## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, Idemia France SAS (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact Idemia France SAS:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

#### Grund för uttalanden

Vi har utfört revisionen enligt International Standards on Auditing (ISA) och god revisionssed i Sverige. Vårt ansvar enligt dessa standarder beskrivs närmare i avsnittet *Revisorns ansvar*. Vi är oberoende i förhållande till Idemia Sweden Company AB enligt god revisorssed i Sverige och har i övrigt fullgjort vårt yrkesetiska ansvar enligt dessa krav.

Vi anser att de revisionsbevis vi har inhämtat är tillräckliga och ändamålsenliga som grund för våra uttalanden.

#### Styrelsens ansvar

Det är styrelsen som har ansvaret för att årsredovisningen upprättas och att den ger en rättvisande bild enligt årsredovisningslagen. Styrelsen ansvarar även för den interna kontroll som de bedömer är nödvändig för att upprätta en årsredovisning som inte innehåller några väsentliga felaktigheter, vare sig dessa beror på oegentligheter eller på misstag.

Vid upprättandet av årsredovisningen ansvarar styrelsen för bedömningen av bolagets förmåga att fortsätta verksamheten. De upplyser, när så är tillämpligt, om förhållanden som kan påverka förmågan att fortsätta verksamheten och att använda antagandet om fortsatt drift. Antagandet om fortsatt drift tillämpas dock inte om styrelsen avser att likvidera bolaget, upphöra med verksamheten eller inte har något realistiskt alternativ till att göra något av detta.

#### Revisorns ansvar

Våra mål är att uppnå en rimlig grad av säkerhet om huruvida årsredovisningen som helhet inte innehåller några väsentliga felaktigheter, vare sig dessa beror på oegentligheter eller på misstag, och att lämna en revisionsberättelse som innehåller våra uttalanden. Rimlig säkerhet är en hög grad av säkerhet, men är ingen garanti för att en revision som utförs enligt ISA och god revisionssed i Sverige alltid kommer att upptäcka en väsentlig felaktighet om en sådan finns. Felaktigheter kan uppstå på grund av oegentligheter eller misstag och anses vara väsentliga om de enskilt eller tillsammans rimligen kan förväntas påverka de

ekonomiska beslut som användare fattar med grund i årsredovisningen.

Som del av en revision enligt ISA använder vi professionellt omdöme och har en professionellt skeptisk inställning under hela revisionen. Dessutom:

- identifierar och bedömer vi riskerna för väsentliga felaktigheter i årsredovisningen, vare sig dessa beror på oegentligheter eller på misstag, utformar och utför granskningsåtgärder bland annat utifrån dessa risker och inhämtar revisionsbevis som är tillräckliga och ändamålsenliga för att utgöra en grund för våra uttalanden. Risken för att inte upptäcka en väsentlig felaktighet till följd av oegentligheter är högre än för en väsentlig felaktighet som beror på misstag, eftersom oegentligheter kan innefatta agerande i maskopi, förfalskning, avsiktliga utelämnanden, felaktig information eller åsidosättande av intern kontroll.
- skaffar vi oss en förståelse av den del av bolagets interna kontroll som har betydelse för vår revision för att utforma granskningsåtgärder som är lämpliga med hänsyn till omständigheterna, men inte för att uttala oss om effektiviteten i den interna kontrollen.
- utvärderar vi lämpligheten i de redovisningsprinciper som används och rimligheten i styrelsens uppskattningar i redovisningen och tillhörande upplysningar.
- drar vi en slutsats om lämpligheten i att styrelsen använder antagandet om fortsatt drift vid upprättandet av årsredovisningen. Vi drar också en slutsats, med grund i de inhämtade revisionsbevisen, om huruvida det finns någon väsentlig osäkerhetsfaktor som avser sådana händelser eller förhållanden som kan leda till betydande tvivel om bolagets förmåga att fortsätta verksamheten. Om vi drar slutsatsen att det finns en väsentlig osäkerhetsfaktor, måste vi i revisionsberättelsen fästa uppmärksamheten på upplysningarna i årsredovisningen om den väsentliga osäkerhetsfaktorn eller, om sådana upplysningar är otillräckliga, modifiera uttalandet om årsredovisningen. Våra slutsatser baseras på de revisionsbevis som inhämtas fram till datumet för revisionsberättelsen. Dock kan framtida händelser eller förhållanden göra att ett bolag inte längre kan fortsätta verksamheten.
- utvärderar vi den övergripande presentationen, strukturen och innehållet i årsredovisningen, däribland upplysningarna, och om årsredovisningen återger de underliggande transaktionerna och händelserna på ett sätt som ger en rättvisande bild.

