chairman of the board

Oslo, 24.3.2021

The board of Grønelva Kraftverk AS

Stig Jone Østebrot
member of the board

Stig-Martin Braate
general manager

Note 1 Accounting principles

The annual accounts have been prepared in conformity with the Accounting Act and NRS 8 - Good accounting practice for small companies.

FUNCTIONAL CURRENCY AND PRESENTATION CURRENCY

The functional currency and presentation currency is EUR. Transactions in foreign currency are translated

to functional currency using the exchange rate at the date of the transaction.

Foreign currency

Monetary foreign currency items are valued at the exchange rate on the balance sheet date.

Operating revenues

Income from the sale of goods is recognized on the date of delivery. Services are posted to income as they are delivered.

Tax

The tax charge in the profit and loss account consists of tax payable for the period and the change in deferred tax. Deferred tax is calculated at the tax rate at 22 % on the basis of tax-reducing and tax-increasing temporary differences that exist between accounting and tax values, and the tax loss carried forward at the end of the accounting year. Tax-increasing and tax-reducing temporary differences that reverse or may reverse in the same period are set off and entered net.

Classification and valuation of fixed assets

Fixed assets include assets included for long-term ownership and use. Fixed assets are valued at acquisition cost. Property, plant and equipment are entered in the balance sheet and depreciated over the asset's economic lifetime. The depreciation period for real property acquired after 2009 is divided into the part that represents the building and the part that represents fixed technical installations. Property, plant and equipment are written down to a recoverable amount in the case of fall in value which is expected not to be temporary. The recoverable amount is the higher of the net sale value and value in use. Value in use is the present value of future cash flows related to the asset. Write-downs are reversed when the basis for the write-down is no longer present.

Classification and valuation of current assets

Current assets and short-term liabilities normally include items that fall due for payment within one year of the balance sheet date, as well as items that relate to the stock cycle. Current assets are valued at the lower of acquisition cost and fair value.

Shares in subsidiaries

Subsidiaries are valued using the cost method in the company accounts. The investment is valued at acquisition cost for the shares unless a write-down has been necessary. A write-down to fair value is made when a fall in value is due to reasons that cannot be expected to be temporary and such write-down must be considered as necessary in accordance with good accounting practice. Write-downs are reversed when the basis for the write-down is no longer present.

Dividends, group contributions and other distributions from subsidiaries are posted to income in the same year as provided for in the distributor's accounts. To the extent that dividends/ group contributions exceed the share of profits earned after the date of acquisition, the excess amounts represents a repayment of invested capital, and distributions are deducted from the investment's value in the balance sheet of the parent company.

**Goods**

Goods are valued at the lower of acquisition cost and net sale value. Receivables from customers and other receivables are entered at par value after deducting a provision for expected losses. The provision for losses is made on the basis of an individual assessment of the respective receivables.

Receivables

Receivables from customers and other receivables are entered at par value after deducting a provision for expected losses. The provision for losses is made on the basis of an individual assessment of the respective receivables.

Pension liabilities

Pension liabilities financed over operations are calculated and entered on the balance sheet under the provision for liabilities. Pension schemes financed through insured schemes are not entered on the balance sheet. The pension premium is treated in these cases as a pension cost and classified together with wage costs.

Guarantees

A provision has been made for expected guarantee costs. The guarantee provision is entered in the balance sheet under other short-term liabilities.

Change in accounting principle

...

From 2017 the Annual Report will use EUR as functional currency. The functional currency was converted from NOK to EUR 30.09.2017.

NOTES ANNUAL ACCOUNTS 2020
GRØNLIELVA KRAFTVERK AS

Note 2 - Remuneration

The company leases services, and does not have any employees. Pension schemes are therefore not required.

Cost to auditor exclusive VAT is EUR 2 502,79

To generalforsamlingen of Grønlielva Kraftverk AS

INDEPENDENT AUDITOR'S REPORT

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Grønlielva Kraftverk AS, showing a loss of EUR 142 371. The financial statements which comprise the balance sheet as at December 31st 2020, and the statement of income (and statement of cash flows) and for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or give a true and fair view of) the financial position of Grønlielva Kraftverk AS at December 31st 2020, and (of) its financial performance (and its cash flows) for the year then ended in with the Norwegian accounting act and accounting standards and practices generally accepted in Norway.

Basis for Opinion

We conducted our audit in accordance with laws, regulations, and auditing standards and practices generally accepted in Norway, included International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company as required by laws and regulations, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board of Directors for the Financial Statements

The Board of Directors (the management) are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards as adopted by EU, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

MEDLEM AV DEN NORSKE REVISORFORENING

ECHAS REVISJON AS

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

ECHAS REVISJON AS

Report on Other Legal and Regulatory Requirements

Opinion on Registration and Documentation

Based on our audit of the financial statements as described above, and control procedures we have considered necessary in accordance with the International Standard on Assurance Engagements (ISAE) 3000, «Assurance Engagements Other than Audits or Reviews of Historical Financial Information», it is our opinion that management has fulfilled its duty to produce a proper and clearly set out registration and documentation of the Company's accounting information in accordance with the law and bookkeeping standards and practices generally accepted in Norway.

Tillatelse til å utarbeide årsregnskap og årsberetning på engelsk språk

— Vi viser til deres brev av 11. desember 2017 der det søkes om dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk for følgende selskaper:

Tikraft AS	org.nr. 990 524 807
BE Portfolio AS	org.nr. 996 992 063
Ryddøla Kraftverk AS	org.nr. 991 936 475
Grønlielva Kraftverk AS	org.nr. 991 936 505
Kulu Kraftverk AS	org.nr. 891 936 532
Måge Naturkraft AS	org.nr. 993 160 047
Voldsetelva Kraftverk AS	org.nr. 991 936 440
Vikaåne Kraftverk AS	org.nr. 991 936 521

Skattedirektoratet gir på bakgrunn av en konkret de overnevnte selskaper dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk, jf. regnskapsloven § 3-4 tredje ledd. Dispensasjonen gjelder så lenge opplysningene som vedtaket baserer seg på ikke endres vesentlig.

Kopi av dette brevet må sendes Regnskapsregisteret i Brønnøysund sammen med årsregnskapet. Det påligger den regnskapspliktige å dokumentere ved dette brev at tillatelsen er gitt.

Bakgrunn

Tikraft AS er heleid av det finske selskapet Kymppivoima Hydro Oy og alle styremedlemmene i Tikraft AS er fra Finland. Tikraft AS er mor til 7 datterselskaper som inngår i porteføljen til Kymppivoima Hydro Oy. Eierne i Finland ønsker at årsregnskap og årsberetning for alle selskapene utarbeides på engelsk. Selskapene driver med kraftproduksjon. Det er opplyst at ingen av selskapene er hjørnesteinsbedrifter. En norsk oversettelse vil kun ha til formål å oppfylle regnskapslovens språkkrav.

Skattedirektoratets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal *”årsregnskapet og årsberetningen ... være på norsk. Departementet kan ved ... enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk.”*

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap m.v., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

”Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon.”

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til *”informative regnskaper for ulike grupper av regnskapsbrukere”*. Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter Skattedirektoratets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Det er særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I denne vurderingen har Skattedirektoratet lagt vekt på at det norske underkonsernet er eid av et utenlandsk selskap. Eierkretsen er begrenset. Styremedlemmene i den norske konsernspissen er finske. Videre er det vektlagt at det er vurdert at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Vennligst oppgi vår referanse ved henvendelser i saken.

Med hilsen
