To the General Meeting of Experian Gjeldsregister AS

## Independent Auditor's Report

### Opinion

We have audited the financial statements of Experian Gjeldsregister AS (the Company), which comprise the statement of financial position as at 31 March 2025, the statement of profit and loss, statement of cash flows and statement of change in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

### In our opinion

- the financial statements comply with applicable statutory requirements, and
- the financial statements give a true and fair view of the financial position of the Company as at 31 March 2025, and its financial performance and its cash flows for the year then ended in accordance with simplified application of international accounting standards according to section 3-9 of the Norwegian Accounting Act.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of the Board of Directors and the Managing Director for the Financial Statements

The Board of Directors and the Managing Director (management) are responsible for the preparation of financial statements that give a true and fair view in accordance with simplified application of International Accounting Standards according to the Norwegian Accounting Act section 3-9, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error. We design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves a true and fair view.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Tillatelse til å utarbeide årsregnskap og årsberetning på engelsk for Experian Gjeldsregister AS, org.nr. 920 438 679

Vi viser til deres brev av 2. juni 2020 der det søkes om dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk Experian Gjeldsregister AS.

Skattekontoret gir på bakgrunn av en konkret helhetsvurdering Experian Gjeldsregister AS dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk, jf. regnskapsloven § 3-4 tredje ledd. Dispensasjonen gjelder så lenge opplysningene som danner grunnlaget for vedtaket ikke endres vesentlig.

Kopi av dette brevet må sendes til Regnskapsregisteret i Brønnøysund sammen med årsregnskapet. Den regnskapspliktige må selv dokumentere ved dette brev at tillatelse er gitt.

### Bakgrunn

Experian Gjeldsregister AS er eid av et norsk selskap. Dette selskapet er eid av et utenlandsk selskap, og inngår i et internasjonalt konsern. Selskapet driver virksomhet knyttet til drift av gjeldsregister.

Morselskapet er tidligere gitt tillatelse til å utarbeide årsregnskap og årsberetning på engelsk, og engelsk er konsernets arbeidsspråk. Selskapet har bedriftskunder.

### Skattekontorets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal "årsregnskapet og årsberetningen [...] være på norsk.

Departementet kan ved [...] enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk."

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap mv., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

"Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i

samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon.”

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til “informative regnskaper for ulike grupper av regnskapsbrukere”. Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter skattekontorets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Det er særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I denne vurderingen har skattekontoret lagt særlig vekt på at selskapet har kun en eier og er i et internasjonalt konsern. Videre er det vektlagt at alle sentrale aktører og samarbeidspartnere behersker og benytter engelsk.

Vennligst oppgi vår referanse ved henvendelse i saken.

## **Experian Gjeldsregister AS** **Notes to financial statements 2024/2025** **Amounts in NOK**

### **Note 1 - Accounting policies**

#### **Basis for preparation of the annual accounts**

The company's financial statements have been prepared in accordance with the Norwegian Accounting Act § 3-9 and specific regulations, related to what is often referred to as "the simplified application of international financial reporting standards (IFRSs)", issued by the Ministry of Finance 7 February 2022.

Under this regulation, recognition and measurement rules are based on international financial reporting standards (IFRSs) as adopted by the EU, while presentation and disclosures are in accordance with the Norwegian Accounting Act and generally accepted accounting principles in Norway.

The Financial Statement is based on simplifications as described in §3-1 3. Dividends and group contribution is recognized in accordance with the Accounting Act and generally accepted accounting principles in Norway.

#### **Revenue from contracts with customers**

Revenue is stated net of any sales taxes, rebates and discounts. Revenue is recognised to represent the transfer of promised services to customers in a way that reflects the consideration expected to be received in return. Total consideration from contracts with customers is allocated to the performance obligations identified based on their standalone selling price and is recognised when those performance obligations are satisfied and the control of goods or services is transferred to the customer, either over time or at a point in time.

Revenue in respect of the provision and processing of transactional data is recognized in the period in which the service is provided. Revenue from batch data arrangements which include an ongoing update service are apportioned across each delivery to the customer. Software licence and delivery services are primarily accounted for a single performance obligation, with revenue recognised when the combined offering is delivered to the customer. These services are distinguished between Experian-hosted solutions, where revenue is spread over the period that the service is available to the customer, and on-premise software licence arrangements, where revenue is recognised on delivery completion. Professional services revenues which form a separate performance obligation are recognised as the services are delivered. All the revenue is billed out of Experian AS and afterwards transferred via intercompany recharge to Experian Gjeldsregister AS according to a service agreement in place.

#### **Intangible assets**

Expenses for other intangible assets are reflected in the balance sheet providing a future financial benefit relating to the development of an identifiable intangible asset can be identified and the expenses can be reliably measured. Otherwise, such expenses are expensed as and when incurred. R&D expenses in the balance sheet are depreciated on a straight-line basis over the asset's expected useful life time.

The recoverable amount of each asset is generally determined on the basis of value-in-use calculations, which require the use of cash flow projections based on financial budgets, looking forward up to five years. Management determines budgeted profit margin based on past performance and its expectations for the market's development.
