy values developing existing valued relationships with suppliers whilst identifying opportunities to build new connections with potential future business partners.

## ATPI Holdings (Jersey) Limited

### Strategic report for the year ended 31 December 2022 (*continued*)

#### Section 172 (1) Statement (*continued*)

##### *Risk Management*

We provide business critical services to our clients globally. It is important that we effectively identify and manage the risks faced, and our risk-management approach is constantly developing and evolving. See principal risks and uncertainties section for more information.

##### **Strategy and objectives**

The Group's vision is to be the number one travel and events provider of choice for international businesses looking for sector expertise, high-touch service and innovative technology.

The Group, through a combination of international locations, network partnerships and its own pioneering management information technology, provides its clients with sector expertise, global coverage of offices and access to innovative technologies. The Group is sector focussed into its core markets of expertise, as set out below:

- ATPI Corporate Travel – To be the leading specialist in travel management for mid-market multinationals where travel is critical to the business.
- ATPI Marine and Energy – To build on our specialist leadership in travel management for the global shipping, energy and resources industries.
- ATPI Corporate Events – To be the obvious specialist partner for companies needing corporate event management tailored for their target groups.
- ATPI Sports Events – To be the leading specialist provider of hospitality programmes, travel and events logistics for the international sports domain.
- ATPI Mining and Resources – To build on our specialist leadership in travel management for the global mining and resourcing industries.
- Direct ATPI – To be the obvious specialist partner for multinational organisations requiring access to a global network that supports their travellers and business.
- TripStax – To be the industry leading provider of SaaS based, cohesive travel technologies, powering the future of Travel Management.

In order to maintain our vision and objectives, we are committed to investing in innovative technology and we continue to invest in providing the highest level of service for corporate travel, specialist sector travel and logistics and full service event management, together with additional services such as arrangement of passports and visas, duty of care, consultancy and CO2 measurement, reduction and offsetting.

During the year, the Directors decided on the acquisition of 100 per cent of the issued share capital in the following:

- The Travel Authority PTY Limited, a company incorporated in Australia.
- Hotelzon Romania Srl, a company incorporated in Romania.
- Hotelzon Finland OY, a company incorporated in Finland.
- Taptripco Limited, a company incorporated in United Kingdom.

Further details about the investment are shown in note 10 of the accounts.

##### **Review of the year and key performance indicators**

The directors are presenting their non-statutory financial statements for the year ended 31 December 2022.

The consolidated financial statements presented herein are prepared in Sterling. They have been prepared in accordance with the provisions of the Companies Act 2006 which would have applied had they been statutory financial statements in the UK. The consolidated financial statements have also been prepared in accordance with Companies (Jersey) Law 1991.

The consolidated financial statements of the Group have been prepared in accordance with UK adopted international accounting standards.

for the year ended 31 December 2022 (continued)

### Key Performance Indicators

|  | 2022<br>£'000 | 2021<br>£'000 | Movement<br>£'000 | % Movement |
|--|---------------|---------------|-------------------|------------|
| Gross revenue  | 1,072,049     | 530,273       | 541,776           | 102.2      |
| Revenue  | 98,012        | 62,179        | 35,833            | 57.6       |
| Group operating profit before non-recurring items, amortization and impairment | 24,500        | 12,019        | 12,481            | 103.8      |
| Operating profit   | 18,184        | 4,531         | 13,653            | 301.3      |
| (Loss) before tax  | (3,477)       | (11,703)      | 8,226             | 70.3       |

### Review of the year

The Group generated £1,072,049,000 in Gross Revenue (2021 - £530,273,000) which represents the total gross value of all charges to clients and business partners for services provided by the Group. Gross revenue is a non-statutory reporting measure.

The Group generated statutory revenue of £98,012,000 (which reflects the margin earned in its role as service provider) during the year ended 31 December 2022 (2021 - £62,179,000), with a Group operating profit before non-recurring items, intangible amortisation and impairment of £24,500,000 (2021 - £12,019,000). The increase in revenue being a result of easing of government restrictions on travel due to the Covid-19 pandemic, as well as an increase in passenger bookings. The Group has improved profitably (before non-recurring items, amortization and impairment) in line with the recovery from the global pandemic and the easing of government travel restrictions.

The Group incurred expenses of a non-recurring nature of £2,154,000 (2021 - £4,471,000) (see note 5 for further information) which have decreased with the easing of government restrictions on the free movement of people.

The amortisation charge on internally generated and other intangibles was £4,162,000 (2021 - £3,017,000), the increase is due to investment in internally generated and acquired intangible assets.

The increase in operating profit in the year is a result of increased trade volumes and lower non-recurring costs.

In 2022 and 2021, the group generated a loss before tax. The decrease in loss before tax from 2021 to 2022 was due to increased operating profit in the year.

The balance sheet shows total net assets employed of £92,982,000 at 31 December 2022 (2021 - £87,608,000). Net current liabilities have decreased to £19,128,000 (2021 - £23,156,000), due to an increase in trade receivables resulting from increased trading activity.

Cash generated from operating activities was an inflow of £8,632,000 (2021 - outflow of £5,163,000) due to an increase in operating profit.

Staff numbers at the end of the year, excluding directors, were 1,826 at 31 December 2022 (2021 - 1,478).

## ATPI Holdings (Jersey) Limited

### Strategic report for the year ended 31 December 2022 (*continued*)

---

#### Principal risks and uncertainties

The ATPI Holdings (Jersey) Limited Group of companies operates in the corporate and marine travel management markets, mainly in the UK, USA, Europe, Australia and the Far East. The Group also has a significant sports and corporate event management business based in the Netherlands, the UK and Australia. The business has a strong customer contract portfolio within the mid-market and its customers are from a wide range of industries including the marine, energy, mining, media, infrastructure and sports sectors. The Group continues to engage pro-actively with our clients to deliver cost effective, flexible and bespoke travel management solutions.

In addition, the business operates as an agent to the travel suppliers and therefore has limited exposure to reductions in ticket pricing. Transaction fees and commissions represent the major source of the Group's income and are, in the main, not impacted by customer down-trading to lower ticket prices.

#### *Financial risk*

As part of its ordinary activities, the Group is exposed to a number of financial risks, including liquidity risk, credit risk, interest rate risk and exchange rate risk. The Group has policies and procedures in place to monitor and manage these risks.

Liquidity risk relates to the Group's ability to meet the cash flow requirements of its operations, while avoiding excessive levels of debt and/or breach of its debt covenants. The Group has a net current liabilities position in the year (2021 - same), however a large part of this relates to a revolving credit facility overdraft, which is used as a mechanism to support the working capital requirements of the Group. Excluding this would yield a net current asset position. The Group has bank loan funding in place and the details of these are disclosed within the Going Concern note.

The Group operates within a tightly controlled working capital cycle and in order to ensure that sufficient funds are available for ongoing operations and future developments the company has available to it a mixture of long-term and short-term debt finance.

The directors closely monitor the amount of facilities drawn, particularly with respect to complying with all covenant restrictions as part of the cash flow forecasting.

Credit risk relates principally to trade receivables from customers. The Group assesses all customers and sets appropriate credit limits before trading commences and has detailed policies and procedures to monitor each situation. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

The Group has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers. A number of customers pay using credit card solutions. The Group has a number of customers in the offshore energy and marine markets and therefore has a degree of sector specific credit risk, based on the macro economic conditions in those markets. The credit risk on liquid funds is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

Exchange risk relates to the fluctuation in value of the Group's assets and liabilities which are fundamentally denominated in non-Sterling currencies (predominantly in Euro and US Dollar). A number of these are naturally hedged due to the geographies in which the assets and liabilities arise. For others, where appropriate, the Group engages hedge accounting to mitigate this risk, further information for which is available in the accounting policies.

