Not 1 Redovisnings- och värderingsprinciper

Allmänna redovisningsprinciper

Årsredovisningen är upprättad i enlighet med årsredovisningslagen och BFNAR 2012:1 Årsredovisning och koncernredovisning (K3).

Koncernredovisning

Företaget är ett moderföretag men upprättar ingen koncernredovisning med hänvisning till undantagsregeln i Årsredovisningslagen 7 kap. 2§.

Redovisningsprinciperna är oförändrade jämfört med föregående år.

Finansiella anläggningstillgångar

Andelar i dotterföretag

Andelar i dotterföretag redovisas till anskaffningsvärde efter avdrag för eventuella nedskrivningar. I anskaffningsvärdet ingår köpeskillingen som erlagts för aktierna samt förvärvskostnader. Eventuella kapitaltillskott läggs till anskaffningsvärdet när de uppkommer.

Avsättningar

Som avsättning har redovisats förpliktelser gentemot tredje man som är hänförliga till räkenskapsåret eller tidigare räkenskapsår och som på balansdagen antingen är säkra eller sannolika till sin förekomst men oviss till belopp eller till den tidpunkt då de ska infrias.

Nyckeltalsdefinitioner

Rörelsemarginal (%)

Rörelseresultat i procent av omsättningen.

Avkastning på eget kap. (%)

Resultat efter finansiella poster i procent av justerat eget kapital (eget kapital och obeskattade reserver med avdrag för uppskjuten skatt).

Soliditet (%)

Justerat eget kapital (eget kapital och obeskattade reserver med avdrag för uppskjuten skatt) i procent av balansomslutning.

REVISIONSBERÄTTELSE

Till bolagsstämman i Idemia Sweden Company AB
Org. nr 556408-3854

Rapport om årsredovisningen

Uttalanden

Vi har utfört en revision av årsredovisningen för Idemia Sweden Company AB för år 2024.

Enligt vår uppfattning har årsredovisningen upprättats i enlighet med årsredovisningslagen och ger en i alla väsentliga avseenden rättvisande bild av Idemia Sweden Company AB:s finansiella ställning per den 2024-12-31 och av dess finansiella resultat för året enligt årsredovisningslagen. Förvaltningsberättelsen är förenlig med årsredovisningens övriga delar.

Vi tillstyrker därför att bolagsstämman fastställer resultaträkningen och balansräkningen.

Grund för uttalanden

Vi har utfört revisionen enligt International Standards on Auditing (ISA) och god revisionssed i Sverige. Vårt ansvar enligt dessa standarder beskrivs närmare i avsnittet *Revisorns ansvar*. Vi är oberoende i förhållande till företaget enligt god revisorssed i Sverige och har i övrigt fullgjort vårt yrkesetiska ansvar enligt dessa krav.

Vi anser att de revisionsbevis vi har inhämtat är tillräckliga och ändamålsenliga som grund för våra uttalanden.

Styrelsens ansvar

Det är styrelsen som har ansvaret för att årsredovisningen upprättas och att den ger en rättvisande bild enligt årsredovisningslagen. Styrelsen ansvarar även för den interna kontroll som de bedömer är nödvändig för att upprätta en årsredovisning som inte innehåller några väsentliga felaktigheter, vare sig dessa beror på oegentligheter eller på misstag.

Vid upprättandet av årsredovisningen ansvarar styrelsen för bedömningen av bolagets förmåga att fortsätta verksamheten. De upplyser, när så är tillämpligt, om förhållanden som kan påverka förmågan att fortsätta verksamheten och att använda antagandet om fortsatt drift. Antagandet om fortsatt drift tillämpas dock inte om styrelsen avser att likvidera bolaget, upphöra med verksamheten eller inte har något realistiskt alternativ till att göra något av detta.