Vi måste informera styrelsen om bland annat revisionens planerade omfattning och inriktning samt tidpunkten för den. Vi måste också informera om betydelsefulla iakttagelser under revisionen, däribland de eventuella betydande brister i den interna kontrollen som vi identifierat.

## Rapport om andra krav enligt lagar och andra författningar

### Uttalanden

Utöver vår revision av årsredovisningen har vi även utfört en revision av styrelsens förvaltning för Idemia Sweden Company AB för år 2022 samt av förslaget till dispositioner beträffande bolagets vinst eller förlust.

Vi tillstyrker att bolagsstämman disponerar vinsten enligt förslaget i förvaltningsberättelsen och beviljar styrelsens ledamot ansvarsfrihet för räkenskapsåret.

### Grund för uttalanden

Vi har utfört revisionen enligt god revisions sed i Sverige. Vårt ansvar enligt denna beskrivs närmare i avsnittet *Revisorns ansvar*. Vi är oberoende i förhållande till Idemia Sweden Company AB enligt god revisors sed i Sverige och har i övrigt fullgjort vårt yrkesetiska ansvar enligt dessa krav.

Vi anser att de revisionsbevis vi har inhämtat är tillräckliga och ändamålsenliga som grund för våra uttalanden.

### Styrelsens ansvar

Det är styrelsen som har ansvaret för förslaget till dispositioner beträffande bolagets vinst eller förlust. Vid förslag till utdelning innefattar detta bland annat en bedömning av om utdelningen är försvarlig med hänsyn till de krav som bolagets verksamhetsart, omfattning och risker ställer på storleken av bolagets egna kapital, konsolideringsbehov, likviditet och ställning i övrigt.

Styrelsen ansvarar för bolagets organisation och förvaltningen av bolagets angelägenheter. Detta innefattar bland annat att fortlöpande bedöma bolagets ekonomiska situation och att tillse att bolagets organisation är utformad så att bokföringen, medelsförvaltningen och bolagets ekonomiska angelägenheter i övrigt kontrolleras på ett betryggande sätt.

### Revisorns ansvar

Vårt mål beträffande revisionen av förvaltningen, och därmed vårt uttalande om ansvarsfrihet, är att inhämta revisionsbevis för att med en rimlig grad av säkerhet kunna bedöma om någon styrelseledamot i något väsentligt avseende:

- företagit någon åtgärd eller gjort sig skyldig till någon försummelse som kan föranleda ersättningsskyldighet mot bolaget, eller
- på något annat sätt handlat i strid med aktiebolagslagen, årsredovisningslagen eller bolagsordningen.

Vårt mål beträffande revisionen av förslaget till dispositioner av bolagets vinst eller förlust, och därmed vårt uttalande om detta, är att med rimlig grad av säkerhet bedöma om förslaget är förenligt med aktiebolagslagen.

Rimlig säkerhet är en hög grad av säkerhet, men ingen garanti för att en revision som utförs enligt god revisions sed i Sverige alltid kommer att upptäcka åtgärder eller försummelser som kan föranleda ersättningsskyldighet mot bolaget, eller att ett förslag till dispositioner av bolagets vinst eller förlust inte är förenligt med aktiebolagslagen.