Management continuously assesses the interest rate risk and exchange rate risk that the Group is subject to. The Group has a number of overseas operations resulting in foreign currency denominated receivables and payables. The Group's exposure to interest rate risk and foreign currency risk is continually monitored by management with appropriate steps taken to minimise the risk of adverse interest rate and currency movements. As part of this risk management process, the Group uses derivatives to hedge its exposures to changes in foreign currency exchange rates and interest rates.

## ATPI Holdings (Jersey) Limited

### Strategic report for the year ended 31 December 2022 (continued)

#### Principal risks and uncertainties (continued)

##### **Covid-19**

The outbreak of Covid-19 disease in early 2020 resulted in a number of Governments imposing restrictions on the movement of people within and across borders. As a travel management business these restrictions initially had a material impact on trade. As Government restrictions have eased, the impact on trade has reduced.

The risk to the business is that Governments re-introduce travel restrictions. Although the directors have considered this risk, they do not anticipate travel restrictions to be a long-term safety measure. The Group will continue to monitor the emerging situation and directors will take corrective actions as and when required.

**Competitor risk** - Competitive pressure is a continuing risk for the Group. The Group manages this risk by maintaining realistic pricing of its services, whilst providing added value services to customers, and developing innovative solutions to customers' requirements. As a result, the Group continues to win business.

**Environmental risk** – a rise in global climate change awareness has generated a trend towards many organisations seeking eco-friendly travel solutions. ATPI Halo is a Carbon Dioxide measurement, reduction and offset service which enables customers of the Group to build sustainable travel solutions and further supports the ATPI Group in its pursuit to be an environmentally responsible organisation. The Group is aware of its own environmental impact and strives to reduce and offset its global carbon footprint.

**Market risks** – the travel market is affected by external factors, including global demand and technological changes. The Group manages this risk by maintaining its diversified market position and continued development of innovative technology solutions.

**Regulatory environment** – the travel industry is highly regulated and the Group must comply with regulatory requirements to remain in business. The Group seeks to manage the associated risk by constantly monitoring regulatory changes, regular dialogue with the regulators and adapting the business model, operating processes and terms of trade where necessary.

**IT security** – the Group operates in a digital environment, exposing it to criminal risk from individual and organised electronic activities. The Group manages these risks by following best practice security procedures, using 3<sup>rd</sup> party security organisations and reducing where possible the storage and transmission of sensitive information.

**Health and safety risk** – The risk of death or serious injury as a result of Group negligence is mitigated by employing dedicated health and safety resource.

#### Future outlook

The directors consider the measures taken as described in this Strategic report will position the group for future growth. As such the Directors expect the Operating profit of the business to grow in the foreseeable future. The Directors have a reasonable expectation that the Group will be able to operate within its current facility and meet its covenant tests.

#### Approval

This strategic report of ATPI Holdings (Jersey) Limited was approved and signed on behalf of the Board on 27<sup>th</sup> April 2023.

I.C. Sinderson  
Director

## ATPI Holdings (Jersey) Limited

### Directors' report for the year ended 31 December 2022

---

The directors present their Annual report on the affairs of the Group, together with the non-statutory financial statements for the year ended 31 December 2022.

#### Results and dividends

The audited financial statements for the year ended 31 December 2022 are set out on pages 12 to 58. The loss for the financial year for the Group for the year ended 31 December 2022 was £7,370,000 (2021 – loss of £14,150,000).

The directors cannot propose a dividend on the ordinary shares (2021 - same).

#### Directors

The directors who served during the year ended 31 December 2022 and thereafter except as noted below, were as follows:

G Ramsey (Chairman)  
M Robinson  
S Roddis  
I Sinderson  
P Muller  
J Buffon  
A Hussain  
A Knights  
G Pearce

#### Going concern

After making enquiries, the directors have a reasonable expectation that the company and the Group have adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the Annual report and the financial statements. See note 2 for further details.

#### Donations

During the year, the Group made charitable donations of £nil (2021 - £nil).

#### Supplier payment policy

The Group's policy is to settle terms of payment with suppliers when agreeing the terms of each transaction, ensure that suppliers are made aware of the terms of payment and abide by the terms of payment.

#### Fixed assets

Information relating to significant changes in the Group's fixed assets is given in notes 10, 11 and 12 to the financial statements.

## ATPI Holdings (Jersey) Limited

### Directors' report for the year ended 31 December 2022 (*continued*)

#### Directors' indemnities

The company has made qualifying third party indemnity provisions for the benefit of its directors which were made during the year and remain in force at the date of this report.

#### Disabled employees

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment with the Group continues, and that appropriate training is arranged. It is the policy of the Group and company that the training, career development and promotion of disabled persons, should, as far as possible, be identical to that of other members of the Group.

#### Employee consultation

The Group places considerable value on the involvement of its employees and has continued to keep them informed on matters affecting them as employees and on the various factors affecting the performance of the Group and company. Employee representatives are consulted regularly on a wide range of matters affecting their current and future interests. Further information is contained in the strategic report above.

#### Matters included within strategic report

In accordance with s414(C) (11) of the Companies Act, included in the Strategic Report is information relating to principal activities, review of the business, financial risk management (included within principal risks and uncertainties) and future developments (within future outlook) which would otherwise be required by Schedule 7 of the 'large and medium sized companies and groups (accounts and reports) regulation 2008' to be contained in a Director's Report.

#### Streamlined Energy and Carbon Reporting (SECR)

In accordance with the Companies (Directors' Report) and Limited Liability Partnerships (Energy and Carbon Report) Regulations 2018, the group presents its SECR summary below.

The total UK energy usage was 457,901 kWh (2021: 348,625 kWh) and was determined through a combination of energy meter readings and energy supplier invoices. The carbon emissions produced by the UK operations was 106,690kg (2021: 81,230kg). This is equivalent to 332kg per UK based employee (2021: 332kg per UK based employee).

#### Auditors

BDO LLP have expressed their willingness to continue in office and a resolution to re-appoint them as auditors will be proposed at the next annual general meeting.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

#### Approval

This directors' report of ATPI Holdings (Jersey) Limited was approved and signed on behalf of the Board on 27<sup>th</sup> April 2023.

I.C. Sinderson  
Director

## ATPI Holdings (Jersey) Limited

### Directors' responsibilities statement for the year ended 31 December 2022

---

The directors are responsible for preparing the strategic report, directors' report and the financial statements in accordance with applicable law and regulations.

The directors have elected to prepare the financial statements in accordance with UK adopted international accounting standards. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the Group and of the profit or loss of the Group for that period. In preparing these financial statements, International Accounting Standard 1 require that the directors:

- properly select and apply accounting policies;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;
- provide additional disclosures when compliance with the specific requirements in IFRSs are insufficient to enable users to understand the impact of particular transactions, other events and conditions on the entity's financial position and financial performance and;
- make an assessment of the company's ability to continue as a going concern.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Group and company's transactions and disclose with reasonable accuracy at any time the financial position of the Group and company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## ATPI Holdings (Jersey) Limited

### Independent auditor's report

---

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ATPI HOLDINGS (JERSEY) LIMITED

##### Opinion on the financial statements

In our opinion, the financial statements:

- give a true and fair view of the state of the Group's and of the Parent Company's affairs as at 31 December 2022 and of the Group's loss and of the Company's profit for the year then ended;
- have been properly prepared in accordance with UK adopted international accounting standards;
- have been prepared in accordance with the requirements of Companies (Jersey) Law 1991.

