

## ÅRSREGNSKAPET FOR REGNSKAPSÅRET 2024 - GENERELL INFORMASJON

### Enheten

Organisasjonsnummer: 927 985 802  
Organisasjonsform: Aksjeselskap  
Foretaksnavn: THALE TANKERS AS  
Forretningsadresse: Sydnesplassen 1  
5007 BERGEN

### Regnskapsår

Årsregnskapets periode: 01.01.2024 - 31.12.2024

### Konsern

Morselskap i konsern: Nei

### Regnskapsregler

Regler for små foretak benyttet: Nei  
Benyttet ved utarbeidelsen av årsregnskapet til selskapet: Regnskapslovens alminnelige regler

### Årsregnskapet fastsatt av kompetent organ

Bekreftet av representant for selskapet: Finn Øvstedal  
Dato for fastsettelse av årsregnskapet: 30.04.2025

### Grunnlag for avgivelse

År 2024: Årsregnskapet er elektronisk innlevert  
År 2023: Tall er hentet fra elektronisk innlevert årsregnskap fra 2024

*Det er ikke krav til at årsregnskapet m.v. som sendes til Regnskapsregisteret er undertegnet. Kontrollen på at dette er utført ligger hos revisor/enhetens øverste organ. Sikkerheten ivaretas ved at innsender har rolle/rettighet for innsending av årsregnskapet via Altinn, og ved at det bekreftes at årsregnskapet er fastsatt av kompetent organ.*

Brønnøysundregistrene, 19.06.2025

## THALE TANKERS AS

2024

### ANNUAL REPORT 2024

#### Nature of business

The company was established September 21<sup>st</sup>, 2021, with its registered office in Bergen. The objective of the company is to engage in shipping, the ownership and operation of vessels, and related activities.

The company owns the vessel MT «Thale Victory» which was taken over in December 2021. The vessel is a product tanker and commercial operations are managed by Champion Tankers AS, Bergen. Technical management is performed by Thome Ship Management D.O.O.

The company is a ship owning company and is subject to the Norwegian tonnage tax regime shipping taxation.

#### Working environment and personnel

The company has no employees and has therefore not prepared a report on the working environment and gender equality. The Board of Directors comprises two men and no women.

#### Environmental reporting

The company complies with all relevant and applicable national laws and regulations, and with international conventions governing shipping operations. The management of the vessel is subject to a quality assurance system certified by DNV.

The company's activities entail a risk of accidents with harm to the environment as a potential consequence. The Board of Directors is not aware of any circumstances indicating that the company's activities pollute the environment to any significant extent. No incidents were reported in 2024 which resulted in harm to the environment.

No serious injuries or accidents were reported in 2024.

#### Going concern

The annual financial statement has been set up on a going concern basis, which the Board of Directors believes is justified. The annual accounts are prepared in accordance with the Norwegian Accounting Act for other enterprises and set up in accordance with Norwegian accounting standards and recommendations on best accounting practices.

#### Results, investments, financing and liquidity

The accounts for 2024 show a profit of USD 5 568 319. At year-end 2024 the company had total assets of USD 15.8 million and an equity ratio of 64.9 %. The company had positive liquidity of USD 1 469 582. It is the view of the Board of Directors that 2024 was a satisfactory year in terms of financial results.

#### Post balance sheet events

There have been no events after the balance date which should imply changes to the annual financial statement or its notes.

#### Outlook

It is expected that the vessel will be in a satisfactory situation with regards to its employment in the period ahead. The vessel's commercial manager has a well-established position in the market.

## THALE TANKERS AS

2024

### Financial risk

The company has limited exposure to changes in exchange rates as both revenues and expenses are denominated in USD. The company's assets and long-term debt are also mainly denominated in USD.

The company has secured the floating rate on its interest-bearing debt, with SOFR as benchmark, through an interest rate swap.

The financial impact of a counterparty being unable to meet its financial obligations is considered low, since there are several counterparties and historically very limited amounts have been lost on accounts receivable.

The Board of Directors considers the level of liquidity to be satisfactory.

### Directors and Officers Liability Insurance coverage

The Company has taken out Directors and Officers Liability Insurance coverage on behalf of the members of the Board and the CEO.

