Not 2 Redovisningsprinciper och värderingsprinciper

Företaget tillämpar Årsredovisningslagen (1995:1554) och Bokföringsnämndens allmänna råd BFNAR 2012:1 *Årsredovisning och koncernredovisning* ("K3"). Redovisningsprinciperna är oförändrade i jämförelse med föregående år.

Intäkter

Företagets intäkter består i huvudsak av utdelning från dotterföretag.

Utdelning och ränteintäkter

Utdelningsintäkter redovisas när ägarens rätt att erhålla betalning har fastställts.

Utländsk valuta

Företagets redovisningsvaluta är svenska kronor (SEK).

Omräkning av poster i utländsk valuta

Vid varje balansdag räknas monetära poster i utländsk valuta om till balansdagens kurs. Icke-monetära poster, som värderas till historiskt anskaffningsvärde i en utländsk valuta, räknas inte om. Valutakursdifferenser redovisas i rörelseresultatet eller som finansiell post utifrån den underliggande affärshändelsen, i den period de uppstår.

Inkomstskatter

Skattekostnaden utgörs av summan av aktuell skatt och uppskjuten skatt.

Aktuell skatt

Aktuell skatt beräknas på det skattepliktiga resultatet för perioden. Skattepliktigt resultat skiljer sig från det redovisade resultatet i resultaträkningen då det har justerats för ej skattepliktiga intäkter och ej avdragsgilla kostnader samt för intäkter och kostnader som är skattepliktiga eller avdragsgilla i andra perioder. Aktuell skatteskuld beräknas enligt de skattesatser som gäller per balansdagen.

Aktuell skatt för perioden

Aktuell skatt redovisas som en kostnad eller intäkt i resultaträkningen.

Andelar i koncernföretag

Andelar i dotterföretag redovisas till anskaffningsvärde. Utdelning från dotterföretag redovisas som intäkt när rätten att få utdelning bedöms som säker och kan beräknas på ett tillförlitligt sätt.

Linklaters Advokatbyrå Holding Aktiefbolag
556615-4182

Finansiella instrument

Finansiella instrument redovisas i enlighet med reglerna i K3 kapitel 11, vilket innebär att värdering sker utifrån anskaffningsvärde.

En finansiell tillgång eller finansiell skuld redovisas i balansräkningen när företaget blir part till instrumentets avtalsenliga villkor. En finansiell tillgång bokas bort från balansräkningen när den avtalsenliga rätten till kassaflödet från tillgången upphör, regleras eller när företaget förlorar kontrollen över den. En finansiell skuld, eller del av finansiell skuld, bokas bort från balansräkningen när den avtalade förpliktelsen fullgörs eller på annat sätt upphör.

Vid det första redovisningstillfället värderas finansiella anläggningstillgångar och omsättningstillgångar samt kortfristiga skulder till anskaffningsvärde. Vid värdering efter det första redovisningstillfället värderas finansiella omsättningstillgångar enligt lägsta värdets princip, dvs. det lägsta av anskaffningsvärdet och nettoförsäljningsvärdet på balansdagen. Kortfristiga skulder värderas till nominellt belopp.

Nedskrivningar av finansiella anläggningstillgångar

Vid varje balansdag utvärderar företaget om det finns indikationer på att en eller flera finansiella anläggningstillgångar minskat i värde. Exempel på sådana indikationer är betydande finansiella svårigheter hos låntagaren, avtalsbrott eller att det är sannolikt att låntagaren kommer att gå i konkurs.

För finansiella anläggningstillgångar beräknas nedskrivningen som skillnaden mellan tillgångens redovisade värde och det högsta av verkligt värde med avdrag för försäljningskostnader och nuvärdet av företagsledningens bästa uppskattning av de framtida kassaflödena tillgången förväntas ge.

Likvida medel

Likvida medel inkluderar kassamedel och disponibla tillgodohavanden hos banker och andra kreditinstitut samt andra kortfristiga likvida placeringar som lätt kan omvandlas till kontanter och är föremål för en obetydlig risk för värdefluktuationer. För att klassificeras som likvida medel får löptiden inte överskrida tre månader från tidpunkten för förvärvet.

