Skattekontoret gir på bakgrunn av en konkret helhetsvurdering selskapene nevnt ovenfor dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk, jf. regnskapsloven § 3-4 tredje ledd. Dispensasjonen forutsetter at engelsk språk benyttes i stedet ved utarbeidelsen, og at øvrige opplysninger som vedtaket baserer seg på, heller ikke endres vesentlig.

Kopi av dette brevet må sendes Regnskapsregisteret i Brønnøysund sammen med årsregnskapet. Det påligger den regnskapspliktige å dokumentere ved dette brev at tillatelsen er gitt.

## Bakgrunn

Fra søknaden siteres:

Storebrand har etablert en rekke selskaper som alternative investeringsfond på Caymen Island. Oversikt over de aktuelle selskapene følger av vedlegg. Samtlige foretak er skattepliktige til Norge og således også regnskapspliktige til Norge, jf regnskapsloven § 2-1 nr. 13. Det følger av regnskapsloven § 3-4 første ledd at årsregnskapet og årsberetningen skal utarbeides og leveres på norsk. Skattedirektoratet via delegasjon fra Finansdepartementet kan imidlertid gjøre unntak fra dette språkkravet.

Myndighetene på Caymen Island krever at selskapene avleverer regnskap på engelsk. Storebrand Asset Management AS som forvalter av de aktuelle selskapene utarbeider derfor årlig regnskap både på norsk og engelsk. Dette oppleves som både uforholdsmessig tid- og kostnadskrevende. Investorene i de aktuelle selskapene er delvis norske og delvis utenlandske. Felles for dem alle er imidlertid at de er institusjonelle og profesjonelle investorer som ikke vil ha problemer knyttet til å få tilgjengeliggjort selskapsregnskapene utelukkende på engelsk.

Det er truffet styrevedtak i samtlige selskaper om at det er ønskelig å begrense utarbeidelsen av regnskapene til engelsk. Kopi av protokoll fra felles styremøte fra de relevante selskapene følger vedlagt.

På bakgrunn av dette søkes det om tillatelse til å utarbeide årsregnskap og årsberetning på engelsk for selskapene som fremkommer i vedlegget til denne søknaden.

## Skattekontorets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal *”årsregnskapet og årsberetningen ... være på norsk. Departementet kan ved ... enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk.”*

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap mv., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon.

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til *“informative regnskaper for ulike grupper av regnskapsbrukere”*. Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte, kunder og lokalsamfunnet.

Det er etter skattekontorets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Som nevnt ovenfor er det særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I dette tilfellet er det opplyst at investorene i fondene er delvis norske og delvis utenlandske og at alle er profesjonelle investorer som behersker engelsk. Fondene er etablert på Cayman Island. Myndighetene der krever at selskapene leverer regnskap på engelsk. Skattekontoret finner at disse forholdene samlet tilsier at dispensasjon fra kravet om å utarbeide årsregnskap og årsberetning på norsk kan gis.

### NOTE 1 – ACCOUNTING PRINCIPLES

#### General accounting principles

Storebrand International Private Equity X Limited ("SIPE X" or the "Fund") is a Cayman Islands exempted limited company, incorporated on April 20, 2010. SIPE X is a Regulated Mutual Fund according to the Cayman Islands Mutual Funds Law. The principal place of business for the Fund is Norway, and the financial statements have been prepared in accordance with the Norwegian accounting law and accounting principles generally accepted in Norway (Norwegian GAAP) and in accordance with the specific rules for Norwegian mutual funds. The Fund is not registered in Norway as a Norwegian mutual fund. Estimates and judgements are continually evaluated on the basis of historical experience and anticipated future events. In the future, actual experience may deviate from these accounting estimates, but the estimates are based on best judgement at the time the accounts are produced. The estimates and assumptions that have a significant risk of causing a material adjustment to the balance sheet values of assets and liabilities are discussed below.