We have audited the financial statements of ATPI Holdings (Jersey) Limited ("the Parent Company") and its subsidiaries ("the Group") for the year ended 31 December 2022 which comprise the consolidated income statement, the consolidated statement of comprehensive income, the company income statement, the consolidated balance sheet, the company balance sheet, the consolidated statement of changes in equity, the company statement of changes in equity, the consolidated cash flow statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and UK adopted international accounting standards.

##### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### *Independence*

We are independent of the Group and the Parent Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements

##### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Group or Parent Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

##### Other information

The Directors are responsible for the other information. The other information comprises the information included in the Annual report and non-statutory financial statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

## ATPI Holdings (Jersey) Limited

### Independent auditor's report (*continued*)

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Other Companies (Jersey) Law 1991 reporting**

We have nothing to report in respect of the following matters where the Companies (Jersey) Law 1991 requires us to report to you if, in our opinion:

- proper accounting records have not been kept, by the Parent Company, or proper returns adequate for our audit have not been received from branches not visited by us; or
- the Parent Company financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of Directors**

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Group and Parent Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Group or Parent Company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

#### *Extent to which the audit was capable of detecting irregularities, including fraud*

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding and accumulated knowledge of the Group and Parent Company and the sector in which it operates we considered the risks of acts by the Group and Parent Company which were contrary to applicable laws and regulations, including fraud, and whether such actions or non-compliance might have a material effect on the non-statutory financial statements. These included but are not limited to those that relate to the form and content of the financial statements, such as Group accounting policies, UK adopted international accounting standards, UK GAAP, the Companies Act 2006, relevant taxation legislation, Health and Safety and the Bribery Act 2010.

## ATPI Holdings (Jersey) Limited

### Independent auditor's report (*continued*)

Our audit procedures included, but were not limited to:

- Agreement of the financial statement disclosures to underlying supporting documentation.
- Discussions with management, including consideration of known or suspected instances of non-compliance with laws and regulation and fraud.
- Review of minutes of Board meetings throughout the period to identify any non-compliance with laws and regulations, or any unrecorded contingencies or commitments.
- Obtaining an understanding of the control environment in monitoring compliance with laws and regulations.
- We communicated relevant identified laws and regulations and potential fraud risks to all engagement team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.
- We assessed the susceptibility of the Financial Statements to material misstatement, including fraud and the risk of management override of internal controls. We determined that the principal risks were related to posting inappropriate journal entries, management bias in accounting estimates, the margin recognised on bookings that drives revenue and revenue cut off.
- Challenging assumptions and judgements made by management in their significant accounting estimates, in particular in relation to the goodwill impairment assessment, the trade debtor provision, the recognition of rebates and the IBR used for the purposes of IFRS 16.
- Identifying and testing journal entries, in particular any journal entries posted with unusual account combinations or including specific keywords.
- Testing a sample of revenue transactions within a specified cut off window pre and post year end to determine if they have been recorded in the correct period.
- Applying a data analytics approach to test if the margin has been recognised on bookings appropriately.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

#### Use of our report

This report is made solely to the Parent Company's members, as a body, in accordance with Article 113A of the Companies (Jersey) Law 1991. Our audit work has been undertaken so that we might state to the Parent Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Parent Company and the Parent Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## ATPI Holdings (Jersey) Limited

### Notes forming part of the financial statements for the year ended 31 December 2022

---

#### 1 General information

ATPI Holdings (Jersey) Limited (the company) is a private company limited by shares and incorporated in Jersey. The address of the registered office is given on the contents page. The nature of the Company and the Group's operations and its principal activities are set out in the Strategic Report on pages 1-5.

These financial statements are presented in pounds sterling because that is the currency of the primary economic environment in which the Group operates.

#### 2 Accounting policies

##### ***Basis of preparation***

The consolidated financial statements of the Group have been prepared in accordance with UK adopted international accounting standards. The presentation currency is pounds sterling (GBP) and all amounts in these financial statements have been rounded to the nearest thousand pound.

The financial statements have been prepared on the historical cost basis. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The financial statements are non-statutory financial statements prepared for the purpose of showing the members the consolidated results of the Group.

##### ***Going concern***

The directors' make a combined assessment on going concern with respect to the Group and the company as the forecasts and range of possible scenarios on the financial position have been assessed as such, with considerations to the principal risks and uncertainties as set out in the Strategic Report.

The Group's business activities, together with the factors likely to affect its future development, performance and position are set out in the Strategic report. The Strategic report describes the financial position of the Group; its cash flows, liquidity position and borrowing facilities; the Group's objectives, policies and processes for managing its capital; its financial risk management objectives; details of its financial instruments and hedging activities; and its exposure to credit risk and liquidity risk.

The Group has bank loans of £86,717,000 excluding overdrafts as at 31 December 2022 (2021 - £83,066,000) which are subject to covenant restrictions. Of this, £3,500,000 is due within one year, and the remainder is repayable on 30 June 2024. The group's revolving credit facilities of £43,300,000, are committed until 30 June 2024.

The board has considered and debated a range of substantial possible scenarios on the Group's operations, financial position and forecasts covering a period of at least the next 12 months to June 2024. These take into account sensitivity analysis and stress testing performed on the forecasts, the potential impact on revenue and cash flows together with mitigating actions that could be taken including cost reductions. Taking into account reasonable possible changes in trading performance along with other mitigating factors available to them, the Directors have a reasonable expectation that the Group should be able to operate within its current facility and to satisfy any upcoming covenant conditions.

After review of the forecasts along with mitigating factors available to them, the Directors have a reasonable expectation that the Group and Company have adequate resources to continue in operational existence and to satisfy any upcoming covenant conditions in the foreseeable future. Accordingly, the Directors continue to adopt the going concern basis in preparing the annual report and financial statements.

## ATPI Holdings (Jersey) Limited

Notes forming part of the financial statements  
for the year ended 31 December 2022 (*continued*)

### 2 Accounting policies (*continued*)

#### Post balance sheet events

None.

#### **Basis of consolidation**

The Group financial statements consolidate the financial statements of ATPI Holdings (Jersey) Limited, its subsidiary undertakings and the attributable share of the results and net assets of associated undertakings and joint ventures accounted for under the equity method, all drawn up to 31 December 2022. The results of subsidiary undertakings acquired or disposed of in the period are consolidated for the periods from or to the date on which control passed. Acquisitions are accounted for in accordance with IFRS 3 Business Combinations.

The consolidated financial statements incorporate the financial statements of the company and entities controlled by the company (its subsidiaries) made up to 31 December each year. Control is achieved when the company:

- has the power over the investee;
- is exposed, or has rights, to variable return from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above. Consolidation of a subsidiary begins when the company obtains control over the subsidiary and ceases when the company loses control of the subsidiary. Specifically, the results of subsidiaries acquired or disposed of during the year are included in the consolidated income statement from the date the Company gains control until the date when the company ceases to control the subsidiary.

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between the members of the Group have been eliminated on consolidation.

For partly owned subsidiaries, the allocation of the net assets and net earnings to outside shareholders is shown in the line "Attributable to non-controlling interest" on the face of the Consolidated Income Statement and Consolidated Balance Sheet.

#### **Significant accounting policies**

The following are the significant accounting policies applied by the Group in preparing its consolidated financial statements. These have been applied consistently in the current and prior year.

#### **Investments in subsidiaries**

Investments in subsidiaries are stated at cost less, where appropriate, provisions for impairment.

## ATPI Holdings (Jersey) Limited

Notes forming part of the financial statements  
for the year ended 31 December 2022 (*continued*)

### 2 Accounting policies (*continued*)

#### *Investments in associates and joint ventures*

An associate is an entity over which the Group has significant influence and that is neither a subsidiary nor an interest in a joint venture. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

Under IFRS 11 investments in joint arrangements are classed as either joint operations or joint ventures depending on the contractual rights and obligations of each investor. The Group has assessed the nature of its joint arrangements and determined them to be joint ventures. An entity is regarded as a joint venture if the Group has joint control over its operating and financial policies.