Kassaflödesanalys

Kassaflödesanalysen visar företagets förändringar av företagets likvida medel under räkenskapsåret. Kassaflödesanalysen har upprättats enligt den indirekta metoden. Det redovisade kassaflödet omfattar endast transaktioner som medfört in- och utbetalningar.

Not 3 Viktiga uppskattningar och bedömningar

Viktiga källor till osäkerhet i uppskattningar samt viktiga bedömningar vid tillämpning av redovisningsprinciper

Företaget bedömer att det ej föreligger några viktiga källor till osäkerhet i tillämpade uppskattningar. Vidare har företaget inte gjort några väsentliga bedömningar vid tillämpning av redovisningsprinciper.

Revisionsberättelse

Till bolagsstämman i Linklaters Advokatbyrå Holding AB, org.nr 556615-4182

Rapport om årsredovisningen

Uttalanden

Vi har utfört en revision av årsredovisningen för Linklaters Advokatbyrå Holding AB för räkenskapsåret 1 maj 2022 till 30 april 2023.

Enligt vår uppfattning har årsredovisningen upprättats i enlighet med årsredovisningslagen och ger en i alla väsentliga avseenden rättvisande bild av Linklaters Advokatbyrå Holding ABs finansiella ställning per den 30 april 2023 och av dess finansiella resultat och kassaflöde för året enligt årsredovisningslagen. Förvaltningsberättelsen är förenlig med årsredovisningens övriga delar.

Vi tillstyrker därför att bolagsstämman fastställer resultaträkningen och balansräkningen för Linklaters Advokatbyrå Holding AB.

Grund för uttalanden

Vi har utfört revisionen enligt International Standards on Auditing (ISA) och god revisionssed i Sverige. Vårt ansvar enligt dessa standarder beskrivs närmare i avsnittet Revisorns ansvar. Vi är oberoende i förhållande till Linklaters Advokatbyrå Holding AB enligt god revisorssed i Sverige och har i övrigt fullgjort vårt yrkesetiska ansvar enligt dessa krav.

Vi anser att de revisionsbevis vi har inhämtat är tillräckliga och ändamålsenliga som grund för våra uttalanden.

Styrelsens och verkställande direktörens ansvar

Det är styrelsen och verkställande direktören som har ansvaret för att årsredovisningen upprättas och att den ger en rättvisande bild enligt årsredovisningslagen. Styrelsen och verkställande direktören ansvarar även för den interna kontroll som de bedömer är nödvändig för att upprätta en årsredovisning som inte innehåller några väsentliga felaktigheter, vare sig dessa beror på oegentligheter eller misstag.

Vid upprättandet av årsredovisningen ansvarar styrelsen och verkställande direktören för bedömningen av bolagets förmåga att fortsätta verksamheten. De upplyser, när så är tillämpligt, om förhållanden som kan påverka förmågan att fortsätta verksamheten och att använda antagandet om fortsatt drift. Antagandet om fortsatt drift tillämpas dock inte om styrelsen och verkställande direktören avser att likvidera bolaget, upphöra med verksamheten eller inte har något realistiskt alternativ till att göra något av detta.

Revisorns ansvar

Våra mål är att uppnå en rimlig grad av säkerhet om huruvida årsredovisningen som helhet inte innehåller några väsentliga felaktigheter, vare sig dessa beror på oegentligheter eller misstag, och att lämna en revisionsberättelse som innehåller våra uttalanden. Rimlig säkerhet är en hög grad av säkerhet, men är ingen garanti för att en revision som utförs enligt ISA och god revisionssed i Sverige alltid kommer att upptäcka en väsentlig felaktighet om en sådan finns. Felaktigheter kan uppstå på grund av oegentligheter eller misstag och anses vara väsentliga om de enskilt eller tillsammans rimligen kan förväntas påverka de ekonomiska beslut som användare fattar med grund i årsredovisningen.