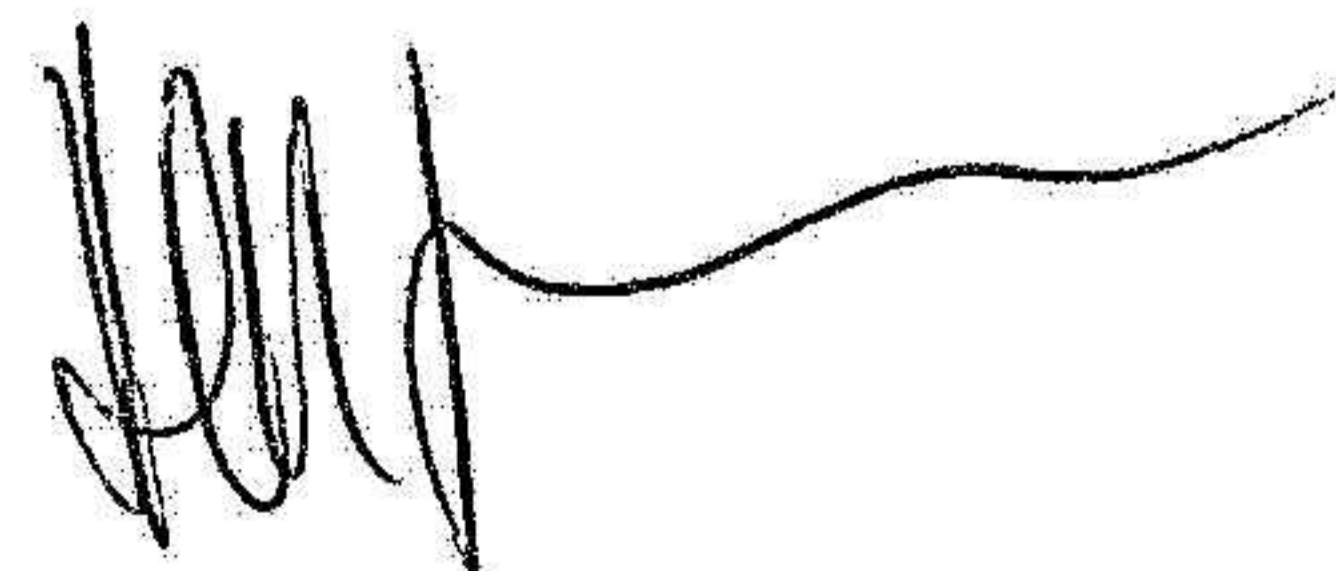

Som en del av en revision enligt god revisions sed i Sverige använder vi professionellt omdöme och har en professionellt skeptisk inställning under hela revisionen. Granskningen av förvaltningen och förslaget till dispositioner av bolagets vinst eller förlust grundar sig främst på revisionen av räkenskaperna. Vilka tillkommande granskningsåtgärder som utförs baseras på vår professionella bedömning med utgångspunkt i risk och väsentlighet. Det innebär att vi fokuserar granskningen på sådana åtgärder, områden och förhållanden som är väsentliga för verksamheten och där avsteg och överträdelser skulle ha särskild betydelse för bolagets situation. Vi går igenom och prövar fattade beslut, beslutsunderlag, vidtagna åtgärder och andra förhållanden som är relevanta för vårt uttalande om ansvarsfrihet. Som underlag för vårt uttalande om styrelsens förslag till dispositioner beträffande bolagets vinst eller förlust har vi granskat styrelsens motiverade yttrande samt ett urval av underlagen för detta för att kunna bedöma om förslaget är förenligt med aktiebolagslagen.

Vår revisionsberättelse har lämnats i Lund den dag som framgår av vår elektroniska underskrift.

# IDEMIA UK Holding Limited

## Strategic Report for the Year Ended 31 December 2022

---

The Directors present their strategic report for the year ended 31 December 2022.

### Principal activity

The principal activity of the Company is that of an intermediate holding company within the IDEMIA Group.

### Fair review of the business

The Company is a wholly owned subsidiary of IDEMIA France SAS. It is financed by a combination of equity (£65,934,000) and loans provided by fellow group undertakings (£8,064,000) repayable on 31 December 2024.

The Company's income in the prior year arises from dividend receipts from its subsidiaries. Dividend income for the current year amounted to £Nil (2021 - £3,000,000). The profit before tax reflects dividend income from its subsidiaries less interest paid on the loans to its parent company IDEMIA France SAS.