The results, assets and liabilities of associates and joint ventures are incorporated in these financial statements using the equity method of accounting.

Under the equity method, an investment in an associate and joint venture is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income.

When the Group's share of losses of an associate exceeds the Group's interest in that associate (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate.

An investment in an associate and joint venture is accounted for using the equity method from the date on which the investee becomes an associate.

The requirements of IAS 36 are applied to determine whether it is necessary to recognise any impairment loss with respect to the Group's investment in an associate or joint venture. When necessary, the entire carrying amount of the investment (including goodwill) is tested for impairment in accordance with IAS 36 *Impairment of Assets* as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs of disposal) with its carrying amount. Any impairment loss recognised forms part of the carrying amount of the investment. Any reversal of that impairment loss is recognised in accordance with IAS 36 to the extent that the recoverable amount of the investment subsequently increases.

The Group discontinues the use of the equity method from the date when the investment ceases to be an associate or joint venture, or when the investment is classified as held for sale.

When a Group entity transacts with an associate of the Group, profits and losses resulting from the transactions are recognised in the Group's consolidated financial statements only to the extent of interests in the associate that are not related to the Group.

## ATPI Holdings (Jersey) Limited

Notes forming part of the financial statements  
for the year ended 31 December 2022 (*continued*)

---

### 2 Accounting policies (*continued*)

#### **Business combinations**

Acquisitions of subsidiaries and businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of assets transferred by the Group, liabilities incurred by the Group to the former owners of the acquiree and the equity interest issued by the Group in exchange for control of the acquiree. Acquisition-related costs are recognised in profit or loss as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their fair value at the acquisition date.

Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree, and the fair value of the acquirer's previously held equity interest in the acquiree (if any) over the net of the acquisition-date amounts of the identifiable assets acquired and the liabilities assumed.

When the consideration transferred by the Group in a business combination includes asset or liability resulting from a contingent consideration arrangement, the contingent consideration is measured at its acquisition-date fair value and included as part of the consideration transferred in a business combination.

Changes in fair value of the contingent consideration that qualify as measurement period adjustments are adjusted retrospectively, with corresponding adjustments against goodwill. Measurement period adjustments are adjustments that arise from additional information obtained during the 'measurement period' (which cannot exceed one year from the acquisition date) about facts and circumstances that existed at the acquisition date.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Provisional fair values allocated at a reporting date are finalised within 12 months of the acquisition date.

#### **Goodwill**

Goodwill is initially recognised and measured as set out above.

Goodwill is not amortised but is reviewed for impairment at least annually. For the purpose of impairment testing, goodwill is allocated to each of the Group's cash-generating units expected to benefit from the synergies of the combination. Cash-generating units to which goodwill has been allocated are tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than the carrying amount of the unit, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit. An impairment loss recognised for goodwill is not reversed in a subsequent period.

On disposal of a subsidiary, the attributable amount of goodwill is included in the determinations of the profit or loss.

## ATPI Holdings (Jersey) Limited

Notes forming part of the financial statements  
for the year ended 31 December 2022 (continued)

### 2 Accounting policies (continued)

#### **Intangible assets acquired in a business combination**

Intangible assets acquired in a business combination and recognised separately from goodwill are initially recognised at their fair value at the acquisition date (which is regarded as their cost).

Subsequent to initial recognition, intangible assets acquired in a business combination are reported at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a reducing balance basis over their estimated useful lives, as follows:

|                      |   |             |
|----------------------|---|-------------|
| Trademarks           | - | 3 – 8 years |
| Client relationships | - | 1 – 5 years |

The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

#### **Intangible assets internally generated**

Expenditure on research activities relating to internal software is recognised as an expense in the period in which it is incurred.

An internally-generated intangible asset arising from development (or from the development phase of an internal project) is recognised when it is probable that economic benefits will flow to the Group from the asset being developed, and the cost of the asset can be reliably measured and technical feasibility can be demonstrated. Capitalisation ceases when the asset being developed is ready for use.

The amount initially recognised for internally-generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally-generated intangible asset can be recognised, development expenditure is recognised in profit or loss in the period in which it is incurred.

Subsequent to initial recognition, internally-generated intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired in a business combination. Their estimated useful life is 5-10 years.

#### **Property, plant and equipment**

Property, plant and equipment is shown at cost less accumulated depreciation. Cost is defined as expenditure directly attributable to the acquisition of the item.

Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset on a straight-line basis over its expected useful life, as follows:

|                              |   |             |
|------------------------------|---|-------------|
| Plant and equipment          | - | 3 - 5 years |
| Leasehold land and buildings | - | 10 years    |

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

## ATPI Holdings (Jersey) Limited

Notes forming part of the financial statements  
for the year ended 31 December 2022 (*continued*)

---

### 2 Accounting policies (*continued*)

#### ***Impairment of tangible and intangible assets excluding goodwill***

At each balance sheet date, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

An intangible asset with an indefinite useful life is tested for impairment at least annually and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

#### ***Taxation***

The tax expense represents the sum of the tax currently payable and deferred tax.

#### ***Current tax***

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

## ATPI Holdings (Jersey) Limited

### Notes forming part of the financial statements for the year ended 31 December 2022 (*continued*)

#### 2 Accounting policies (*continued*)

##### **Taxation** (*continued*)

###### *Deferred tax*

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on tax laws and rates that have been enacted or substantively enacted at the balance sheet date. Deferred tax is charged or credited in the income statement, except when it relates to items charged or credited in other comprehensive income, in which case the deferred tax is also dealt with in other comprehensive income.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the company intends to settle its current tax assets and liabilities on a net basis.

###### *Current tax and deferred tax for the year*

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

##### **Retirement benefit costs**

The Group has a mix of defined contribution and funded pension schemes. However, the funded pension schemes are fully insured by third parties and are therefore accounted for as though they are defined contribution schemes. The pension charge for the year ended 31 December 2022 represents contributions payable to individual pension plans of employees. Differences between contributions payable in the year ended 31 December 2022 and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

##### **Borrowings and issue costs**

Borrowings are initially stated at the amount of the net proceeds after deduction of issue costs. The carrying amount is increased by the finance cost in respect of the accounting period and reduced by payments made in the period.

## ATPI Holdings (Jersey) Limited

### Notes forming part of the financial statements for the year ended 31 December 2022 (continued)

#### 2 Accounting policies (continued)

##### **Foreign currencies**

The individual financial statements of each group company are presented in the currency of the primary economic environment in which it operates (its functional currency). For the purpose of the consolidated financial statements, the results and financial position of each group company are expressed in sterling, which is the functional currency of the Group, and the presentation currency for the consolidated financial statements.

In preparing the financial statements of the individual companies, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing on the dates of the transactions. At each balance sheet date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences are recognised in profit or loss in the period in which they arise except for:

- exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings;
- exchange differences on transactions entered into to hedge certain foreign currency risks (see below under financial instruments / hedge accounting); and
- exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur in the foreseeable future (therefore forming part of the net investment in the foreign operation), which are recognised initially in other comprehensive income and reclassified from equity to profit or loss on disposal or partial disposal of the net investment.

For the purpose of presenting consolidated financial statements, the assets and liabilities of the group's foreign operations are translated at exchange rates prevailing on the balance sheet date. Income and expense items are translated at the average exchange rates for the period, unless exchange rates fluctuate significantly during that period, in which case the exchange rates at the date of transactions are used. Exchange differences arising, if any, are recognised in other comprehensive income and accumulated in a separate component of equity (attributed to non-controlling interests as appropriate).