En ytterligare beskrivning av vårt ansvar för revisionen av årsredovisningen finns på Revisorsinspektionens webbplats: www.revisorsinspektionen.se/revisornsansvar. Denna beskrivning är en del av revisionsberättelsen.

Rapport om andra krav enligt lagar och andra författningar

Uttalanden

Utöver vår revision av årsredovisningen har vi även utfört en revision av styrelsens och verkställande direktörens förvaltning för Linklaters Advokatbyrå Holding AB för räkenskapsåret 1 maj 2022 till 30 april 2023 samt av förslaget till dispositioner beträffande bolagets vinst eller förlust.

Vi tillstyrker att bolagsstämman disponerar vinsten enligt förslaget i förvaltningsberättelsen och beviljar styrelsens ledamöter och verkställande direktören ansvarsfrihet för räkenskapsåret.

2023110206516

Grund för uttalanden

Vi har utfört revisionen enligt god revisionssed i Sverige. Vårt ansvar enligt denna beskrivs närmare i avsnittet Revisorns ansvar. Vi är oberoende i förhållande till Linklaters Advokatbyrå Holding AB enligt god revisorssed i Sverige och har i övrigt fullgjort vårt yrkesetiska ansvar enligt dessa krav.

Vi anser att de revisionsbevis vi har inhämtat är tillräckliga och ändamålsenliga som grund för våra uttalanden.

Styrelsens och verkställande direktörens ansvar

Det är styrelsen som har ansvaret för förslaget till dispositioner beträffande bolagets vinst eller förlust. Vid förslag till utdelning innefattar detta bland annat en bedömning av om utdelningen är försvarlig med hänsyn till de krav som bolagets verksamhetsart, omfattning och risker ställer på storleken av bolagets egna kapital, konsolideringsbehov, likviditet och ställning i övrigt.

Styrelsen ansvarar för bolagets organisation och förvaltningen av bolagets angelägenheter. Detta innefattar bland annat att fortlöpande bedöma bolagets ekonomiska situation, och att tillse att bolagets organisation är utformad så att bokföringen, medelsförvaltningen och bolagets ekonomiska angelägenheter i övrigt kontrolleras på ett betryggande sätt. Den verkställande direktören ska sköta den löpande förvaltningen enligt styrelsens riktlinjer och anvisningar och bland annat vidta de åtgärder som är nödvändiga för att bolagets bokföring ska fullgöras i överensstämmelse med lag och för att medelsförvaltningen ska skötas på ett betryggande sätt.

Revisorns ansvar

Vårt mål beträffande revisionen av förvaltningen, och därmed vårt uttalande om ansvarsfrihet, är att inhämta revisionsbevis för att med en rimlig grad av säkerhet kunna bedöma om någon styrelseledamot eller verkställande direktören i något väsentligt avseende:

- företagit någon åtgärd eller gjort sig skyldig till någon försummelse som kan föranleda ersättningsskyldighet mot bolaget, eller
- på något annat sätt handlat i strid med aktiebolagslagen, årsredovisningslagen eller bolagsordningen.

Vårt mål beträffande revisionen av förslaget till dispositioner av bolagets vinst eller förlust, och därmed vårt uttalande om detta, är att med rimlig grad av säkerhet bedöma om förslaget är förenligt med aktiebolagslagen.

Rimlig säkerhet är en hög grad av säkerhet, men ingen garanti för att en revision som utförs enligt god revisionssed i Sverige alltid kommer att upptäcka åtgärder eller försummelser som kan föranleda ersättningsskyldighet mot bolaget, eller att ett förslag till dispositioner av bolagets vinst eller förlust inte är förenligt med aktiebolagslagen.

En ytterligare beskrivning av vårt ansvar för revisionen av förvaltningen finns på Revisorsinspektionens webbplats: www.revisorsinspektionen.se/revisornsansvar. Denna beskrivning är en del av revisionsberättelsen.

Strategic Report for the year ended 30 April 2023

The directors, in preparing this strategic report, have complied with s414c of the Companies Act 2006.

Principal activities

The principal activity of Linklaters (Europe) Holdings Group ("the Group") is the supply of legal services to clients in Sweden and Portugal.