	2022 £000	2021 £000	Change £000
(Loss)/profit before tax	(1,455)	1,696	(3,151)
Shareholders' funds	38,577	39,975	(1,398)

Guided by the Company's strategic drivers, the Company continues to create value for its shareholders.

### Statement by the directors in performance of their statutory duties in accordance with s172(1) of Companies Act 2006

As an intermediate holding company, the Company has no direct customers or employees other than its directors. However, we recognise the importance of our wider stakeholders in delivering our strategy and business sustainability through our subsidiary undertakings. We are conscientious about our responsibilities and duties to our stakeholders under section 172 of the Companies Act 2006. We adopt the group's 5 core values to all our responsibilities; Together, Curious, Caring, Daring and Trusted.

#### *The customers*

Our customers are the reason we exist. We continue to focus on providing customers with quality products at competitive prices.

#### *The employees*

We want the company to be a great place to work, where employees are empowered to make decisions and can develop their skills and capabilities to serve our customers' needs. We also consider the interests of former employees who are members of a group pension scheme. Our colleagues rely on us to provide stable employment and opportunities to realise their potential in a working environment where they can be at their best.

#### *The communities*

Our products, services and people are beneficial to the communities in which we operate. High standards of ethics and business conduct is an important part of being a responsible part of the communities in which we operate.

**IDEMIA UK Holding Limited**  
**Strategic Report for the Year Ended 31 December 2022**  
**(continued)**

---

**Statement by the directors in performance of their statutory duties in accordance with s172(1) of Companies Act 2006 (continued)**

*The environment*

Our products, supply chain and operations all have an impact on the environment. We believe that, as a general matter, our policies, practices and procedures are properly designed to prevent unreasonable risk of environmental damage, and of resulting financial liability, in connection with our business. We continually seek out opportunities to improve our environmental performance and to contribute to the well-being and sustainability of the areas in which we operate.

*The shareholders*

We continue to create long-term, sustainable value for our shareholders, by investing in our competitiveness in our chosen markets.

*The suppliers*

We continue to strengthen the partnerships we have with our suppliers to deliver great quality products to our customers, at great value.

**Principal risks and uncertainties**

The principal risks and uncertainties of the Company as an investment holding company pertain to the trading activities and performance of its investments. These risks are as follows:

*Russian/Ukraine Conflict*

The recent conflict in Ukraine has limited direct impact on the business of the Company's main trading subsidiary, IDEMIA UK Limited, as demand is significant enough to be redistributed within the current customer base. Trade debt balances and cash movements with both Russia and Ukraine are not material to the subsidiary company's performance. Indirect effects are primarily cost increases from energy and freight and underlying inflationary pressures.

**Financial risk management**

*Financial instruments risk*

The Company's net cash and certain of its group indebtedness attract interest at variable rates. The Company does not hedge its interest exposure and is therefore exposed to interest rate risk.

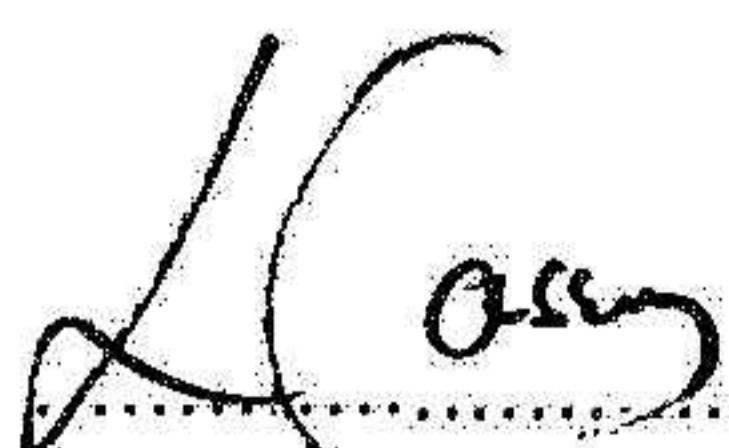

*Exposure to credit, liquidity and cash flow risk*

There are no other material exposures of the Company relating to credit, liquidity or cash flow risk which are material for the assessment of the assets, liabilities, financial position and performance of the Company.