Revisorns ansvar

Våra mål är att uppnå en rimlig grad av säkerhet om huruvida årsredovisningen som helhet inte innehåller några väsentliga felaktigheter, vare sig dessa beror på oegentligheter eller på misstag, och att lämna en revisionsberättelse som innehåller våra uttalanden. Rimlig säkerhet är en hög grad av säkerhet, men är ingen garanti för att en revision som utförs enligt ISA och god revisionssed i Sverige alltid kommer att upptäcka en väsentlig felaktighet om en sådan finns. Felaktigheter kan uppstå på grund av oegentligheter eller misstag och anses vara väsentliga om de enskilt eller tillsammans rimligen kan förväntas påverka de

ekonomiska beslut som användare fattar med grund i årsredovisningen.

Som del av en revision enligt ISA använder vi professionellt omdöme och har en professionellt skeptisk inställning under hela revisionen. Dessutom:

- identifierar och bedömer vi riskerna för väsentliga felaktigheter i årsredovisningen, vare sig dessa beror på oegentligheter eller på misstag, utformar och utför granskningsåtgärder bland annat utifrån dessa risker och inhämtar revisionsbevis som är tillräckliga och ändamålsenliga för att utgöra en grund för våra uttalanden. Risker för att inte upptäcka en väsentlig felaktighet till följd av oegentligheter är högre än för en väsentlig felaktighet som beror på misstag, eftersom oegentligheter kan innefatta agerande i maskopi, förfalskning, avsiktliga utelämnanden, felaktig information eller åsidosättande av intern kontroll.
- skaffar vi oss en förståelse av den del av bolagets interna kontroll som har betydelse för vår revision för att utforma granskningsåtgärder som är lämpliga med hänsyn till omständigheterna, men inte för att uttala oss om effektiviteten i den interna kontrollen.
- utvärderar vi lämpligheten i de redovisningsprinciper som används och rimligheten i styrelsens uppskattningar i redovisningen och tillhörande upplysningar.
- drar vi en slutsats om lämpligheten i att styrelsen använder antagandet om fortsatt drift vid upprättandet av årsredovisningen. Vi drar också en slutsats, med grund i de inhämtade revisionsbevisen, om huruvida det finns någon väsentlig osäkerhetsfaktor som avser sådana händelser eller förhållanden som kan leda till betydande tvivel om bolagets förmåga att fortsätta verksamheten. Om vi drar slutsatsen att det finns en väsentlig osäkerhetsfaktor, måste vi i revisionsberättelsen fästa uppmärksamheten på upplysningarna i årsredovisningen om den väsentliga osäkerhetsfaktorn eller, om sådana upplysningar är otillräckliga, modifiera uttalandet om årsredovisningen. Våra slutsatser baseras på de revisionsbevis som inhämtas fram till datumet för revisionsberättelsen. Dock kan framtida händelser eller förhållanden göra att ett bolag inte längre kan fortsätta verksamheten.
- utvärderar vi den övergripande presentationen, strukturen och innehållet i årsredovisningen, däribland upplysningarna, och om årsredovisningen återger de underliggande transaktionerna och händelserna på ett sätt som ger en rättvisande bild.

Vi måste informera styrelsen om bland annat revisionens planerade omfattning och inriktning samt tidpunkten för den. Vi måste också informera om betydelsefulla iakttagelser under revisionen, däribland de eventuella betydande brister i den interna kontrollen som vi identifierat.

Rapport om andra krav enligt lagar och andra författningar

Uttalanden

Utöver vår revision av årsredovisningen har vi även utfört en revision av styrelsens förvaltning för Idemia Sweden Company AB för år 2024 samt av förslaget till dispositioner beträffande bolagets vinst eller förlust.

Vi tillstyrker att bolagsstämman disponerar vinsten enligt förslaget i förvaltningsberättelsen och beviljar styrelsens ledamöter ansvarsfrihet för räkenskapsåret.

Grund för uttalanden

Vi har utfört revisionen enligt god revisionssed i Sverige. Vårt ansvar enligt denna beskrivs närmare i avsnittet *Revisorers ansvar*. Vi är oberoende i förhållande till företaget enligt god revisorssed i Sverige och har i övrigt fullgjort vårt yrkesetiska ansvar enligt dessa krav.