Business review

The directors consider the key indicator of the Group's performance to be revenue and profit before tax. As shown in the Group's income statement on page 10, the Group's revenue has increased from £30,772k in 2022 to £31,408k in 2023. The Group's profit before tax in 2023 was 11% lower than that in 2022 due to an increase in operating costs.

Details around Directors' remuneration are outlined in note 4.

The balance sheet on page 11 shows that the net assets of the Group have decreased between 2022 when they were £8,525k and 2023 at £8,275k.

The Group's directors believe that further key performance indicators for the Group are not necessary or appropriate for an understanding of the development, performance or position of the business.

The directors consider the results for the year to be satisfactory given the prevailing political and economic environment.

Principal risk and financial risk management

Due to the nature of the Group's business and the assets and liabilities contained within the Group's balance sheet, the only financial risks the directors consider relevant to this Group are credit risk and foreign exchange risk. The directors believe the principal risk to the Group surrounds creditworthiness of customers. However, they note the Group has no significant concerns on the recoverability of year end trade debtors that remain unpaid as at the date of this report. The unpaid balance primarily relates to a single client, with an excellent record of payment over many years, and there are no concerns as to the creditworthiness of this client. As such, the directors do not consider that the Group is exposed to any significant credit risk in relation to the 30 April 2023 balance sheet. On an ongoing basis, trade debtors are monitored and a provision is made in circumstances where there are uncertainties over the recovery of the debt. Foreign exchange risk is monitored throughout the year and actions will be considered to mitigate the risk through hedging activities, for example, if required.

The Group is predominately financed by undistributed earnings and has no external borrowings and so the directors do not consider that the Group is exposed to any significant interest risk or liquidity risk.

Future Prospects

The Directors intend to maintain the Group's presence for a period of at least 12 months from the date of approval of the financial statements, targeting growth in the regions where its principal activities are based.

Statement on section 172 of the Companies Act 2006

The Directors of the Group (all of which are members of Linklaters LLP, the parent entity of the Group) are responsible for the day to day oversight of the Group and for any material decisions made. The Directors continue to drive the Group's future prospects as outlined in this Strategic Report, as well as the Group's relationships with all external stakeholders. Accordingly, the Directors have the ability to manage Linklaters (Europe) Holdings group for its long term success. Other aspects of s172 which the Directors have regard to when performing their duties are covered within this Strategic Report and the Directors' Report.

Employee involvement

Throughout the year, the Group has provided employees on a regular basis with information on matters of concern to them as employees. The Group operates an employee appraisal system, which provides employees with the opportunity to be consulted on a continual basis in order that their views can be taken into account in making decisions which would affect their interests.

The policy of the Group has been to give full and fair consideration to the employment of applicants who are disabled persons with suitable aptitudes and abilities, to retain in employment (where reasonable) employees becoming disabled persons and to have fair regard to the training needs and career development and promotion potential of disabled persons in its employment.

Matters covered in the Strategic Report

Going concern

After making adequate enquiries the directors have reasonable expectation that the Group has adequate resources to continue in operational existence for the foreseeable future. Further, the Group is able to seek support from its parent, Linklaters LLP, such that it will be able to operate as a going concern and settle its liabilities as they fall due. Accordingly, they continue to adopt the going concern basis in

Report of the Directors for the year ended 30 April 2023

preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies in note 2.3 to the financial statements.

Independent auditors

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the director is aware, there is no relevant audit information of which the Group's auditors are unaware; and
- the director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the Group's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

PricewaterhouseCoopers LLP have indicated their willingness to be reappointed for another term and appropriate arrangements have been put in place for them to be deemed reappointed as independent auditors in the absence of an Annual General Meeting.

Statement of directors' responsibilities in respect of the financial statements

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the group and the company financial statements in accordance with UK-adopted international accounting standards.

Under company law, directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and company and of the profit or loss of the group for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable UK-adopted international accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group and company will continue in business.

