Independent Auditor's Report

To the General meeting of Sørenga Parkering AS

Opinion

We have audited the financial statements of Sørenga Parkering AS.

The financial statements
comprise:

- The balance sheet as at 31 December 2023
- The income statement for 2023
- Notes to the financial statements, including a summary of significant accounting policies

In our opinion:

- The financial statements comply with applicable statutory requirements, and
- The financial statements give a true and fair view of the financial position of the Company as at 31 December 2023, and its financial performance for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board of Directors for the Financial Statements

The Board of Directors (management) is responsible for the preparation of financial statements that give a true and fair view in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting insofar as it is not likely that the enterprise will cease operations.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Notes to the financial statement 2023

Accounting principles

The financial statements have been prepared in compliance with the Norwegian Accounting Act and generally accepted accounting principles. The accounts have been prepared on the going concern assumption.

Use of estimates

The preparation of financial statements in compliance with the Accounting Act requires the use of estimates. It also requires Group management to exercise judgment in applying the Group's accounting policies.

Revenue

Rental income is recognised on a linear basis over the rental period. Possible costs in the form of rent rebates, compensation payments or the likes are distributed over the duration of the lease so that the income is recognised on a linear basis.

Classification and assessment of balance sheet items

Assets intended for long-term ownership and use have been classified as fixed assets. Assets relating to the operating cycle have been classified as current assets. Other receivables are classified as current assets if they are to be repaid within one year of the transaction date. Similar criteria apply to liabilities. First year's instalments on long term liabilities and long term receivables are, however, not classified as short term liabilities and current assets.

Fixed assets

Tangible fixed assets are capitalised and depreciated linearly down to the residual value over the expected useful economic life of the assets. When the depreciation plan is changed, the effect is distributed over the remaining depreciation period. Maintenance of operating equipment is expensed on an ongoing basis. Upgrades or improvements are added to the acquisition cost of the asset and depreciated in line with the asset. The difference between maintenance and upgrade/improvement is assessed based on the condition of the asset when purchased. Plots and land are not depreciated.

Costs related to leases of fixed assets are expensed over the lease period. Prepayments are reflected in the balance sheet as a prepaid expense, and are distributed over the rental period.

Impairment of fixed assets

Impairment tests are carried out if there is indication that the carrying amount of an asset exceeds the estimated recoverable amount. The test is performed on the lowest level of fixed assets at which independent ingoing cashflows can be identified. If the carrying amount is higher than both the fair value less cost to sell and the value in use (net present value of future use/ownership), the asset is written down to the highest of fair value less cost to sell and the value in use.

Previous impairment charges, except write-down of goodwill, are reversed in later periods if the conditions causing the write-down are no longer present.

Receivables

Accounts receivables and other receivables are recorded in the balance sheet at face value after deduction of provisions for expected loss. Provisions for losses are made on the basis of individual assessments of the individual receivables.

Additionally, for accounts receivables, an unspecified provision is made to cover expected losses.

Taxes

The income tax expense in the income statement consists of tax payable and changes in deferred tax. Deferred tax is calculated at 22 % on the basis of the temporary differences that exist between accounting and tax values, as well as any possible taxable loss carried forwards at the end of the accounting year. Tax enhancing or tax reducing temporary differences, which are reversed or may be reversed in the same period, have been offset and netted.

The disclosure of deferred tax benefits on net tax reducing differences which have not been eliminated, and tax losses varied forward losses, is based on estimated future earnings. Deferred tax and tax benefits which may be shown in the balance sheet are presented net.

Notes to the financial statement 2023

Tax reduction on group contributions given and tax on group contribution received, booked as a reduction of acquisition cost or booked directly to equity, are booked directly against tax in the balance sheet (offset against tax payable if the group contribution has affected tax payable, and offset against deferred taxes if the group contribution has affected deferred taxes).

Comparison figures

In the event of a change in the classification of accounting items, the comparative figures have been restated accordingly. Comparable amounts have been prepared (best estimate) in accordance with the Accounting Act.

Notes to the financial statement 2023

Note 1 Personnel expenses, number of employees, remuneration, loan to employees

No remuneration have been paid to senior executives or members of the board in 2023.

No loans/sureties have been granted to the general manager, the Board chairman or other related parties.

OTP (Statutory occupational pension)

The company does not have employees, consequently it has not been necessary to establish a statutory occupational pension in accordance with the Norwegian law on required occupational pension ("lov om obligatorisk tjenestepensjon").

Søknaden ble sendt til Skattedirektoratet. Skattedirektoratets myndighet til å treffe enkeltvedtak etter regnskapsloven § 3-4 tredje ledd ble delegert til skattekontoret med virkning fra 1. juni 2019.

Skattekontoret gir på bakgrunn av en konkret helhetsvurdering de overnevnte selskaper dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk, jf. regnskapsloven § 3-4 tredje ledd. Dispensasjonen gjelder så lenge opplysningene som danner grunnlaget for vedtaket ikke endres vesentlig.

Kopi av dette brevet må sendes til Regnskapsregisteret i Brønnøysund sammen med årsregnskapet. De regnskapspliktige må selv dokumentere ved dette brev at tillatelse er gitt.

Bakgrunn

Oslo Bay District AS er morselskap i et konsern hvor de øvrige selskapene inngår som datterselskaper mv. Eierstrukturen fremgår av vedlegg til søknaden. 50 % av investorene i Oslo Bay District AS er utenlandske. Selskapene er enten holdingselskaper eller driver virksomhet innen kjøp og utleie av forretningseiendommer. All kommunikasjon, skriftlig og muntlig, foregår på engelsk. Flere av styremedlemmene i selskapene er utenlandske.

Skattekontorets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal "årsregnskapet og årsberetningen [...] være på norsk. Departementet kan ved [...] enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk."

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap mv., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

"Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon."

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til "informative regnskaper for ulike grupper av regnskapsbrukere". Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter skattekontorets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Det er særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I denne vurderingen har skattekontoret lagt særlig vekt på at selskapene inngår i et

konsern hvor morselskapet har utenlandske investorer som eier 50 % av selskapet. Videre er det vektlagt at alle sentrale aktører og samarbeidspartnere behersker og benytter engelsk.

Vennligst oppgi vår referanse ved henvendelse i saken.

Notes to the financial statement 2023

Accounting principles

The financial statements have been prepared in compliance with the Norwegian Accounting Act and generally accepted accounting principles. The accounts have been prepared on the going concern assumption.

Use of estimates

The preparation of financial statements in compliance with the Accounting Act requires the use of estimates. It also requires Group management to exercise judgment in applying the Group's accounting policies.

Revenue

Rental income is recognised on a linear basis over the rental period. Possible costs in the form of rent rebates, compensation payments or the likes are distributed over the duration of the lease so that the income is recognised on a linear basis.

Classification and assessment of balance sheet items

Assets intended for long-term ownership and use have been classified as fixed assets. Assets relating to the operating cycle have been classified as current assets. Other receivables are classified as current assets if they are to be repaid within one year of the transaction date. Similar criteria apply to liabilities. First year's instalments on long term liabilities and long term receivables are, however, not classified as short term liabilities and current assets.

Fixed assets

Tangible fixed assets are capitalised and depreciated linearly down to the residual value over the expected useful economic life of the assets. When the depreciation plan is changed, the effect is distributed over the remaining depreciation period. Maintenance of operating equipment is expensed on an ongoing basis. Upgrades or improvements are added to the acquisition cost of the asset and depreciated in line with the asset. The difference between maintenance and upgrade/improvement is assessed based on the condition of the asset when purchased. Plots and land are not depreciated.

Costs related to leases of fixed assets are expensed over the lease period. Prepayments are reflected in the balance sheet as a prepaid expense, and are distributed over the rental period.

Impairment of fixed assets

Impairment tests are carried out if there is indication that the carrying amount of an asset exceeds the estimated recoverable amount. The test is performed on the lowest level of fixed assets at which independent ingoing cashflows can be identified. If the carrying amount is higher than both the fair value less cost to sell and the value in use (net present value of future use/ownership), the asset is written down to the highest of fair value less cost to sell and the value in use.

Previous impairment charges, except write-down of goodwill, are reversed in later periods if the conditions causing the write-down are no longer present.

Receivables

Accounts receivables and other receivables are recorded in the balance sheet at face value after deduction of provisions for expected loss. Provisions for losses are made on the basis of individual assessments of the individual receivables.

Additionally, for accounts receivables, an unspecified provision is made to cover expected losses.

Taxes

The income tax expense in the income statement consists of tax payable and changes in deferred tax. Deferred tax is calculated at 22 % on the basis of the temporary differences that exist between accounting and tax values, as well as any possible taxable loss carried forwards at the end of the accounting year. Tax enhancing or tax reducing temporary differences, which are reversed or may be reversed in the same period, have been offset and netted.

The disclosure of deferred tax benefits on net tax reducing differences which have not been eliminated, and tax losses varied forward losses, is based on estimated future earnings. Deferred tax and tax benefits which may be shown in the balance sheet are presented net.

Notes to the financial statement 2023

Tax reduction on group contributions given and tax on group contribution received, booked as a reduction of acquisition cost or booked directly to equity, are booked directly against tax in the balance sheet (offset against tax payable if the group contribution has affected tax payable, and offset against deferred taxes if the group contribution has affected deferred taxes).

Comparison figures

In the event of a change in the classification of accounting items, the comparative figures have been restated accordingly. Comparable amounts have been prepared (best estimate) in accordance with the Accounting Act.

Notes to the financial statement 2023

Note 1 Personnel expenses, number of employees, remuneration, loan to employees

No remuneration have been paid to senior executives or members of the board in 2023.

No loans/sureties have been granted to the general manager, the Board chairman or other related parties.

OTP (Statutory occupational pension)

The company does not have employees, consequently it has not been necessary to establish a statutory occupational pension in accordance with the Norwegian law on required occupational pension ("lov om obligatorisk tjenestepensjon").