*Investment impairment risk*

The carrying value of the Company's investments in its subsidiaries is vulnerable to reductions or increases in the future earnings of the subsidiaries in which the investments are held.

## Directors' Report for the Year Ended 31 December 2022

---

The directors of the Company present their Directors' Report and the audited financial statements for the year ended 31 December 2022.

### **Results and dividend**

The results for the Company are set out in the financial statements. The directors do not recommend the payment of a dividend (2021 - £nil).

### **Future developments**

The Company is expected to continue as an intermediary holding company for the foreseeable future.

### **Financial risk management**

Financial risk management details are shown in the Strategic report.

### **Directors' of the Company**

The directors who held office during the year, and up to the date of signing these financial statements, were as follows:

L Cassey

A Davis

H Mallet

### **Going concern**

The Company has loans of £8,064,000 owed to its parent company, IDEMIA France SAS, that are due to be repaid by 31 December 2024. The directors have received written confirmation from IDEMIA France SAS that they will, if required, assist the Company in meeting its liabilities as and when they fall due for a period of at least 12 months from the signing of these financial statements. The directors have gained assurance that IDEMIA France SAS is in a position to provide this support if required.

As a result, the directors have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Company to continue as a going concern, and have therefore prepared the financial statements on a going concern basis.

### **Emissions and energy consumption**

As an intermediate holding company, the Company has consumed less than 40MWh of energy in the year. Accordingly, no further disclosures regarding emissions and energy consumption have been given.

Emissions and energy consumption information for the Company's main UK trading subsidiary, IDEMIA UK Limited, are included in the individual financial statements of that company which are available from Alexandra Way, Ashchurch Business Centre, Tewkesbury, Gloucestershire, GL20 8GA.

### **Directors' liabilities**

The Company has granted an indemnity to its directors against liability in respect of proceedings brought by third parties, subject to the conditions set out in section 234 of the Companies Act 2006. Such qualifying third party indemnity provision remains in force as at the date of approving the Directors' Report.

**IDEMIA UK Holding Limited**  
**Directors' Report for the Year Ended 31 December 2022**  
**(continued)**

---

**Important non adjusting events after the financial period**

Subsequent to the year-end, the Company has undertaken a court-approved capital reduction thus reducing the level of share premium held within equity by £36m together with a corresponding increase in the profit and loss reserves. This has eliminated cumulative losses within the profit and loss reserve. Following the capital reduction the intercompany receivable due from the parent undertaking of £6,634,000 has been waived.

**Disclosure of information to the auditor**

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information. The directors confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

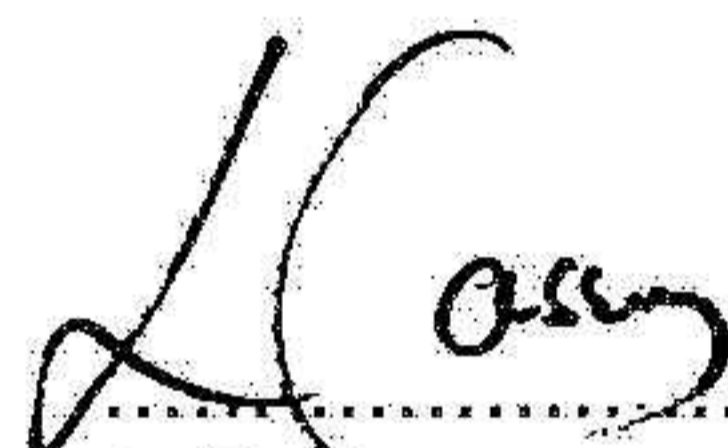

**Appointment of auditor**

Mazars LLP have confirmed their willingness to continue in office as auditors and will be re-appointed accordingly, in accordance with s485 of the Companies Act 2006.

**Disclosure requirements**

In accordance with the Companies Act 2006, section 414C(11), the Company's Strategic Report contains certain disclosures required in the Directors' Report.

IDEMIA UK Holding Limited  
Statement of Directors' Responsibilities

---

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare financial statements on a going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Under applicable law and regulations, the directors are also responsible for preparing a strategic report and directors' report, that comply with that law and those regulations. The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website.

