Tillatelse til å utarbeide årsregnskap og årsberetning på engelsk språk for selskap i konsernet Skibsaktieselskapet Navigation Co Ltd

- Vi viser til deres brev av 14. mars 2016 hvor dere søker om dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk for

Westfal-Larsen Management AS, org.nr. 876 962 012 og
Westfal-Larsen & Co AS, org.nr. 922 490 066.

Skattedirektoratet gir på bakgrunn av en konkret helhetsvurdering de overnevnte selskapene dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk, jf. regnskapsloven § 3-4 tredje ledd. Dispensasjonen forutsetter at opplysningene som vedtaket baserer seg på ikke endres vesentlig.

Kopi av dette brevet må sendes Regnskapsregisteret i Brønnøysund sammen med årsregnskapet. Det påligger den regnskapspliktige å dokumentere ved dette brev at tillatelsen er gitt.

Bakgrunn

Westfal-Larsen & Co AS er et shippingselskap med hovedkontor i Bergen. Selskapet eier seks kjemikalietankere som opererer i internasjonalt farvann. Hovedvirksomheten til Westfal-Larsen Management AS er teknisk maritim drift av skip og utførelse av administrative tjenester. Selskapet hadde ved utgangen av 2015 ansvaret for teknisk drift av Westfal-Larsen & Co AS sine seks kjemikalietankere. Selskapene opererer således i en bransje av sterk internasjonal karakter. Alle sentrale aktører og samarbeidspartnere innen denne bransjen behersker og benytter engelsk. Selskapene benytter også engelsk som arbeidsspråk. Både Westfal-Larsen Management AS og Westfal-Larsen & Co AS er en del av konsernet Skibsaktieselskapet Navigation Co Ltd. Skibsaktieselskapet Navigation Co Ltd. er eid av norske holdingselskaper. Aksjonærstrukturen er således begrenset, og aksjonærene ønsker at engelsk språk benyttes. Det er heller ingen forhold rundt selskapets finansiering eller andre forretningsforbindelser som skulle tilsi behov for regnskap på norsk. Bankforbindelser og øvrige forretningsforbindelser etterspør kun informasjon på engelsk. Den norske versjonen utarbeides kun for å tilfredsstille regnskapslovens krav.

Skattedirektoratets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal ”årsregnskapet og årsberetningen ... være på norsk. Departementet kan ved ... enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan

være på et annet språk.”

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap m.v., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon.

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til “*informative regnskaper for ulike grupper av regnskapsbrukere*”. Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter Skattedirektoratets vurdering derfor avgjørende ved vurdering av om dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk kan gis, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

Som nevnt ovenfor er det særlig hensynet til brukerne av regnskapsinformasjon som skal vurderes ved en dispensasjonssøknad. I denne vurderingen har Skattedirektoratet lagt vekt på at selskapene er en del av et utlandsk konsern som er eid av norske holdingsselskaper. Eierkretsen er dermed begrenset. Videre er det vektlagt at selskapene operer i en bransje av sterk internasjonal karakter og at arbeidsspråket er engelsk.

Vennligst oppgi vår referanse ved henvendelser i saken.

Annual Report of the Board of Directors 2022

The core business of Westfal-Larsen & Co. AS is ownership of vessels. Technical operation of the ships is entrusted to Westfal-Larsen Management AS, while commercial operation is in the responsibility of Westchart AS.

The company's operations are conducted within the international environmental requirements that apply to this kind of maritime activity. Ownership of vessels involves a risk of pollution of the external environment. American legislators have introduced stringent rules that may entail unlimited liability for oil spills in US waters. By using recognized quality assurance principles, the company is seeking, via the services procured from Westfal-Larsen Management AS, to limit this risk by means of:

- Safe operating routines
- Adequate current maintenance
- Adequate insurance coverage
- Ensuring that operations are conducted by qualified personnel.

One of the company's objectives is to reduce financial risk within its area of activity, which is mainly based in USD. The current strategy includes the use of financial hedging instruments that reduce the variation of exposure to costs in currencies other than USD, and interest-rate swap agreements against variations in interest-rate trends related to long-term debt.

No impairment of ship assets has been performed for 2022 as the company's future expected earnings justify book values.

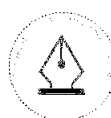

The Profit and Loss account for 2022 shows an Operating Profit of USD 19.9 million (against an Operating Loss of USD 0.1 million in 2021), and an annual profit after net financial expenses, currency losses and taxes of USD 15.8 million (against an annual loss after tax of USD 2.7 million in 2021). The Board of Directors proposes that the profit for 2022 to be posted to Other equity.