Vi anser att de revisionsbevis vi har inhämtat är tillräckliga och ändamålsenliga som grund för våra uttalanden.

Styrelsens ansvar

Det är styrelsen som har ansvaret för förslaget till dispositioner beträffande bolagets vinst eller förlust. Vid förslag till utdelning innefattar detta bland annat en bedömning av om utdelningen är försvarlig med hänsyn till de krav som bolagets verksamhetsart, omfattning och risker ställer på storleken av bolagets egna kapital, konsolideringsbehov, likviditet och ställning i övrigt.

Styrelsen ansvarar för bolagets organisation och förvaltningen av bolagets angelägenheter. Detta innefattar bland annat att fortlöpande bedöma bolagets ekonomiska situation och att tillse att bolagets organisation är utformad så att bokföringen, medelsförvaltningen och bolagets ekonomiska angelägenheter i övrigt kontrolleras på ett betryggande sätt.

Revisorers ansvar

Vårt mål beträffande revisionen av förvaltningen, och därmed vårt uttalande om ansvarsfrihet, är att inhämta revisionsbevis för att med en rimlig grad av säkerhet kunna bedöma om någon styrelseledamot i något väsentligt avseende:

- företagit någon åtgärd eller gjort sig skyldig till någon försummelse som kan föranleda ersättningsskyldighet mot bolaget, eller
- på något annat sätt handlat i strid med aktiebolagslagen, årsredovisningslagen eller bolagsordningen.

Vårt mål beträffande revisionen av förslaget till dispositioner av bolagets vinst eller förlust, och därmed vårt uttalande om detta, är att med rimlig grad av säkerhet bedöma om förslaget är förenligt med aktiebolagslagen.

Rimlig säkerhet är en hög grad av säkerhet, men ingen garanti för att en revision som utförs enligt god revisionssed i Sverige alltid kommer att upptäcka åtgärder eller försummelser som kan föranleda ersättningsskyldighet mot bolaget, eller att ett förslag till dispositioner av bolagets vinst eller förlust inte är förenligt med aktiebolagslagen.

Som en del av en revision enligt god revisionssed i Sverige använder vi professionellt omdöme och har en professionellt skeptisk inställning under hela revisionen. Granskningen av förvaltningen och förslaget till dispositioner av bolagets vinst

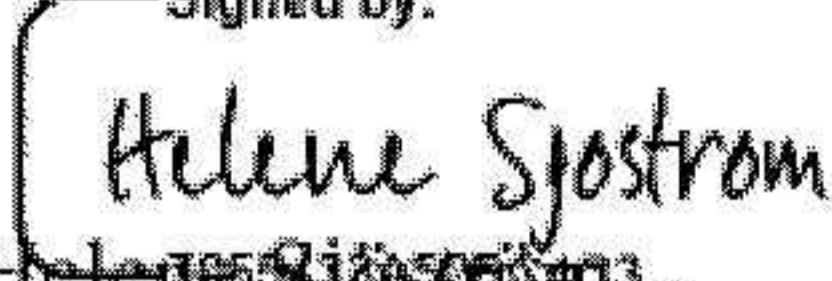

eller förlust grundar sig främst på revisionen av räkenskaperna. Vilka tillkommande granskningsåtgärder som utförs baseras på vår professionella bedömning med utgångspunkt i risk och väsentlighet. Det innebär att vi fokuserar granskningen på sådana åtgärder, områden och förhållanden som är väsentliga för verksamheten och där avsteg och överträdelser skulle ha särskild betydelse för bolagets situation. Vi går igenom och prövar fattade beslut, beslutsunderlag, vidtagna åtgärder och andra förhållanden som är relevanta för vårt uttalande om ansvarsfrihet. Som underlag för vårt uttalande om styrelsens förslag till dispositioner beträffande bolagets vinst eller förlust har vi granskat styrelsens motiverade yttrande samt ett urval av underlagen för detta för att kunna bedöma om förslaget är förenligt med aktiebolagslagen.