##### **Provisions**

Provisions are recognised when there is a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources will be necessary to settle the obligation and the amount can be reliably estimated. Provisions for restructuring costs are recognised when the Group has a detailed formal plan for the restructuring that has been communicated to affected parties before the balance sheet date. Provisions are discounted where the impact is material.

## ATPI Holdings (Jersey) Limited

Notes forming part of the financial statements  
for the year ended 31 December 2022 (*continued*)

### 2 Accounting policies (*continued*)

#### **Cash and cash equivalents**

For the purposes of the Consolidated Cash Flow Statement, cash and cash equivalents includes bank balances and deposits with original maturities of 90 days or less. It also includes bank overdrafts which form an integral part of the Group's cash management and are likely to fluctuate from overdrawn to positive balances. Bank overdrafts, where there is no right of set-off, are shown as borrowings within current liabilities.

#### **Financial instruments**

Financial instruments are recorded initially at fair value net of issue costs incurred. Subsequent measurement depends on the designation of the instrument as noted below.

All recognised financial assets and liabilities that are within the scope of IFRS 9 are required to be measured subsequently at amortised cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

#### Impairment of financial assets

In relation to the impairment of financial assets, IFRS 9 requires an expected credit loss model. The expected credit loss model requires the Company to account for expected credit losses and changes in those expected credit losses at each reporting date to reflect changes in credit risk since initial recognition of the financial assets. In other words, it is no longer necessary for a credit event to have occurred before credit losses are recognised

Specifically, IFRS 9 requires the Company to recognise a loss allowance for expected credit losses on:

- (1) debt investments measured subsequently at amortised cost or at FVTOCI;
- (2) lease receivables;
- (3) trade receivables and contract assets; and
- (4) financial guarantee contracts to which the impairment requirements of IFRS 9 apply.

In particular, IFRS 9 requires the Group to measure the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses (ECL) if the credit risk on that financial instrument has increased significantly since initial recognition, or if the financial instrument is a purchased or originated credit impaired financial asset.

However, if the credit risk on a financial instrument has not increased significantly since initial recognition (except for a purchased or originated credit impaired financial asset), the Company is required to measure the loss allowance for that financial instrument at an amount equal to 12 months ECL. IFRS 9 also requires a simplified approach for measuring the loss allowance at an amount equal to lifetime ECL for trade receivables, contract assets and lease receivables in certain circumstances.

The Group applies a simplified approach and recognises lifetime ECL on trade and other receivables, all bank balances have been deemed to have a low credit risk at each reporting date as they are held with reputable institutions.

The directors have concluded that it would require undue cost and effort to determine the credit risk of each loan on their respective dates of initial recognition. These loans are also assessed to have credit risk other than low. Accordingly, the Group recognises lifetime ECL for these loans until they are derecognised.

## ATPI Holdings (Jersey) Limited

### Notes forming part of the financial statements for the year ended 31 December 2022 (continued)

#### 2 Accounting policies (continued)

##### *Financial instruments (continued)*

###### *Financial assets*

The Group classifies its financial assets as either at fair value through profit or loss or amortised cost. The classification depends on the purpose for which the financial assets were acquired. Management determines the classification of its financial assets at initial recognition.

At fair value through profit or loss – Financial instruments at fair value through profit or loss are financial instruments held for trading. A financial instrument is classified in this category if acquired principally for the purpose of selling in the short term. Derivatives are also categorised as held for trading unless they are designated as hedges. Financial instruments in this category are classified as current assets or liabilities.

Amortised cost – Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except where expected maturity is greater than 12 months after the balance sheet date which are classified as non-current assets. The company's loans and receivables comprise trade and other debtors and cash and cash equivalent assets in the Balance Sheet.

Regular purchases and sales of financial assets are recognised on the trade-date, the date on which the company commits to purchase or sell the asset. Investments are initially recognised at fair value for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the profit and loss account. Financial assets are derecognised when the rights to receive cash flows from the investments have expired or have been transferred, the company no longer has control of the asset, and the company has transferred substantially all risks and rewards of ownership. Loans and receivables are carried at amortised cost using the effective interest method.

Gains or losses arising from changes in the fair value of the financial assets at fair value through profit or loss category are presented in the profit and loss account in the period in which they arise. Trade debtors are recognised initially at fair value with subsequent provision for impairment, which is calculated under the ECL model as discussed above.

###### *Financial liabilities*

The Group classifies its financial liabilities as either at fair value through profit or loss or amortised cost. Trade and other payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

Borrowings are held at amortised cost and are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date. Exchange movements on long term foreign currency borrowings are taken to reserves to the extent that the borrowing is in the functional currency of the obligor and to the Income statement to the extent they are not.

Net finance costs are recognised as an expense in the year in which they are incurred. Debt issue costs are amortised proportionally over the anticipated life of the relevant debt facility using the effective interest method.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. A financial liability is a contractual obligation to deliver cash or another financial asset to a third party.

## ATPI Holdings (Jersey) Limited

Notes forming part of the financial statements  
for the year ended 31 December 2022 (*continued*)

### 2 Accounting policies (*continued*)

#### **Financial instruments** (*continued*)

##### *Net Investment Hedge*

When a derivative instrument or a non-derivative financial liability is designated as the hedging instrument in a hedge of a net investment in a foreign operation, the effective portion of, for a derivative, changes in the fair value of the hedging instrument or, for a non-derivative, foreign exchange gains and losses is recognised in OCI and presented in the translation reserve within equity. Any ineffective portion of the changes in the fair value of the derivative or foreign exchange gains and losses on the non-derivative is recognised immediately in profit or loss. The amount recognised in OCI is reclassified to profit or loss as a reclassification adjustment on disposal of the foreign operation.

A foreign currency exposure arises from the Group's net investment in its overseas subsidiaries that have non-Sterling functional currencies. The risk arises from the fluctuation in spot exchange rates between these currencies and Sterling, which causes the amount of the net investment to vary. The hedged risk in the net investment hedge is the risk of a weakening foreign currency against the Sterling that will result in a reduction in the carrying amount of the Group's net investment in the foreign subsidiaries.

Part of the Group's net investment in its foreign subsidiaries is hedged by a Euro or USD denominated loan, which mitigates the foreign currency risk arising from the subsidiary's net assets. The EUR and USD loans are designated as hedging instruments for the changes in the value of the net investment that is attributable to changes in the GBP/EUR and GBP/USD spot rate respectively.

#### **Non-recurring items**

Non-recurring items are those that the directors consider need to be disclosed separately in the financial statements to provide a true and fair view by virtue of their size or incidence; all Non-recurring items are charged in arriving at operating profit in the financial statements.

#### **Right-of-use assets and lease liabilities**

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at the amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease liability (present value of minimum lease payments), and subsequently at that amount less accumulated depreciation and impairment losses, and adjusted for certain remeasurements of the lease liability.

Subsequent to initial recognition on implementation of IFRS 16, right of use assets are initially measured at the amount of the lease liability, reduced for any lease incentives received, and increased for:

- lease payments made at or before commencement of the lease;
- initial direct costs incurred; and
- the amount of any provision recognised where the group is contractually required to dismantle, remove or restore the leased asset (typically leasehold dilapidations).