It is the opinion of the Board of Directors that the company's financial position is satisfactory. The company has a book equity ratio of 63,0%. The company's liquidity position is good and by year-end 2022 had liquid funds corresponding to USD 21.5 million. The company had a positive cash flow from operational activities of USD 26.0 million, a positive cash flow from investment activities of USD 0.4 million and a negative cash flow from financing activities of USD 12.0 million.

It is the opinion of the Board of Directors that the presented profit & loss account and balance sheet with accompanying notes provide adequate information about the year's operations and status at the end of 2022. In conformity with the rules of the Accounting Act, it is hereby certified that the accounts are presented on the going-concern assumption.

At the time of writing, the company are no longer experiencing any significant impacts from the COVID-19 virus outbreak. The ongoing war in Ukraine still imposes some uncertainty with increased volatility in the global economy and inflationary energy prices, but we have only experienced limited impacts from this so far. No other circumstances have arisen after the end of the financial year over and above those described in the foregoing that are of significance for assessment of the company and that are not stated in the annual accounts with the accompanying notes.

Westfal-Larsen & Co. AS has no employees. Westfal-Larsen Management AS provides technical maritime services and Westfal-Larsen Group Resources AS provides administrative services to the company. The

company is domiciled in Bergen, Norway, and is subject to the Norwegian tonnage taxation scheme.

Management Liability insurance has been issued for the members of the Board and the CEO through Tryg Forsikring. This also includes former board members/CEOs and future board members/CEOs. The insurance covers personal liability for property damage the insured has caused on the basis of negligence in the capacity of employment or position in the company. Property damage means financial loss that is not a consequence of, or is in connection with, damage to a person or thing.

For information about the company regarding The Transparency Act, we refer to separate report on the company's website that will be available in due time.

Note 1 Accounting principles

The annual accounts have been presented in USD and in conformity with the Norwegian Accounting Act and generally accepted accounting principles ("NGAAP"). The company's consolidated accounts are part of the consolidated accounts for Skipsaktieselskapet Navigation Co. Ltd., Bergen. The company operated internationally in a business where USD is generally used as currency. USDNOK exchange rate at 31.12.2022 is USD 9,8573. Average 2022 USDNOK exchange rate is USD 9,6245.

Group annual report is available at Fabrikkgaten 6, 5059 Bergen and brreg.no.

Income

Gross cargo revenues plus income from time charters and bareboat charters are taken to income when they are earned and classified as cargo revenues in the profit and loss account. Voyage-related costs related to cargo revenues are presented on a separate line in the profit and loss account as an income reduction under operating income. For transitional voyages, gross freight revenues and voyage-related costs accrue evenly over the voyage period.

Classification and valuation of balance sheet items

Current assets and short-term liabilities include items that fall due for payment within one year after the date of acquisition. Other items are classified as fixed assets or long-term liabilities.

Tangible fixed assets

Tangible fixed assets are recognized and depreciated over the expected life of the asset. For docking costs, a recognition model is employed that in short means capitalizing the costs of docking at the time of docking and depreciating these over the period until the next docking. In the event of material falls in value that are not transitory, a write-down to fair value will be undertaken. Fair value is defined as sale value or present value of future earnings, whichever is the higher. Write-downs are reversed to the extent that the basis for the write-down is no longer present.

The chemical tanker fleet is reviewed for impairment whenever events or changes in circumstances indicate the carrying amount of the fleet may not be recoverable.

Financial instruments

Forward contracts are used to hedge future cash flows in foreign currency. Differences between forward rates and the rate on the balance sheet date are handled in accordance with the principles for valuation of items in foreign currency, but unrealized gains are not posted to income. Interest-rate instruments (interest-rate swaps) are accounted through amortization over the contract period and the result classified as an adjustment of financial items.

Document ID:
13D880802AC8411C84FC7623E554B015

Current assets

Other receivables are posted in the balance sheet at fair value and face value, whichever is the lower. Market-based securities are valued at market value. Cost price for securities in foreign currency is set at original cost in foreign currency valued at the foreign currency rate at the end of the financial year, when the investments are equated with liquidity placements. Stocks on board vessels are valued at original cost using the FIFO-method on bunkers and weighted average-method on lube oil.