### The Norwegian Transparency Act

The EGD Group, which includes Thale Tankers AS, will release a report outlining how the EGD Group works with human rights and the most significant impact areas within 30<sup>th</sup> of June 2025. The report will be available on the EGD Group's website [www.egd.no](http://www.egd.no).

### Financial result and allocations

The accounts for the year 2024 show a profit of USD 5 568 319, which the Board of Directors proposes to transfer to retained earnings.

The Board of Directors believes that the information provided in the Annual Report gives a correct picture of the assets, liabilities, financial position and financial results of Thale Tankers AS.

The Board of Directors of Thale Tankers AS

## THALE TANKERS AS

## NOTES

Notes to the Financial Statements 2024 (Amounts in USD)

### ACCOUNTING PRINCIPLES

#### General

The financial statements are prepared in accordance with the Norwegian Accounting Act.

#### Functional currency and presentation currency

These financial statements are presented in USD which is the functional currency of the company. All amounts in the notes are expressed in USD unless otherwise stated.

#### Principal rule for valuation and classification of assets and liabilities

Assets meant for permanent ownership or use in the business are classified as fixed assets. Other assets are classified as current assets. Accounts receivables due within one year are classified as current assets. The classification of current and long-term liabilities are based on the same criteria.

Fixed assets are carried at historical cost, but are written down if a decline in fair value below the carrying amount is expected to be permanent. Fixed assets with a limited economic life are depreciated in accordance with a reasonable depreciation schedule. Long-term loans are carried at nominal value.

Current assets are valued at the lower of historical cost and fair value. Current liabilities are carried at nominal value. Other items are valued as described below.

#### Tangible fixed assets

Vessels are recorded at their cost less accumulated depreciation and impairment. Vessels are depreciated on a basis over their estimated useful economic life. The useful life of the vessels is estimated at 25 years from the date of initial delivery from the shipyard. Depreciation is based on cost less estimated residual recycling value. Residual recycling value is estimated as the lightweight tonnage of each vessel multiplied by the estimated recycling value per ton.

Vessels are assessed for impairment when events or circumstances indicate the carrying amount of the asset may not be recoverable. An impairment charge is recognised for the amount by which the asset's carrying value exceeds its recoverable value. The recoverable value is the higher of an asset's fair value less transaction costs, and value in use.

Value in use is estimated calculating future discounted net operating cash flows expected to be generated by the vessel over its remaining useful life. Net operating cash flows are determined by applying various assumptions regarding discount rate, useful life of the vessel, future net voyage income, operating expenses, scheduled dry-dockings, expected off hire and recycling values, and taking into account historical revenue data, future budgets and published forecast on future world economic growth.

#### Drydock expenditure and maintenance

Expenditures incurred in drydocking are deferred and amortised until the next scheduled drydocking. At the time of purchasing the vessel, the acquisition price is decomposed to vessel and drydocking, and the drydocking is amortised until the next drydocking.

Expenses for routine maintenance and repairs are expensed as incurred.

When insured damages occur, insurance claims are recorded, net of any deductible amounts which are charged as expenses. Insurance claims are classified as short term receivables.

## THALE TANKERS AS

## NOTES

Notes to the Financial Statements 2024 (Amounts in USD)

### ACCOUNTING PRINCIPLES (continued)

#### Inventories

Inventories consist of bunkers, lubricating oils and other consumables on board the vessels. Inventories are valued at the lower of cost or market value on a first-in-first-out basis.

#### Receivables

Trade receivables and other receivables are recorded at nominal value less provisions for expected losses. The loss provision is based on an individual assessment of each accounts receivable.

#### Financial instrument

Interest rate swaps that are considered hedges are not presented in the balance sheet at market value. Income/expenses related to interest swaps are presented as interest expenses and recognized in the income statement in the period they are earned/accrued.

#### Cash and cash equivalents

Cash and cash equivalents consists of bank deposits and are recorded at nominal values in the balance sheet. Bank deposits in other currencies are valued in USD to the exchange rate at year end.

#### Currency

Monetary items in other currencies are valued in USD to the exchange rate at year end. Transactions through the year are recorded at the exchange rate at the time of the transaction.