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Group's incremental borrowing rate. Generally, the Group uses its incremental borrowing rate in the jurisdiction in which the asset resides as the discount rate. The lease liability is subsequently increased by the interest cost on the lease liability and decreased by lease payments made. It is remeasured when there is a change in the future lease payments arising from a change in an index or rate, a change in the estimate of the amount expected to be payable under a residual value guarantee, or as appropriate, changes in the assessment of whether a purchase or extension option is reasonably certain to be exercised or a termination option is reasonably certain not to be exercised. The Group has applied judgement to determine the lease term for some lease contracts in which it is a lessee that include renewal options and break clauses. The assessment of whether the Group is reasonably certain to exercise such options impacts the lease term, which significantly affects the amount of lease liabilities and right-of-use assets recognised.

## ATPI Holdings (Jersey) Limited

### Notes forming part of the financial statements for the year ended 31 December 2022 (continued)

#### 2 Accounting policies (continued)

##### **IFRS 16**

The Group, as a lessee, has recognised right-of-use assets recognising its rights to use the underlying assets and lease liabilities representing its obligation to make lease payments. Lessor accounting is not applicable to the Group.

##### A) Definition of a lease

The Group assesses whether a contract is or contains a lease based on a new definition of a lease. Under IFRS 16, a contract is, or contains a lease if a contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At inception or reassessment of a contract that contains a lease component, the Group allocates the consideration in the contract to each lease and non-lease component on the basis of their relative stand-alone process.

##### B) As a lessee

The Group leases many assets including property, vehicles and IT equipment. Under IFRS 16, the Group recognises right-of-use assets and lease liabilities for most leases i.e. these leases are on-balance sheet. However, the Group has elected to not recognise right-of-use assets and lease liabilities for leases of low-value assets and leases with terms of less than 12 months.

The Group presents right-of-use assets separate to tangible fixed assets that it owns. The carrying amounts of right-of-use assets, by nature of asset, are disclosed in note 12.

#### **IAS 20 - Accounting for Government Grants and Disclosure of Government Assistance**

The Group utilised the accounting provisions within IAS 20 with respect to Government Grants and Disclosure of Government Assistance. The usage of this provision is required due to the ongoing global pandemic, in which several local governments are providing financial assistance, in one form or another, to companies within their respective jurisdictions.

| <b>Government Assistance Type</b> | <b>Impact on P&amp;L<br/>£</b> | <b>Value Deferred</b> | <b>Type</b>         |
|-----------------------------------|--------------------------------|-----------------------|---------------------|
| Salary Support                    | £1,381,945                     | £0                    | Non-repayable Grant |

Salary support includes money provided to the company by local governments to be used to part fund employee salary and related costs. This support is a non-refundable grant.

## ATPI Holdings (Jersey) Limited

### Notes forming part of the financial statements for the year ended 31 December 2022 (continued)

#### 2 Accounting policies (continued)

##### **New and amended IFRS standards that are effective in the year**

Amendments to IFRS 9, IFRS 16, IAS 37.

##### **New and revised IFRSs in issue but not yet effective**

At the date of authorisation of these financial statements, The Group has not applied the following new and revised IFRSs that have been issued but are not yet effective and in some instances had not yet been adopted by the EU:

|                     |  |
|---------------------|--|
| IAS 1 (Amendments)  | Classification of Liabilities as Current or Non-current  |
| IFRS 3 (Amendments) | Business Combinations                                    |
| IAS 16 (Amendments) | Property, Plant and Equipment                            |
| IAS 37 (Amendments) | Provisions, Contingent Liabilities and Contingent Assets |
| IFRS 1              | Annual Improvement                                       |
| IFRS 9              | Annual Improvement                                       |
| IFRS 16             | Annual Improvement                                       |
| IAS 41              | Annual Improvement                                       |

The directors do not expect that the adoption of the Standards listed above will have a material impact on the financial statements of the Group in future periods.

#### 3 Critical accounting judgements and key sources of estimation uncertainty

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The directors do not consider there to be any key judgments made in the preparation of these Consolidated Financial Statements.

##### *Key sources of estimation uncertainty*

The key sources of estimation made in preparation of these Consolidated Financial Statements are:

- The assessment of the impairment of goodwill at each balance sheet date (see note 10). This process depends on the preparation of estimates of future cash flows expected to be generated in the Group. The Group has also conducted sensitivity analysis to the Group's projections and future growth and profitability is underpinned by the rate of recovery of the offshore energy and corporate travel market which remains uncertain.
- The evaluation of the recoverability of deferred tax assets (see note 20), which depends on the assessment of the probability that there will be sufficient appropriate taxable profits available in future against which to realise them. This assessment is done using financial forecasting.

## ATPI Holdings (Jersey) Limited

Notes forming part of the financial statements  
for the year ended 31 December 2022 (continued)

### 4 Revenue

Revenue represents amounts derived from the provision of services which fall within the company's principal activities after deduction of value added tax. In accordance with its primary role as intermediary, revenue is recorded at the margin rather than the amount invoiced to customers and is recorded when the performance obligation has been satisfied, normally on confirmation of customer booking in accordance with standard terms and conditions. Revenue derived from event management is not recognised until the event takes place, when ATPI's performance obligation has been met. All revenue is derived from the principal activity of the Group, that of a travel management company. On the basis the Company has no publicly traded equity or debt securities, with listed debt held wholly by subsidiaries, the directors have taken the exemption available under IFRS 8 'Operating Segments' not to disclose reporting data for business segments or geographical segments as it would be prejudicial to the Group. Revenue, loss before taxation, assets and liabilities are attributable to the activity of travel management.

### 5 Loss before taxation

|   | 2022<br>£'000 | 2021<br>£'000 |
|---|---------------|---------------|
| Loss for the year has been arrived at after charging/(crediting): |               |               |
| Net foreign exchange (gains)                                      | (634)         | (1,457)       |
| Depreciation on leasehold assets                                  | 2,134         | 3,209         |
| Depreciation of property, plant and equipment                     | 610           | 650           |
| Amortisation of internally generated intangible assets            | 3,236         | 2,682         |
| Amortisation of other intangible assets                           | 926           | 335           |
| Loss on disposal of property, plant and equipment                 | -             | 4             |
| Lease rental costs  | 672           | (206)         |
| Staff costs (see note 7)  | 55,154        | 35,866        |

During the year ended 31 December 2022, the Group incurred non-recurring costs of £2,154,000 (2021 - £4,471,000). This included £1,586,000 (2021 - £3,168,000) in respect of Group reorganisation expenses which comprises consulting and legal costs associated with the restructure of the Group's cost base and balance sheet (further commentary included in the strategic report). A further £193,000 (2021 - £228,000) was in relation to significant individual write offs arising from the current market conditions and further property and other costs of £375,000 (2021 - £1,075,000) which includes, but is not limited to, the impact of onerous property lease contracts and other onerous contracts.

On the basis that these items are non-recurring in nature, the directors have disclosed the costs separately on the face of the income statement.

