The receivable and provision towards ONGC relates to a contract dated 24th November 2008. On March 18, 2013, Wavefield Inseis AS initiated arbitration proceedings against ONGC, an Indian company, to recover certain unpaid amounts under commercial contract entered into by ONGC and Wavefield Inseis AS.

The Arbitration Tribunal issued an award in favor of CGG on July 26, 2017 and at the same date dismissed ONGC's counter claims against CGG. ONGC submitted an application against the Tribunal award on October 27, 2017. On January 6, 2020, ONGC's application to set aside the Tribunal awards was dismissed by the Single Judge of the Bombay High Court without costs. ONGC submitted an appeal on March 2, 2020 against the Bombay High Court's decision. On March 3, 2021, the Court ordered and ONGC made a deposit to the Bombay High Court. We believe that the Tribunal's award will be confirmed again by the Bombay High Court, which should allow us to recover at least the amount of the receivables that are recorded on our balance sheet as unpaid receivables as of December 31, 2022.

If the counterparty fails to meet its payment obligations to the Company, the resulting losses are limited to the fair value of the instruments in question. The contract value or principal amount of the financial instruments serve only as an indication of the extent to which such financial instruments are used, and not of the value of the credit or market risks.

INDEPENDENT AUDITOR'S REPORT

To the Annual Shareholders' Meeting of Wavefield Inseis AS

Opinion

We have audited the financial statements of Wavefield Inseis AS (the Company), which comprise statement of financial position as at 31 December 2022, income statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion the financial statements comply with applicable legal requirements and give a true and fair view of the financial position of the Company as at 31 December 2022 and its financial performance for the year then ended in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Company in accordance with the requirements of the relevant laws and regulations in Norway and the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)* (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of management for the financial statements

Management (the board of directors and the general manager) is responsible for the preparation and fair presentation of the financial statements in accordance with the Norwegian Accounting Act and accounting standards and practices generally accepted in Norway, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

Building a better
working world

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Dispensasjon fra kravet om årsregnskap og årsberetning på norsk språk for CGG Veritas

Det vises til deres brev av 29. september 2011 der det søkes om dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk. Søknaden gjelder for følgende selskaper;

Wavefield Inseis AS	org. nr. 983 811 310
CGG Marine Resources Norge AS	org. nr. 980 464 989
CGG Veritas Services (Norway) AS	org. nr. 987 264 020
Exploration Vessels Resources AS	org. nr. 953 047 225
Exploration Investment Resources II AS	org. nr. 984 670 303
Exploration Vessel Resources II AS	org. nr. 996 311 341
Multifield Geophysics AS	org. nr. 990 886 482
CGG Veritas International SA (NUF)	org. nr. 985 625 794
CGG Veritas Services Norge (NUF)	org. nr. 985 846 855

Skattedirektoratet gir på bakgrunn av en konkret helhetsvurdering de overnevnte selskaper dispensasjon fra kravet til å utarbeide årsregnskap og årsberetning på norsk språk, jf. regnskapsloven § 3-4 tredje ledd.

Dispensasjonen forutsetter at engelsk språk benyttes i stedet ved utarbeidelsen, og at øvrige opplysninger som vedtaket baserer seg på, heller ikke endres vesentlig.

Bakgrunn

Selskapene er direkte eller indirekte eiet 100 % av det franske børsnoterte selskapet CGG Veritas SA med unntak for Multifield Geophysics AS som er eiet med 90,9 % og CGG Veritas International SA og CGG Veritas Services Norge som er norskregistrerte utenlandske foretak. Konsernspiss er det franske selskapet Compagnie Générale de Géophysique - Veritas. Konsernet er en av verdens største leverandører av geofysiske tjenester samt utstyr til bruk i geofysikkindustrien. Konsernet opererer i mange sektorer globalt, der engelsk er det klart dominerende språket og det daglige arbeidsspråket derfor også er engelsk. Morselskapets aksjonærer er i all hovedsak utenlandske personer eller selskaper, og morselskapet henvender seg jevnlig til potensielle investorer som er basert i utlandet. All kommunikasjon med konsernets primære kunder og kreditorer foregår på engelsk. Den norske versjonen av årsregnskapet utarbeides kun for å tilfredsstille regnskapsloven.

Skattedirektoratets vurdering

Etter regnskapsloven § 3-4 tredje ledd skal "årsregnskapet og årsberetningen ... være på norsk. Departementet kan ved ... enkeltvedtak bestemme at årsregnskapet og/eller årsberetningen kan være på et annet språk."

I Ot. prp. nr. 42 (1997-1998) Om lov om årsregnskap m.v., er det uttalt følgende om regnskapslovens formål, jf. pkt. 1.1:

"Regjeringen har som siktemål at regnskapsloven skal bidra til informative regnskaper for ulike grupper av regnskapsbrukere. Regnskapsbrukerne er dels investorer og kreditorer som tilfører kapital til foretakene, og dels andre grupper som har interesse av å vite hvordan foretaket drives, f.eks. de ansatte og lokalsamfunnet. Informasjonen til kapitalmarkedet skal gi grunnlag for riktig prising av finansielle objekter. Riktig prisdannelse på aksjer er en forutsetning for at ressursbruken i samfunnsøkonomien skal bli best mulig. Gode regnskaper vil også gjøre det vanskeligere for markedsdeltakere å ta ut spekulasjonsgevinster med basis i skjevt fordelt informasjon."

Det fremgår således at et av hovedformålene med regnskapsloven er å bidra til "informative regnskaper for ulike grupper av regnskapsbrukere". Regnskapsbrukere vil omfatte, jf. uttalelsen i proposisjonen, blant andre investorer, kreditorer, ansatte og lokalsamfunnet.

Det er etter Skattedirektoratets vurdering derfor avgjørende ved vurdering om det skal gis dispensasjon fra kravet til å utarbeide årsregnskap og/eller årsberetning på norsk, at det ikke foreligger mulige brukere av regnskapsinformasjon som blir vesentlig berørt negativt ved en eventuell dispensasjon.

I denne vurderingen har Skattedirektoratet lagt vekt på at selskapene er eiet av et fransk selskap og aksjonærene forstår ikke norsk språk. Morselskapet henvender seg jevnlig til potensielle investorer som er basert i utlandet. Videre er det vektlagt at selskapets virksomhet er utpreget internasjonal og arbeidsspråket er engelsk.