Anmärkning

Bolaget har vid flera tillfällen under året inte i rätt tid varit sig redovisat eller betalat avdragen skatt, sociala avgifter eller mervärdesskatt. Styrelsen har därmed inte fullgjort sina skyldigheter enligt skatteförfarandelagen. Försummelsen har inte medfört någon skada för bolaget utöver dröjsmålsräntor.

Vår revisionsberättelse har lämnats i Lund den dag som framgår av vår elektroniska underskrift.

Strategic Report

for the year ended 31 December 2024

The Directors present their Strategic Report for the year ended 31 December 2024.

Principal activity

The principal activity of the Company is that of an intermediate holding company within the IDEMIA Group.

Fair review of the business

The Company is a wholly owned subsidiary of IDEMIA France SAS.

The Company's income in the year arises from dividend receipts from its subsidiaries. Dividend income for the current year amounted to £6,785,000 (2023 - £2,175,000), and the profit before tax reflects dividend income from its subsidiaries less interest paid on the loans to its parent company, IDEMIA France SAS.

	2024 £000	2023 £000	Change £000
Profit/(loss) before tax	3,727	(153)	3,880
Shareholders' funds	34,327	31,086	3,241

Guided by the Company's strategic drivers, the Company continues to create value for its shareholders.

Statement by the directors in performance of their statutory duties in accordance with s172(1) of Companies Act 2006

As an intermediate holding company, the Company has no direct customers or employees other than its directors. However, we recognise the importance of our wider stakeholders in delivering our strategy and business sustainability through our subsidiary undertakings. We are conscientious about our responsibilities and duties to our stakeholders under section 172 of the Companies Act 2006. We adopt the group's 5 core values to all our responsibilities; Together, Curious, Caring, Daring and Trusted.

The customers

Our customers are the reason we exist. We continue to focus on providing customers with quality products at competitive prices.

The employees

We want the company to be a great place to work, where employees are empowered to make decisions and can develop their skills and capabilities to serve our customers' needs. We also consider the interests of former employees who are members of a group pension scheme. Our colleagues rely on us to provide stable employment and opportunities to realise their potential in a working environment where they can be at their best.

The communities

Our products, services and people are beneficial to the communities in which we operate. High standards of ethics and business conduct is an important part of being a responsible part of the communities in which we operate.

Strategic Report

for the year ended 31 December 2024 (continued)

Statement by the directors in performance of their statutory duties in accordance with s172(1) of Companies Act 2006 (continued)

The environment

Our products, supply chain and operations all have an impact on the environment. We believe that, as a general matter, our policies, practices and procedures are properly designed to prevent unreasonable risk of environmental damage, and of resulting financial liability, in connection with our business. We continually seek out opportunities to improve our environmental performance and to contribute to the well-being and sustainability of the areas in which we operate.

The shareholders

We continue to create long-term, sustainable value for our shareholders, by investing in our competitiveness in our chosen markets.

The suppliers

We continue to strengthen the partnerships we have with our suppliers to deliver great quality products to our customers, at great value.

Principal risks and uncertainties

The principal risks and uncertainties of the Company as an investment holding company pertain to the trading activities and performance of its investments. These risks are as follows:

Cybersecurity

As a globally operating organisation, the Company faces risks associated with cyberattacks and data breaches, including threats such as social engineering (phishing), ransomware, and system intrusion attempts. To mitigate these risks, the Company implements robust cybersecurity practices and capabilities, supported by policy-driven controls and mandatory training for all employees. A comprehensive global cyber incident management and response framework is in place, with continuous monitoring conducted by Group IT to ensure swift detection and resolution of cyber threats.

Financial risk management

Financial instruments risk

The Company's net cash and certain of its group indebtedness attract interest at variable rates. The Company does not hedge its interest exposure and is therefore exposed to interest rate risk.