### 6 Auditors remuneration

The analysis of the auditor's remuneration is as follows:

|   | 2022<br>£'000 | 2021<br>£'000 |
|---|---------------|---------------|
| Fees payable to the company's auditor and their associates for the audit of the company's annual financial statements | 15            | 10            |
| Fees payable to the company's auditor and their associates for other services to the Group                            |               |               |
| - The audit of the company's subsidiaries   | 452           | 407           |
| Total audit fees  | 467           | 417           |
| - Taxation compliance services  | 70            | 53            |
| - Other services  | 30            | 61            |
| Total non-audit fees  | 100           | 114           |

### 7 Staff costs

|  | 2022<br>£'000 | 2021<br>£'000 |
|--|---------------|---------------|
| Their aggregate remuneration comprised:                                      |               |               |
| Wages and salaries   | 47,688        | 30,442        |
| Social security costs  | 5,221         | 3,670         |
| Other pension costs (note 28)  | 2,245         | 1,754         |
|  | 55,154        | 35,866        |
| The average monthly number of employees (including executive directors) was: | Number        | Number        |
| Management and administration  | 1,640         | 1,425         |

Included within wages and salaries costs above is other income of £1,381,945 (2021: £5,807,794). This relates to Government Aid for salary support, further detail is available in the accounting policy notes. Gross wages and salaries is therefore £56.5m (2021: £36.2m).

| Adjustment in respect of prior years   | 183                    | (8)                    | -                        | -                        |
| Tax charge for the year  | 3,893                  | 2,447                  | 1,760                    | 1,271                    |

From 01 April 2023, the Corporation Tax Main rate for non-ring fenced profits will be increased to 25% applying to profits over £250,000. This was substantively enacted during the year. The standard rate of corporation tax will remain at 19%, effective from 1 April 2022 until April 2023. The rates are ratified within Finance Act 2023, which received Royal Assent in January 2023. Deferred tax has been calculated using these rates based on the timing of when each individual deferred tax balance is expected to reverse in the future.

|  | <hr/>          |

Goodwill acquired in a business combination is allocated, at acquisition, to the cash generating units (CGUs) or group of units that are expected to benefit from that business combination.

The Group tests goodwill annually for impairment, or more frequently if there are indications that goodwill might be impaired. The recoverable amounts have been determined based on a value-in-use calculation on a cash-generating unit basis, which uses cash flow projections based on financial budgets approved by the directors covering a twelve month period. These budgets have been adjusted for specific risk factors that take into account sensitivities of the projection. The base twelve month projection is extrapolated using reasonable growth rates specific to each cash generating unit up to year 5, between 0% and 13%, and a terminal value based on perpetuity growing at 2.40% from year 5 onwards, which management believes does not exceed the long-term average growth rate for the industry and forecast company growth. A discount rate of 12.5% per annum (2021 - 12.5%), has been applied to these cash flows, being an estimation of current market risks and the time value of money. Following sensitivity analysis, the directors believe that any reasonably possible further change in the key assumptions on which the recoverable amount is based would not cause any of the carrying amounts to exceed the relevant recoverable amount. A key sensitivity in the above is in relation to the short term growth rate. A decrease of 1% in the short term growth rate would reduce the available headroom by 3.5%. The Group has also conducted sensitivity analysis to the Group's projections and whilst significant reorganisation has already been initiated by the Group, future growth and profitability is underpinned by the rate of recovery of the travel industry which remains uncertain. The directors consider that any reasonably possible further change in the key assumptions on which the amount is based would not cause any of the carrying amounts to exceed the relevant recoverable amount.

## ATPI Holdings (Jersey) Limited

Notes forming part of the financial statements  
for the year ended 31 December 2022 (continued)

### 10 Goodwill (continued)

On 31 March 2022 the Group, through its subsidiary ATP Instone Australia PTY Ltd, acquired 100 per cent of the issued share capital of The Travel Authority Pty Ltd ("TTA"), a company incorporated in Australia, whose primary activity is Travel Management, for consideration comprising cash of £4,406,692 to increase the Group's presence in that territory. In accordance with Section 615 of the Companies Act 2006, the Company has recorded the cost of the investment at the value of the cash consideration.

The acquisition has been accounted for under the acquisition method. The following table sets out the book values of the identifiable assets and liabilities acquired and their fair value to the Group:

| At 31 March 2022                 | Book value<br>£'000 | Revaluation<br>£'000 | Fair value<br>to Group<br>£'000 |

The associated undertakings of the Group as at 31 December 2021 and 31 December 2022 are listed below. All the companies have a year end of 31 December.

| Associate undertaking     | Country of<br>incorporation | Percentage of<br>voting rights | Principal activity        |
|---------------------------|-----------------------------|--------------------------------|---------------------------|
| ATPI Travel LLC           | UAE                         | 49.0%                          | Travel Management Company |
| Griffin Marine Travel SIA | Latvia                      | 29.5%                          | Travel Management Company |

The above interests are not held directly by the parent company. An interest free loan of £nil (2021 - £197,632) is due from ATPI Travel LLC to a subsidiary undertaking. The loan has no fixed repayment date.

The combined share of profits of the Group's associates represents less than 5% of the Group's total profit before tax, they are not, in the opinion of the directors, considered material to the Group and accordingly their results have not been individually disclosed.

| Other receivables, prepayments and accrued income | 24,118                 | 14,374                 | -                        | -                        |
|   | <u>84,959</u>          | <u>58,547</u>          | <u>139,134</u>           | <u>131,143</u>           |

Trade receivables disclosed above are classified as loans and receivables and are therefore measured at amortised cost.

The directors consider that the carrying amount of trade and other receivables is approximately equal to their fair value.

Amounts due from subsidiaries arising from trading items are due within 30 days following invoice. There is no interest payable on these unsecured balances.

### 17 Current asset investments

| Group  | 2022<br>£'000 | 2021<br>£'000 |
|--|---------------|---------------|
| Term deposits with a maturity in excess of 90 days | 3,009         | 3,024         |

### 18 Borrowings

|                  | Group<br>2022<br>£'000 | Group<br>2021<br>£'000 | Company<br>2022<br>£'000 | Company<br>2021<br>£'000 |
|------------------|------------------------|------------------------|--------------------------|--------------------------|
| Bank overdraft   | 27,796                 | 25,323                 | -                        | -                        |
| Bank loan        | 86,717                 | 83,066                 | -                        | -                        |
| Shareholder loan | 110,741                | 93,647                 | -                        | -                        |
| Other Borrowings | 832                    | 104                    | -                        | -                        |
|                  | <u>226,086</u>         | <u>202,140</u>         | <u>-</u>                 | <u>-</u>                 |

The bank loans are secured on the assets of the Group, with the Shareholder loan having a second charge over the assets of the Group (ranking behind the bank loans). The bank overdraft is interest-bearing and secured. Interest accruals are shown in note 21.

|  | <b>(171,256)</b> | (157,206)     |

The Group uses the following hierarchy for determining the fair value of financial instruments by valuation technique:

- Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities;
- Level 2: other techniques for which all inputs which have significant effect on the recorded fair value are observable, either directly or indirectly; and
- Level 3: techniques which use inputs which have significant effect on the recorded fair value that are not based on observable market data.

### 20 Deferred tax

The following are the major deferred tax liabilities and assets recognised by the company and movements thereon during the current and prior reporting year.

|                          | Accelerated<br>depreciation/<br>(capital<br>allowances)<br>£'000 | Short term<br>timing<br>differences<br>£'000 | Total<br>£'000 |
|--------------------------|--|--|----------------|
| At 1 January 2021        | (290)  | 565  | 275            |
| Credit to profit or loss | (368)  | -  | (368)          |
| Exchange differences     | (1)  | -  | (1)            |
|                          | -----  | -----  | -----          |
| At 31 December 2021      | (659)  | 565  | (94)           |
| Credit to profit or loss | (281)  | -  | (281)          |
| Exchange differences     | (38)   | -  | (38)           |
|                          | -----  | -----  | -----          |
| At 31 December 2022      | <b>(978)</b>   | <b>565</b>                                   | <b>(413)</b>   |
|                          | =====  | =====  | =====          |

Deferred tax assets and liabilities are offset where the company has a legally enforceable right to do so. The following is the analysis of the deferred tax balances (after offset) for financial reporting purposes:

|                          | 2022<br>£'000  | 2021<br>£'000 |
|--------------------------|----------------|---------------|
| Deferred tax liabilities | <b>(2,097)</b> | (1,281)       |
| Deferred tax assets      | <b>1,684</b>   | 1,187         |
|                          | -----          | -----         |
|                          | <b>(413)</b>   | (94)          |
|                          | =====          | =====         |

