Notes to the Annual Report 2022

OMP LNG III AS

Note 1 Accounting principles

The Financial Statements have been prepared in accordance with the Norwegian Accounting Act and generally accepted accounting principles for Small Companies. The Financial Statements are presented in USD.

Operating income and expenses

Revenues are recognized as soon as a product has been sold or a service has been performed. Expenses are included in the same period as the related revenue is recognised (Matching Principle). Expenses not directly attributable to income are expensed as incurred.

Dividend are recognized as income, when distribution is earned income for the investor. When distribution is recognized as repayment of invested capital, the dividend reduce the cost price of the shares.

Balance sheet classification

Fixed assets are comprised of assets intended for long term ownership and use. Fixed assets are recorded in the balance sheet at cost and depreciated over the estimated useful economic life. Fixed assets are written down to recoverable amount when decreases in value are expected to be permanent. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value. Impairments losses recognised are reversed when the basis for the impairment loss is no longer evident.

Assets that are not intended for long term ownership and use, or are payable within one year are recorded as current assets. Current assets are valued at the lower of cost and fair value.

Foreign currency

Monetary items are translated using the exchange rates at the balance sheet date.

Investments in affiliates and subsidiaries

Investments in subsidiaries are reported in the annual accounts at cost, in accordance with generally accepted accounting principles for small companies. The cost price is increased when the parent company adds increased equity to the subsidiary through capital increase or when group contributions are made from the parent company to the subsidiary. The cost price is reduced when dividends received or group contributions from the subsidiary exceed our share of earned equity in the company after the acquisition.

Tax

The income tax expense comprises both tax payable for the period, and changes in deferred tax. Deferred tax, calculated with 22%, on the basis of existing temporary differences between accounting net income and tax net income, including year-end loss carry-forwards. Temporary differences, both positive and negative, which will or are likely to reverse in the same period, are recorded as a net amount. Deferred tax is not presented in the company in accordance with the Norwegian Accounting Act and generally accepted accounting principles for Small Companies."

Dispensasjon fra kravet om å utarbeide årsregnskap og årsberetning på engelsk for 929047478 OMP LNG III AS

Vi viser til deres søknad av 14. september 2022 om dispensasjon fra kravet om å utarbeide årsregnskap og årsberetning på norsk.

Skatteetaten gir på bakgrunn av en konkret helhetsvurdering selskapet dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk, jf. regnskapsloven § 3-4 tredje ledd. Dispensasjonen forutsetter at engelsk språk benyttes ved utarbeidelsen, og at øvrige opplysninger som vedtaket baserer seg på, heller ikke endres vesentlig.

Kopi av dette brevet må sendes Regnskapsregisteret i Brønnøysund sammen med årsregnskapet. Det påligger den regnskapspliktige å dokumentere ved dette brev at tillatelsen er gitt.

Bakgrunn

Fra søknaden siteres:

I. Regulatoriske forhold

Selskapet ble stiftet 21.03.2022 og er et norsk aksjeselskap, underlagt norsk lov.

Selskapets styre består av:

- Asle Andersson, styrets leder
- Martin Køhn Nilsen, styremedlem

II. Eiere

Selskapet er del av et internasjonalt konsern [...], hvor arbeidsspråk ved rapportering til konsernet foregår på engelsk.

Selskapets eies 100% av OMP SICAV PLC, som er hjemmehørende på Malta. Eieren er et alternativt investeringsfond regulert under Malta Financial Services Authority:

<https://www.mfsa.mt/financial-services-register/result/?id=13721>

Videre er OMP SICAV PLC ultimate eier Hitecvision VI L.P. registrert på Guernsey. Hovedfondet er regulert under Guernsey Financial Services Commission:

<https://www.gfsc.gg/commission/regulated-entities/2022026>

Gitt den internasjonale eierstrukturen, hvor eierne er profesjonelle investorer, vurderer Selskapet det som hensiktsmessig å kunne avlegge årsregnskap og årsberetning på engelsk.

III. Virksomhet og bransje

Selskapets formål er å eie skip og andeler i skip, samt aksjer og andeler i selskap som driver slik virksomhet, samt aktiviteter som faller naturlig i tilknytning til dette.

I skrivende stund har Selskapet gjort to investeringer, i form av preferansekapital I, i to norske aksjeselskap: Norspan LNG 28 AS (org.nr 927 192 810) og Norspan LNG 29 AS (org.nr 927 192 837).

