## Tillatelse til å utarbeide årsregnskap og årsberetning på engelsk

Vi viser til deres brev av 14. februar 2022 der det søkes om dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning (inkludert konsernregnskap) på norsk for følgende selskaper:

<b>Gram Car Carriers ASA</b>	<b>org.nr. 827 669 962</b>
<b>Gram Car Carriers Management AS</b>	<b>org.nr. 989 169 122</b>
<b>Gram Car Carriers Shipowning AS</b>	<b>org.nr. 927 459 051</b>
<b>Gram Car Carriers Leasing 1 AS</b>	<b>org.nr. 927 458 926</b>
<b>Gram Car Carriers Leasing 2 AS</b>	<b>org.nr. 927 459 159</b>
<b>Gram Car Carriers Leasing 3 AS</b>	<b>org.nr. 927 459 213</b>

Søknaden ble sendt til Skattedirektoratet. Skattedirektoratets myndighet til å treffe enkeltvedtak etter regnskapsloven § 3-4 tredje ledd ble delegert til skattekontoret med virkning fra 1. juni 2019.

Skattekontoret gir på bakgrunn av en konkret helhetsvurdering de overnevnte selskaper dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk, jf. regnskapsloven § 3-4 tredje ledd. Dispensasjonen gjelder så lenge opplysningene som danner grunnlaget for vedtaket ikke endres vesentlig.

Kopi av dette brevet må sendes til Regnskapsregisteret i Brønnøysund sammen med årsregnskapet. Den regnskapspliktige må selv dokumentere ved dette brev at tillatelse er gitt.

### Bakgrunn

Gram Car Carriers ASA er et nystiftet selskap som er notert på Euronext Growth, Oslo. Selskapet er morselskap for de øvrige selskapene.

Majoriteten av selskapets investorer er internasjonale med engelsk som arbeidsspråk. Konsernet driver virksomhet innen internasjonal shipping.

## Skattekontorets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal "årsregnskapet og årsberetningen [...] være på norsk. Departementet kan ved [...] enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk."

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap mv., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

"Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon."

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til "informative regnskaper for ulike grupper av regnskapsbrukere". Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter skattekontorets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Det er særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I denne vurderingen har skattekontoret lagt særlig vekt på at selskapene er i et konsern hvor morselskapet er notert på Euronext Growth, Oslo. Videre er det vektlagt at selskapene driver virksomhet i en internasjonal bransje der alle sentrale aktører behersker og benytter engelsk.

## Independent Auditor's Report

To the Annual Shareholders meeting of Gram Car Carriers Leasing 3 AS

### Opinion

We have audited the financial statements of Gram Car Carriers Leasing 3 AS.

The financial statements comprise:

- The balance sheet as at 31 December 2022
- The income statement for 2022
- Statement of cash flows for the year that ended 31 December 2022
- Notes to the financial statements, including a summary of significant accounting policies

In our opinion:

- The financial statements comply with applicable statutory requirements, and
- The financial statements give a true and fair view of the financial position of the Company as at 31 December 2022, and its financial performance and its cash flows for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other information

The Board of Directors (management) is responsible for the other information. The other information comprises the Board of Directors' report. Our opinion on the financial statements does not cover the other information.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Opinion on the Board of Directors' report

Based on our knowledge obtained in the audit, in our opinion the Board of Directors' report

- is consistent with the financial statements and
- contains the information required by applicable statutory requirements.

## Responsibilities of the Board of Directors for the Financial Statements

---

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting insofar as it is not likely that the enterprise will cease operations.

## Auditor's Responsibilities for the Audit of the Financial Statements

---

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## Board of Directors' report

Gram Car Carriers Leasing 3 AS (the 'Company') was incorporated on 2 July 2021, and the financial statements for 2022 consists of the period from 2 July 2021 (date of incorporation) to 31 December 2022. The Company's offices are located at Bryggegata 9, 0250 Oslo, Norway, where the majority of the Company's activities are carried out. The Company is a wholly owned subsidiary of Gram Car Carriers ASA.

The Company owns and operates two pure car and truck carrier ('PCTC') vessels which were all acquired during the financial period ending 31 December 2022.

During the financial period, the Company maintained satisfactory operational performance with an average fleet utilisation rate of 99%.

The Company recorded a USD 2.7 million profit for the financial period ending 31 December 2022. As at 31 December 2022 total assets amounted to USD 21.3 million, comprising mainly of vessels and other tangible assets and cash. Total equity was USD 2.0 million. As at 31 December 2022 the Company had cash and cash equivalents of USD 6.3 million.

The Board of Directors confirm that the going concern assumption under which the financial statements have been prepared, is appropriate. This assumption is based on cash flow projections for 2023 and longer-term forecasts. The Company is well positioned with a revenue backlog amounting to USD 33.5 million as per 31 December 2022.

The Board of Directors believes that the financial statements provide a true and fair view of the Company's result for 2022 and the financial position at 31 December 2022.

The Company's performance and growth depend on the demand for deep-sea transportation of vehicles, high and heavy machinery, agriculture and mining equipment, as well as delivery of new vessels and recycling of old vessels, converted to other uses or lost.

The Company is exposed to credit risks and contractual default by its counterparties. The customer base consists of relatively few companies, with varying credit risk profiles.

As of 31 December 2022, all of the Company's material financing arrangements are subject to floating interest rates. Any changes in the interest rates have a direct impact on the Company's financial performance.

The Company has no employees.

The Company is committed to reducing greenhouse gas (GHG) emissions to meet targets set by the International Maritime Organisation (IMO).

A statement in accordance with §5 of the Transparency Act is available at [www.gramcar.com](http://www.gramcar.com).