A deferred tax asset of £14,395,621 (2021 - £11,973,117) has not been recognised in respect of tax losses on the grounds that it is not considered probable that there will be future taxable profits available. The 2021 deferred tax asset in respect of tax losses has been amended following finalisation of the 2021 tax computations.

|  | 2022    | 2021    |
|--|---------|---------|
|  | £       | £       |
| <i>Issued, called up and fully paid</i>                                    |         |         |
| 1,452,965 (2021 - 1,452,965) A Ordinary shares of £0.01 each               | 14,530  | 14,530  |
| 410,540 (2021 - 410,540) B Ordinary shares of £1.00 each                   | 410,540 | 410,540 |
| 4 (2021 - 4) G Ordinary shares of £1.00 each                               | 4       | 4       |
| 91,667,253 (2021 - 91,667,253) Junior Preferred A shares of £0.000001 each | 92      | 92      |
| 191,367,628 (2021 - 191,367,628) Senior Preferred shares of £0.001 each    | 191,368 | 191,368 |
|  | <hr/>   | <hr/>   |
|  | 616,534 | 616,534 |
|  | <hr/>   | <hr/>   |

The A Ordinary and B Ordinary shares hold equal voting rights, and the G Ordinary shares have no voting rights. Dividend on Junior Preferred A shares are at the discretion of the issuer. Any dividends in relation to Senior Preferred shares are at the discretion of the issuer.

#### Rights attaching to shares

On a return of capital, whether on a liquidation or capital reduction or otherwise, the surplus assets of the company remaining after the payment of its liabilities shall be applied in the following order:

- Senior Preferred Share Return Amount.
- Junior Preferred Shares.
- The A, B and G Ordinary Shares: the issue price of the shares.
- £1,000,000 per A and B share, as though they are of the same class were of the same class.
- The surplus (as though the shares were of the same class) pro rata as between the holders to their respective holdings of A, B and G shares.

Subject to approval by the Board of Directors, the A Ordinary shares and B Ordinary shares may receive an ordinary dividend. The G Ordinary Shares carry no rights to dividends in any circumstances.

#### Reserves

All reserves as stated in the consolidated and company statements of changes in equity. The foreign currency translation reserve is used to record exchange differences arising from the translation of the financial statements of foreign subsidiaries.

Cash and cash equivalents comprise cash and short-term bank deposits with an original maturity of three months or less, net of outstanding bank overdrafts. The carrying amount of these assets is approximately equal to their fair value. Cash and cash equivalents at the end of the reporting period as shown in the statement of cash flows can be reconciled to the related items in the balance sheet position as shown.

## ATPI Holdings (Jersey) Limited

Notes forming part of the financial statements  
for the year ended 31 December 2022 (continued)

### 26 Contingent liabilities

Performance bonds are taken out in the ordinary course of business by Group companies. The aggregate amount of such bonds outstanding at 31 December 2022 is £10,692,000 (2021 - £8,690,000). The Group also has liabilities under sponsorship agreements for £2,052,744 (2021 - £951,099) over the next 8 years, in relation to sporting events.

### 27 Lease liabilities

At the balance sheet date, the Group undiscounted maturity analysis of lease liabilities is as follows:

|                                     | <b>2022</b>        | <b>2021</b>  |
|-------------------------------------|--------------------|--------------|
|                                     | <b>£'000</b>       | <b>£'000</b> |
| Due within one year                 | <b>2,035</b>       | 2,285        |
| From second to fifth year inclusive | <b>4,225</b>       | 4,734        |
| After five years                    | <b>1,830</b>       | 947          |
|                                     | <hr/> <b>8,090</b> | <hr/> 7,966  |

Lease liabilities mainly represent arrangement for the occupation of office properties. Property leases are arranged taking into account local market conditions to secure the use of offices with economical rentals. At 31 December 2022, on average, property leases had 25 months to run (2021 - 25 months).

At the balance sheet date, the Group had discounted Lease liabilities included in the statement of financial position as follows:

|             | <b>2022</b>        |
|-------------|--------------------|
|             | <b>£'000</b>       |
| Current     | 1,719              |
| Non-Current | 5,082              |
|             | <hr/> <b>6,801</b> |

At the balance sheet date, the Group had amounts recognised in the Statement of Cash Flows with respect to Lease liabilities as follows:

|                                     | <b>2022</b>   |
|-------------------------------------|---------------|
|                                     | <b>£'000</b>  |
| Total cash outflow for leases       | (2,482)       |
| Cash in-flow from sub-let of leases | -             |
|                                     | <hr/> (2,482) |

### 28 Retirement benefit schemes

#### Defined contribution schemes - Group

The Group operates defined contribution retirement benefit schemes for all qualifying employees. The assets of the schemes are held separately from those of the company in funds under the control of trustees. Where there are employees who leave the schemes prior to vesting fully in the contributions, the contributions payable by the company are reduced by the amount of forfeited contributions.

The total cost charged to income of £2,245,212 (2021 - £1,754,126) represents contributions payable to these schemes by the company at rates specified in the rules of the schemes. An amount of £nil was unpaid at the balance sheet date (2021 - £nil).

### 29 Related party transactions

#### Remuneration of key management personnel

The remuneration of the directors, who are the key management personnel of the Group, is set out below in aggregate:

|   | 2022<br>£'000 | 2021<br>£'000 |

ATPI NORDIC AS  
C. Sundts gate 39  
5004 BERGEN

Att. Harald Kjærgård-Eide

## Fritak for konsernregnskapsplikt for ATPI Nordic AS, org.nr.892 218 722

Vi viser til deres brev sendt inn 3. juli 2023 hvor dere søker om fritak fra plikten til å utarbeide konsernregnskap for ATPI Nordic AS.

Skattekontoret finner med hjemmel i regnskapsloven § 3-7 fjerde ledd å kunne gi tillatelse til at det gjøres unntak for konsernregnskapsplikten for ATPI Nordic AS. Dispensasjonen gjelder så lenge opplysningene som danner grunnlaget for vedtaket ikke endres vesentlig.

Kopi av dette brev må sendes Regnskapsregisteret i Brønnøysund sammen med årsregnskapet mv. Det påligger den regnskapspliktige å dokumentere ved dette brev at tillatelsen er gitt.

### Bakgrunn

ATPI Nordic AS er morselskap i et underkonsern, hvor ATPI Holdings (Jersey) Limited er det ultimate morselskapet og er hjemmehørende utenfor EØS-området. Konsernregnskap utarbeides av ATPI Holdings (Jersey) Limited på engelsk språk etter IFRS, hvor ATPI Nordic AS med datterselskaper er omfattet.

### Skattekontorets vurdering

Det forutsettes at ATPI Holdings (Jersey) Limited utarbeider konsernregnskap som omfatter den regnskapspliktige og dennes datterselskaper. Det legges til grunn at dette konsernregnskapet er utarbeidet i samsvar med IFRS og at kravene i regnskapsloven § 3-7 med forskrifter for øvrig følges. Bestemmelsene i regnskapsloven kapittel 8 gjelder tilsvarende for dette konsernregnskapet.

Når det gjelder hvilket språk morselskapet skal utarbeide konsernregnskapet på, vises det til forskrift av 7. september 2006 nr. 1062 til utfylling og gjennomføring mv. av regnskapsloven. Det følger av

§ 3-7-1 at konsernregnskapet foruten å være på norsk, kan være på svensk, dansk eller engelsk.

Skattekontoret gir etter en konkret helhetsvurdering tillatelse til at det gjøres unntak for konsernregnskapsplikten.

Vennligst oppgi vår referanse ved henvendelse i saken.

Med hilsen

Lars Waalorp  
Skatteetaten