Generelt er både Private-Equity og Shipping-bransjen av internasjonal karakter og Selskapet vurderer det som hensiktsmessig å kunne avlegge årsregnskapet og årsberetning på engelsk.

IV. Avsluttende bemerkning

Selskapet fremholder på basis av redegjørelsen ovenfor at behovet for å utarbeide årsregnskap og årsmelding på norsk ikke gjør seg gjeldende, dermed slik at det bør kunne gis dispensasjon fra kravet om å utarbeide dokumentene på norsk. Følgelig bes det om dispensasjon fra språkkravet slik at Selskapet kan utarbeide dokumentasjonen på engelsk både for regnskapsåret 2022 og fremtidige regnskapsavleggelse.

Skattekontorets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal *”årsregnskapet og årsberetningen ... være på norsk. Departementet kan ved ... enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk.”*

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap mv., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse

på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon.

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til *“informative regnskaper for ulike grupper av regnskapsbrukere”*. Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte, kunder og lokalsamfunnet.

Det er etter skatteetatens vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Som nevnt ovenfor er det særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I dette tilfellet er det opplyst at selskapet er en del av et internasjonalt konsern hvor arbeidsspråket ved rapportering til konsernet skjer på engelsk. Videre at konsernet har en internasjonal eierstruktur med profesjonelle investorer og at både Privat Equity og shipping-bransjen, som selskapet opererer i, er av internasjonal karakter. Skattekontoret finner at disse forholdene samlet tilsier at dispensasjon fra kravet om å utarbeide årsregnskap og årsberetning på norsk kan gis. Selskapet kan derfor avlegge årsregnskap og årsberetning på engelsk fra og med regnskapsåret 2022.

To the General Meeting of OMP LNG III AS

Independent Auditor's Report

Opinion

We have audited the financial statements of OMP LNG III AS (the Company), which comprise the balance sheet as at 31 December 2022, the income statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion

- the financial statements comply with applicable statutory requirements, and
- the financial statements give a true and fair view of the financial position of the Company as at 31 December 2022, and its financial performance for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board of Directors for the Financial Statements

The Board of Directors (management) is responsible for the preparation of financial statements that give a true and fair view in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern. The financial statements use the going concern basis of accounting insofar as it is not likely that the enterprise will cease operations.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate,

Notes to the Annual Report 2022

OMP LNG III AS

Note 1. Accounting principles

The Financial Statements have been prepared in accordance with the Norwegian Accounting Act and generally accepted accounting principles for Small Companies. The Financial Statements are presented in USD.

Operating income and expenses

Revenues are recognized as soon as a product has been sold or a service has been performed. Expenses are included in the same period as the related revenue is recognized (Matching Principle). Expenses not directly attributable to income are expensed as incurred.

Dividend are recognized as income, when distribution is earned income for the investor. When distribution is recognized as repayment of invested capital, the dividend reduce the cost price of the shares.

Balance sheet classification

Fixed assets are comprised of assets intended for long term ownership and use. Fixed assets are recorded in the balance sheet at cost and depreciated over the estimated useful economic life. Fixed assets are written down to recoverable amount when decreases in value are expected to be permanent. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value. Impairments losses recognised are reversed when the basis for the impairment loss is no longer evident.

Assets that are not intended for long term ownership and use, or are payable within one year are recorded as current assets. Current assets are valued at the lower of cost and fair value.

Foreign currency

Monetary items are translated using the exchange rates at the balance sheet date.

Investments in affiliates and subsidiaries

Investments in subsidiaries are reported in the annual accounts at cost, in accordance with generally accepted accounting principles for small companies. The cost price is increased when the parent company adds increased equity to the subsidiary through capital increase or when group contributions are made from the parent company to the subsidiary. The cost price is reduced when dividends received or group contributions from the subsidiary exceed our share of earned equity in the company after the acquisition.

Tax

The income tax expense comprises both tax payable for the period, and changes in deferred tax. Deferred tax, calculated with 22%, on the basis of existing temporary differences between accounting net income and tax net income, including year-end loss carry-forwards. Temporary differences, both positive and negative, which will or are likely to reverse in the same period, are recorded as a net amount. Deferred tax is not presented in the company in accordance with the Norwegian Accounting Act and generally accepted accounting principles for Small Companies."