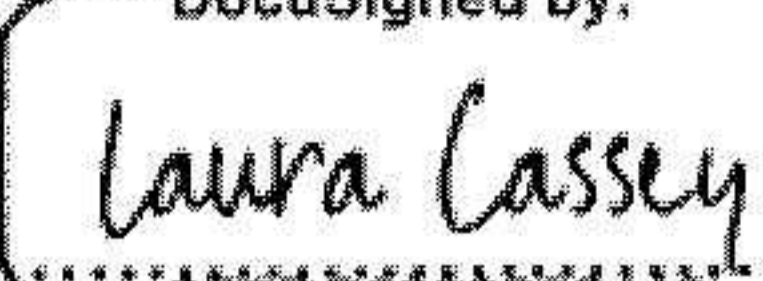

Exposure to credit, liquidity and cash flow risk

There are no other material exposures of the Company relating to credit, liquidity or cash flow risk which are material for the assessment of the assets, liabilities, financial position and performance of the Company.

Investment impairment risk

The carrying value of the Company's investments in its subsidiaries is vulnerable to reductions or increases in the future earnings of the subsidiaries in which the investments are held.

Directors' Report*for the year ended 31 December 2024*

The directors of the Company present their Directors' Report and the audited financial statements for the year ended 31 December 2024.

Results and dividend

The profit for the year after tax is £3,241,000 (2023 - loss of £857,000). A dividend of £Nil (2023 - £6,634,000) was declared during the year as detailed in note 14. The directors do not recommend the payment of a final dividend (2023 - £nil).

Future developments

The Company is expected to continue as an intermediary holding company for the foreseeable future.

Financial risk management

Financial risk management details are shown in the Strategic report.

Directors' of the Company

The directors who held office during the year, and up to the date of signing these financial statements, were as follows:

L Cassey

A Davis

H Mallet

Going concern

At the balance sheet date, the Company has net current liabilities of £37,178,000 (2023: £40,905,000). The directors have assessed the Company's financial position and, based on cash flow forecasts and available information, have a reasonable expectation that the Company will continue to operate for the foreseeable future. While no formal support has been requested from the parent company, the directors are not aware of any indication that such support would not be available if required.

As a result, the directors have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Company to continue as a going concern, and have therefore prepared the financial statements on a going concern basis.

Emissions and energy consumption

As an intermediate holding company, the Company has consumed less than 40MWh of energy in the year. Accordingly, no further disclosures regarding emissions and energy consumption have been given.

Emissions and energy consumption information for the Company's main UK trading subsidiary, IDEMIA UK Limited, are included in the individual financial statements of that company which are available from Alexandra Way, Ashchurch Business Centre, Tewkesbury, Gloucestershire, GL20 8GA.

Directors' liabilities

The Company has granted an indemnity to its directors against liability in respect of proceedings brought by third parties, subject to the conditions set out in section 234 of the Companies Act 2006. Such qualifying third party indemnity provision remains in force as at the date of approving the Directors' Report.

2025081802463

Directors' Report

for the year ended 31 December 2024 (continued)

Disclosure of information to the auditor

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information. The directors confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

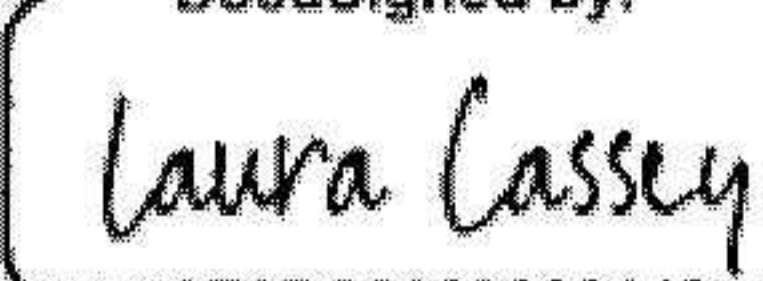

Appointment of auditor

Forvis Mazars LLP have confirmed their willingness to continue in office as auditors and will be re-appointed accordingly, in accordance with s485 of the Companies Act 2006.