During 2022, all investments have been sold in accordance with the sale agreement signed in 2021. At year-end 2022 there is therefore no investments left in the fund. At the time the financial statement for 2022, the Board of Director has

#### Market value

The financial statements are based on the value of the investments at year-end. The Fund values investments in private investment funds at the net asset values of the underlying investee funds. Investments held by these underlying funds are valued at prices which approximate fair value. The fair value of certain investments in the underlying funds, which include private placements and other securities for which fair values are not readily available, are determined in good faith by the respective underlying fund and its administrator, typically in accordance with either *International Financial Reporting Standard 13 Fair Value Measurement* or *Accounting Standards Codification 820 Fair Value Measurement*, all of which are subject to a third party annual audit. The underlying funds and their administrators have used their best estimates in determining the fair value of investments. The estimated fair values may differ from the values that would have been used had a ready market existed for these investments. Net asset valuations are provided monthly or quarterly by these funds.

During 2022, all investments have been sold. At year-end 2022, there is therefore no investments in the balance sheet, only cash and cash equivalents.

**(NOTE 1 cont.)**

### **Liquidity**

In accordance with the terms of the OM, the Fund's commitment to portfolio funds will exceed committed capital from investors by up to 105%. The portfolio funds will normally deploy its capital to portfolio investments over the course of 3-5 years with an expected holding period of around 4 years. Some of the capital that is distributed to the fund from early realisations may be redeployed to finance later investments. Portfolio funds will normally not call 100% of committed capital over the course of the lifetime of the fund. In addition, the Fund has a drawing facility that may be utilised to bridge short term liquidity needs. Over time the experience is that the Fund will call around 80% of committed capital from the investors. Before taking any decisions related to when the Fund can be liquidated, the administrator will calculate the need of liquidity until the liquidation can be done. Cash beyond needed, is paid out to the investors as distributions in 2022.

### **Foreign exchange**

Assets and liabilities denominated in foreign currencies are not hedged against currency fluctuations. Monetary items and investments in underlying funds are translated at the exchange rate at the balance sheet date. Any other balance sheet items are recorded at the exchange rate prevailing at the acquisition date.

### **Cash and equivalents**

Cash and equivalents consist only of bank accounts.

### **Net realized gains/(losses) from securities**

Net realized gains/losses from securities consist of gain/losses related to investments that are sold or closed including FX-gain/losses.

### **Taxes**

There are no income, profit and capital gains taxes in effect in the Cayman Islands on the basis of present legislation. The Fund has received an undertaking from the Cayman Islands Government exempting it from all taxes for a period of 20 years from the date of the incorporation. In the opinion of the Investment Manager, the Fund will be subject to taxation in Norway and treated as a Norwegian mutual fund. In September 2019, the Norwegian Supreme Court concluded that a Storebrand fund similar to the Fund is a mutual fund according to the Norwegian Tax Act (see Note 5 – Tax). Hence, the financial statements are based on the assumption that the Fund is subject to taxation in Norway as a mutual fund ("verdipapirfond"), in line with Investment Manager's view. Deferred tax assets is not recognized in the balance sheet.

### **Transaction costs**

Any transaction cost will be included in the cost value of the respective investment.

### **Dividends**

According to its Articles of Association, the Fund cannot pay dividends.

## **NOTE 2 - FINANCIAL MARKET RISK**

The balance sheet of SIPE X reflects the Fund's market value at the end of the year as measured in NOK, only in cash and cash equivalents.

#### What we have audited

The Fund's financial statements comprise:

- the balance sheet as at December 31, 2022;
- the profit and loss for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Independence

We have fulfilled our other ethical responsibilities in accordance with the IESBA Code.

### Independent auditor's report (continued)

To the Board of Directors of Storebrand International Private Equity X Limited

---

#### Responsibilities of management for the financial statements

Management is responsible for the preparation of the financial statements that give a true and fair view in accordance with accounting principles generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

---

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