The directors are responsible for safeguarding the assets of the group and company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are also responsible for keeping adequate accounting records that are sufficient to show and explain the group's and company's transactions and disclose with reasonable accuracy at any time the financial position of the group and company and enable them to ensure that the financial statements comply with the Companies Act 2006.

Independent Auditors' Report to the members of Linklaters (Europe) Holdings

2023120405530

Independent auditors' report to the members of Linklaters (Europe) Holdings

Report on the audit of the financial statements

Opinion

In our opinion, Linklaters (Europe) Holdings's group financial statements and company financial statements (the "financial statements"):

- give a true and fair view of the state of the group's and of the company's affairs as at 30 April 2023 and of the group's profit and the group's and company's cash flows for the year then ended;
- have been properly prepared in accordance with UK-adopted international accounting standards as applied in accordance with the provisions of the Companies Act 2006; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the Consolidated and Parent Company Balance Sheet as at 30 April 2023; the Consolidated Income Statement, the Consolidated Statement of Comprehensive Income, the Group Cash Flow Statement, the Company Cash Flow Statement, the Group Statement of Changes in Equity and the Company Statement of Changes in Equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's and the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the group's and the company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Independent Auditors' Report to the members of Linklaters (Europe) Holdings

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic report and Report of the Directors, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on our work undertaken in the course of the audit, the Companies Act 2006 requires us also to report certain opinions and matters as described below.

Strategic report and Report of the Directors

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic report and Report of the Directors for the year ended 30 April 2023 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the group and company and their environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic report and Report of the Directors.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the Statement of Directors' responsibilities in respect of the financial statements, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the group and industry, we identified that the principal risks of non-compliance with laws and regulations related to the Companies Act 2006, and we considered the extent to which non-compliance might have a material effect on the financial statements. We evaluated management's incentives and opportunities for fraudulent

Independent Auditors' Report to the members of Linklaters (Europe) Holdings

manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to posting inappropriate journal entries to manipulate reported results and management bias in accounting estimates. Audit procedures performed by the engagement team included:

- Evaluation of the design of management's controls designed to prevent and detect irregularities;
- Enquiry of management of known or suspected instances of non-compliance with law and regulations and fraud;
- Reviewing minutes of meetings of those charged with governance;
- Testing unusual or unexpected journal entries, particularly those impacting revenue;
- Challenging assumptions and judgements made by management in respect of significant accounting estimates.
- Reviewing financial statement disclosures to assess compliance with applicable laws and regulations.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

1 General Information

The Company is incorporated and domiciled in England and Wales under the Companies Act 2006.

The Company is a private unlimited company with shares and is registered in England and Wales. The address of the Company's registered office is shown on page 1.

The nature of the Group's and Company's operations and its principal activities are set out in the Strategic Report on page 2.

These financial statements are presented in pounds sterling although the functional currency of the Group are both Swedish Krona and Euros which are the currencies of the primary economic environment in which the Group operates. All values are rounded to the nearest thousand pounds (£'000) except when otherwise indicated.

2 Statement of Accounting Policies

2.1 Basis of preparation

The consolidated financial statements incorporate the financial statements of Linklaters (Europe) Holdings ("the Company"), a private unlimited company which holds shares in Linklaters Advokatbyra Holding Aktiebolag, a Swedish company which holds the shares of Linklaters Advokatbyra Aktiebolag, the Swedish operating company. Linklaters Advokatbyra Aktiebolag has a branch in Portugal. The consolidated results represent the consolidation of all entities controlled by Linklaters (Europe) Holdings, together comprising "the Group" and include those profits accruing to the equity minority interest.

2.2 Basis of accounting

The consolidated financial statements are prepared under the historical cost convention, except as otherwise described in the accounting policies, and in accordance with International Accounting Standards ('IAS') as adopted by the United Kingdom ('UK'). None of the new standards and amendments that are not yet effective are expected to have a material effect on the group.

