To the General Meeting of Maersk Supply Service Norway AS

## *Independent Auditor's Report*

---

### *Opinion*

We have audited the financial statements of Maersk Supply Service Norway AS (the Company), which comprise the balance sheet as at 31 December 2021, the income statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion

- the financial statements comply with applicable statutory requirements, and
- the financial statements give a true and fair view of the financial position of the Company as at 31 December 2021, and its financial performance for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

### *Basis for Opinion*

---

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company as required by laws and regulations and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Other Information*

---

The Board of Directors and the Managing Director (management) are responsible for the other information accompanying the financial statements. The other information comprises information in the annual report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the information in the other information accompanying the financial statements.

In connection with our audit of the financial statements, our responsibility is to read the other information. The purpose is to consider if there is material inconsistency between the other information and the financial statements or our knowledge obtained in the audit, or whether the other information appears to be materially misstated. We are required to report if there is a material misstatement in the other information. We have nothing to report in this regard.

Independent Auditor's Report - Maersk Supply Service Norway AS

---

*Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern. The financial statements use the going concern basis of accounting insofar as it is not likely that the enterprise will cease operations.

---

*Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## STATEMENT BY MANAGEMENT ON THE ANNUAL REPORT

---

The Board of Directors and the Executive Board have today considered and adopted the Annual Report of Maersk Supply Service Norway for the financial year 26 May - 31 December 2021.

The Annual Report for 26 May - 31 December 2021 has been prepared in accordance with the Norwegian Financial Statements Act.

In our opinion, the Financial Statements give a true and fair view of the financial position at 31 December 2021 of the Company and of the results of the Company operations for 26 May - 31 December 2021.

We believe that the Management's Review contains a fair review of the affairs and conditions referred to therein.

We recommend that the Annual Report be adopted at the Annual General Meeting.

## INDEPENDENT AUDITOR'S REPORT

---

### To the General Meeting of Maersk Supply Service Norway AS

#### Opinion

We have audited the financial statements of Maersk Supply Service Norway AS (the Company), which comprise the balance sheet as at 31 December 2021, the income statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion

- the financial statements comply with applicable statutory requirements, and
- the financial statements give a true and fair view of the financial position of the Company as at 31 December 2021, and its financial performance for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company as required by laws and regulations and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of the Board of Directors and the Managing Director for the Financial Statements

The Board of Directors and the Managing Director (management) are responsible for the preparation of financial statements that give a true and fair view in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern. The financial statements use the going concern basis of accounting insofar as it is not likely that the enterprise will cease operations.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## NOTES

---

Amounts in USD 1,000

Note

### 1 **Special Items**

Special items include impairment of vessel in 2021 amounting to USD 16.7 million.

The fair value estimates are highly uncertain due to the nature of the assets. The value in use calculations for the individual cash generating units are sensitive to the day rates expected to apply when contracts expire and to the risks of idle periods in the forecasts. In addition, the discount rate, growth rate and EBITDA margin in the terminal period are critical variables. The day rates in the short to medium term are expected to remain low. In line with analysts in the market, management expects a gradual move towards more economically sustainable rates in the long-term. Due to the uncertain prospects for off-contract vessels, and limited head-room in the deepwater segment, further impairment write downs may be recognized in the coming years, if the market decline continues for a longer period.

### 2 **Events after the balance sheet date**

No events have occurred after the reporting date of importance to the Annual Report.

### 3 **Staff costs**

|                       |              |
|-----------------------|--------------|
| Wages and salaries    | 1,270        |
| Employer contribution | 180          |
| Pension costs         | 45           |
| Other costs           | 17           |
|                       | <hr/>        |
|                       | <b>1,512</b> |

The company have had employees since August 2021 and since then in average 39 FTE 's.

### 4 **Depreciation, amortisation and impairment**

|   |               |
|---|---------------|
| Depreciation of vessels, plant and equipment      | 459           |
| Impairment losses on vessels, plant and equipment | 16,740        |
|   | <hr/>         |
|   | <b>17,199</b> |

### 5 **Other financial income**

## SIGNIFICANT ACCOUNTING POLICIES

---

### **Reporting class**

This Annual Report has been presented in accordance with the provisions of the Norwegian Financial Statements Act and NRS 8 - Generally Accepted Accounting Principles for Smaller Entities

The Annual Report are presented in American dollars (USD). The exchange rate of USD to NOK was 8.783 at 31 December 2021.

### **Recognition and measurement in general**

Assets are recognised in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Company, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when the Company has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the Company, and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is effected as described below for each Financial Statement item.

Anticipated risks and losses that arise before the time of presentation of the Annual Report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognised in the income statement when earned, whereas costs are recognised by the amounts attributable to this financial year.

### **Foreign currency translation**

On initial recognition, foreign currency transactions are translated applying the exchange rate at the transaction date. Receivables, payables and other monetary items denominated in foreign currencies that have not been settled at the balance sheet date are translated using the exchange rate at the balance sheet date. Exchange differences that arise between the rate at the transaction date and the rate in effect at the payment date, or the rate at the balance sheet date, are recognised in the income statement as financial income or financial expenses. Fixed assets that have been purchased in foreign currencies are measured at the transaction date rates.

## SIGNIFICANT ACCOUNTING POLICIES (continued)

---

### **Income statement**

#### **Revenue**

Revenue from the sale of services is recognised in the income statement when delivery is made to the buyer. Revenue is recognised net of VAT, duties and sales discounts and is measured at fair value of the consideration fixed.