Disclosure requirements

In accordance with the Companies Act 2006, section 414C(11), the Company's Strategic Report contains certain disclosures required in the Directors' Report.

Statement of Directors' Responsibilities

for the year ended 31 December 2024

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 'Reduced Disclosure Framework' (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101 have been followed, subject to material departures disclosed and explained in the financial statements; and
- prepare financial statements on a going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Under applicable law and regulations, the directors are also responsible for preparing a strategic report and directors' report, that comply with that law and those regulations. The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website.

Independent Auditor's Report

to the Members of IDEMIA UK Holding Limited

Opinion

We have audited the financial statements of Idemia UK Holding Limited (the 'Company') for the year ended 31 December 2024 which comprise the Profit and Loss Account, Statement of Comprehensive Income, Balance Sheet, Statement of Changes in Equity and Notes to the Financial Statements, including material accounting policy information.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2024 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual Report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

2025081802466

Independent Auditor's Report

to the Members of IDEMIA UK Holding Limited (continued)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Directors

As explained more fully in the Statement of Directors' Responsibilities set out on page 6, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Based on our understanding of the Company and its industry, we considered that non-compliance with the following laws and regulations might have a material effect on the financial statements: employment regulation and anti-money laundering regulation.

2025081802467

Independent Auditor's Report

to the Members of IDEMIA UK Holding Limited (continued)

Auditor's responsibilities for the audit of the financial statements (continued)

To help us identify instances of non-compliance with these laws and regulations, and in identifying and assessing the risks of material misstatement in respect to non-compliance, our procedures included, but were not limited to:

- Inquiring of management and, where appropriate, those charged with governance, as to whether the Company is in compliance with laws and regulations, and discussing their policies and procedures regarding compliance with laws and regulations;
- Inspecting correspondence, if any, with relevant licensing or regulatory authorities;
- Communicating identified laws and regulations to the engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- Considering the risk of acts by the Company which were contrary to applicable laws and regulations, including fraud.

We also considered those laws and regulations that have a direct effect on the preparation of the financial statements, such as tax legislation and the Companies Act 2006.

In addition, we evaluated the directors' and management's incentives and opportunities for fraudulent manipulation of the financial statements, including the risk of management override of controls, and determined that the principal risks related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates and significant one-off or unusual transactions.

Our audit procedures in relation to fraud included but were not limited to:

- Making enquiries of the directors and management on whether they had knowledge of any actual, suspected or alleged fraud;
- Gaining an understanding of the internal controls established to mitigate risks related to fraud;
- Discussing amongst the engagement team the risks of fraud; and
- Addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Independent Auditor's Report

to the Members of IDEMIA UK Holding Limited (continued)

Use of the audit report

This report is made solely to the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements
for the year ended 31 December 2024

2025081802472

1 General information

The Company is a private company limited by share capital, incorporated in England and Wales and domiciled in England.

The address of its registered office is:

Alexandra Way
Ashchurch Business Centre
Tewkesbury
Gloucestershire
GL20 8GA

The financial statements of IDEMIA UK Holding Limited for the year ended 31 December 2024 were authorised for issue by the Board of directors on 01-Jul-2025 and the balance sheet was signed on the Board's behalf by L. Cassey.

2 Accounting policies

Summary of material accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation and statement of compliance with FRS 101

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework. The financial statements have been prepared under the historical cost convention, and in accordance with, the Companies Act 2006.

The Company's functional currency and its financial statements are presented in pounds Sterling. All values are rounded to the nearest thousand pounds except where otherwise indicated.

Changes in accounting policy

There are no amendments to accounting standards or IFRIC interpretations that are effective for the year ended 31 December 2024 that have had a material effect on the Company.