2.3 Going concern

The Group's business activity, together with the factors likely to affect its future development, performance and position are set out in the Strategic Report. The Group has considerable financial resources with which to support itself, including the ability to seek support from its' parent, Linklaters LLP, such that it will be able to operate as a going concern and settle its liabilities as they fall due. Consequently, the directors believe that the Group is well placed to manage its business risks successfully. The directors have a reasonable expectation that the Group has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

2.4 Revenue from contracts with clients

Revenue from contracts with clients comprises professional charges and additional services, which the group may charge when invoicing clients, e.g. photocopying, excluding external disbursements charged to clients and value added tax, with adjustments made for any deferred or accrued income. Revenue includes internal costs incurred where the group is principal but excludes disbursements where the group are the agent.

2 Statement of Accounting Policies (continued)

2.4 Revenue from contracts with clients (continued)

Revenue for services provided to clients which has not been billed at the balance sheet date has been recognised based on an estimate of the amounts which are billable for services provided up to the balance sheet date. Revenue is recognised only to the extent that there is an enforceable right to receive consideration for the work performed in relation to performance obligations as set out in the agreement with the client.

Where the right to receive payment is contingent on factors outside the control of the group, revenue is only recognised (over and above any agreed minimum fee) when the contingent event occurs. Unbilled revenue is included in trade and other receivables.

2.5 Property, plant and equipment

Property, plant and equipment is stated at cost less accumulated depreciation and any provision for impairment. Assets are depreciated at rates calculated to write off its cost in equal annual instalments over their estimated useful economic lives, as follows:

Leasehold improvements	Over the term of the lease
Plant and machinery	20% pa
Fixtures, fittings, tools and equipment	20 - 30% pa

2.6 Impairment of property, plant and equipment

At each balance sheet date, the carrying amount of property, plant and equipment is reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If such an indication exists, the recoverable amount of the asset is estimated in order to determine the extent of any impairment loss. If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount and the impairment loss recognised as an expense immediately.

2.7 Investments

Investments held as fixed assets are stated at cost less provision for impairment in value. Investments are considered to be impaired when their carrying value is greater than their estimated recoverable amount.

2.8 Leases

The group leases office space, cars and other small items (including printers and photo copiers). Leases are negotiated on an individual basis and contain different terms and conditions (including termination and renewal rights). Rental contracts are typically made for fixed periods of between 3 and 5 years but may have extension or break options. Leases are recognised, measured and presented in line with IFRS 16 'Leases'.

Contracts may contain both lease and non-lease components. The group allocates the consideration in the contracts to the lease and non-lease components based on their relative stand-alone prices. The lease agreements do not impose any covenants, other than the security interests in the leased asset that are held by the lessor. Leased assets may not be used as security for borrowing purposes. The group does not provide any residual value guarantees in relation to any leases.

2 Statement of Accounting Policies (continued)

2.8 Leases (continued)

Leases are classified as a right-of-use asset and a corresponding liability is recognised at the date of which the leased asset is available for use by the group.

At the commencement date, assets and liabilities are measured on a present value basis. Lease liabilities are measured at an amount equal to the present value of the following lease payments for the underlying right-of-use assets during the lease term:

- Fixed payments (including in-substance fixed payments), less any lease incentives receivable;
- Variable lease payments that are based on an index or a rate, initially measured using the index or rate as at the commencement date; and
- Payments of penalties for terminating the lease, if the lease term reflects the group exercising that option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability.

The lease payments are discounted using the lessee's incremental borrowing rate, being the rate that the lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions. To determine the incremental borrowing rate, the group starts with the base rate of the currency in which the lease is contracted, adjusted for a lending margin and specific adjustments in relation to the individual lease, for example term, country and security.

The group is exposed to potential future increases in variable lease payments based on an index or rate, which are not included in the lease liability until they take effect. When adjustments to lease payments based on an index or rate take effect, the lease liability is reassessed using the incremental borrowing rate at the commencement of the lease and adjusted against the right-of-use asset. The carrying amount of a liability is also remeasured to reflect any reassessment, lease modification or revised in-substance fixed payments using the incremental borrowing rate at the time of the modification.

The future cash outflows to which the group as a lessee is potentially exposed that are not reflected in the measurement of the lease liability arise from extension and termination options (unless these are reasonably certain at the year end date).

