Company and its Users' Disclosure Regarding Conducting Business Electronically, and Signing Documents Electronically

By using Certinal Application, you hereby specifically provide your consent to use Certinal Application for receiving notifications electronically and/or electronically signing e-documents rather than executing those documents through wet signatures. If you do not wish to receive notifications electronically and/or execute e-documents by applying electronic signatures, then you may withdraw your consent in following manner:

- You may notify the sender by writing email to the sender of e-document that you do not wish to execute e-documents by applying electronic signatures.
- You may write email to the sender of e-document and ask the sender to provide print of the document for executing the same by applying wet signatures.
- You yourself may download the document from Certinal Application and print the same for executing it by applying wet signatures.

Any such action of yours by which you do not proceed to electronically sign e-documents shall be construed as withdrawal of your consent to electronically sign e-documents.

You may be required to pay to the sender for executing hard copy of the document through wet signatures needs to be settled between you and the sender. Certinal is not liable in any manner whatsoever related to any such cost if any incurred by you.

After withdrawal of such consent if at any time in future you again use the Certinal Application either to electronically sign the same document for which you had earlier withdrawn your consent or you use the Certinal Application to sign any other new document then by such act of yours you acknowledge that you are consenting to use Certinal Application for electronically signing e-documents.