#### Revenues

Voyage charter revenue is recognized as the freight services are rendered over time using the load-to discharge method. According to this method, freight revenue is recognized in profit and loss according to the charter party from the vessel's load date to the delivery of the cargo (discharge). The cut-off for ongoing voyages is determined based on the share of number of days completed at the balance sheet date of the estimated total duration of the voyage. Voyage expenses incurred between discharge and next load date are recognized as a contract asset in the balance sheet and will be recognized in the profit and loss of the following voyage.

#### Voyage expenses

All voyage expenses are recognised proportionally with the voyage revenues. Voyage expenses on cut-off voyages are recognised based on the number of days before and after the balance sheet date.

#### Taxes

The company is operating in the Norwegian Tonnage Tax Regime which entitles the company to tax exemption on profits derived from ship operations provided payment of tonnage tax. However, possible future net financial income will be taxed with a tax rate of 22 %. There is no provision for deferred tax on potential net financial income in the accounts. Tonnage tax is charged the accounts as other operating expenses.

#### Events after the balance sheet date

New information after the balance sheet date about the company's financial position compared to the balance sheet date has been taken into accounts. Events after the balance sheet date that do not affect the company's financial position on the balance sheet date, but will affect the company's financial position in the future, is disclosed if material.

To the General Meeting of Thale Tankers AS

## Independent Auditor's Report

### Opinion

We have audited the financial statements of Thale Tankers AS (the Company), which comprise the balance sheet as at 31 December 2024, the income statement and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

### In our opinion

- the financial statements comply with applicable statutory requirements, and
- the financial statements give a true and fair view of the financial position of the Company as at 31 December 2024, and its financial performance and its cash flows for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other Information

The Board of Directors and the Managing Director (management) are responsible for the information in the Board of Directors' report. The other information comprises information in the annual report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the information in the Board of Directors' report.

In connection with our audit of the financial statements, our responsibility is to read the Board of Directors' report. The purpose is to consider if there is material inconsistency between the Board of Directors' report and the financial statements or our knowledge obtained in the audit, or whether the Board of Directors' report otherwise appears to be materially misstated. We are required to report if there is a material misstatement in the Board of Directors' report. We have nothing to report in this regard.

Based on our knowledge obtained in the audit, it is our opinion that the Board of Directors' report

- is consistent with the financial statements and
- contains the information required by applicable statutory requirements.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern. The financial statements use the going concern basis of accounting insofar as it is not likely that the enterprise will cease operations.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error. We design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves a true and fair view.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Att. Vibeke Risholm

## Tillatelse til å utarbeide årsregnskap og årsberetning på engelsk for Thale Tankers AS, org.nr. 927 985 802

Vi viser til deres brev sendt inn 17. november 2021 der det søkes om dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk for Thale Tankers AS.

Skattekontoret gir på bakgrunn av en konkret helhetsvurdering Thale Tankers AS dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk, jf. regnskapsloven § 3-4 tredje ledd. Dispensasjonen gjelder så lenge opplysningene som danner grunnlaget for vedtaket ikke endres vesentlig.

Kopi av dette brevet må sendes til Regnskapsregisteret i Brønnøysund sammen med årsregnskapet. Den regnskapspliktige må selv dokumentere ved dette brev at tillatelse er gitt.

### Bakgrunn

Thale Tankers AS er eid av et norsk aksjeselskap og inngår i et konsern hvor alle selskapene i konsernet avlegger årsregnskap og årsberetning på engelsk. Selskapets virksomhet er å eie og drive skip i internasjonal skipsfart.

### Skattekontorets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal "årsregnskapet og årsberetningen [...] være på norsk. Departementet kan ved [...] enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk."

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap mv., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

"Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon."

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til "informative regnskaper for ulike grupper av regnskapsbrukere". Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter skattekontorets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Det er særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I denne vurderingen har skattekontoret lagt særlig vekt på at selskapet har en profesjonell eier og er i et konsern hvor øvrige selskaper avlegger årsregnskap og årsberetning på engelsk. Videre er det vektlagt at selskapet driver virksomhet i en internasjonal bransje der alle sentrale aktører behersker og benytter engelsk.

Vennligst oppgi vår referanse ved henvendelse i saken.