Each lease payment is allocated between the principal and finance cost. The finance cost is charged to the income statement over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- The amount of the initial measurement of the lease liability;
- Any lease payments made at or before the commencement date less any lease incentives received;
- An estimate of dilapidation costs to be incurred at the end of the lease contract; and
- Any initial direct costs.

2 Statement of Accounting Policies (continued)

2.8 Leases (continued)

Subsequently, the right-of-use assets, are measured at cost less accumulated depreciation and any accumulated impairment losses. Further, adjustment will be made for the remeasurement of the lease liability due to reassessment or lease modifications.

The right-of-use assets are depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis.

Payments associated with all short-term leases and leases of all low-value assets are recognised on a straight-line basis as an expense in the income statement, as permitted by the exemptions for these leases under IFRS 16. Short-term are leases with a lease term of 12 months or less. Short-term leases comprise the lease of a corporate apartment. Low-value assets comprise printers and drinks machines.

2.9 Financial instruments

Financial assets and liabilities are recognised in the Group and Company balance sheets when they become a party to the contractual provision of the instrument.

- Trade and other receivables – initially recognised at fair value, and are subsequently reduced for any irrecoverable amounts or for expected credit loss.
- Cash and cash equivalents – comprise cash in hand or demand deposits and other short-term highly liquid investments.
- Trade and other payables – initially measured at fair value, and are subsequently reduced for any discounts given by suppliers.

Financial assets comprise cash and trade and other receivables (excluding prepayments and accrued income) and are held at amortised cost. Financial liabilities comprise trade and other payables (excluding accruals and deferred income) and are held at amortised cost.

Risks arising from financial assets and liabilities are managed at a group level. Details of which are set out in the consolidated financial statements of Linklaters LLP.

2.10 Taxation

Current tax

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in tax computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

2 Statement of Accounting Policies (continued)

2.11 Foreign currencies

For consolidation purposes, the income statement and cash flows for entities within the group for any year are translated into sterling at the average rates of exchange ruling over the year. Balance sheet items are translated at closing rates of exchange. Any exchange gains and losses resulting from the translation of foreign operations are recorded in reserves.

The financial statements are presented in pounds sterling (presentational currency). The currencies of the primary economic environment in which the Group operates are Swedish Krona and Euros (its functional currencies).

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction or, if applicable, at the related forward contract rate. All monetary assets and liabilities expressed in foreign currencies are retranslated into local currency at rates of exchange ruling at the end of the year.

Differences between the translated trading transactions and subsequent cash settlements, or retranslated monetary assets and liabilities, are recorded in the income statement.

2.12 Pension costs and other post-retirement benefits

Defined contribution

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due. Payments made to state-managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

2.13 Critical accounting estimates and key sources of estimation

The preparation of financial statements, in accordance with international accounting standards in conformity with the requirements of the Companies Act 2006, requires the use of certain critical accounting estimates and judgements, including judgements regarding the application of the accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable and constitute management's best estimates and judgements at the date of the financial statements.

The key estimates and assumptions relate to the fair value of unbilled client revenue and IFRS 16 Leases. Further details are set out in each of the relevant accounting policies and the notes to the financial statements. Management will continue to review the assumptions used against actual experience and adjustments will be made in future periods if appropriate.

The key estimates and assumptions are as follows:

Fair value of unbilled client revenue

Unbilled client revenue is recognised at the fair value of the consideration expected to be receivable in respect of the whether there is an enforceable right to consideration. The key estimates relate to whether there is an enforceable right to consideration on the unbilled revenue on each transaction as well as the value at which economic benefit will be ultimately realised at. A 10% variance in unbilled amounts would result in a change in revenue of £532k.

2 Statement of Accounting Policies (continued)

2.13 Critical accounting estimates and key sources of estimation

IFRS 16 (note 9)

IFRS 16 requires a judgement of the likelihood that lease contract extensions and termination options will be exercised is made. Full detail of the estimates and judgements influencing the accounting for leases is detailed in note 9.