# Independent Auditor's Report to the Members of IDEMIA UK Holding Limited

## Opinion

We have audited the financial statements of IDEMIA UK Holding Limited (the 'Company') for the year ended 31 December 2022 which comprise the Profit and Loss Account, Balance Sheet, Statement of Changes in Equity, and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 101 'Reduced Disclosure Framework' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2022 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

## Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

## Other information

The other information comprises the information included in the Annual Report, other than the financial statements and our Auditor's Report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

# Independent Auditor's Report to the Members of IDEMIA UK Holding Limited (continued)

---

## **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and Directors' Report have been prepared in accordance with applicable legal requirements.

## **Matters on which we are required to report by exception**

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

## **Responsibilities of Directors**

As explained more fully in the Statement of Directors' Responsibilities set out on page 6, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Based on our understanding of the Company and its industry, we considered that non-compliance with the following laws and regulations might have a material effect on the financial statements: employment regulation or anti-money laundering regulation.

## Independent Auditor's Report to the Members of IDEMIA UK Holding Limited (continued)

---

### **Auditor's responsibilities for the audit of the financial statements (continued)**

To help us identify instances of non-compliance with these laws and regulations, and in identifying and assessing the risks of material misstatement in respect to non-compliance, our procedures included, but were not limited to:

- Inquiring of management and, where appropriate, those charged with governance, as to whether the Company is in compliance with laws and regulations, and discussing their policies and procedures regarding compliance with laws and regulations;
- Inspecting correspondence, if any, with relevant licensing or regulatory authorities;
- Communicating identified laws and regulations throughout our engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- Considering the risk of acts by the Company which were contrary to applicable laws and regulations, including fraud.

We also considered those laws and regulations that have a direct effect on the preparation of the financial statements, such as tax legislation and the Companies Act 2006.

In addition, we evaluated the directors' and management's incentives and opportunities for fraudulent manipulation of the financial statements, including the risk of management override of controls, and determined that the principal risks related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates, and significant one-off or unusual transactions.

Our audit procedures in relation to fraud included but were not limited to:

- Making enquiries of the directors and management on whether they had knowledge of any actual, suspected or alleged fraud;
- Gaining an understanding of the internal controls established to mitigate risks related to fraud;
- Discussing amongst the engagement team the risks of fraud; and
- Addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

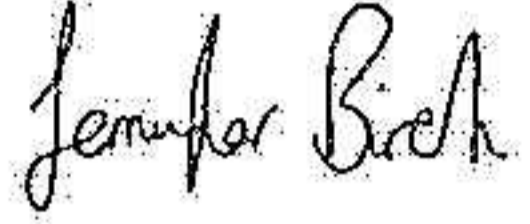

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditor's Report.

## Use of the audit report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Finance costs**

Finance costs consist of interest payable on borrowings calculated using the effective interest method. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

**Prior period adjustments**

In the prior year, loans due to group undertakings within one year were understated by £4,000,000 and loans due to group undertakings after more than one year were overstated by £4,000,000 in error. The comparative numbers in notes 10 and 11 have been restated in the current year to correct the error. There is no impact on the profit and loss account for the current or prior year.

**Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

***Financial asset – recognition and measurement***

Financial assets are recognised when the entity becomes a party to the contract and, as a consequence, has a legal right to receive cash.

All financial assets are initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

The Company classifies its financial assets in the following categories: at fair value through profit or loss; and loans and receivables. The classification depends on the purpose for which the financial assets were acquired. Management determines the classification of its financial assets at initial recognition.

**(a) *Financial assets at amortised cost***

The Company classifies its financial assets as at amortised cost only if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cash flows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

*(b) Financial assets at fair value through profit or loss*

The following financial assets are classified at fair value through profit or loss (FVPL):

- debt investments that do not qualify for measurement at either amortised cost (see note (a) and (b) above)
- equity investments that are held for trading, and
- equity investments for which the entity has not elected to recognise fair value gains and losses through OCI.

The Company has no financial assets measured at fair value through profit or loss.

***Impairment of financial assets***

In accordance with IFRS 9, the Company applies expected credit loss (ECL) model for the measurement and recognition of impairment loss on financial assets measured at amortised cost.