Services are recognised at the rate of completion of the service to which the contract relates by using the percentage-of-completion method, which means that revenue equals the selling price of the service completed for the year. This method is applied when total revenues and expenses in respect of the service and the stage of completion at the balance sheet date can be measured reliably, and it is probable that the economic benefits, including payments, will flow to the Company. The stage of completion is determined on the basis of the ratio between the expenses incurred and the total expected expenses of the service.

#### **Other operating expenses**

Other operating income comprises income of a secondary nature as viewed in relation to the Company's primary activities, including loss on divestments of vessels.

#### **Other external expenses**

Other external expenses include expenses relating to the Entity's ordinary activities, including expenses for staff, daily running costs, administration etc.

#### **Depreciation, amortisation and impairment losses**

Depreciation, amortisation and impairment losses relating to vessels, plant and equipment comprise amortisation, depreciation and impairment losses for the financial year.

#### **Other financial income**

Other financial income comprises interest income, including interest income on receivables from group enterprises, payables and transactions in foreign currencies.

#### **Other financial expenses**

Other financial expenses comprise interest expenses, including interest expenses on payables to group enterprises, payables and transactions in foreign currencies.

#### **Tax on profit/loss for the year**

The Company is included in the Tonnage Taxation scheme. Tax for the year, which consists of current tax for the year and changes in deferred tax, is recognised in the income statement by the portion attributable to the profit for the year and recognised directly in equity by the portion attributable to entries directly in equity.

### Balance sheet

#### Vessels, plant and equipment

Vessels, plant and equipment as well as other fixtures and fittings, tools and equipment are measured at cost less accumulated depreciation and impairment losses.

Cost comprises the acquisition price, costs directly attributable to the acquisition and preparation costs of the asset until the time when it is ready to be put into operation.

Interest expenses on loans for the financing of the manufacture of vessels, plant and equipment are included in cost if they relate to the manufacturing period. All other finance costs are recognised in the income statement.

The basis of depreciation is cost less estimated residual value after the end of useful life. Straight-line depreciation is made on the basis of the following estimated useful lives of the assets:

|         |          |
|---------|----------|
| Vessels | 20 years |
|---------|----------|

Estimated useful lives and residual values are reassessed annually.

Items of vessels, plant and equipment are written down to the lower of recoverable amount and carrying amount.

#### Inventories

Inventories are measured at lower of cost, using the FIFO method and net realisable value.

#### Receivables

Receivables are measured at amortised cost, usually equalling nominal value less writedowns for bad and doubtful debts.

#### Dividend

Dividend is recognised as a liability at the time of adoption at the general meeting. Proposed dividend for the financial year is disclosed as a separate item in equity. Extraordinary dividend adopted in the financial year is recognised directly in equity when distributed and disclosed as a separate item in Managements proposal for distribution of profit/loss.

#### Other financial liabilities

Other financial liabilities are measured at amortised cost, which usually corresponds to nominal value.

Att. Duncan MacPherson

## Permission to prepare the annual accounts and directors' report in English language for Maersk Supply Service Norway AS, org. no 927 263 645

With reference to your letter of 9 December 2021 with respect to the above matter regarding Maersk Supply Service Norway AS.

Based on a total evaluation, the view of the tax office is that Maersk Supply Service Norway AS may make the directors' report and annual accounts in English language according to the Norwegian Accounting Act § 3-4 third paragraph. The exemption requires that the information the decision is based on, does not change significantly.

A copy of this letter must be sent to the Register of Company Accounts in Brønnøysund together with the financial statements. It is incumbent on the company to document by this letter that the permit is granted.

### Background

Maersk Supply Service Norway AS is a private limited company 100 % owned by a foreign company and is part of an international group. The company operates in the oil and gas industry, and the operational activities of the company are mainly provided to international customers (international industry and customers).

### Condition for the permission

According to the Norwegian Accounting Act § 3-4, third paragraph shall "the directors' report and annual accounts (...) be in Norwegian. The Ministry can in an individual decision decide that the directors' report and/or annual accounts may be in another language".

Ot. prp. nr. 42 (1997-1998) About Act about annual accounts etc., says the following about the purpose of the Accounting Act, refer section 1.1:

"The aim of the Government with respect to the Accounting Act is that it shall contribute towards providing informative accounts for different users of accounts. The users of accounts include investors and creditors, which provide capital for the companies. Other groups include those who have an interest in knowing how the companies are operated, for example employees and the local community. The information to the capital market is an important basis for the correct pricing of financial instruments. The correct pricing of stocks is an important factor in securing the best possible allocation of resources in the

economy. High quality accounts will also make it more difficult for market participants to obtain speculative gains as a result of non-publicly available information.”

One of the main goals of the Accounting Act is to contribute to “informative accounts for different users of accounts”. The users of the accounts will include investors, creditors, employees and the local community.

Hence, it is the view of the Ministry that it is crucial that the question of dispensation from the general rule that the annual accounts and/or directors’ report should be prepared in Norwegian, not in any significant way deviate from the consideration of users of the accounts.

As mentioned above it is particularly the consideration of the users of the account information, which has to be taken into consideration when considering the application for permission. In this assessment, the tax office has emphasized that the company is a subsidiary of a foreign company and is part of an international group. Furthermore, all key players and partners in this industry understand and use English.

Please state “our reference” (see above) in all written communication with the Norwegian Tax Authorities.

Yours sincerely,

Lars Waalorp  
Senior Adviser  
Customer Interaction Division, Customer Service  
The Norwegian Tax Administration