Going concern

At the balance sheet date, the Company has net current liabilities of £37,178,000 (2023: £40,905,000). The directors have assessed the Company's financial position and, based on cash flow forecasts and available information, have a reasonable expectation that the Company will continue to operate for the foreseeable future. While no formal support has been requested from the parent company, the directors are not aware of any indication that such support would not be available if required.

As a result, the directors have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Company to continue as a going concern, and have therefore prepared the financial statements on a going concern basis.

Notes to the Financial Statements*for the year ended 31 December 2024 (continued)***2 Accounting policies (continued)****Exemption from preparing group accounts**

The financial statements contain information about IDEMIA UK Holding Limited as an individual company and do not contain consolidated financial information as the parent of a group. The Company is exempt under section 401 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included by full consolidation in the consolidated financial statements of its parent, IDEMIA France SAS.

Summary of disclosure exemptions

In these financial statements, the Company has taken advantage of the exemptions available under FRS 101 in respect of the following disclosures:

- IFRS 7 - 'Financial instruments: Disclosures'.
- Paragraph 38 of IAS 1 - 'Presentation of financial statements' (comparative information requirements in respect of):
 - paragraph 79(a)(iv) of IAS 1
(reconciliation of number of shares at the beginning and end of the period)
- IAS 7 - 'Statement of cash flows'.
- Paragraphs 30 and 31 of IAS 8 - 'Accounting policies, changes in accounting estimates and errors' (requirement for the disclosure of information when an entity has not applied a new IFRS that has been issued but is not yet effective).
- Paragraph 17 of IAS 24 - 'Related party disclosures' (key management compensation).
- The requirements in IAS 24, 'Related party disclosures' (to disclose related party transactions entered into between two or more members of a group).
- The following paragraphs of IAS 1 - 'Presentation of financial statements' (removing the requirement to present):
 - 10(d) (statement of cash flows);
 - 16 (statement of compliance with all IFRS);
 - 38A (minimum of two primary statements, including cash flow statements);
 - 38B-D (additional comparative information);
 - 111 (cash flow statement information);
 - 134-136 (capital management disclosures)

Finance income and costs

Dividend income from subsidiary undertakings is recognised when the right to receive payment is established.

Finance costs consist of interest payable on borrowings from group undertakings calculated using the effective interest method.

Notes to the Financial Statements*for the year ended 31 December 2024 (continued)*

2 Accounting policies (continued)**Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial asset – recognition and measurement

The Company classifies its financial assets in the following categories: at fair value through other comprehensive income; at amortised cost and at fair value through profit and loss. The classification depends on the purpose for which the financial assets were acquired. Management determines the classification of its financial assets at initial recognition. The Company has no instruments classified as financial assets at fair value through other comprehensive income or financial assets at fair value through profit and loss.

Financial assets at amortised cost

The company classifies its financial assets as at amortised cost only if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cash flows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

The Company's financial assets measured at amortised cost include amounts receivable from group undertakings and cash and cash equivalents in the balance sheet.

Impairment of financial assets

In accordance with IFRS 9, the Company applies expected credit loss (ECL) model for the measurement and recognition of impairment loss on financial assets measured at amortised cost. For amounts owed to group undertakings an assessment of impairment is undertaken each financial period through examining the financial position of the group undertakings and the market in which the group undertakings operate.

Financial liabilities - recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, trade creditors, or as derivatives as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities comprise of amounts owed to group undertakings.

Subsequent measurement

The measurement of financial liabilities depends on their classification as either financial liabilities at fair value through profit or loss, loans and borrowings or derivative financial instruments. The Company does not have any financial liabilities which are subsequently re-measured at fair value through profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Notes to the Financial Statements*for the year ended 31 December 2024 (continued)*

2 Accounting policies (continued)**Financial instruments (continued)*****Subsequent measurement (continued)***

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the profit and loss account.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the profit or loss account.

Impairment of non-financial assets

The carrying values of non-financial assets are reviewed at each balance sheet date to determine whether there is an indication of impairment. If any impairment losses arise, the asset value is adjusted to its estimated recoverable amount and the difference is recognised in the profit and loss account.