Foreign currency

Transactions in foreign currency are converted at the rate on the transaction date. All money items in foreign currency are valued at the rate at the end of the financial year. Exchange rate changes are recognized concurrently in the accounting period as currency gain/currency loss.

Liabilities

Long-term and short-term liabilities are recognized at nominal figures at the time of establishment. Loans in foreign currency are valued at the rate at the end of the financial year. The first year's amortization is shown as short-term liabilities.

Taxes

Taxes in the profit and loss account include both the period's due taxes and the change in deferred tax/tax asset. With effect from 2007, a new system has been introduced for taxation of shipowning entities on certain conditions; these are granted a final tax exemption for their current operating revenues. Untaxed revenue related to the environmental fund will not be taxed until the company withdraws it or leaves the scheme. Irrespective of the company's results, a tonnage tax is imposed. The tonnage tax is classified as an operating cost. Taxes posted in the profit and loss account reflect the period's due taxes, as well as changes in deferred tax/tax assets. Deferred tax is calculated as 22 % of the timing differences between the book and fiscal values, and take into account tax losses that are deferred at the end of the accounting year.

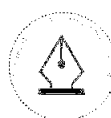

Leases

Lease contracts are evaluated on an individual basis based on accounting principles applicable to the company. Leases in which the bulk of the risk and yield associated with ownership of the asset is transferred to the company is classified as financial lease.

Leases in which the bulk of the risk and yield associated with ownership of the asset is not transferred to the company are classified as operating leases; the hire is then classified as an operating cost and recognized on the straight-line principle over the contract period.

Cash flow statement

The cashflow statement has been prepared on the indirect method. Cash and cash equivalents include cash in hand, bank deposits and securities.

Docking costs are depreciated and classified as depreciation costs.

For all tangible fixed assets, straight-line depreciation is employed. Depreciation of chemical ships is based on a 25-years economic life. Docking costs are depreciated over five years. As of 01.01.2020, scrap value on the respective vessels have been accounted for separately although still included in total book value of vessels. This explains the reduction in depreciation on vessels compared to prior year.

The chemical tanker fleet is reviewed for impairment whenever events or changes in circumstances indicate the carrying amount of the fleet may not be recoverable.

There has not been any impairment losses in 2022.

Note 13 Events after balance sheet day

At the time of writing, the company are no longer experiencing any significant impacts from the COVID-19 virus outbreak. The ongoing war in Ukraine still imposes some uncertainty with increased volatility in the global economy and inflationary energy prices, but we have only experienced limited impacts from this so far. No other circumstances have arisen after the end of the financial year over and above those described in the foregoing that are of significance for assessment of the company and that are not stated in the annual accounts with the accompanying notes.

To the General Meeting of Westfal-Larsen & Co AS

Independent Auditor's Report

Opinion

We have audited the financial statements of Westfal-Larsen & Co AS (the Company), which comprise the balance sheet as at 31 December 2022, the profit and loss account and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion

- the financial statements comply with applicable statutory requirements, and
- the financial statements give a true and fair view of the financial position of the Company as at 31 December 2022, and its financial performance and its cash flows for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company as required by relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Board of Directors and the Managing Director (management) are responsible for the information in the Board of Directors' report. The other information comprises information in the annual report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the information in the Board of Directors' report.

In connection with our audit of the financial statements, our responsibility is to read the Board of Directors' report. The purpose is to consider if there is material inconsistency between the Board of Directors' report and the financial statements or our knowledge obtained in the audit, or whether the Board of Directors' report otherwise appears to be materially misstated. We are required to report if there is a material misstatement in the Board of Directors' report. We have nothing to report in this regard.

Based on our knowledge obtained in the audit, it is our opinion that the Board of Directors' report

- is consistent with the financial statements and
- contains the information required by applicable statutory requirements.

Responsibilities of Management for the Financial Statements

PricewaterhouseCoopers AS, Sandviksbodene 2A, Postboks 3984 - Sandviken, NO-5835 Bergen
T: 02316, org. no.: 987 009 713 MVA, www.pwc.no
Statsautoriserte revisorer, medlemmer av Den norske Revisorforening og autorisert regnskapsførerselskap

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern. The financial statements use the going concern basis of accounting insofar as it is not likely that the enterprise will cease operations.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

For further description of Auditor's Responsibilities for the Audit of the Financial Statements reference is made to: <https://revisorforeningen.no/revisjonsberetninger>