### **Note 3 – Significant accounting policies**

#### *Revenue recognition*

Time charter revenue is recognised in the income statement on a straight-line basis over the period of the time charter contract unless another systematic basis is more representative of the time pattern in which use benefit derived from the leased asset is diminished. Amount received in advance and unearned at the end of the reporting period is not recognised in the income statement and instead taken up as deferred revenue in the statement of financial position.

#### *Operating expenses*

Operating expenses are accounted for on an accrual basis. Expenses are charged to the income statement, except for those incurred in the acquisition of an investment which are capitalised as part of the cost of the investment. Expenses arising on the disposal of investments are deducted from the disposal proceeds.

Vessel operating expenses of the Company are expenses related to the operation of vessels, such as (but not limited to) crewing expenses, expenses for repair and maintenance, lubrication oil consumption and insurance.

#### *Financial income and expenses*

Interest income and expense is recognised as accrued and is presented under the financial income or expense in the income statement.

#### *Foreign currency transactions*

Transactions in foreign currencies are recorded in the functional currency rate at the date of the transaction. Monetary assets and liabilities in foreign currency are translated at the functional currency rate prevailing at the balance sheet date. Exchange differences arising from translations into functional currency are recorded in the income statement. Non-monetary assets and liabilities measured at historical cost in foreign currency are translated into the functional currency using the historical exchange rate. Non-monetary assets and liabilities recognised at fair value are translated using the exchange rate on the date of the determination of the fair value.

#### *Vessels and other tangible assets*

Tangible fixed assets are stated at historical cost, less subsequent depreciation and impairment. For vessels purchased, these costs include expenditures that are directly attributable to the acquisition of the vessels and eligible for capitalisation. Upon acquisition, each component of the vessels, with a cost significant to the total acquisition costs, is separately identified and depreciated over that component's useful life on a straight-line basis.

Depreciation is calculated on a straight-line basis over the estimated useful life of the assets, taking residual values into consideration, and adjusted for impairment charges, if any. The estimated useful life of the Company's vessels is 30 years. Residual values of the vessels are estimated as the lightweight tonnage of each vessel multiplied by scrap value per ton. Expected useful lives of assets, and residual values, are reviewed at each balance sheet date and, where they differ significantly from previous estimates, depreciation calculations are altered accordingly.

Ordinary repairs and maintenance expenses are charged to the income statement as incurred. Costs related to dry-docking or other major overhauls are recognized in the carrying amount of the vessels. The recognition is made when the dry-docking has been performed and is depreciated based on estimated time to the next class renewal which is normally five years. The remaining costs that do not meet the recognition criteria are expensed as repairs and maintenance.

Vessels and other tangible assets are derecognised upon disposal or when no future economic benefits are expected from their use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the

difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period the asset is derecognised.

#### *Impairment of vessels and other tangible assets*

Vessels and other tangible assets are assessed for impairment indicators each reporting period. If impairment indicators are identified, the recoverable amount is estimated, and if the carrying amount exceeds its recoverable amount an impairment loss is recognised, i.e. the asset is written down to its recoverable amount. An asset's recoverable amount is calculated as the higher of the net realisable value and its value in use. The net realisable value is the amount obtainable from the sale of an asset in an arm's length transaction less the costs of sale and the value in use is the present value of estimated future cash flows expected from the continued use of an asset. An impairment loss recognised in prior periods for an asset is reversed if, and only if, there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised.

#### *Inventories*

The Company values its inventories, which comprise of lubrication oil and fuel on board the vessels, at the lower of cost and net realisable value. They are accounted for on a weighted average cost basis.

#### *Trade and other receivables*

Trade and other receivables are measured at transaction price upon initial recognition and subsequently measured at amortized cost less expected credit losses.

#### *Cash and cash equivalents*

Cash and cash equivalents include cash in hand, bank deposits and other highly liquid investments with original maturities of three months or less.

#### *Share issuance*

Share issuance costs related to a share issuance transaction are recognised directly in equity. If share issuance costs, for tax purposes, can be deducted from other taxable income in the same period as they are incurred, the costs are recognised net after tax.

#### *Financial liabilities*

All loans and borrowings are initially measured at fair value less directly attributable transaction costs, and are subsequently measured at amortized cost, using the effective interest method. The calculation takes into account any premium or discount on acquisition and includes transaction costs and fees that are an integral part of the effective interest rate.

Loans and borrowings due the next 12 months are presented as current liabilities.

#### *Provisions*

Provisions are recognised when the Company has a present legal or constructive obligation as a result of a past event, when it is more likely than not that an outflow or resources representing economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

#### *Taxes*

The company are subject to taxation under the Norwegian tonnage tax regime. Under the tonnage tax regime, profit from operations is exempt from taxes. Taxable profit is calculated on the basis of financial income after deduction of a portion of financial expenses. The portion is calculated as financial assets in percent of total assets. Tonnage tax is payable based on the net tonnage of vessels. Tonnage tax is classified as an operating expense.

#### *Related parties*

Parties are related if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the party in making financial and operating decisions. Parties are also related if they are subject to common control or common significant influence. Related party transactions are recorded to estimated fair value.

#### *Classification in the statement of financial position*

Current assets and short-term liabilities include items due less than one year from the balance sheet date, as well as items due more than one year from the balance sheet date, that are related to the operating cycle.

Liabilities with maturity less than one year from the balance sheet date are classified as current. All other debt is classified as long-term debt. Long-term debt due for repayment within one year from the balance sheet date is classified as current.

#### *Statement of cash flows*

The statement of cash flows has been prepared based on the indirect method.

#### *Subsequent events*

New information on the Company's financial position at the balance sheet date is taken into account in the financial statements. Subsequent events that do not affect the Company's position at the balance sheet date, but which will affect the Company's position in the future, are disclosed if significant.