For assets where an impairment loss subsequently reverses, the carrying amount of the asset or cash generating unit is increased to the revised estimate of its recoverable amount, not to exceed the carrying amount that would have been determined, net of depreciation, had no impairment losses been recognised for the asset or cash generating unit in prior years. A reversal of impairment is recognised immediately in the profit or loss account, unless the asset is carried at a revalued amount when it is treated as a revaluation increase.

Investments

Investments in subsidiaries undertakings are held at cost less accumulated impairment losses. Dividend income is recognised when the Company's right to receive payment is established.

Borrowings

All borrowings are initially recorded at the amount of proceeds received, net of transaction costs. Borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the profit and loss account over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in finance costs.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date, in which case they are classified as non-current liabilities.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

Distributions

Distributions to the Company's shareholders are recognised as a liability in the Company's financial statements in the period in which the distributions are approved by the Company's shareholders.

3 Critical accounting judgements and key sources of estimation uncertainty

The preparation of the financial statements requires judgements, estimations and assumptions to be made that affect the reported values of assets, liabilities, revenues and expenses. The nature of estimation means that the actual outcomes could differ from those estimates.

Key Sources of Estimation Uncertainties

The estimates and assumptions that are significant to the carrying amounts of assets and liabilities are addressed below:

Impairment of investments

The Company is required to assess whether there are indicators of impairment in respect of investments and where impairments have previously been recognised, indicators of a reversal of those impairments. Where an indication of impairment or indicator of a required reversal is identified the estimation of recoverable value requires an assessment of the investment's value in use, which in turn requires assumptions to be made about the future cash flows and the appropriate discount rates in order to calculate the net present value of those cash flows. Please refer to note 8 for further information.

Critical Accounting Judgements

The following are the critical judgements that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements:

Deferred tax assets

Management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits, together with an assessment of the effect of future tax planning strategies.

4 Auditor's remuneration

In the Spring Budget 2021, the UK Government announced that from 1 April 2023 the corporation tax rate would increase to 25% (rather than remaining at 19%, as previously enacted). There has been no change to corporation tax rates for the financial year ended 31 December 2024. For the financial year ended 31 December 2024 the weighted average tax rate is 25% (31 December 2023 weighted average tax rate was 23.5%). Deferred taxes at the balance sheet data are measured at 25%

Deferred tax recognised

In the current year the Company has chosen to recognise the tax losses of £444,000 (2023 - £2,388,000), arising from 1 April 2017 to 31 December 2024, as a deferred tax asset of £111,000 (2022 - £597,000). There is an expectation that these losses will be used to relieve future trading profits from elsewhere in the Group.

Pillar Two legislation

New global tax rules under the OECD's Pillar Two framework introduce a 15% minimum tax for large multinational groups. The UK government has implemented these rules for accounting periods beginning on or after 31 December 2023. In line with the amendment to FRS 101, Section 29, the company has applied the temporary exception from recognising deferred tax assets or liabilities related to Pillar Two top-up taxes. The company is monitoring the potential impact of these rules. As of 31 December 2024, no material impact on the financial statements is expected, but any current tax liabilities arising under Pillar Two will be recognised in the period in which they become payable.

The Company undertakes an annual impairment review of its investments, where it considers the relationship between the carrying value of each subsidiary and their future cash flows discounted to their present value (their value in use). The key assumptions within the value in use calculations for the Company's investments are growth rates and discount rates. Growth and associated cash flow projections are based on each subsidiary's forecasts (where available) of up to 3 years ahead. Where financial forecasts beyond 2024 are not available, an annual long-term growth rate of 2% is used. The discount rate applied is the IDEMIA Group's pre-tax weighted average cost of capital of 10.2%, adjusted for the size and risk associated with each subsidiary. No adjustment to the impairment provision was recognised in the current year (2023 - £nil).