***Financial liabilities - recognition and measurement***

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities comprise primarily of amounts owed to group undertakings.

***Subsequent measurement***

The measurement of financial liabilities depends on their classification, as described below:

- (a) *Financial liabilities at fair value through profit or loss*
- (b) *Loans and borrowings*

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

The Company does not have any financial liabilities which are subsequently re-measured at fair value through profit or loss.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

## **2 Accounting policies (continued)**

### **Impairment of non-financial assets**

The carrying values of non-financial assets are reviewed at each balance sheet date to determine whether there is an indication of impairment. If any impairment losses arise, the asset value is adjusted to its estimated recoverable amount and the difference is recognised in the profit and loss account.

For assets where an impairment loss subsequently reverses, the carrying amount of the asset or cash generating unit is increased to the revised estimate of its recoverable amount, not to exceed the carrying amount that would have been determined, net of depreciation, had no impairment losses been recognised for the asset or cash generating unit in prior years. A reversal of impairment is recognised immediately in the profit or loss account, unless the asset is carried at a revalued amount when it is treated as a revaluation increase.

### **Investments**

Investments in subsidiaries undertakings are held at cost less accumulated impairment losses. Dividend income is recognised when the Company's right to receive payment is established.

### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

### **Borrowings**

All borrowings are initially recorded at the amount of proceeds received, net of transaction costs. Borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the profit and loss account over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in finance costs.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date, in which case they are classified as non-current liabilities.

### **Share capital**

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

## **3 Critical accounting judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires judgements, estimations and assumptions to be made that affect the reported values of assets, liabilities, revenues and expenses. The nature of estimation means that the actual outcomes could differ from those estimates.

**IDEMIA UK Holding Limited**

**December 2022 (continued)**

---

**3 Critical accounting judgements and key sources of estimation uncertainty (continued)**

**Key Sources of Estimation Uncertainties**

The estimates and assumptions that are significant to the carrying amounts of assets and liabilities are addressed below:

*Impairment of investments*

The Company is required to assess whether there are indicators of impairment in respect of investments and where impairments have previously been recognised, indicators of a reversal of those impairments. Where an indication of impairment or indicator of a required reversal is identified the estimation of recoverable value requires an assessment of the investment's value in use, which in turn requires assumptions to be made about the future cash flows and the appropriate discount rates in order to calculate the net present value of those cash flows. Please refer to note 8 for further information.

**Critical Accounting Judgements**

The following are the critical judgements that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements:

*Deferred tax assets*

Management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits, together with an assessment of the effect of future tax planning strategies.

**4 Auditor's remuneration**

	<b>2022</b>	<b>2021</b>
	<b>£ 000</b>	<b>£ 000</b>

**5 Staff costs**

There were no employees during the year, or prior year, and the directors did not receive any fees or emoluments in respect of their services to the Company in either year, as their roles are incidental to their roles as directors of other companies within the IDEMIA group.

**6 Interest payable**

This announcement was substantively enacted on 24 May 2021 and therefore deferred tax assets at the balance sheet date are measured at the enacted tax rate of 25%.

**Deferred tax recognised**

In the current year the Company has chosen to recognise the tax losses of £5,206,000, arising from 1 April 2017 to 31 December 2022, as a deferred tax asset of £1,301,000. There is an expectation that these losses will be used to relieve future trading profits from elsewhere in the Group.

The Company undertakes an annual impairment review of its investments, where it considers the relationship between the carrying value of each subsidiary and their future cash flows discounted to their present value (their value in use). The key assumptions within the value in use calculations for the Company's investments are growth rates and discount rates. Growth and associated cash flow projections are based on each subsidiary's forecasts (where available) of up to 3 years ahead. Where financial forecasts beyond 2022 are not available, an annual long-term growth rate of 2% is used. The discount rate applied is the IDEMIA Group's pre-tax weighted average cost of capital of 10.4%, adjusted for the size and risk associated with each subsidiary. No adjustment to the impairment provision was recognised in the current year (2021 - £nil).

Details of the subsidiaries as at 31 December 2022 are as follows:
